In addition, the commissioner shall evaluate the feasibility of using the network to disseminate data regarding the use of fraudulent checks and the coordination of security and antiterrorism efforts with the Federal Bureau of Investigation. Subdivision 1. **Program established.** A community-oriented policing grant program is established under the administration of the commissioner of public safety. Grants may be awarded as provided in subdivision 2 for the following purposes:

(1) to enable local law enforcement agencies to hire law enforcement officers. The grants must be used by law enforcement agencies to increase the complement of officers in the agency by paying the salaries of new officers who replace an existing officer who has been reassigned primarily to investigate and prevent juvenile crime or to perform community-oriented policing duties; and

(2) to enable local law enforcement agencies to assign overtime officers to high crime areas within their jurisdictions.

Subd. 2. **Awarding grant.** Grants under this section shall be awarded by the commissioner of public safety. Before any grants are awarded, a committee consisting of the attorney general, and representatives from the Minnesota chiefs of police association, the Minnesota sheriffs association, and the Minnesota police and peace officers association, shall evaluate the grant applications. Before grants are awarded, the commissioner shall meet and consult with the committee concerning its evaluation of and recommendations on grant proposals. A grant under subdivision 1, clause (1), may be awarded only to a law enforcement agency that demonstrates in its application that it currently has a need for an additional officer to be assigned to: (i) community-oriented policing duties; or (ii) the investigation and prevention of juvenile crime, based on the juvenile crime rate in the area over which the agency has jurisdiction. More than one grant under subdivision 1, clause (1), may be awarded to an agency; however, each grant may fund only one position. At least 50 percent of the grants awarded under subdivision 1, clause (1), must be awarded to the cities of Minneapolis and St. Paul.

Subd. 3. **Amount of grant to hire officer.** A grant awarded under subdivision 1, clause (1), must reimburse up to 150 percent of the entry level salary and benefits of a law enforcement officer, not to exceed \$75,000. However, the money may not be used to pay for equipment or uniforms for the officer. The grant is intended to be used for the salary of the officer over a three-year period.

Subd. 4. **Conditions of grant to hire officer.** Grant recipients who receive grants under subdivision 1, clause (1), shall continue to employ a law enforcement officer hired with money granted under this section for at least a three-year period. If for any reason during the three-year period the employment relationship ends, the agency shall hire an additional officer so that the total number of officers employed by the agency does not change. A law enforcement agency that fails to comply with this subdivision shall reimburse the commissioner as follows:

(1) if the failure occurs during the first year, the agency shall reimburse the full amount of the grant;

(2) if the failure occurs during the second year, the agency shall reimburse two-thirds of the grant; or

(3) if the failure occurs during the third year but prior to the three-year anniversary of the officer's hiring, the agency shall reimburse one-third of the grant.

Subd. 2. **Awarding grant.** The commissioner of public safety shall act as fiscal agent for the grant program and shall be responsible for receiving applications for grants and awarding grants under this section. Before any grants are awarded, a committee consisting of the attorney general, and representatives from the Minnesota chiefs of police association, the

Minnesota sheriffs association, and the Minnesota police and peace officers association, shall evaluate the grant applications. (2) describe the problems to be corrected within the targeted neighborhood and the strengths that make the targeted neighborhood a suitable candidate for funding; and

(3) contain the city's plan for use of the grant funds. This plan must:

(i) be prepared in consultation with residents of the targeted neighborhood;

(ii) describe the specific law enforcement, community policing, prevention, intervention, treatment, and neighborhood revitalization activities that the city intends to undertake; and

(iii) include a reporting and evaluation component.

(b) A city may apply for more than one grant under this section; however, each grant may target only one neighborhood.

**Subd. 4. Attorney general duties.** (a) The attorney general may assist cities and local law enforcement officials in developing and implementing anticrime and neighborhood community revitalization strategies and may assist local prosecutors in prosecuting crimes occurring in the targeted neighborhoods that receive funding under this section. Upon request of the local prosecuting authority, the attorney general may appear in court in those civil and criminal cases arising as a result of this section that the attorney general deems appropriate. ## CRIMINAL GANG COUNCIL AND STRIKE FORCE

### 299A.64 CRIMINAL GANG COUNCIL AND STRIKE FORCE.

**Subdivision 1. Membership of council.** The criminal gang oversight council consists of the following individuals or their designees: the commissioner of public safety; the commissioner of corrections; the superintendent of the bureau of criminal apprehension; the attorney general; the chief law enforcement officers for Minneapolis, St. Paul, St. Cloud, and Duluth; a chief of police selected by the president of the Minnesota chiefs of police association; two sheriffs, one from a county in the seven-county metropolitan area other than Hennepin or Ramsey county and the other from a county outside the metropolitan area, both selected by the president of the Minnesota sheriffs association; the executive director of the Minnesota police and peace officers association; and the Hennepin, Ramsey, St. Louis, and Olmsted county sheriffs. The council may select a chair from among its members.

**Subd. 2. Statewide gang strategy.** (a) The council shall develop an overall strategy to eliminate the harm caused to the public by criminal gangs and their illegal activities within the state of Minnesota. In developing the strategy, the council shall consult with representatives from the community services division of the Minnesota department of corrections and federal probation officers employed by the United States District Court of Minnesota. As far as practicable, the strategy must address all criminal gangs operating in the state regardless of location or the motivation or ethnicity of the gangs' members. The strategy must address criminal gangs in both the metropolitan area and greater Minnesota. The council shall consult with and take into account the needs of law enforcement agencies and prosecutorial of-

lices in greater Minnesota in developing the strategy. The strategy must target individuals or groups based on their criminal behavior, not their physical appearance. The strategy must take into account the rights of groups and individuals that the strike force may target and protect against abuses of these rights.

(b) In addition to developing the strategy described in paragraph (a), the council shall develop criteria and identifying characteristics for use in determining whether individuals are or may be members of gangs involved in criminal activity. The council shall also develop procedures and criteria for the investigation of criminal gangs and crimes committed by those gangs throughout the state.

**Subd. 3. Criminal gang strike force.** The council shall oversee the organization and deployment of a statewide criminal gang strike force. The strike force must consist of law enforcement officers, bureau of criminal apprehension agents, an assistant attorney general, and a communications and intelligence network. The council shall select the members of the strike force who shall serve at the pleasure of the council. The council shall ensure that all law enforcement officers selected to join the strike force are licensed peace officers or federal law enforcement agents found by the Minnesota board of peace officer standards and training to have equivalent qualifications. In selecting members of the strike force, the council shall consult with chiefs of local law enforcement agencies, sheriffs, and other interested parties. The council shall request these individuals to recommend willing and experienced persons under their jurisdiction who would help the strike force and to permit those persons to join it. To the greatest extent possible, entities contributing members to the strike force are encouraged to also contribute equipment and other support. The council shall attempt to ensure that these entities do so.

**Subd. 4. Strike force duties.** The strike force shall implement the strategy developed by the council and is responsible for tactical decisions regarding implementation of the strategy. In addition and upon request, the strike force shall assist and train local governmental units, law enforcement agencies, and prosecutors' offices in methods to identify criminal gangs and gang members. To the greatest extent possible, the strike force shall operate as a cohesive unit exclusively for the purposes listed in this section. If regional units are established under subdivision 7, the council shall ensure that the existence and operation of these units do not impair the overall goal of a uniform statewide strategy to combat crimes committed by gangs.

**Subd. 5. Service; transfer.** To the greatest extent possible, members of the strike force shall serve on the force for the entirety of its existence. Members continue to be employed by the same entity by which they were employed before joining the strike force. While serving on the strike force, however, members are under the exclusive command of the strike force. A member who desires to be transferred back to the position the member held before joining the strike force may request a transfer from the council. The council shall approve and arrange for the requested transfer as soon as is practicable. The person in charge of the organization from which the member came also may request that a member be transferred back. In these instances, the council shall approve and arrange for the requested transfer immediately or as soon as is practicable. If a member is transferred from the strike force, the person in charge of the organization from which the member came shall arrange for an experienced individual, acceptable to the council, to replace the transferred person on the strike force. If this arrangement cannot be made, any grant received under section 299A.66, subdivision 1, must be repaid on a prorated basis.

**Subd. 6. Commanders.** The council shall designate a member of the strike force to be its commander and may appoint an individual assigned to a regional unit established under subdivision 7 to be the commander of the regional unit.

**Subd. 7. Regional units.** If the council at any time determines that it would be more effective and efficient to have distinct units within the strike force concentrating on specific areas, it may establish regional units within the strike force and select their members. If the council chooses to do so, the other provisions of this section still apply to the individual units, and the council still has the duty and authority to develop necessary procedures and criteria for and to oversee the operation of each individual unit. The council may continue to alter the

structure of the strike force and any units composing it in any way designed to further its effectiveness and to carry out the intent of this section.

**Subd. 8. Role of assistant attorney general.** The assistant attorney general assigned to the strike force shall generally advise the council on any matters that the council deems appropriate. The council may seek advice from other attorneys and, if the council decides it would be appropriate, may retain outside counsel. The assistant attorney general shall train local prosecutors in prosecuting cases involving criminal gangs and in interviewing witnesses and victims and shall cooperate with other strike force members in developing and building strong cases.

**Subd. 9. Attorney general; community liaison.** The attorney general or a designee shall serve as a liaison between the criminal gang oversight council and the councils created in sections 3.922, 3.9223, 3.9225, and 3.9226. The attorney general or the designee will be responsible for:

(1) informing the councils of the criminal gang oversight council's plans, activities, and decisions and hearing their reactions to those plans, activities, and decisions; and

(2) providing the criminal gang oversight council with information about the councils' position on the oversight council's plans, activities, and decisions.

In no event is the criminal gang oversight council required to disclose the names of individuals identified by it to the councils referenced in this subdivision.

Nothing in this subdivision changes the data classification of any data held by the oversight council.

**Subd. 10. Required report.** By February 1 of each year, the council shall report to the chairs of the senate and house of representatives committees and divisions having jurisdiction over criminal justice policy and funding on the activities of the council and strike force.

**History:** 1997 c 239 art 8 s 8

## 299A.65 JURISDICTION AND LIABILITY.

**Subdivision 1. Statewide jurisdiction.** Law enforcement officers who are members of the criminal gang strike force have statewide jurisdiction to conduct criminal investigations and possess the same powers of arrest as those possessed by a sheriff.

**Subd. 2. Liability and workers' compensation.** While operating under the scope of this section, members of the strike force are "employees of the state" as defined in section 3.736 and are considered employees of the department of public safety for purposes of chapter 176.

**History:** 1997 c 239 art 8 s 9

## 299A.66 GRANT PROGRAMS.

**Subdivision 1. Reimbursement grant authorized.** The commissioner of public safety, upon recommendation of the council, may award grants to local law enforcement agencies, sheriff's offices, and other organizations that have contributed members to the criminal gang strike force to hire new persons to replace those who have joined the force. A grant may cover a two-year period and reimburse the recipient for a maximum of 100 percent of the salary of the person contributed to the strike force. A recipient of a grant under this subdivision must use the money to hire a new person to replace the person who has joined the strike force, thus keeping its complement of employees at the same level. The money may not be used to pay for equipment or uniforms.

**Subd. 2. Grant to expand local capacity to combat criminal gangs.** (a) The commissioner of public safety, upon recommendation of the council, may award grants to local law enforcement agencies and city and county attorneys' offices to expand the agency's or office's capacity to successfully investigate and prosecute crimes committed by criminal gangs.

(b) Grant applicants under this subdivision shall submit to the commissioner and the council a detailed plan describing the uses for which the money will be put. The commissioner and the council shall evaluate grant applications and award grants in a manner that will best ensure positive results. The commissioner may award grants to purchase necessary

equipment and to develop or upgrade computer systems if the commissioner determines that those uses would best aid the recipient's attempts to combat criminal gangs. The commissioner shall require recipients of grants to provide follow-up reports to the council detailing the success of the recipient in combating criminal gangs.

(c) The commissioner shall condition grants made under this subdivision to require that recipients agree to cooperate with the council and the bureau of criminal apprehension in establishing and expanding the criminal gang investigative data system described in section 299C.091 and in implementing the strategy developed by the council to combat criminal gangs. Grant recipients must agree to provide the council and bureau with any requested information regarding the activities and characteristics of criminal gangs and gang members operating within their jurisdictions.
