

CHAPTER 216A

PUBLIC UTILITIES; COMMISSION, DEPARTMENT

216A.03 Public utilities commission.

216A.03 PUBLIC UTILITIES COMMISSION.*[For text of subs 1 to 6, see M.S.1998]*

Subd. 7. **Filing approved without hearing.** A filing with the commission may be deemed approved by the commission after 60 days of filing, unless the commission, a commissioner, or any other person requests the filing be set aside for action by the commission. The commission may designate, by standing order, categories or types of filings that are eligible for approval under this subdivision. Complaint filings, petitions for rulemakings, or petitions to increase rates are not eligible for designation. The commission must publish a weekly notice of the filings that are approved without other action by the commission, and shall issue a written order approving the filing upon passage of the 60-day term. Orders approved under this subdivision are subject to reconsideration, as provided in section 216B.27 or the commission's rules of practice and procedure, and nothing in this subdivision affects the rights of any entity under section 216B.17 or 237.081.

Subd. 8. **Delegations to commission subcommittees.** (a) The commission may create and appoint members to standing or ad hoc subcommittees of the commission consisting of at least one commissioner. The commission, at a regularly scheduled agenda hearing, may delegate any of the commission's legislative, administrative, or quasi-judicial functions, as defined in section 216A.02, to a subcommittee of the commission.

(b) Upon objection by a party, a participant, or a commissioner, a decision by a subcommittee must be referred to the full commission. Subcommittee decisions for which no objection is filed with the commission within ten days from the date of receipt of the written decision of the subcommittee are deemed decisions of the full commission. If referred to the full commission, the full commission may rely on the record developed by the subcommittee but shall treat the subcommittee decision as advisory.

(c) In either their initial or reply filings with the commission, a party or a participant may request that the commission not delegate the proceeding to a commission subcommittee. The request must be granted.

(d) For the purposes of this subdivision:

(1) a "party" means a person by or against whom a proceeding before the commission is commenced or a person permitted to intervene in a proceeding under this chapter; and

(2) a "participant" means a person who files comments or appears to present views without becoming a party in a proceeding, other than public hearings held in contested cases and other commission proceedings conducted to receive general public comments.

Subd. 9. **Lead commissioner; designation, powers, duties.** The commission may designate a commissioner to be the lead commissioner for a docket, a type of docket, or for a particular subject area. The commission shall allow interested persons to be heard on a proposed designation prior to making the designation. The lead commissioner is authorized to exercise the commission's authority to develop an evidentiary record for a proceeding, including holding hearings and requesting written or oral comments. At the request of the commission, the lead commissioner shall provide the commission and the service list for the proceeding with a written summary of the evidentiary record developed by the lead commissioner for the case, including any recommendations of the commissioner. Any findings of fact, conclusions of law, or recommendations of the lead commissioner are advisory only and are not binding on the commission. The commission may delegate its authority to designate lead commissioners to the chair. Nothing in this subdivision affects a person's opportunity to request a contested case proceeding under chapter 14.
