

CHAPTER 60C

INSURANCE GUARANTY ASSOCIATION

60C.09 Covered claims.

60C.09 COVERED CLAIMS.

Subdivision 1. **Definition.** A covered claim is any unpaid claim, including one for unearned premium, which:

(a)(1) Arises out of and is within the coverage of an insurance policy issued by a member insurer if the insurer becomes an insolvent insurer after April 30, 1979; or

(2) Would be within the coverage of an extended reporting endorsement to a claims-made insurance policy if insolvency had not prevented the member insurer from fulfilling its obligation to issue the endorsement, if:

(i) the claims-made policy contained a provision affording the insured the right to purchase a reporting endorsement;

(ii) coverage will be no greater than if a reporting endorsement had been issued;

(iii) the insured has not purchased other insurance which applies to the claim; and

(iv) the insured's deductible under the policy is increased by an amount equal to the premium for the reporting endorsement, as provided in the insured's claims-made policy, or if not so provided, then as established by a rate service organization.

(b) Arises out of a class of business which is not excepted from the scope of this chapter by section 60C.02; and

(c) Is made by:

(i) A policyholder, or an insured beneficiary under a policy, who, at the time of the insured event, was a resident of this state; or

(ii) A person designated in the policy as having an insurable interest in or related to property situated in this state at the time of the insured event; or

(iii) An obligee or creditor under any surety bond, who, at the time of default by the principal debtor or obligor, was a resident of this state; or

(iv) A third party claimant under a liability policy or surety bond, if: (a) the insured or the third party claimant was a resident of this state at the time of the insured event; (b) the claim is for bodily or personal injuries suffered in this state by a person who when injured was a resident of this state; or (c) the claim is for damages to real property situated in this state at the time of damage; or

(v) A direct or indirect assignee of a person who except for the assignment might have claimed under item (i), (ii), or (iii).

For purposes of paragraph (c), item (ii), unit owners of units in a common interest community are considered as having an insurable interest.

A covered claim also includes any unpaid claim which arises or exists within 30 days after the time of entry of a final order of liquidation with a finding of insolvency by a court of competent jurisdiction unless prior thereto the insured replaces the policy or causes its cancellation or the policy expires on its expiration date. A covered claim does not include claims filed with the guaranty fund after the final date set by the court for the filing of claims except for workers' compensation claims that have met the time limitations and other requirements of chapter 176 and excused late filings permitted under section 60B.37.
