18.024 DISEASED SHADE TREE USE.

Subdivision 1. **Wood use.** The departments of agriculture and natural resources, after consultation with the Minnesota shade tree advisory committee and the state energy office in the department of commerce, shall investigate, evaluate, and make recommendations to the legislature concerning the potential uses of wood from community trees removed due to disease or other disorders. These recommendations shall include maximum resource recovery through recycling, use as an alternative energy source, or use in construction or the manufacture of new products. Wood utilization or disposal systems as defined in section 18.023 must be included to ensure maximum utilization of diseased shade trees with designs and procedures to ensure public safety and to assure compliance with approved disease control programs.
