(8) failure to adhere to the provisions of the physician-physician assistant agreement;

(9) engaging in the practice of medicine beyond that allowed by the physician-physician assistant agreement, including the delegation form or the addendum to the delegation form, or aiding or abetting an unlicensed person in the practice of medicine;

(21) knowingly providing false or misleading information that is directly related to the care of that patient unless done for an accepted therapeutic purpose such as the administration of a placebo;

(22) aiding suicide or aiding attempted suicide in violation of section 609.215 as established by any of the following:

(23) failure to maintain annually reviewed and updated physician-physician assistant agreements, internal protocols, or prescribing delegation forms for each physician-physician assistant practice relationship, or failure to provide copies of such documents upon request by the board.

Subd. 2. Effective dates, automatic suspension. A suspension, revocation, condition, limitation, qualification, or restriction of a registration shall be in effect pending determination of an appeal unless the court, upon petition and for good cause shown, orders otherwise.

A physician assistant registration is automatically suspended if:

(1) a guardian of the person of a registrant is appointed by order of a court pursuant to sections 525.54 to 525.61, for reasons other than the minority of the registrant; or

(2) the registrant is committed by order of a court pursuant to chapter 253B. The registration remains suspended until the registrant is restored to capacity by a court and, upon petition by the registrant, the suspension is terminated by the board after a hearing.

Subd. 3. Conditions on reissued registration. In its discretion, the board may restore and reissue a physician assistant registration, but may impose as a condition any disciplinary or corrective measure which it might originally have imposed.

Subd. 4. Temporary suspension of registration. In addition to any other remedy provided by law, the board may, without a hearing, temporarily suspend the registration of a physician assistant if the board finds that the physician assistant has violated a statute or rule which the board is empowered to enforce and continued practice by the physician assistant would create a serious risk of harm to the public. The suspension shall take effect upon written notice to the physician assistant, specifying the statute or rule violated. The suspension shall remain in effect until the board issues a final order in the matter after a hearing. At the time it issues the suspension notice, the board shall schedule a disciplinary hearing to be held pursuant to the Administrative Procedure Act.

The physician assistant shall be provided with at least 20 days' notice of any hearing held pursuant to this subdivision. The hearing shall be scheduled to begin no later than 30 days after the issuance of the suspension order.

Subd. 5. Evidence. In disciplinary actions alleging a violation of subdivision 1, clause (3) or (4), a copy of the judgment or proceeding under the seal of the court administrator or of the administrative agency which entered it shall be admissible into evidence without further authentication and shall constitute prima facie evidence of the contents thereof.

Subd. 6. Mental examination; access to medical data. (a) If the board has probable cause to believe that a physician assistant comes under subdivision 1, clause (1), it may

direct the physician assistant to submit to a mental or physical examination. For the purpose of this subdivision, every physician assistant registered under this chapter is deemed to have consented to submit to a mental or physical examination when directed in writing by the board and further to have waived all objections to the admissibility of the examining physicians' testimony or examination reports on the ground that the same constitute a privileged communication. Failure of a physician assistant to submit to an examination when directed constitutes an admission of the allegations against the physician assistant, unless the failure was due to circumstance beyond the physician assistant's control, in which case a default and final order may be entered without the taking of testimony or presentation of evidence. A physician assistant affected under this subdivision shall at reasonable intervals be given an opportunity to demonstrate that the physician assistant can resume competent practice with reasonable skill and safety to patients. In any proceeding under this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against a physician assistant in any other proceeding.

(b) In addition to ordering a physical or mental examination, the board may, notwithstanding sections 13.384, 144.651, or any other law limiting access to medical or other health data, obtain medical data and health records relating to a registrant or applicant without the registrant's or applicant's consent if the board has probable cause to believe that a physician assistant comes under subdivision 1, clause (1).

The medical data may be requested from a provider, as defined in section 144.335, subdivision 1, paragraph (b), an insurance company, or a government agency, including the department of human services. A provider, insurance company, or government agency shall comply with any written request of the board under this subdivision and is not liable in any action for damages for releasing the data requested by the board if the data are released pursuant to a written request under this subdivision, unless the information is false and the provider giving the information knew, or had reason to believe, the information was false. Information obtained under this subdivision is classified as private under chapter 13.

Subd. 7. Tax clearance certificate. (a) In addition to the provisions of subdivision 1, the board may not issue or renew a registration if the commissioner of revenue notifies the board and the registrant or applicant for registration that the registrant or applicant owes the state delinquent taxes in the amount of \$500 or more. The board may issue or renew the registration only if:

- (1) the commissioner of revenue issues a tax clearance certificate; and
- (2) the commissioner of revenue, the registrant, or the applicant forwards a copy of the clearance to the board.

The commissioner of revenue may issue a clearance certificate only if the registrant or applicant does not owe the state any uncontested delinquent taxes.

(b) For purposes of this subdivision, the following terms have the meanings given:

- (1) "Taxes" are all taxes payable to the commissioner of revenue, including penalties and interest due on those taxes, and
- (2) "Delinquent taxes" do not include a tax liability if:
 - (i) an administrative or court action that contests the amount or validity of the liability has been filed or served;
 - (ii) the appeal period to contest the tax liability has not expired; or
 - (iii) the licensee or applicant has entered into a payment agreement to pay the liability and is current with the payments.

(c) When a registrant or applicant is required to obtain a clearance certificate under this subdivision, a contested case hearing must be held if the registrant or applicant requests a hearing in writing to the commissioner of revenue within 30 days of the date of the notice provided in paragraph (a). The hearing must be held within 45 days of the date the commissioner of revenue refers the case to, the office of administrative hearings. Notwithstanding any law to the contrary, the licensee or applicant must be served with 20 days' notice in writing specifying the time and place of

the hearing and the allegations against the registrant or applicant. The notice may be served personally or by mail.

(d) The board shall require all registrants or applicants to provide their social security number and Minnesota business identification number on all registration applications. Upon request of the commissioner of revenue, the board must provide to the commissioner of revenue a list of all registrants and applicants, including their names and addresses, social security numbers, and business identification numbers. The commissioner of revenue may request a list of the registrants and applicants no more than once each calendar year.

Subd. 2. **Institutions.** Any hospital, clinic, prepaid medical plan, or other health care institution or organization located in this state shall report to the board any action taken by the institution or organization, any of its administrators, or its medical or other committees to revoke, suspend, restrict, or condition a physician assistant's privilege to practice or treat patients in the institution or as part of the organization, any denial of privileges, or any other disciplinary action. The institution or organization shall also report the resignation of any physician assistants prior to the conclusion of any disciplinary proceeding, or prior to the commencement of formal charges but after the physician assistant had knowledge that formal charges were contemplated or in preparation. Each report made under this subdivision must state the nature of the action taken, state in detail the reasons for the action, and identify the specific patient medical records upon which the action was based. No report shall be required of a physician assistant voluntarily limiting the practice of the physician assistant at a hospital provided that the physician assistant notifies all hospitals at which the physician assistant has privileges of the voluntary limitation and the reasons for it.

Subd. 3. **Physician assistant organizations.** A state or local physician assistant organization shall report to the board any termination, revocation, or suspension of membership or any other disciplinary action taken against a physician assistant. If the society has received a complaint which might be grounds for discipline under this chapter against a member physician assistant on which it has not taken any disciplinary action, the society shall report the complaint and the reason why it has not taken action on it or shall direct the complainant to the board of medical practice. This subdivision does not apply to a physician assistant organization when it performs peer review functions as an agent of an outside entity, organization, or system.

Subd. 4. **Licensed professionals.** Licensed health professionals and persons holding residency permits under section 147.0391, shall report to the board personal knowledge of any conduct which the person reasonably believes constitutes grounds for disciplinary action under this chapter by a physician assistant, including any conduct indicating that the person may be incompetent, or may have engaged in unprofessional conduct or may be medically or physically unable to engage safely in practice as a physician assistant. No report shall be required if the information was obtained in the course of a physician-patient relationship if the patient is a physician assistant, and the treating physician successfully counsels the person to limit or withdraw from practice to the extent required by the impairment.

Subd. 5. **Insurers.** Four times each year as prescribed by the board, each insurer authorized to sell insurance described in section 60A.06, subdivision 1, clause (13), and providing professional liability insurance to physician assistants, and any medical clinic, hospital, political subdivision, or other entity that self-insures and provides professional liability coverage to physician assistants, shall submit to the board a report concerning the physician assistants against whom professional malpractice settlements or awards have been made to the plaintiff.

Any medical clinic, hospital, political subdivision, or other entity which provides liability coverage on behalf of a physician assistant shall submit to the board a report concerning settlements or awards paid on behalf of a physician assistant, and any settlements or awards paid by a clinic, hospital, political subdivision, or other entity on its own behalf because of care rendered by a physician assistant. - (6) the name of the physician assistant against whom an award was made or with whom a settlement was made.

The insurance company shall, in addition to the above information, report to the board any information it possesses which tends to substantiate a charge that a physician assistant may have engaged in conduct violating this chapter.

Subd. 6. Courts. The court administrator of district court or any other court of competent jurisdiction shall report to the board any judgment or other determination of the court which adjudges or includes a finding that a physician assistant is mentally ill, mentally incompetent, guilty of a felony, guilty of a violation of federal or state narcotics laws or controlled substances act, or guilty of an abuse or fraud under Medicare or Medicaid, appoints a guardian of the physician assistant pursuant to sections 525.54 to 525.61, or commits a physician assistant pursuant to chapter 253B.
