(c) When potential employment is at a rate of pay lower than the applicant's former rate, consideration must be given to the length of the applicant's unemployment and the proportion of difference in the rates. (g) Employment shall not be considered suitable if:

- (1) the position offered is vacant because of a labor dispute;
- (2) the wages, hours, or other conditions of employment are substantially less favorable than those prevailing for similar employment in the labor market area; or

(a) The commissioner, upon the commissioner's own motion or upon application of an organization or person, shall determine if that organization or person is an employer or whether services performed for it constitute employment and covered employment, or whether the compensation for services constitutes wages, and shall notify the organization or person of the determination. The determination shall be final unless the organization or person, within 30 calendar days after sending of the determination by mail or electronic transmission, files an appeal. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(b) The commissioner may at any time upon the commissioner's own motion correct any error of the department resulting in an erroneous determination under this section. A corrected determination shall be final unless, within 30 calendar days after sending of the corrected determination to the organization or person by mail or electronic transmission, an appeal is filed. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(c) No organization or person shall be initially determined an employer, or that services performed for it were in employment or covered employment, for periods more than four years prior to the year in which the determination is made, unless the

commissioner finds that there was fraudulent action to avoid liability under this chapter.

268.044 WAGE REPORTING.

Subdivision 1. **Wage detail report.** (a) Each employer that has employees in covered employment shall provide the commissioner with a quarterly wage detail report. The report shall include for each employee in covered employment, the employee's name, social security number, the total wages paid to the employee, and total number of paid hours worked. For employees exempt from the definition of employee in section 177.23, subdivision 7, clause (6), the employer shall report 40 hours worked for each week any duties were performed by a full-time employee and shall report a reasonable estimate of the hours worked for each week duties were performed by a part-time employee. The report is due and must be filed on or before the last day of the month following the end of the calendar quarter.

(b) The employer may report the wages paid to the nearest whole dollar amount.

(c) An employer need not include the name of the employee or other required information on the wage detail report if disclosure is specifically exempted by federal law.

Subd. 2. **Failure to file report.** Any employer who fails to file the wage detail report shall pay to the department, for each month the report is delinquent, a penalty of one-half of one percent of total wages paid that quarter. The penalty shall not be assessed if the wage detail report is properly made and filed within 30 calendar days after a demand for the report is mailed to the employer's address of record. In no case shall the amount of the penalty, if assessed, be less than \$25. Penalties due under this subdivision may be waived where good cause for late filing is found by the commissioner.

Subd. 3. **Missing or erroneous information.** Any employer who files the wage detail report, but knowingly fails to include any of the required information or knowingly enters erroneous information, shall be subject to a penalty of \$25 for each employee for whom the information is missing or erroneous.

Subd. 4. **Penalties.** The penalties provided for in subdivisions 2 and 3 are in addition to interest and other penalties imposed by this chapter and shall be collected in the same manner as delinquent taxes and shall be credited to the contingent account.

268.045 EMPLOYER TAX OR REIMBURSABLE ACCOUNTS.

(a) The commissioner shall maintain a tax account for each taxpaying employer and a reimbursable account for each nonprofit or government employer that has elected to be liable for payments in lieu of taxes if that employer has employees in covered employment in the current or the prior calendar year, except as provided in this section. The commissioner shall assess the tax account of a taxpaying employer for all the taxes due under section 268.051 and credit the tax account with all taxes paid. The commissioner shall charge the reimbursable account of a nonprofit or government employer that elects to make payments in lieu of taxes for any unemployment benefits determined chargeable to the employer under section 268.047 and shall credit the reimbursable account with the payments made.

(b) Two or more related taxpaying corporations concurrently employing the same employees and compensating those employees through a common paymaster that is

one of the corporations may apply to the commissioner to establish a common paymaster tax account that shall be the tax account of the common paymaster corporation. If approved, the separate tax accounts shall be maintained, but the employees compensated through the common paymaster shall be reported as employees of the common paymaster corporation. The corporations using the common paymaster tax account shall be jointly and severally liable for any unpaid taxes, penalties, and interest owing from the common paymaster tax account.

(c) Two or more taxpaying employers having 50 percent or more common ownership and compensating employees through a single payer that is one of the employers may apply to the commissioner for a merging of the experience ratings of the employers into a single experience rating and joint tax account.

If approved, the joint tax account shall be effective on that date assigned by the commissioner and shall remain in effect for not less than two calendar years, and continuing unless written notice terminating the joint tax account is filed with the commissioner. The termination shall be effective on January 1 next following the filing of the written notice of termination.

The employers in the joint tax account shall be jointly and severally liable for any unpaid taxes, penalties, and interest owing from the joint tax account.

(d) Two or more nonprofit or government employers that have elected to be liable for payments in lieu of taxes may apply to the commissioner for the establishment of a group reimbursable account for the purpose of sharing the cost of unemployment benefits charged based upon wage credits from all employers in the group. The application shall identify and authorize a group representative to act as the group's agent for the purposes of the reimbursable account. If approved, the commissioner shall establish a group reimbursable account for the employers effective as of the beginning of the calendar year that the application is received. The reimbursable account shall remain in effect for not less than two calendar years and thereafter until terminated at the discretion of the commissioner or upon application by the group at least 30 calendar days prior to the end of the two year period or 30 calendar days prior to January 1 of any following calendar year. Each nonprofit or government employer in the group shall be jointly and severally liable for payments in lieu of taxes for all unemployment benefits paid based upon wage credits from all employers in the group during the period the group reimbursable account was in effect.

268.047 EFFECT ON AN EMPLOYER OF UNEMPLOYMENT BENEFITS PAID.

Subdivision 1. **General rule.** Unemployment benefits paid to an applicant, including extended, additional, and shared work benefits, shall be used in computing the future tax rate of a taxpaying base period employer or charged to the reimbursable account of a base period nonprofit or government employer that has elected to be liable for payments in lieu of taxes except as provided in subdivisions 2 and 3. The amount of unemployment benefits used in computing the future tax rate of taxpaying employers or charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for payments in lieu of taxes shall be the same

percentage of the total amount of unemployment benefits paid as the percentage of wage credits from the employer is of the total amount of wage credits from all the applicant's base period employers.

In making computations under this subdivision, the amount of wage credits, if not a whole dollar, shall be computed to the nearest whole dollar.

Subd. 2. Exceptions for all employers. Unemployment benefits paid shall not be used in computing the future tax rate of a taxpaying base period employer or charged to the reimbursable account of a base period nonprofit or government employer that has elected to be liable for payments in lieu of taxes when:

(1) the applicant was discharged from the employment because of aggravated employment misconduct as determined under section 268.095. This exception shall apply only to unemployment benefits paid for periods after the applicant's discharge from employment;

(2) an applicant's discharge from that employment occurred because a law required removal of the applicant from the position the applicant held;

(3) the employer provided regularly scheduled part-time employment to the applicant during the applicant's base period and continues to provide the applicant with regularly scheduled part-time employment during the benefit year of at least 90 percent of the part-time employment provided in the base period, and is an involved employer because of the applicant's loss of other employment. This exception shall terminate effective the first week that the employer fails to meet the benefit year employment requirements. This exception shall apply to educational institutions without consideration of the period between academic years or terms;

(4) the employer is a fire department or firefighting corporation or operator of a life-support transportation service, and continues to provide employment for the applicant as a volunteer firefighter or a volunteer ambulance service personnel during the benefit year on the same basis that employment was provided in the base period. This exception shall terminate effective the first week that the employer fails to meet the benefit year employment requirements;

(5) the applicant's unemployment from this employer was a direct result of the condemnation of property by a governmental agency, a fire, flood, or act of nature, where 25 percent or more of the employees employed at the affected location, including the applicant, became unemployed as a result. This exception shall not apply where the unemployment was a direct result of the intentional act of the employer or a person acting on behalf of the employer;

(6) the unemployment benefits were paid by another state as a result of the transferring of wage credits under a combined wage arrangement provided for in section 268.131;

(7) the applicant stopped working because of a labor dispute at the applicant's primary place of employment if the employer was not a party to the labor dispute;

(8) the unemployment benefits were determined overpaid unemployment benefits under section 268.18; or

(9) the fund was reimbursed for the unemployment benefits by the federal government.

Subd. 3. Exceptions for taxpaying employers. Unemployment benefits paid shall not be used in computing the future tax rate of a taxpaying base period employer when:

(1) the applicant's wage credits from that employer are less than \$500;

(2) the applicant quit the employment, unless it was determined under section 268.095, to have been because of a good reason caused by the employer or because the employer notified the applicant of discharge within 30 calendar days. This exception shall apply only to unemployment benefits paid for periods after the applicant's quitting the employment; or

(3) the employer discharged the applicant from employment because of employment misconduct as determined under section 268.095. This exception shall apply only

to unemployment benefits paid for periods after the applicant's discharge from employment.

Subd. 4. **Limitation on exceptions.** Regardless of subdivisions 2 and 3, an exception under those subdivisions will be limited in accordance with section 268.101, subdivision 2, paragraph (b).

Subd. 5. **Notice of unemployment benefits paid.** (a) The commissioner shall notify each employer at least quarterly by mail or electronic transmission of the unemployment benefits paid that will be used in computing the future tax rate of a taxpaying employer, or that have been charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for payments in lieu of taxes. Unless a protest is filed within 30 calendar days from the date of sending of the notice, the notice shall be final and shall not be subject to collateral attack by way of review of a tax rate notice or application for a credit adjustment or refund.

(b) Upon receipt of a protest, the commissioner shall review unemployment benefits to be used in computing the future tax rate of a taxpaying employer or charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for payments in lieu of taxes and determine whether there has been an error made. The commissioner shall either affirm or make a redetermination of the unemployment benefits paid to be used in computing the future tax rate of a taxpaying employer or charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for payments in lieu of taxes, and a notice of affirmation or redetermination shall be sent to the employer by mail or electronic transmission.

(c) The affirmation or redetermination shall be final unless the employer files an appeal within 30 calendar days after the date the affirmation or redetermination was sent. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(d) An employer may not collaterally attack, by way of a protest to a notice of unemployment benefits paid, any prior determination or decision holding that unemployment benefits paid shall be used in computing the future tax rate of a taxpaying employer or charged to the reimbursable account of a nonprofit or government employer that has elected to be liable for payments in lieu of taxes which determination or decision has become final.

(e) The commissioner may at any time upon the commissioner's own motion correct a clerical error that resulted in an incorrect notice under paragraph (a).

268.051 EMPLOYERS TAXES.

Subdivision 1. **Payments.** (a) Taxes shall accrue and become payable by each employer for each calendar year that the employer paid wages to employees in covered employment, except for:

(1) nonprofit organizations that elect to make payments in lieu of taxes as provided in section 268.053; and

(2) the state of Minnesota and political subdivisions, unless they elect to pay taxes as provided in section 268.052.

Each employer shall pay taxes quarterly, at the employer's assigned tax rate, on the taxable wages paid to each employee. The taxes shall be paid to the fund on or before the last day of the month following the end of the calendar quarter.

(b) The tax may be paid in an amount to the nearest whole dollar.

(c) When the tax for any calendar quarter is less than \$1, the tax shall be disregarded.

Subd. 1a. **Tax reports.** (a) Every employer, except those nonprofit and government employers that have elected to make payments in lieu of taxes, shall submit a tax report on a form, or in a manner, prescribed by the commissioner on or before the last day of the month following the end of the calendar quarter, unless the employer meets the requirements for submitting tax reports annually under section 268.0511. An employer that fails to submit a tax report when due, or submits an incorrect tax report, shall be subject to section 268.057, subdivision 1.

(b) Each tax report shall include the total wages paid and the taxable wages paid that quarter, the amount of tax due, and any other information required by the commissioner.

(c) A tax report must be submitted for each calendar quarter even though no wages were paid or no tax is due.

Subd. 2. **Computation of tax rates.** (a) For each calendar year the commissioner shall compute the tax rate of each taxpaying employer that qualifies for an experience rating by adding the base tax rate to the employer's experience rating.

(b) The base tax rate shall be six-tenths of one percent if the amount in the fund is less than \$200,000,000 on June 30 of the prior calendar year; or five-tenths of one percent if the fund is more than \$200,000,000 but less than \$225,000,000; or four-tenths of one percent if the fund is more than \$225,000,000 but less than \$250,000,000; or three-tenths of one percent if the fund is more than \$250,000,000 but less than \$275,000,000; or two-tenths of one percent if the fund is \$275,000,000 but less than \$300,000,000; or one-tenth of one percent if the fund is \$300,000,000 or more.

(c) For the purposes of this subdivision the fund shall not include any money borrowed from the federal unemployment trust fund pursuant to section 268.194, subdivision 6.

Subd. 3. **Computation of a taxpaying employer's experience rating.** (a) For each calendar year, the commissioner shall compute an experience rating for each taxpaying employer who has been subject to this chapter for at least the 12 calendar months prior to July 1 of the prior calendar year.

(b) The experience rating shall be the ratio obtained by dividing 125 percent of the total unemployment benefits required under section 268.047 to be used in computing the employer's tax rate during the 60 calendar months ending on June 30 of the prior calendar year, by the employer's total taxable payroll for that same period.

(c) For purposes of paragraph (b), only that taxable payroll upon which taxes have been paid on or before September 30 of the prior calendar year may be used in computing an employer's experience rating.

(d) The experience rating shall be computed to the nearest one-tenth of a percent, to a maximum of 8.9 percent.

Subd. 4. **Experience rating transfer.** (a) When a taxpaying employer acquires the organization, trade or business or substantially all the assets of another employer, and there is 25 percent or more common ownership, directly or indirectly, between the predecessor and successor, the experience rating of the predecessor employer shall be transferred as of the date of acquisition to the successor employer for the purpose of computing a tax rate.

(b) When a taxpaying employer acquires a distinct severable portion of the organization, trade, business, or assets that is less than substantially all of the employing enterprises of another employer, and there is 25 percent or more common ownership, directly or indirectly, between the predecessor and successor, the successor employer shall acquire the experience rating attributable to the portion it acquired, and the predecessor employer shall retain the experience rating attributable to the portion that it has retained, if (1) the successor makes a written request to apply for the transfer of the experience rating attributable to the severable portion acquired from the predecessor within 180 calendar days from the date of acquisition, and (2) files an application within the time and in the manner prescribed by the commissioner that furnishes sufficient information to substantiate the severable portion and to assign the appropriate portion of the experience rating.

(c) The term "common ownership" for purposes of this subdivision includes ownership by a spouse, parent, child, brother, sister, aunt, uncle, niece, nephew, or first cousin, by birth or by marriage.

(d) If the successor employer under paragraphs (a) and (b) had an experience rating at the time of the acquisition, the transferred experience rating of the predecessor shall be combined with the successor's experience rating for purposes of computing a tax rate.

(e) If there has been a transfer of an experience rating under paragraph (a) or (b), employment with a predecessor employer shall not be considered to have been terminated if similar employment is offered by the successor employer and accepted by the employee.

(f) The commissioner, upon the commissioner's own motion or upon application of an employer shall determine if an employer is a successor within the meaning of this subdivision and shall send the determination to the employer by mail or electronic transmission. The determination shall be final unless an appeal is filed by the employer within 30 calendar days after the sending of the determination. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(g) The commissioner may, as the result of any determination or decision regarding succession or nonsuccession, recompute the tax rate of all employers affected by the determination or decision for any year, including the year of the acquisition and subsequent years, that is affected by the transfer or nontransfer of part or all of the experience rating. This paragraph does not apply to rates that have become final before the filing of a written request to apply for the transfer of a severable portion of the experience rating under paragraph (b).

(h) Should an employer not have been in operation long enough to qualify for an experience rating under subdivision 3, paragraph (a), the experience rating for purposes of this subdivision shall consist of those factors that normally make up an experience rating, without the 12-month minimum.

(i) If the commissioner finds that a transaction was done, in whole or in part, to avoid an experience rating or the transfer of an experience rating, the commissioner may transfer all or part of the experience rating regardless of the requirements or limitations of paragraph (a). This shall include the transferring of employees from the payroll of an employer with a higher experience rating to the payroll of an employer with a lower experience rating.

(j) Regardless of paragraph (a), if there is an acquisition or merger of a publicly held corporation by or with another publicly held corporation the experience ratings of the corporations shall be combined as of the date of acquisition or merger for the purpose of computing a tax rate.

Subd. 5. Tax rate for new employers. (a) Each taxpaying employer that does not qualify for an experience rating under subdivision 3, paragraph (a), except employers in a high experience rating industry, shall be assigned a tax rate the higher of (1) one percent, or (2) the state's average cost rate. For purposes of this paragraph, the state's average cost rate shall be computed annually by dividing the total amount of unemployment benefits paid all applicants during the 60 calendar months prior to July 1 of each year by the total taxable wages of all taxpaying employers during the same period. This rate for new employers shall be applicable for the calendar year following the computation date.

(b) Each taxpaying employer in a high experience rating industry that does not qualify for an experience rating under subdivision 3, paragraph (a), shall be assigned a tax rate of 8.0 percent, plus the applicable base tax rate.

An employer is considered to be in a high experience rating industry if:

- (1) the employer is engaged in residential, commercial, or industrial construction, including general contractors;
- (2) the employer is engaged in sand, gravel, or limestone mining;

(3) the employer is engaged in the manufacturing of concrete, concrete products, or asphalt; or

(4) the employer is engaged in road building, repair, or resurfacing, including bridge and tunnels and residential and commercial driveways and parking lots.

Subd. 6. Notice of tax rate. (a) The commissioner shall notify each employer by mail or electronic transmission of the employer's tax rate as determined for any calendar year. The notice shall contain the tax rate and the factors used in determining the employer's experience rating. Unless a protest of the rate is made, the assigned rate shall be final except for fraud and shall be the rate at which taxes shall be paid. The tax rate shall not be subject to collateral attack by way of claim for a credit adjustment or refund, or otherwise.

(b) If the legislature, subsequent to the sending of the tax rate, changes any of the factors used to determine the rate, the earlier notice shall be void. A new tax rate based on the new factors shall be computed and sent to the employer.

(c) A review of an employer's tax rate may be obtained by the employer filing, in a manner prescribed by the commissioner, a protest within 30 calendar days from the date the tax rate notice was sent to the employer. Upon receipt of the protest, the commissioner shall review the tax rate to determine whether or not there has been any clerical error or error in computation. The commissioner shall either affirm or make a redetermination of the rate and a notice of the affirmation or redetermination shall be sent to the employer by mail or electronic transmission. The affirmation or redetermination shall be final unless the employer files an appeal within 30 calendar days after the date the affirmation or redetermination was sent. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(d) The commissioner may at any time upon the commissioner's own motion correct any error in the computation or the assignment of an employer's tax rate.

Subd. 7. Tax rate buydown. (a) Any taxpaying employer who has been assigned a tax rate based upon an experience rating may, upon the voluntary payment of an amount equivalent to any portion or all of the unemployment benefits used in computing the experience rating plus a surcharge of 25 percent, obtain a cancellation of unemployment benefits used equal to the payment made, less the surcharge. Upon the payment, the commissioner shall compute a new experience rating for the employer, and determine a new tax rate.

(b) Voluntary payments may be made only during the 30 calendar day period immediately following the date of sending of the notice of tax rate. This period may be extended, upon a showing of good cause, but in no event shall a voluntary payment be allowed after 120 calendar days from the beginning of the calendar year for which the tax rate is effective.

(c) Voluntary payments made within the time required will not be refunded unless a request is made in writing within 30 calendar days after sending of the notice of the new tax rate.

Subd. 8. Special assessment for interest on federal loan. (a) If on October 31 of any year, the commissioner, in consultation with the commissioner of finance, determines that an interest payment will be due during the following calendar year on any loan from the federal unemployment trust fund under section 268.194, subdivision 6, a special assessment on taxpaying employers will be in effect for the following calendar year. The legislature authorizes the commissioner, in consultation with the commissioner of finance, to determine the appropriate level of the assessment, from two percent to eight percent of the quarterly unemployment taxes due, that will be necessary to pay the interest due on the loan.

(b) The special assessment shall be placed into a special account from which the commissioner shall pay any interest that has accrued on any loan from the federal unemployment trust fund provided for under section 268.194, subdivision 6. If, at the end of each calendar quarter, the commissioner, in consultation with the commissioner of finance, determines that the balance in this special account, including interest earned on the special account, is more than is necessary to pay the interest which has accrued

on any loan as of that date, or will accrue over the following calendar quarter, the commissioner shall immediately pay to the fund the amount in excess of that necessary to pay the interest on any loan.

268.052 PAYMENT TO FUND BY STATE AND POLITICAL SUBDIVISIONS.

Subdivision 1. **Payments.** In lieu of taxes payable on a quarterly basis, the state of Minnesota or its political subdivisions shall pay into the fund the amount of unemployment benefits charged to its reimbursable account under section 268.047. Payments in the amount of unemployment benefits charged to the reimbursable account during a calendar quarter shall be made on or before the last day of the month following the month that the notice of unemployment benefits paid is sent pursuant to section 268.047, subdivision 5. Past due payments in lieu of taxes shall be subject to the same interest charges and collection procedures that apply to past due taxes.

Subd. 2. **Election by state or political subdivision to be a taxpaying employer.** (a) The state or political subdivision may elect to be a taxpaying employer for any calendar year if a notice of election is filed within 30 calendar days following January 1 of that calendar year. Upon election, the state or political subdivision shall be assigned the new employer tax rate under section 268.051, subdivision 5, for the calendar year of the election and until it qualifies for an experience rating under section 268.051, subdivision 3.

(b) An election shall be for a minimum period of two calendar years following the effective date of the election and continue unless a notice terminating the election is filed not later than 30 calendar days before the beginning of the calendar year. The termination shall be effective at the beginning of the next calendar year. Upon election, the commissioner shall establish a reimbursable account for the state or political subdivision. A termination of election shall be allowed only if the state or political subdivision has, since the beginning of the experience rating period under section 268.051, subdivision 3, paid taxes and made voluntary payments under section 268.051,

subdivision 7, equal to or more than 125 percent of the unemployment benefits used in computing the experience rating. In addition, any unemployment benefits paid after the experience rating period shall be transferred to the new reimbursable account of the state or political subdivision. If the amount of taxes and voluntary payments paid since the beginning of the experience rating period exceeds 125 percent of the amount of unemployment benefits paid during the experience rating period, that amount in excess shall be applied against any unemployment benefits paid after the experience rating period.

(c) The method of payments to the fund under subdivisions 3 and 4 shall apply to all taxes paid by or due from the state or political subdivision that elects to be taxpaying employers under this subdivision.

(d) The commissioner may allow a notice of election or a notice terminating election to be filed by mail or electronic transmission.

Subd. 3. Method of payment by state. To discharge its liability, the state and its wholly owned instrumentalities shall pay the fund as follows:

(1) Every self-sustaining department, institution and wholly owned instrumentality shall pay the fund in accordance with subdivision 1. For the purposes of this clause a "self-sustaining department, institution or wholly owned instrumentality" is one where the dedicated income and revenue substantially offsets its cost of operation.

(2) Every partially self-sustaining department, institution and wholly owned instrumentality shall pay the fund that same proportion of the amount that has been charged to its employer account as the proportion of the total of its income and revenue is to its annual cost of operation.

(3) Every department, institution or wholly owned instrumentality that is not self-sustaining shall pay the fund to the extent funds are available from appropriated funds.

(4) The departments, institutions and wholly owned instrumentalities, including the University of Minnesota, that have money available shall pay the fund in accordance with subdivision 1. If an applicant was paid during the base period from a special account provided by law, the payment to the fund shall be made from the special account with the approval of the department of administration and the amounts are hereby appropriated.

(5) For those departments, institutions and wholly owned instrumentalities that cannot pay the fund, the commissioner shall certify on November 1 of each calendar year to the commissioner of finance the unpaid balances. Upon receipt of the certification, the commissioner of finance shall include the unpaid balances in the biennial budget submitted to the legislature.

Subd. 4. Method of payment by political subdivision. A political subdivision or instrumentality thereof is authorized and directed to pay its liabilities by money collected from taxes or other revenues. Every political subdivision authorized to levy taxes may include in its tax levy the amount necessary to pay its liabilities. If the taxes authorized to be levied cause the total amount of taxes levied to exceed any limitation upon the power of a political subdivision to levy taxes, the political subdivision may levy taxes in excess of the limitations in the amounts necessary to meet its liability. The expenditures authorized shall not be included in computing the cost of government as defined in any home rule charter. The governing body of a municipality, for the purpose of meeting its liabilities, in the event of a deficit, may issue its obligations payable in not more than two years, in an amount that may cause its indebtedness to exceed any statutory or charter limitations, without an election, and may levy taxes in the manner provided in section 475.61.

Subd. 5. Considered an election. If the state of Minnesota or its political subdivisions choose not to be a taxpaying employer under subdivision 2, the state or its political subdivision shall be considered, for purposes of the Minnesota unemployment

MINNESOTA STATUTES 2002

insurance program, to have elected to be liable for payments in lieu of taxes under subdivision 1.

268.0525 INDIAN TRIBES.

(a) An Indian tribe, as defined under United States Code, title 25, section 450b(e) of the Indian Self-Determination and Education Assistance Act, and any subdivision, subsidiary, or business enterprise owned by the Indian tribe, shall be treated the same as the state of Minnesota, or a political subdivision of the state, for all purposes of the Minnesota unemployment insurance program law.

(b) The Indian tribe may make separate elections under section 268.052, subdivision 2, for itself and each subdivision, subsidiary, or business enterprise wholly owned by the Indian tribe.

(c) If an Indian tribe, subdivision, subsidiary, or business enterprise wholly owned by the tribe, which has elected to be liable for payments in lieu of taxes, fails to make the required payments within 90 days of the notice of delinquency, the commissioner shall terminate the election to make payments in lieu of taxes as of the beginning of the next calendar year, unless all past due payments in lieu of taxes, and any interest and penalties, have been paid before the beginning of the next calendar year.

An Indian tribe, subdivision, subsidiary, or business enterprise wholly owned by the tribe that has its election terminated under this paragraph shall become a taxpaying employer and assigned the new employer tax rate under section 268.051, subdivision 5, until the tribe, subdivision, subsidiary, or business enterprise wholly owned by the Indian tribe qualifies for an experience rating under section 268.051, subdivision 3.

Subdivision 1. **Election.** (a) Any nonprofit organization that has employees in covered employment shall pay taxes on a quarterly basis pursuant to section 268.051 unless it elects to make payments in lieu of taxes to the fund the amount of unemployment benefits charged to its reimbursable account under section 268.047.

The organization may elect to make payments in lieu of taxes for a period of not less than two calendar years beginning with the date that the organization was determined to be an employer with covered employment by filing a notice of election not later than 30 calendar days after the date of the determination.

(b) Any nonprofit organization that makes an election will continue to be liable for payments in lieu of taxes until it files a notice terminating its election not later than 30 calendar days before the beginning of the calendar year the termination is to be effective.

(c) A nonprofit organization that has been making payments in lieu of taxes that files a notice of termination of election shall be assigned the new employer tax rate under section 268.051, subdivision 5, for the calendar year of the termination of election and until it qualifies for an experience rating under section 268.051, subdivision 3.

MINNESOTA STATUTES 2002

1671

DEPARTMENT OF ECONOMIC SECURITY 268.053

(d) Any nonprofit organization that has been paying taxes may elect to make payments in lieu of taxes by filing no less than 30 calendar days before January 1 of any calendar year a notice of election. Upon election, the commissioner shall establish a reimbursable account for the nonprofit organization. An election shall be allowed only if the nonprofit organization has, since the beginning of the experience rating period under section 268.051, subdivision 3, paid taxes and made voluntary payments under section 268.051, subdivision 7, equal to or more than 125 percent of the unemployment benefits used in computing the experience rating. In addition, any unemployment benefits paid after the experience rating period shall be transferred to the new reimbursable account of the nonprofit organization. If the amount of taxes and voluntary payments paid since the beginning of the experience rating period exceeds 125 percent of the amount of unemployment benefits paid during the experience rating period, that amount in excess shall be applied against any unemployment benefits paid after the experience rating period. The election shall not be terminable by the organization for that and the next calendar year.

(e) The commissioner may for good cause extend the period that a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive.

(f) The commissioner may allow a notice of election or notice terminating election to be filed by mail or electronic transmission.

Subd. 2. Determination and appeal. The commissioner shall notify each nonprofit organization by mail or electronic transmission of any determination of its status as an employer with covered employment and of the effective date of any election or termination of election. The determinations shall be final unless an appeal is filed within 30 calendar days after sending of the determination. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 3. Payments. (a) Payments in lieu of taxes, in the amount of unemployment benefits charged to the reimbursable account, during a calendar quarter, shall be made on or before the last day of the month following the month that the notice of unemployment benefits paid is sent pursuant to section 268.047, subdivision 5.

(b) Past due payments in lieu of taxes shall be subject to the same interest charges and collection procedures that apply to past due taxes.

(c) If any nonprofit organization is delinquent in making payments in lieu of taxes, the commissioner may terminate the organization's election to make payments in lieu of taxes as of the beginning of the next calendar year, and the termination shall be effective for that and the following calendar year. A nonprofit organization that has its election terminated under this paragraph shall be assigned the new employer tax rate under section 268.051, subdivision 5, until the organization qualifies for an experience rating under section 268.051, subdivision 3.

Subd. 4. Application. For purposes of this section, a nonprofit organization is an organization, or group of organizations, described in United States Code, title 26, section 501(c)(3) of the Internal Revenue Code that is exempt from income tax under section 501(a).

Subd. 5. Compromise. The compromise authority set out in section 268.067 applies to this section.

268.057 COLLECTION OF TAXES.

Subdivision 1. Reports; delinquencies; penalties. (a) Any employer who knowingly fails to submit to the commissioner any tax report at the time the report is required under section 268.051, subdivision 1a, or 268.0511 shall pay to the department a penalty of up to \$25 or an amount of 1-1/2 percent of taxes accrued for each month from and after the due date until the tax report is properly submitted, whichever is greater.

(b) If any employer required to submit tax reports fails to do so, or submits, willfully or otherwise, an incorrect or false tax report, the employer shall, on the demand of the commissioner sent by mail or electronic transmission, submit the tax report, or corrected report, within ten days and at the same time pay the tax due. If the employer fails within that time to submit the tax report or corrected report and pay any tax due, the commissioner shall make an estimated tax report from the commissioner's own knowledge and from information the commissioner may obtain and assess a tax on that basis. That assessed tax, plus any penalties and interest, shall be paid within ten days after notice of the amount due has been sent by mail or electronic transmission. Any assessed tax because of the failure of the employer to submit a tax report or corrected tax report shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any subsequent action or proceeding. Whenever the delinquent employer files a tax report or corrected tax report, the commissioner may, on finding it substantially correct, accept that report.

(c) If the commissioner finds that any part of any employer's tax deficiency is due to fraud with intent to avoid payment of taxes to the fund, 50 percent of the total amount of the deficiency or \$500, whichever is greater, shall be assessed as a penalty against the employer and collected in addition to the deficiency.

(d) The penalties provided for in paragraphs (a) and (c) are in addition to interest and any other penalties and shall be paid to the department and credited to the contingent account.

(e) An employer or officer or agent of an employer is guilty of a gross misdemeanor, unless the tax or other payment involved exceeds \$500, in which case the person is guilty of a felony, if the individual:

(1) in order to avoid becoming or remaining a subject employer or to avoid or reduce any tax or other payment required under this chapter:

(i) makes a false statement or representation knowing it to be false; or

(ii) knowingly fails to disclose a material fact; or

(2) willfully fails or refuses to pay any taxes or other payment at the time required.

Subd. 2. Tax or payment in lieu of tax presumed valid. The tax and payment in lieu of tax, as assessed by the commissioner, including any penalties, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the employer to show its incorrectness or invalidity. A statement by the commissioner of the amount of the tax, payment in lieu of tax, interest and penalties as determined or assessed by the commissioner, shall be admissible in evidence in any court or administrative proceeding and shall be prima facie evidence of the facts in the statement.

Subd. 3. Confession of judgment. (a) Any tax report or other form that is required to be filed with the commissioner concerning taxes or payments in lieu of taxes due, shall contain a written declaration that it is made under the penalties for willfully making a false report and shall contain a confession of judgment for the amount of the tax or payments in lieu of taxes shown due thereon to the extent not timely paid together with any interest and penalty due under this chapter.

(b) The commissioner may, within six years after the report or other form is filed, regardless of section 541.09, enter judgment on any confession of judgment after 20 calendar days' notice served upon the employer by mail. The judgment shall be entered by the court administrator of any county upon the filing of a photocopy of the

confession of judgment along with a statement of the commissioner that the tax or payment in lieu of tax has not been paid.

Subd. 4. **Costs.** Any person that fails to pay any taxes, payment in lieu of taxes, or unemployment benefit overpayment, including interest and penalties, when due is liable for any filing fees, recording fees, sheriff fees, costs incurred by referral to any public or private collection agency, or litigation costs incurred in the collection of the amounts due.

If any check or money order, in payment of any amount due, is not honored when presented for payment, a fee of \$25 shall be assessed.

Costs collected shall be credited to the administration account.

Subd. 5. **Interest on past due taxes.** If taxes or payments in lieu of taxes to the fund are not paid on the date due the unpaid balance shall bear interest at the rate of one and one-half percent per month or any part thereof. Taxes or payments in lieu of taxes received by mail postmarked on a day following the date due shall be considered to have been paid on the due date if there is substantial evidence that the payment was actually deposited in the United States mail properly addressed to the department with postage prepaid thereon on or before the due date. Interest collected shall be credited to the contingent account. Interest may be waived by rules adopted by the commissioner.

Subd. 6. **Interest on judgments.** Regardless of section 549.09, if judgment is entered upon any past due tax or payment in lieu of taxes, the unpaid judgment shall bear interest at the rate specified in subdivision 5 until the date of payment.

Subd. 7. **Credit adjustments, refunds.** (a) If an employer makes an application for a credit adjustment of any amount paid as taxes or interest thereon within four years of the year that the payment was made, and the commissioner determines that the payment or any portion was erroneous, the commissioner shall make an adjustment and issue a credit without interest. If a credit cannot be used, the commissioner shall refund, without interest, the amount erroneously paid. The commissioner, on the commissioner's own motion, may make a credit adjustment or refund under this subdivision.

(b) If a credit adjustment or refund is denied in whole or in part, a notice of denial shall be sent to the employer by mail or electronic transmission. Within 30 calendar days after sending of the notice of denial, the employer may appeal. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 8. [Repealed, 1999 c 107 s 67]

Subd. 9. [Repealed, 1999 c 107 s 67]

Subd. 10. **Priorities under legal dissolutions or distributions.** In the event of any distribution of an employer's assets pursuant to an order of any court, including any receivership, assignment for benefit of creditors, adjudicated insolvency, or similar proceeding, taxes then or thereafter due shall be paid in full prior to all other claims except claims for wages of not more than \$1,000 per former employee, earned within six months of the commencement of the proceedings. In the event of an employer's adjudication in bankruptcy under federal law, taxes then or thereafter due shall be entitled to the priority provided in that law for taxes due any state.

268.058 LIEN, LEVY, SETOFF, AND CIVIL ACTION.

Subdivision 1. **Lien.** (a) Any taxes, unemployment benefit overpayments, or payments in lieu of taxes due including interest, penalties, and costs shall become a lien upon all the property, within this state, both real and personal, of the person liable, from the date of assessment. The term "date of assessment" means the date the obligation was due.

(b) The lien is not enforceable against any purchaser, mortgagee, pledgee, holder of a Uniform Commercial Code security interest, mechanic's lien, or judgment lien creditor, until a notice of lien has been filed with the county recorder of the county where the property is situated, or in the case of personal property belonging to a nonresident person in the office of the secretary of state. When the notice of lien is filed with the county recorder, the fee for filing and indexing shall be as provided in sections 272.483 and 272.484.

(c) Notices of liens, lien renewals, and lien releases, in a form prescribed by the commissioner, may be filed with the county recorder or the secretary of state by mail, personal delivery, or by electronic transmission into the computerized filing system of the secretary of state. The secretary of state shall, on any notice filed with that office, transmit the notice electronically to the appropriate county recorder. The filing officer, whether the county recorder or the secretary of state, shall endorse and index a printout of the notice as if the notice had been mailed or delivered.

(d) County recorders and the secretary of state shall enter information on lien notices, renewals, and releases into the central database of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county recorder's file number, and for notices filed electronically with the secretary of state, the secretary of state's recording information, must be entered into the central database before the close of the working day following the day of the original data entry by the commissioner.

(e) The lien imposed on personal property, even though properly filed, is not enforceable against a purchaser of tangible personal property purchased at retail or personal property listed as exempt in sections 550.37, 550.38, and 550.39.

(f) A notice of lien filed has priority over any security interest arising under chapter 336, article 9, that is perfected prior in time to the lien imposed by this subdivision, but only if:

(1) the perfected security interest secures property not in existence at the time the notice of lien is filed; and

(2) the property comes into existence after the 45th calendar day following the day the notice of lien is filed, or after the secured party has actual notice or knowledge of the lien filing, whichever is earlier.

(g) The lien shall be enforceable from the time the lien arises and for ten years from the date of filing the notice of lien. A notice of lien may be renewed before expiration for an additional ten years.

(h) The lien shall be enforceable by levy under subdivision 2 or by judgment lien foreclosure under chapter 550.

(i) The lien may be imposed upon property defined as homestead property in chapter 510 but may be enforced only upon the sale, transfer, or conveyance of the homestead property.

(j) The commissioner may sell and assign to a third party the commissioner's right of redemption in specific real property for liens filed under this subdivision. The assignee shall be limited to the same rights of redemption as the commissioner, except that in a bankruptcy proceeding, the assignee does not obtain the commissioner's priority. Any proceeds from the sale of the right of redemption shall be credited to the contingent account. Any sale shall be by written agreement signed by an attorney who is a classified employee of the department designated by the commissioner for that purpose.

Subd. 2. **Levy.** (a) If any tax, payment in lieu of taxes, or unemployment benefit overpayment, including interest, penalties, and costs, is not paid when due, the amount

may be collected by the commissioner by direct levy upon all property and rights of property of the person liable for the amount due except that exempt from execution under section 550.37. The term "levy" includes the power of distraint and seizure by any means.

(b) In addition to a direct levy, the commissioner may issue a warrant to the sheriff of any county who shall proceed within 60 calendar days to levy upon the property or rights to property of the delinquent person within the county, except that exempt under section 550.37. The sheriff shall sell that property necessary to satisfy the total amount due, together with the commissioner's and sheriff's costs. The sales shall be governed by the law applicable to sales of like property on execution of a judgment.

(c) Notice and demand for payment of the total amount due shall be mailed to the delinquent person at least ten calendar days prior to action being taken under paragraphs (a) and (b).

(d) If the commissioner has reason to believe that collection of the amount due is in jeopardy, notice and demand for immediate payment may be made. If the total amount due is not paid, the commissioner may proceed to collect by direct levy or issue a warrant without regard to the ten calendar day period.

(e) In executing the levy, the commissioner shall have all of the powers provided in chapter 550 or any other law that provides for execution against property in this state. The sale of property levied upon and the time and manner of redemption shall be as provided in chapter 550. The seal of the court shall not be required. The levy may be made whether or not the commissioner has commenced a legal action for collection.

(f) Where any assessment has been made by the commissioner, the property seized for collection of the total amount due shall not be sold until any determination of liability has become final. No sale shall be made unless a portion of the amount due remains unpaid for a period of more than 30 calendar days after the determination of liability becomes final. Seized property may be sold at any time if:

(1) the delinquent person consents in writing to the sale; or

(2) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense.

(g) Where a levy has been made to collect the amount due and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, the property shall not be sold until the probate proceedings are completed or until the court orders:

(h) The property seized shall be returned if the owner:

(1) gives a surety bond equal to the appraised value of the owner's interest in the property, as determined by the commissioner, or

(2) deposits with the commissioner security in a form and amount the commissioner considers necessary to insure payment of the liability.

(i) If a levy or sale would irreparably injure rights in property that the court determines superior to rights of the state, the court may grant an injunction to prohibit the enforcement of the levy or to prohibit the sale.

(j) Any person who fails or refuses to surrender without reasonable cause any property or rights to property subject to levy shall be personally liable in an amount equal to the value of the property or rights not so surrendered, but not exceeding the amount due.

(k) If the commissioner has seized the property of any individual, that individual may, upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable relief before the district court for the release of the property upon terms and conditions the court considers equitable.

(l) Any person in control or possession of property or rights to property upon which a levy has been made who surrenders the property or rights to property, or who pays the amount due shall be discharged from any obligation or liability to the person liable for the amount due with respect to the property or rights to property.

MINNESOTA STATUTES 2002

(m) The notice of any levy may be served personally or by mail.

(n) The commissioner may release the levy upon all or part of the property or rights to property levied upon if the commissioner determines that the release will facilitate the collection of the liability, but the release shall not prevent any subsequent levy. If the commissioner determines that property has been wrongfully levied upon, the commissioner shall return:

(1) the specific property levied upon, at any time; or

(2) an amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of levy.

(o) Regardless of section 52.12, a levy upon a person's funds on deposit in a financial institution located in this state, shall have priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the person to the financial institution. A claim by the financial institution that it exercised its right to setoff prior to the levy must be substantiated by evidence of the date of the setoff, and verified by an affidavit from a corporate officer of the financial institution. For purposes of determining the priority of any levy under this subdivision, the levy shall be treated as if it were an execution under chapter 550.

Subd. 3. Right of setoff. (a) Upon certification by the commissioner to the commissioner of finance, or to any state agency that disburses its own funds, that a person has a liability under this chapter, including interest, penalties, and costs, and that the state has purchased personal services, supplies, contract services, or property from that person, the commissioner of finance or the state agency shall set off and pay to the commissioner an amount sufficient to satisfy the unpaid liability from funds appropriated for payment of the obligation of the state otherwise due the person. No amount shall be set off from any funds exempt under section 550.37 or funds due an individual who receives assistance under chapter 256.

(b) All funds, whether general or dedicated, shall be subject to setoff.

Regardless of any law to the contrary, the commissioner shall have first priority to setoff from any funds otherwise due from the department to a delinquent person.

Subd. 4. Collection by civil action. (a) Any delinquent taxes, payment in lieu of taxes, or unemployment benefit overpayment, including interest, penalties, or costs, may be collected by civil action in the name of the state of Minnesota. Civil actions brought under this subdivision shall be heard as provided under section 16D.14. In any action, judgment shall be entered in default for the relief demanded in the complaint without proof, together with costs and disbursements, upon the filing of an affidavit of default.

(b) Any person that is not a resident of this state and any resident person removed from this state, shall be considered to appoint the secretary of state as its agent for the acceptance of process in any civil action. The commissioner shall file process with the secretary of state, together with a payment of a fee of \$15 and that service shall be considered sufficient service and shall have the same force and validity as if served personally within this state. Notice of the service of process, together with a copy of the process, shall be sent by certified mail to the person's last known address. An affidavit of compliance with this subdivision, and a copy of the notice of service shall be appended to the original of the process and filed in the court.

(c) No court filing fees, docketing fees, or release of judgment fees may be assessed against the state for actions pursuant to this subdivision.

Subd. 5. Injunction forbidden. No injunction or other legal action to prevent the assessment or collection of any tax, payment in lieu of taxes, or unemployment benefit overpayment, including interest, penalties, and costs shall be allowed.

268.059. GARNISHMENT FOR DELINQUENT TAXES AND UNEMPLOYMENT BENEFIT OVERPAYMENTS.

Subdivision 1. **Notice.** The commissioner may give notice to any employer that an employee owes delinquent taxes, payments in lieu of taxes, or overpaid unemployment benefits, including penalties, interest, and costs, and that the obligation to the fund should be withheld from the employee's wages. The commissioner may proceed only if the tax, payment in lieu of taxes, or unemployment benefit overpayment is uncontested or if the time for any appeal has expired. The commissioner shall not proceed until 30 calendar days after mailing to the debtor employee, at the debtor's last known address, a written notice of intent to garnish wages and exemption notice. That notice shall list:

- (1) the amount of taxes, payments in lieu of taxes, overpaid unemployment benefits, interest, penalties, or costs due from the debtor;
- (2) demand for immediate payment; and
- (3) the intention to serve a garnishment notice on the debtor's employer.

The notice shall expire 180 calendar days after it has been mailed to the debtor provided that the notice may be renewed by mailing a new notice that is in accordance with this section. The renewed notice shall have the effect of reinstating the priority of the original notice. The exemption notice shall be in substantially the same form as in section 571.72. The notice shall inform the debtor of the right to claim exemptions contained in section 550.37, subdivision 14. If no written claim of exemption is received by the commissioner within 30 calendar days after mailing of the notice, the commissioner may proceed with the garnishment. The notice to the debtor's employer may be served by mail and shall be in substantially the same form as in section 571.75.

Subd. 2. **Employer action.** (a) Upon receipt of the garnishment notice, the employer shall withhold from the earnings due or to become due to the employee, the amount shown on the notice plus accrued interest, subject to section 571.922. The employer shall continue to withhold each pay period the amount shown on the notice plus accrued interest until the garnishment notice is released by the commissioner. Upon receipt of notice by the employer, the claim of the commissioner shall have priority over any subsequent garnishments or wage assignments. The commissioner may arrange between the employer and employee for withholding a portion of the total amount due the employee each pay period, until the total amount shown on the notice plus accrued interest has been withheld.

The "earnings due" any employee is as defined in section 571.921.

(b) The maximum garnishment allowed for any one pay period shall be decreased by any amounts payable pursuant to any other garnishment action served prior to the garnishment notice, and any amounts covered by any irrevocable and previously effective assignment of wages; the employer shall give notice to the commissioner of the amounts and the facts relating to the assignment within ten days after the service of the garnishment notice on the form provided by the commissioner.

(c) Within ten calendar days after the expiration of the pay period, the employer shall remit to the commissioner, on a form and in the manner prescribed by the commissioner, the amount withheld during each pay period.

Subd. 3. **Discharge or discipline prohibited.** (a) If the employee ceases to be employed by the employer before the full amount set forth on the garnishment notice plus accrued interest has been withheld, the employer shall immediately notify the commissioner in writing of the termination date of the employee and the total amount withheld. No employer may discharge or discipline any employee because the commissioner has proceeded under this section. If an employer discharges an employee in violation of this section, the employee shall have the same remedy as provided in section 571.927, subdivision 2.

(b) This section shall apply if the employer is the state of Minnesota or any political subdivision.

(c) The commissioner shall refund to the employee any excess amounts withheld from the employee.

MINNESOTA STATUTES 2002

(d) An employer that fails or refuses to comply with this section shall be jointly and severally liable for the total amount due from the employee. Any amount due from the employer under this paragraph may be collected in accordance with section 268.058.

268.0625 REVOCATIONS OF BUSINESS LICENSES.

Subdivision 1. **Notice of debt to licensing authority.** The state of Minnesota or a political subdivision may not issue, transfer, or renew, and must revoke a license for the conduct of any profession, trade, or business, if the commissioner notifies the licensing authority that the licensee owes delinquent taxes, payments in lieu of taxes, or unemployment benefit overpayments, including interest, penalties, and costs, of \$500 or more. A licensing authority that has received such a notice may issue, transfer, renew, or not revoke the license only if the licensing authority has received a copy of the debt clearance certificate issued by the commissioner.

Subd. 2. **Debt clearance certificate.** The commissioner may issue a debt clearance certificate only if:

- (1) the licensee has fully paid any delinquent taxes, payments in lieu of taxes, or unemployment benefit overpayments, including interest, penalties, and costs; or
- (2) the licensee has entered into an agreement to pay the total amount due and is current with all the terms of that agreement.

Subd. 3. **Definition.** For the purposes of this section, "licensee" means:

- (1) an individual if the license is issued to or in the name of an individual, or the corporation, limited liability company, or partnership if the license is issued to or in the name of a corporation, limited liability company, or partnership; or
- (2) an officer of a corporation, manager of a limited liability company, or a member of a partnership, or an individual who is liable for the delinquent taxes, payments in lieu of taxes, or unemployment benefit overpayments, either for the entity that the license is at issue or for another entity that the liability was incurred, or personally as a licensee. "Licensee" includes both the transferor and the transferee of the license and any holder of a license.

Subd. 4. **Notice and right to hearing.** At least 30 calendar days before the commissioner notifies a licensing authority, a notice of action under this section shall be mailed to the licensee. If the licensee disputes the action, the licensee must appeal within 30 calendar days after the mailing of the notice to the licensee's last known address. The only issue on any appeal is whether the commissioner has complied with the requirements of this section. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 5. **Licensing authority; duties.** Upon request, the licensing authority shall provide the commissioner with a list of all licensees, including the name, address, business name and address, social security number, and business identification number. The commissioner may request a list of the licensees no more than once each calendar year. Regardless of section 268.19, the commissioner may release information necessary to accomplish this section.

268.063 PERSONAL LIABILITY.

(a) Any officer, director, or employee of a corporation or any manager, governor, member, or employee of a limited liability company who

(1) either individually or jointly with others, have or should have had control of, supervision over, or responsibility for the filing of the tax reports or paying the amounts due under this chapter, and

(2) willfully fails to file the tax reports or pay the amounts due, shall be personally liable for taxes or payments in lieu of taxes, including interest, penalties, and costs in the event the employer does not pay.

For purposes of this section, "willfulness" means that the facts demonstrate that the responsible party used or allowed the use of corporate or company assets to pay other creditors knowing that the amounts due under this chapter were unpaid. An evil motive or intent to defraud is not necessary.

MINNESOTA STATUTES 2002

(b) Any partner of a limited liability partnership, or professional limited liability partnership, shall be jointly and severally liable for taxes or payments in lieu of taxes, including interest, penalties, and costs in the event the employer does not pay.

(c) Any personal representative of the estate of a decedent or fiduciary who voluntarily distributes the assets without reserving a sufficient amount to pay the taxes, payments in lieu of taxes, interest, and penalties due shall be personally liable for the deficiency.

(d) The personal liability of any individual shall survive dissolution, reorganization, receivership, or assignment for the benefit of creditors. For the purposes of this section, all wages paid by the employer shall be considered earned from the individual determined to be personally liable.

(e) The commissioner shall make an initial determination as to personal liability. The determination shall be final unless the individual found to be personally liable within 30 calendar days after mailing of notice of determination to the individual's last known address files a protest. Upon receipt of the protest, the commissioner shall reexamine the personal liability determination and either affirm or redetermine the assessment of personal liability and a notice of the affirmation or redetermination shall be mailed to the individual's last known address. The affirmation or redetermination shall become final unless an appeal is filed within 30 calendar days after the date of mailing. Proceedings on the appeal shall be conducted in accordance with section 268.105.

268.064 LIABILITY FOR DEBTS UPON ACQUISITION.

Subdivision 1. **Acquisition of organization, trade, business, or assets.** Any person who acquires all or part of the organization, trade, business or assets from an employer, is jointly and severally liable, in an amount not to exceed the reasonable value of that part of the organization, trade, business or assets acquired, for the taxes due and unpaid by the employer. The amount of liability shall, in addition, be a lien against the property or assets acquired and shall be prior to all other unrecorded liens. This section does not apply to sales in the normal course of the employer's business.

Subd. 2. **Reasonable value.** The commissioner, upon the commissioner's own motion or upon application of the acquiring person, shall determine the reasonable value of the organization, trade, business or assets acquired based on available information. The determination shall be final unless the acquiring person, within 30 calendar days after being sent the determination by mail or electronic transmission, files an appeal. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 3. **Statement of amount due.** Prior to the date of acquisition, the commissioner shall furnish the acquiring person with a statement of the taxes due and unpaid upon the written request of the potential acquiring person and the written release of the obligor. No release is required after the date of acquisition.

268.065 LIABILITY OF AMOUNTS DUE FROM SUBCONTRACTORS AND EMPLOYEE LEASING FIRMS.

Subdivision 1. **Subcontractors.** A contractor who contracts with any subcontractor shall guarantee the payment of all the taxes, interest, penalties, and collection costs that are due or become due from the subcontractor with respect to taxable wages paid on the contract by:

- (1) withholding sufficient money on the contract; or
- (2) requiring the subcontractor to provide a sufficient bond guaranteeing the payment of all taxes, interest, penalties, and collection costs that may become due.

The contractor may make a written request for verification that the subcontractor has paid the taxes due 60 calendar days after the due date for filing the tax report that includes the final wages paid for employment performed under the contract. If the subcontractor has paid the taxes for the period covered by the contract, the commissioner may release the contractor from its liability.

The words "contractor" and "subcontractor" include individuals, partnerships, firms, or corporations, or other association of persons engaged in the construction industry.

Subd. 2. Employee leasing firms. A person whose work force consists of 50 percent or more of workers provided by employee leasing firms, is jointly and severally liable for the unpaid taxes, penalties, interest, and collection costs that are due on the wages paid on the contract with the employee leasing firm. "Employee leasing firm" means an employer that provides its employees to other persons without severing its employer-employee relationship with the worker for the services performed for the lessee.

Subd. 3. Determination of liability. The commissioner shall make a determination as to the liability under this section. The determination shall be final unless the contractor or person found to be liable files an appeal within 30 calendar days after being sent the determination by mail or electronic transmission. Proceedings on the appeal shall be conducted in accordance with section 268.105.

268.069 PAYMENT OF UNEMPLOYMENT BENEFITS.

Subdivision 1. **Requirements.** The commissioner shall pay unemployment benefits from the fund to an applicant who has met each of the following requirements:

- (1) the applicant has filed an application for unemployment benefits and established a benefit account in accordance with section 268.07;
- (2) the applicant is not subject to a disqualification from unemployment benefits under section 268.095;
- (3) the applicant has met all of the ongoing weekly eligibility requirements under sections 268.085 and 268.086;
- (4) the applicant does not have an outstanding overpayment of unemployment benefits, including any penalties or interest, under section 268.18; and
- (5) the applicant is not subject to a denial of unemployment benefits under section 268.182.

Subd. 2. **Unemployment benefits paid from state funds.** Unemployment benefits are paid from state funds and shall not be considered paid from any special insurance plan, nor as paid by an employer. An application for unemployment benefits shall not be considered a claim against an employer but shall be considered a request for unemployment benefits from the fund. The commissioner has the responsibility for the proper payment of unemployment benefits regardless of the level of interest or participation by an applicant or an employer in any determination or appeal. An applicant's entitlement to unemployment benefits shall be determined based upon that information available without regard to any common law burden of proof, and any agreement between an applicant and an employer shall not be binding on the commissioner in determining an applicant's entitlement. There shall be no presumption of entitlement or nonentitlement to unemployment benefits.

Subd. 3. **Common law.** There shall be no equitable or common law denial or allowance of unemployment benefits.

268.07 BENEFIT ACCOUNT.

Subdivision 1. **Application for unemployment benefits; determination of benefit account.** (a) An application for unemployment benefits may be filed in person, by mail, by telephone, or by electronic transmission as the commissioner shall require. The applicant must be unemployed at the time the application is filed and must provide all requested information in the manner required. If the applicant is not unemployed at the time of the application or fails to provide all requested information, the communication shall not be considered an application for unemployment benefits.

(b) The commissioner shall examine each application for unemployment benefits to determine the base period and the benefit year, and based upon all the covered employment in the base period the commissioner shall determine the weekly unem-

ployment benefit amount available, if any, and the maximum amount of unemployment benefits available, if any. The determination shall be known as the determination of benefit account. A determination of benefit account shall be sent to the applicant and all base period employers, by mail or electronic transmission.

(c) If a base period employer did not provide wage information for the applicant as provided for in section 268.044, the commissioner shall accept an applicant certification as to wage credits, based upon the applicant's records, and issue a determination of benefit account.

(d) The commissioner may, at any time within 24 months from the establishment of a benefit account, reconsider any determination of benefit account and make an amended determination if the commissioner finds that the determination was incorrect for any reason. An amended determination shall be promptly sent to the applicant and all base period employers, by mail or electronic transmission.

If an amended determination of benefit account reduces the weekly unemployment benefit amount or maximum amount of unemployment benefits available, any unemployment benefits that have been paid greater than the applicant was entitled is considered an overpayment of unemployment benefits under section 268.18, subdivision 1.

Subd. 2. Benefit account requirements and weekly unemployment benefit amount and maximum amount of unemployment benefits. (a) To establish a benefit account, an applicant must have:

(1) high quarter wage credits of at least \$1,000; and

(2) wage credits, in other than the high quarter, of at least \$250.

(b) If an applicant has established a benefit account, the weekly unemployment benefit amount available during the benefit year shall be the higher of:

(1) 50 percent of the applicant's average weekly wage during the base period, to a maximum of 66-2/3 percent of the state's average weekly wage; or

(2) 50 percent of the applicant's average weekly wage during the high quarter, to a maximum of 50 percent of the state's average weekly wage.

The applicant's average weekly wage under clause (1) shall be computed by dividing the total wage credits by 52. The applicant's average weekly wage under clause (2) shall be computed by dividing the high quarter wage credits by 13.

(c) The state's maximum weekly unemployment benefit amount and the applicant's weekly unemployment benefit amount and maximum amount of unemployment benefits shall be rounded down to the next lowest whole dollar.

(d) The maximum amount of unemployment benefits available on any benefit account shall be the lower of:

(1) 33-1/3 percent of the applicant's total wage credits; or

(2) 26 times the applicant's weekly unemployment benefit amount.

Subd. 2a. [Repealed by amendment, 1996 c 417 s 9]

Subd. 3. Second benefit account requirements. To establish a second benefit account following the expiration of a benefit year on a prior benefit account, an applicant must have sufficient wage credits to establish a benefit account under subdivision 2 and must have performed services in covered employment after the effective date of the prior benefit account. The wages paid for that employment must equal not less than eight times the weekly unemployment benefit amount of the prior benefit account. A benefit account established sufficiently in advance of anticipated loss of employment to make the limitations of this subdivision ineffective shall not be allowed. The purpose of this subdivision is to prevent an applicant from establishing more than one benefit account as a result of one loss of employment.

Subd. 3a. Right of appeal. (a) A determination or amended determination of benefit account shall be final unless an applicant or base period employer within 30 calendar days after the sending of the determination or amended determination files an appeal. Every determination or amended determination of benefit account shall contain

a prominent statement indicating in clear language the consequences of not appealing. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(b) Any applicant or base period employer may appeal from a determination or amended determination of benefit account on the issue of whether services performed constitute employment and covered employment. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 3b. **Limitations.** (a) A benefit account shall be established effective the Sunday of the calendar week that the application for unemployment benefits was filed. Upon specific request of an applicant, an application for benefits may be backdated one calendar week prior to the Sunday of the week the application was actually filed. An application shall be backdated only if the applicant was unemployed throughout the period of the backdating. If an individual attempted to file an application for unemployment benefits, but was prevented from filing an application by the department, the benefit account shall be effective the Sunday of the calendar week the individual first attempted to file an application.

(b) A benefit account, once established, may later be withdrawn only if:

(1) a new application for unemployment benefits is filed and a new benefit account is established at the time of the withdrawal; and

(2) the applicant has not served a waiting week under section 268.085, subdivision 1, clause (3).

A determination or amended determination pursuant to section 268.101, that was issued before the withdrawal of the benefit account, shall remain in effect and shall not be voided by the withdrawal of the benefit account. A determination of disqualification requiring subsequent earnings to satisfy the disqualification under section 268.095, subdivision 10, shall apply to the weekly unemployment benefit amount on the new benefit account.

(c) An application for unemployment benefits shall not be allowed prior to the Sunday following the expiration of the benefit year on a prior benefit account. Except as allowed under paragraph (b), a applicant may establish only one benefit account each 52 calendar weeks.

(d) All unemployment benefits shall be available from the fund only for weeks occurring during the applicant's benefit year.

268.081 [Repealed, 1993 c 4 s 34]

268.085 ELIGIBILITY REQUIREMENTS.

Subdivision 1. **Eligibility conditions.** An applicant shall be eligible to receive unemployment benefits for any week if:

(1) the applicant has an active benefit account and has filed a continued request for unemployment benefits for that week pursuant to section 268.086;

(2) the applicant was able to work and was available for suitable employment, and was actively seeking suitable employment. The applicant's weekly unemployment benefit amount shall be reduced one-fifth for each day the applicant is unable to work or is unavailable for suitable employment.

This clause shall not apply to an applicant who is in reemployment assistance training.

This clause shall not apply each day the applicant is on jury duty;

(3) the applicant has served a waiting period of one week that the applicant is otherwise entitled to some amount of unemployment benefits. This clause shall not apply if the applicant would have been entitled to federal disaster unemployment assistance because of a disaster in Minnesota, but for the applicant's establishment of a benefit account under section 268.07; and

(4) the applicant has been participating in reemployment assistance services, such as job search and resume writing classes, if the applicant has been determined in need of reemployment assistance services by the commissioner, unless there is good cause for the applicant's failure to participate.

Subd. 2. **Not eligible.** An applicant shall not be eligible to receive unemployment benefits for any week:

(1) that occurs before the effective date of a benefit account;

(2) that occurs in a period when the applicant is a student in attendance at, or on vacation from a secondary school including the period between academic years or terms;

MINNESOTA STATUTES 2002

(3) that the applicant is incarcerated or performing court ordered community service. The applicant's weekly unemployment benefit amount shall be reduced by one-fifth for each day the applicant is incarcerated or performing court ordered community service;

(4) that the applicant fails or refuses to provide information on an issue of eligibility required under section 268.101, subdivision 1, paragraph (a), or an issue of disqualification required under section 268.101, subdivision 1, paragraph (d);

(5) that the applicant is performing services 32 hours or more, in employment, covered employment, noncovered employment, or self-employment regardless of the amount of any earnings; or

(6) with respect to which the applicant is receiving, has received, or has filed an application for unemployment benefits under any federal law or the law of any other state. If the appropriate agency finally determines that the applicant is not entitled to the unemployment benefits, this clause shall not apply.

Subd. 3. Deductible payments. (a) An applicant shall not be eligible to receive unemployment benefits for any week with respect to which the applicant is receiving, has received, or has filed for payment in an amount equal to or in excess of the applicant's weekly unemployment benefit amount in the form of:

(1) severance pay, bonus pay, vacation pay, sick pay, and any other money payments, except earnings under subdivision 5, and back pay under subdivision 6, paid by an employer because of, upon, or after separation from employment that are considered wages under section 268.035, subdivision 29, or United States Code, title 26, section 3121, clause (2) of the Federal Insurance Contribution Act. This clause shall apply to the first four weeks of payment and to one-half of the total number of any additional weeks of payment. This clause shall be applied to the period immediately following the last day of employment. The number of weeks of payment shall be determined as follows:

(i) if the payments are made periodically, the total of the payments to be received shall be divided by the applicant's last level of regular weekly pay from the employer; or

(ii) if the payment is made in a lump sum, that sum shall be divided by the applicant's last level of regular weekly pay from the employer. This clause shall not apply to vacation pay paid by an employer upon permanent separation from employment;

(2) pension, retirement, or annuity payments from any plan contributed to by a base period employer including the United States government, except social security benefits which are provided for in subdivision 4. The base period employer contributed to the plan if the contribution is excluded from the definition of wages under section 268.035, subdivision 29, clause (1), or United States Code, title 26, section 3121, clause (2), of the Federal Insurance Contribution Act.

If the applicant receives a lump sum pension payment, that sum shall be divided by the applicant's last level of regular weekly pay to determine the number of weeks of payment. The number of weeks of payment shall be applied to the period immediately following the last day of employment. An applicant shall not be considered to have received the lump sum payment if the applicant immediately deposits that payment in a qualified pension plan or account; or

(3) holiday pay.

(b) If the deductible payment is less than the applicant's weekly unemployment benefit amount, unemployment benefits shall be reduced by the amount of the payment. If the computation of reduced unemployment benefits is not a whole dollar, it shall be rounded down to the next lowest dollar.

Subd. 3a. Workers' compensation and disability insurance offset. (a) An applicant is not eligible to receive unemployment benefits for any week in which the applicant is receiving or has received compensation for loss of wages equal to or in excess of the applicant's weekly unemployment benefit amount under:

- (1) the workers' compensation law of this state;
- (2) the workers' compensation law of any other state or similar federal law; or
- (3) any insurance or fund paid in whole or in part by an employer.

(b) This subdivision shall not apply to an applicant who has a claim pending for loss of wages under paragraph (a); however, before unemployment benefits may be paid when a claim is pending, the issue of the applicant being able to work, as required under subdivision 1, clause (2), shall be determined under section 268.101, subdivision 3. If the applicant later receives compensation as a result of the pending claim, the applicant is subject to the provisions of paragraph (a) and the unemployment benefits paid shall be subject to recoupment by the commissioner to the extent that the compensation constitutes overpaid unemployment benefits.

(c) If the amount of compensation described under paragraph (a) for any week is less than the applicant's weekly unemployment benefit amount, unemployment benefits requested for that week shall be reduced by the amount of that compensation payment.

Subd. 4. Social security benefits. (a) Any applicant aged 62 or over shall be required to state when filing an application for unemployment benefits and when filing continued requests for unemployment benefits whether the applicant is receiving, has filed for, or intends to file for, primary social security old age or disability benefits for any week during the benefit year.

(b) There shall be deducted from an applicant's weekly unemployment benefit amount 50 percent of the weekly equivalent of the primary social security old age or disability benefit the applicant has received, has filed for, or intends to file for, with respect to that week.

(c) Regardless of paragraph (b), an applicant shall be ineligible for unemployment benefits for any week with respect to which the applicant is receiving, has received, or has filed for primary social security disability benefits.

This paragraph shall not apply if the Social Security Administration approved the collecting of primary social security disability benefits each month the applicant was employed during the base period.

(d) Information from the Social Security Administration shall be considered conclusive, absent specific evidence showing that the information was erroneous.

(e) Any applicant who receives primary social security old age or disability benefits for periods that the applicant has been paid unemployment benefits shall be considered overpaid those unemployment benefits under section 268.18, subdivision 1.

Subd. 5. Deductible earnings. (a) If the applicant has earnings with respect to any week, from employment, covered employment, noncovered employment, self-employment, or volunteer work, equal to or in excess of the applicant's weekly unemployment benefit amount, the applicant shall be ineligible for unemployment benefits for that week.

(b) If the applicant has earnings, with respect to any week, that is less than the applicant's weekly unemployment benefit amount, from employment, covered employment, noncovered employment, self-employment, or volunteer work, that amount over the following shall be deducted from the weekly unemployment benefit amount:

- (1) 25 percent of earnings or \$50, whichever is higher; and
- (2) \$200 for earnings from service in the National Guard or a United States military reserve unit.

The resulting unemployment benefit, if not a whole dollar, shall be rounded to the next lower dollar.

(c) No deduction shall be made from an applicant's weekly unemployment benefit amount for earnings from service as a volunteer firefighter or volunteer ambulance service personnel. No deduction shall be made for jury duty pay.

(d) The applicant may report deductible earnings on continued requests for unemployment benefits at the nearest whole dollar amount.

(e) Earnings shall not include any money considered a deductible payment under subdivision 3, but shall include all other money considered wages and any other money considered earned income under state and federal law for income tax purposes.

Subd. 6. **Receipt of back pay.** (a) Back pay received by an applicant with respect to any week occurring in the 104 weeks prior to the payment of the back pay shall be deducted from unemployment benefits paid for that week:

If an arbitration award, administrative or judicial decision, or negotiated settlement that provides for back pay does not specify the period with respect to which it is paid, the back pay shall be applied to the period immediately following the last day of employment.

(b) If the back pay is reduced by the amount of unemployment benefits that have been paid, the amount of back pay withheld shall be:

(1) paid by the employer to the fund within 30 calendar days and subject to the same collection procedures that apply to past due taxes;

(2) applied to unemployment benefit overpayments resulting from the payment of the back pay; and

(3) credited to the maximum amount of unemployment benefits available to the applicant in a benefit year that includes the weeks for which back pay was deducted.

(c) Unemployment benefits paid the applicant shall be removed from the computation of the tax rate for taxpaying employers and removed from the reimbursable account for nonprofit and government employers that have elected to be liable for payments in lieu of taxes in the calendar quarter the fund receives payment.

(d) Payments to the fund under this subdivision shall be considered as made by the applicant.

Subd. 7. **School employees.** (a) No wage credits in any amount from any employment with any educational institution or institutions earned in any capacity may be used for unemployment benefit purposes for any week during the period between two successive academic years or terms if:

(1) the applicant had employment for any educational institution or institutions in the prior academic year or term; and

(2) there is a reasonable assurance that the applicant will have employment for any educational institution or institutions in the following academic year or term, unless that subsequent employment is substantially less favorable than the employment of the prior academic year or term.

(b) Paragraph (a) shall not apply to an applicant who, at the end of the prior academic year or term, had an agreement for a definite period of employment between academic years or terms in other than an instructional, research, or principal administrative capacity and the educational institution or institutions failed to provide that employment.

(c) If unemployment benefits are denied to any applicant under paragraph (a) who was employed in the prior academic year or term in other than an instructional, research, or principal administrative capacity and who was not offered an opportunity to perform the employment in the following academic year or term, the applicant shall be entitled to retroactive unemployment benefits for each week during the period between academic years or terms that the applicant filed a timely continued request for unemployment benefits, but unemployment benefits were denied solely because of paragraph (a).

(d) An educational assistant shall not be considered to be in an instructional, research, or principal administrative capacity.

(e) Paragraph (a) shall apply to any vacation period or holiday recess if the applicant was employed immediately before the vacation period or holiday recess, and there is a reasonable assurance that the applicant will be employed immediately following the vacation period or holiday recess.

(f) This subdivision shall apply to employment with an educational service agency if the applicant performed the services at an educational institution or institutions.

“Educational service agency” means a governmental agency or entity established and operated exclusively for the purpose of providing services to one or more educational institutions. This subdivision shall also apply to employment with Minnesota or a political subdivision, or a nonprofit organization, if the services are provided to or on behalf of an educational institution or institutions.

(g) Paragraphs (a) and (e) shall apply beginning the Sunday of the week that there is a reasonable assurance of employment.

(h) Employment with multiple education institutions shall be aggregated for purposes of application of this subdivision.

(i) If all of the applicant’s employment with any educational institution or institutions during the prior academic year or term consisted of on-call employment, and the applicant has a reasonable assurance of any on-call employment with any educational institution or institutions for the following academic year or term, it shall not be considered substantially less favorable employment.

(j) Paragraph (a) shall also apply to the period between two regular but not successive terms.

(k) A “reasonable assurance” may be written, oral, implied, or established by custom or practice.

(l) An “educational institution” is an educational entity operated by Minnesota or a political subdivision or an instrumentality thereof, or an educational organization described in United States Code, title 26, section 501(c)(3) of the federal Internal Revenue Code, and exempt from income tax under section 501(a).

Subd. 8. **Services for school contractors.** Wage credits from an employer are subject to subdivision 7, if:

(1) the employment was provided pursuant to a contract between the employer and an elementary or secondary school; and

(2) the contract was for services that the elementary or secondary school could have had performed by its employees.

Subd. 9. **Business owners.** Wage credits from an employer may not be used for unemployment benefit purposes by any applicant who:

(1) individually, jointly, or in combination with the applicant’s spouse, parent, or child owns or controls directly or indirectly 25 percent or more interest in the employer, or is the spouse, parent, or minor child of any individual who owns or controls directly or indirectly 25 percent or more interest in the employer; and

(2) is not permanently separated from employment.

This subdivision is effective when the applicant has been paid four times the applicant’s weekly unemployment benefit amount in the current benefit year.

Subd. 10. **Recreational or tourist industry employment.** (a) If an applicant has wage credits from recreational or tourist industry employment, unemployment benefits shall be available only if the applicant can establish a benefit account under section 268.07, subdivision 2, excluding the wage credits from recreational or tourist industry employment. This subdivision applies only to employment that is available with the employer for 15 consecutive weeks or less each calendar year.

(b) Wage credits from recreational or tourist industry employment may not be used for unemployment benefit purposes during weeks outside the normal employment season.

Subd. 11. **Athletes and coaches.** Unemployment benefits shall not be paid to an applicant on the basis of any wage credits from employment that consists of coaching or participating in sports or athletic events or training or preparing to participate for any week during the period between two successive sport seasons, or similar periods, if:

(1) the applicant was so employed in the prior season or similar period, and

(2) there is a reasonable assurance that the applicant will be so employed in the following season or similar period.

Subd. 12. **Aliens.** (a) An alien shall be ineligible for unemployment benefits for any week the alien is not authorized to work in the United States under federal law. Information from the Immigration and Naturalization Service shall be considered conclusive, absent specific evidence that the information was erroneous.

(b) Unemployment benefits shall not be paid on the basis of wage credits earned by an alien unless the alien (1) was lawfully admitted for permanent residence at the time of the employment, (2) was lawfully present for the purposes of the employment; or (3) was permanently residing in the United States under color of law at the time of the employment.

(c) Any information required of applicants applying for unemployment benefits to determine eligibility because of their alien status shall be required from all applicants.

Subd. 13. **Suspension from employment.** (a) An applicant who has been suspended from employment without pay for 30 calendar days or less, as a result of employment misconduct as defined under section 268.095, subdivision 6, shall be ineligible for unemployment benefits beginning the Sunday of the week that the applicant was suspended and continuing for the duration of the suspension.

(b) A suspension from employment without pay for more than 30 calendar days shall be considered a discharge from employment under section 268.095, subdivision 5.

(c) A suspension from employment with pay, regardless of duration, shall not be considered a separation from employment and the applicant shall be ineligible for unemployment benefits for the duration of the suspension with pay.

Subd. 13a. **Leave of absence.** (a) An applicant on a voluntary leave of absence shall be ineligible for benefits for the duration of the leave of absence.

A leave of absence is voluntary when work that the applicant can then perform is available with the applicant's employer but the applicant chooses not to work.

(b) A period of vacation requested by the applicant, paid or unpaid, shall be considered a voluntary leave of absence. A vacation period assigned by an employer under: (1) a uniform vacation shutdown; (2) a collective bargaining agreement; or (3) an established employer policy, shall not be considered a voluntary leave of absence.

(c) A leave of absence shall not be considered a quit or a discharge from employment for purposes of section 268.095.

(d) An applicant who is on a paid leave of absence, whether the leave of absence is voluntary or involuntary, shall be ineligible for benefits for the duration of the leave.

(e) This subdivision shall apply to a leave of absence from a base period employer, an employer during the period between the end of the base period and the effective date of the benefit account, or an employer during the benefit year.

Subd. 14. **Able to work defined.** "Able to work" means an applicant has the physical and mental ability to perform the usual duties of the applicant's usual occupation or of comparable employment.

Subd. 15. **Available for suitable employment defined.** (a) "Available for suitable employment" means an applicant is ready and willing to accept suitable employment in the labor market area. The attachment to the work force must be genuine. An applicant may restrict availability to suitable employment, but there must be no other restrictions, either self-imposed or created by circumstances, temporary or permanent, that prevent accepting suitable employment.

(b) To be considered "available for suitable employment," a student must be willing to quit school to accept suitable employment.

(c) An applicant who is absent from the labor market area for personal reasons, other than to search for work, is not "available for suitable employment."

(d) An applicant who has restrictions on the hours of the day or days of the week that the applicant can or will work, that are not normal for the applicant's usual occupation or other suitable employment, is not "available for suitable employment." An applicant must be available for daytime employment, if suitable employment is performed during the daytime, even though the applicant previously worked the night shift.

(e) An applicant must have transportation throughout the labor market area to be considered "available for suitable employment."

Subd. 16. **Actively seeking suitable employment defined.** (a) "Actively seeking suitable employment" means those reasonable, diligent efforts an individual in similar circumstances would make if genuinely interested in obtaining suitable employment under the existing conditions in the labor market area. Limiting the search to positions that are not available or are above the applicant's training, experience, and qualifications is not "actively seeking suitable employment."

(b) To be considered "actively seeking suitable employment" an applicant shall, when reasonable, contact those employers from whom the applicant was laid off due to lack of work and request suitable employment.

(c) If reasonable prospects of suitable employment in the applicant's usual or customary occupation do not exist, the applicant must actively seek other suitable employment to be considered "actively seeking suitable employment." This applies to an applicant who is seasonally unemployed.

(d) An applicant who is seeking employment only through a union is not actively seeking suitable employment unless the applicant is in an occupation where it is required by union rule that all the hiring in that locality is done through the union. The applicant must be a union member in good standing, registered with the union for employment, and in compliance with other union rules to be considered "actively seeking suitable employment."

268.086 CONTINUED REQUEST FOR UNEMPLOYMENT BENEFITS ON AN ACTIVE BENEFIT ACCOUNT.

Subdivision 1. **Active benefit account.** (a) A benefit account shall be considered active only when an applicant files continued requests for unemployment benefits in the manner and within the time periods prescribed. A benefit account shall be considered inactive if an applicant stops filing a continued request or fails to file a continued request within the time period required. The benefit account shall be considered inactive as of the Sunday following the last week or biweekly period for which a continued request has been timely filed.

(b) A benefit account that is inactive shall be reactivated the Sunday of the week that the applicant makes a contact with the department to do so, in the manner prescribed by the commissioner for reactivating that applicant's benefit account. Upon specific request of an applicant, a benefit account may be reactivated effective up to two weeks prior to the week the applicant made contact with the department to reactivate.

Subd. 2. **Continued request for unemployment benefits defined.** A continued request for unemployment benefits is a certification by an applicant, done on a weekly or biweekly basis as prescribed by the commissioner, on the applicant's eligibility for unemployment benefits under section 268.085 for a specific week or two-week period. A continued request shall include information on possible issues of disqualification in accordance with section 268.101, subdivision 1, paragraph (c).

Subd. 3. **Methods for filing continued requests for unemployment benefits.** (a) The commissioner shall designate to each applicant one of the following methods for filing a continued request:

- (1) by telephone under subdivision 4;
- (2) by electronic transmission under subdivision 5;
- (3) by mail under subdivision 6; or
- (4) by in-person interview under subdivision 7.

(b) The method designated by the commissioner shall be the only method allowed for filing a continued request by that applicant. An applicant may ask that one of the other allowed methods be designated and the commissioner shall consider inconvenience to the applicant as well as administrative capacity in determining whether to allow an applicant to change the designated method for filing a continued request for unemployment benefits.

Subd. 4. **Continued request for unemployment benefits by telephone.** (a) A continued request by telephone shall be made to a telephone number required by the commissioner for that applicant. In order to constitute a continued request, all information asked for, including information authenticating that the caller is the applicant, must be provided. If all of the information asked for is not provided, the communication shall not constitute a continued request for unemployment benefits.

The telephone communication must be made on the date required for the applicant for filing a continued request for unemployment benefits by telephone.

(b) If the telephone continued request for unemployment benefits is not filed on the date required, a continued request by telephone shall be accepted if the applicant files the continued request by telephone within 14 days following the week in which the date required occurred. If the continued request by telephone is not filed within 14 days following the week in which the date required occurred, the telephone continued request shall not be accepted and the applicant shall be ineligible for unemployment benefits for the period covered by the continued request and the benefit account shall be considered inactive, unless the applicant shows good cause for failing to file the continued request by telephone within the time period requested.

Subd. 5. **Continued request for unemployment benefits by electronic transmission.** (a) A continued request for unemployment benefits by electronic transmission shall be filed to that electronic mail address or Internet address prescribed by the commissioner for that applicant. In order to constitute a continued request, all information asked for, including information authenticating that the applicant is sending the transmission, must be provided in the format required. If all of the information asked for is not provided, the communication shall not constitute a continued request for unemployment benefits.

The electronic transmission communication must be filed on the date required for the applicant for filing a continued request by electronic transmission.

(b) If the electronic transmission continued request is not filed on the date required, a continued request by electronic transmission shall be accepted if the applicant files the continued request by electronic transmission within 14 days following the week in which the date required occurred. If the continued request by electronic transmission is not filed within 14 days following the week in which the date required occurred, the electronic continued request shall not be accepted and the applicant shall be ineligible for unemployment benefits for the period covered by the continued request and the benefit account shall be considered inactive, unless the applicant shows good cause for failing to file the continued request by electronic transmission within the time period required.

Subd. 6. **Continued request for unemployment benefits by mail.** (a) A continued request for unemployment benefits by mail shall be on a form prescribed by the commissioner. The form, in order to constitute a continued request, must be totally completed and signed by the applicant.

The form must be filed on the date required for the applicant for filing a continued request by mail, in an envelope with postage prepaid thereon, and sent to the address required by the commissioner for that applicant.

(b) If the mail continued request for unemployment benefits is not filed on the date required, a continued request shall be accepted if the form is filed by mail within 14 days following the week in which the date required occurred. If the form is not filed within 14 days following the week in which the date required occurred, the form shall not be accepted and the applicant shall be ineligible for unemployment benefits for the period covered by the continued request for unemployment benefits and the benefit account shall be considered inactive, unless the applicant shows good cause for failing to file the form by mail within the time period required.

(c) If the applicant has been designated to file a continued request for unemployment benefits by mail, an applicant may submit the form by facsimile transmission on the day otherwise required for mailing, or within 14 days following the week in which the date required occurred. A form submitted by facsimile transmission shall be sent only to the telephone number assigned for that purpose.

(d) An applicant who has been designated to file a continued request by mail may personally deliver a continued request form only to the location to which the form was otherwise required to be mailed.

Subd. 7. In-person continued request for unemployment benefits. The commissioner may require any applicant who has been designated to make a continued request for unemployment benefits by telephone, by electronic transmission, or by mail to appear for a personal interview at a place, time, and date designated, during which a written continued request for unemployment benefits form shall be completed and submitted by the applicant.

An applicant shall be ineligible for unemployment benefits for the week or biweekly period covered by a continued request and the benefit account shall be considered inactive if the applicant fails, without good cause, to comply with the requirement that the applicant appear for a personal interview and at that time complete and submit a written continued request form.

Subd. 8. Good cause. A continued request for unemployment benefits that is not filed within the time periods required by this section shall be accepted only for those weeks that the applicant has "good cause" for not filing within the time periods required.

Subd. 9. Good cause defined. "Good cause" for purposes of this section is a compelling substantial reason that would have prevented a reasonable person acting with due diligence from filing a continued request for unemployment benefits within the time periods required.

"Good cause" shall not include forgetfulness, loss of the continued request form, having returned to work, or inability to file a continued request for unemployment benefits by the method designated if the applicant was aware of the inability and did not make diligent effort to have the method of filing a continued request changed by the commissioner. "Good cause" shall not include having previously made an attempt to file a continued request for unemployment benefits but where the communication was not considered a continued request because the applicant failed to submit all required information.

268.095 DISQUALIFICATION PROVISIONS.

Subdivision 1. **Quit.** An applicant who quit employment shall be disqualified from all unemployment benefits except when:

(1) the applicant quit the employment because of a good reason caused by the employer;

(2) the applicant quit the employment to accept other covered employment that provided substantially better terms and conditions of employment, but the applicant did not work long enough at the other employment to have sufficient subsequent earnings to satisfy the disqualification that would otherwise be imposed;

(3) the applicant quit the employment within 30 calendar days of beginning the employment because the employment was unsuitable for the applicant;

(4) the employment was unsuitable for the applicant and the applicant quit to enter reemployment assistance training;

(5) the employment was part time and the applicant had full-time employment in the base period, that the applicant separated from because of nondisqualifying reasons,

sufficient to meet the minimum requirements to establish a benefit account under section 268.07;

(6) the applicant quit because the employer notified the applicant that the applicant was going to be laid off due to lack of work within 30 calendar days. An applicant who quit employment within 30 calendar days of a notified date of layoff due to lack of work shall be disqualified from unemployment benefits through the end of the week that includes the scheduled date of layoff;

(7) the applicant quit the employment because the applicant's serious illness or injury made it medically necessary that the applicant quit, provided that the applicant made reasonable efforts to remain in that employment in spite of the serious illness or injury.

Reasonable efforts to remain in that employment are those a reasonable individual would make if interested in remaining with the employer and require that the applicant inform the employer of the serious illness or injury and request accommodation.

If the applicant's serious illness is chemical dependency, the applicant has not made reasonable efforts to remain in that employment if the applicant has previously been diagnosed as chemically dependent, or has previously had treatment for chemical dependency, and has failed to make consistent efforts to control the chemical dependency; or

(8) domestic abuse of the applicant or the applicant's minor child, necessitated the applicant's quitting the employment. Domestic abuse shall be shown by one or more of the following:

(i) a court order for protection or other documentation of equitable relief issued by a court;

(ii) a police record documenting the domestic abuse;

(iii) documentation that the perpetrator of the domestic abuse has been convicted of the offense of domestic abuse;

(iv) medical documentation of domestic abuse; or

(v) documentation or certification of the domestic abuse provided by a social worker, member of the clergy, shelter worker, or other professional who has assisted the applicant in dealing with the domestic abuse.

Domestic abuse for purposes of this clause shall be defined under section 518B.01.

Subd. 2. **Quit defined.** (a) A quit from employment occurs when the decision to end the employment was, at the time the employment ended, the employee's.

(b) An employee who has been notified that the employee will be discharged in the future, who chooses to end the employment while employment in any capacity is still available, shall be considered to have quit the employment.

(c) An employee who seeks to withdraw a previously submitted notice of quitting shall be considered to have quit the employment if the employer does not agree that the notice may be withdrawn.

(d) An applicant who, without good cause, fails to affirmatively request an additional job assignment after completion of a temporary job assignment from a staffing service employer shall be considered to have quit employment.

This paragraph shall apply only if, at the time of beginning of employment with the staffing service employer, the applicant signed and was provided a copy of a separate document written in clear and concise language that informed the applicant of this paragraph and that unemployment benefits may be affected.

For purposes of this paragraph, "good cause" shall be a reason that is significant and would compel an average, reasonable worker, who would otherwise want an additional temporary job assignment with the staffing service employer, to fail to contact the staffing service employer. The applicant shall be considered to have good cause if the temporary job assignment just completed was not suitable employment for the applicant.

For purposes of this paragraph, a "staffing service employer" is an employer whose business involves employing individuals directly for the purpose of furnishing temporary help to clients of the staffing service.

Subd. 3. **Good reason caused by the employer defined.** (a) A good reason caused by the employer for quitting is a reason:

(1) that is directly related to the employment and for which the employer is responsible; and

(2) that is significant and would compel an average, reasonable worker to quit and become unemployed rather than remaining in the employment.

(b) If an applicant was subjected to adverse working conditions by the employer, the applicant must complain to the employer and give the employer a reasonable opportunity to correct the adverse working conditions before that may be considered a good reason caused by the employer for quitting.

(c) A substantial adverse change in the wages, hours, or other terms of employment by the employer shall be considered a good reason caused by the employer for quitting unless the change occurred because of the applicant's employment misconduct.

(d) Notification of discharge in the future, including a layoff due to lack of work, shall not be considered a good reason caused by the employer for quitting.

(e) An applicant has a good reason caused by the employer for quitting if it results from sexual harassment of which the employer was aware, or should have been aware, and the employer failed to take timely and appropriate action. Sexual harassment means unwelcome sexual advances, requests for sexual favors, sexually motivated physical contact or other conduct or communication of a sexual nature when:

(1) the applicant's submission to the conduct or communication is made a term or condition of the employment;

(2) the applicant's submission to or rejection of the conduct or communication is the basis for decisions affecting employment; or

(3) the conduct or communication has the purpose or effect of substantially interfering with an applicant's work performance or creating an intimidating, hostile, or offensive working environment.

(f) The definition of a good reason caused by the employer for quitting employment provided by this subdivision shall be exclusive.

Subd. 4. **Discharge.** An applicant who was discharged from employment by an employer shall not be disqualified from any unemployment benefits except when:

(1) the applicant was discharged because of employment misconduct; or

(2) the applicant was discharged because of aggravated employment misconduct.

Subd. 4a. [Renumbered subd 6a]

Subd. 5. **Discharge defined.** (a) A discharge from employment occurs when any words or actions by an employer would lead a reasonable employee to believe that the employer will no longer allow the employee to work for the employer in any capacity. A layoff due to lack of work shall be considered a discharge. A suspension from employment without pay of more than 30 calendar days shall be considered a discharge.

(b) An employee who gives notice of intention to quit the employment and is not allowed by the employer to work the entire notice period shall be considered discharged from the employment as of the date the employer will no longer allow the employee to work. If the discharge occurs within 30 calendar days prior to the intended date of quitting, then, as of the intended date of quitting, the separation from employment shall be considered a quit from employment subject to subdivision 1.

Subd. 6. **Employment misconduct defined.** (a) Employment misconduct means:

(1) any intentional conduct, on the job or off the job, that disregards the standards of behavior that an employer has the right to expect of the employee or disregards the employee's duties and obligations to the employer; or

(2) negligent or indifferent conduct, on the job or off the job, that demonstrates a substantial lack of concern for the employment.

(b) Inefficiency, inadvertence, simple unsatisfactory conduct, poor performance because of inability or incapacity, or absence because of illness or injury with proper notice to the employer, are not employment misconduct.

(c) Any conduct in violation of paragraph (a), clause (1) or (2), that was a result of the applicant's chemical dependency is employment misconduct if the applicant has previously been diagnosed chemically dependent or had treatment for chemical dependency, and has failed to make consistent efforts to control the chemical dependency.

(d) A driving offense in violation of sections 169A.20, 169A.31, or 169A.50 to 169A.53 that interferes with or adversely affects the employment is employment misconduct.

(e) The definition of employment misconduct provided by this subdivision shall be exclusive.

Subd. 6a. **Aggravated employment misconduct defined.** For the purpose of this section, "aggravated employment misconduct" means:

(1) the commission of any act, on the job or off the job, that would amount to a gross misdemeanor or felony if the act interfered with or adversely affected the employment; or

(2) for an employee of a facility as defined in section 626.5572, aggravated employment misconduct includes an act of patient or resident abuse, financial exploitation, or recurring or serious neglect, as defined in section 626.5572 and applicable rules.

If an applicant is convicted of a gross misdemeanor or felony for the same act for which the applicant was discharged, it is aggravated employment misconduct.

Subd. 7. **Act or omissions after separation.** Except as provided for under subdivision 8, an applicant shall not be disqualified from unemployment benefits under this section for any acts or omissions occurring after the applicant's separation from employment with the employer. A layoff due to lack of work is considered a separation from employment.

Subd. 8. **Offers of employment.** (a) An applicant shall be disqualified from all unemployment benefits if the applicant, without good cause:

(1) failed to apply for available, suitable employment of which the applicant was advised by the commissioner or an employer;

(2) failed to accept suitable employment when offered; or

(3) avoided an offer of suitable employment.

(b) "Good cause" is a reason that would cause a reasonable individual who wants suitable employment to fail to apply for, accept, or avoid suitable employment. Good cause includes:

(1) the applicant is employed in other suitable employment;

(2) the applicant is in reemployment assistance training;

(3) the applicant formerly worked for the employer and the loss of employment occurred prior to the commencement of a labor dispute, was permanent or for an indefinite period, and the applicant failed to apply for or accept the employment because a labor dispute was in progress at the establishment; or

(4) the applicant formerly worked for the employer and quit that employment because of a good reason caused by the employer.

(c) This subdivision only applies to offers of employment with a new or a former employer and does not apply to any type of job transfers, position reassignments, or changes in job duties or responsibilities during the course of employment with an employer.

Subd. 9. [Renumbered 268.035, subd 23a]

Subd. 10. **Disqualification duration.** (a) A disqualification from the payment of all unemployment benefits under subdivisions 1, 4, and 8 shall be for the duration of the applicant's unemployment and until the end of the calendar week that the applicant

MINNESOTA STATUTES 2002

had total earnings in subsequent covered employment of eight times the applicant's weekly unemployment benefit amount.

(b) Any disqualification imposed under subdivisions 1 and 4 shall begin on the Sunday of the week that the applicant became separated from employment. Any disqualification imposed under subdivision 8 shall begin on the Sunday of the week the applicant failed to apply for, accept, or avoided employment.

(c) In addition to paragraph (a), if the applicant was discharged from employment because of aggravated employment misconduct, wage credits from that employment shall be canceled.

Subd. 11. **Application.** (a) This section shall apply to all covered employment, full time or part time, temporary or of limited duration, permanent or of indefinite duration, that occurred in Minnesota during the base period, the period between the end of the base period and the effective date of the benefit account, or the benefit year, except as provided for in subdivision 1, clause (5).

(b) Paragraph (a) shall also apply to employment covered under an unemployment insurance program of any other state or established by an act of Congress.

Subd. 12. **Labor dispute.** (a) An applicant who has stopped working because of a labor dispute at the establishment where the applicant is employed shall be disqualified from unemployment benefits:

(1) until the end of the calendar week that the labor dispute was in active progress if the applicant is participating in or directly interested in the labor dispute; or

(2) until the end of the calendar week that the labor dispute began if the applicant is not participating in or directly interested in the labor dispute.

Participation includes any failure or refusal by an applicant, voluntarily or involuntarily, to accept and perform available and customary work at the establishment.

(b) An applicant who has stopped working because of a jurisdictional controversy between two or more labor organizations at the establishment where the applicant is employed shall be disqualified for unemployment benefits until the end of the calendar week that the jurisdictional controversy was in progress.

(c) An applicant shall not be disqualified from unemployment benefits under this subdivision if:

(1) the applicant stops working because of an employer's intentional failure to observe the terms of the safety and health section of a union contract or failure to comply with an official citation for a violation of federal or state laws involving occupational safety and health;

(2) the applicant stops working because of a lockout; or

(3) the applicant is discharged prior to the beginning of a labor dispute.

(d) A quit from employment by the applicant during the time that the labor dispute is in active progress at the establishment shall not terminate the applicant's participation in or direct interest in the labor dispute for purposes of this subdivision.

(e) For the purpose of this subdivision, the term "labor dispute" shall have the same definition as provided in section 179.01, subdivision 7.

268.10 [Repealed, 1996 c 417 s 32]

268.101 DETERMINATIONS ON DISQUALIFICATION AND ELIGIBILITY.

Subdivision 1. **Notification.** (a) In an application for unemployment benefits, each applicant shall report the name and the reason for no longer working for the applicant's most recent employer, as well as the names of all employers and the reasons for no longer working for all employers during the six calendar months prior to the date of the application. If the reason reported for no longer working for any of those employers is other than a layoff due to lack of work, that shall raise an issue of disqualification that the department shall determine. An applicant's failure to report the name of an employer, or giving an incorrect reason for no longer working for an employer, shall be considered a violation of section 268.182, paragraph (b).

In an application, the applicant shall provide all information necessary to determine the applicant's eligibility for unemployment benefits under section 268.085. If the applicant fails or refuses to provide information necessary to determine the applicant's eligibility for benefits under section 268.085, the applicant shall be ineligible for benefits under section 268.085, subdivision 2, until the applicant provides this required information.

(b) Upon establishment of a benefit account, the commissioner shall notify, by mail or electronic transmission, all employers the applicant was required to report on the application and all base period employers and determined successors to those employers under section 268.051, subdivision 4 in order to provide the employer an opportunity to raise, in a manner prescribed by the commissioner, any issue of disqualification or any issue of eligibility. An employer shall be informed of the effect that failure to raise an issue of disqualification within ten calendar days after sending of the notice, as provided for under subdivision 2, paragraph (b), may have on the employer under section 268.047.

(c) Each applicant shall report any employment, loss of employment, and offers of employment received, during those weeks the applicant filed continued requests for unemployment benefits pursuant to section 268.086. Each applicant who stops filing continued requests during the benefit year and later begins filing continued requests during that same benefit year shall report the name of any employer the applicant worked for during the period between the filing of continued requests and the reason the applicant stopped working for the employer. The applicant shall report any offers of employment during the period between the filing of continued requests for unemployment benefits. Those employers from which the applicant has reported a loss of employment or an offer of employment pursuant to this paragraph shall be notified by mail or electronic transmission and provided an opportunity to raise, in a manner prescribed by the commissioner, any issue of disqualification or any issue of eligibility. An employer shall be informed of the effect that failure to raise an issue may have on the employer under section 268.047.

(d) The purpose for requiring the applicant to report the name of employers and the reason for no longer working for those employers under paragraphs (a) and (c) is for the commissioner to obtain information from an applicant raising all issues that may have the potential of disqualifying the applicant from unemployment benefits under section 268.095. If the reason given by the applicant for no longer working for an employer is other than a layoff due to lack of work, that shall raise an issue of disqualification and the applicant shall be required, as part of the determination process under subdivision 2, paragraph (a), to state all the facts about the cause for no longer working for the employer, if known. If the applicant fails or refuses to provide this information, the applicant shall be ineligible for benefits under section 268.085, subdivision 2, until the applicant provides this required information.

Subd. 2. **Disqualification determination.** (a) The commissioner shall determine any issue of disqualification raised by information required from an applicant under subdivision 1, paragraph (a) or (c), and mail to the applicant and employer at the last known address a determination of disqualification or a determination of nondisqualification, as is appropriate. The determination shall state the effect on the employer

under section 268.047. A determination shall be made pursuant to this paragraph even if a notified employer has not raised the issue of disqualification.

(b) The commissioner shall determine any issue of disqualification raised by an employer and mail to the applicant and that employer at the last known address a determination of disqualification or a determination of nondisqualification as is appropriate. The determination shall state the effect on the employer under section 268.047.

If a base period employer:

(1) was not the applicant's most recent employer prior to the application for unemployment benefits;

(2) did not employ the applicant during the six calendar months prior to the application for unemployment benefits; and

(3) did not raise an issue of disqualification within ten calendar days of notification under subdivision 1, paragraph (b);

then any exception under section 268.047, subdivisions 2 and 3, shall begin the Sunday two weeks following the week that the issue of disqualification was raised by the employer.

(c) If any time within 24 months from the establishment of a benefit account the commissioner finds that an applicant failed to report any employment, loss of employment, or offers of employment that were required to be provided by the applicant under this section, the commissioner shall determine any issue of disqualification on that loss of employment or offer of employment and mail to the applicant and involved employer at the last known address a determination of disqualification or a determination of nondisqualification, as is appropriate. The determination shall state the effect on the employer under section 268.047.

This paragraph shall not prevent the imposition of any penalty under section 268.18, subdivision 2, or 268.182.

(d) An issue of disqualification shall be determined based upon that information required of an applicant, any information that may be obtained from an applicant or employer, and information from any other source, without regard to any common law burden of proof.

(e) A determination of disqualification or a determination of nondisqualification shall be final unless an appeal is filed by the applicant or notified employer within 30 calendar days after mailing. The determination shall contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(f) An issue of disqualification for purposes of this section shall include any reason for no longer working for an employer other than a layoff due to lack of work, any question of a disqualification from unemployment benefits under section 268.095, any question of an exception to disqualification under section 268.095, any question of effect on an employer under section 268.047, and any question of an otherwise imposed disqualification that an applicant has satisfied under section 268.095, subdivision 10.

(g) Regardless of the requirements of this subdivision, the commissioner is not required to mail to an applicant a determination where the applicant has satisfied any otherwise potential disqualification under section 268.095, subdivision 10.

Subd. 3. Eligibility determination. (a) The commissioner shall determine any issue of eligibility raised by an employer, whether timely or untimely, and mail to the applicant and that employer at the last known address a determination of eligibility or a determination of ineligibility, as is appropriate.

(b) The commissioner shall determine any issue of eligibility raised by information obtained from an applicant and mail to the applicant at the last known address a determination of eligibility or a determination of ineligibility, as is appropriate. A determination shall be made pursuant to this paragraph even if a notified employer has not raised the issue of eligibility.

(c) If any time within 24 months from the establishment of a benefit account the commissioner finds the applicant failed to provide, on an application for unemployment benefits or on a continued request for unemployment benefits, requested information on an issue of eligibility, the commissioner shall determine the issue of eligibility and mail to the applicant at the last known address a determination of eligibility or a determination of ineligibility, as is appropriate.

This paragraph shall not prevent the imposition of a penalty under section 268.18, subdivision 2, or 268.182.

(d) A determination of eligibility or determination of ineligibility shall be final unless an appeal is filed by the applicant or notified employer within 30 calendar days after mailing. The determination shall contain a prominent statement indicating the consequences of not appealing. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(e) An issue of eligibility for purposes of this section shall include any question regarding the denial or allowing of unemployment benefits under sections 268.085, 268.086, 268.115, 268.125, 268.135, and 268.155.

(f) Only if an employer raised the issue of eligibility shall the employer be: (1) mailed the determination of eligibility or a determination of ineligibility, or (2) considered an involved employer for purposes of an appeal under section 268.105.

Subd. 3a. **Direct hearing.** Regardless of any provision of the Minnesota Unemployment Insurance Program Law, the commissioner or an unemployment law judge may refer any issue of disqualification, any issue of eligibility, or any other issue under sections 268.035 to 268.23, directly for hearing in accordance with section 268.105, subdivision 1. The status of the issue shall be the same as if a determination had been made and an appeal filed.

Subd. 4. **Amended determination.** Unless an appeal has been filed, the commissioner, on the commissioner's own motion, may reconsider a determination of disqualification or nondisqualification or a determination of eligibility or ineligibility that has not become final and issue an amended determination. Any amended determination shall be mailed to the applicant and any involved employer at the last known address. Any amended determination shall be final unless an appeal is filed by the applicant or notified employer within 30 calendar days after mailing. Proceedings on the appeal shall be conducted in accordance with section 268.105.

Subd. 5. **Unemployment benefit payment.** If a determination or amended determination allows unemployment benefits to an applicant, the unemployment benefits shall be paid regardless of any appeal period or any appeal having been filed.

Subd. 6. **Overpayment.** A determination or amended determination that holds an applicant disqualified or ineligible for unemployment benefits for periods an applicant has been paid benefits is considered an overpayment of those unemployment benefits under section 268.18, subdivision 1.

268.103 APPEALS BY TELEPHONE; ELECTRONIC TRANSMISSION.

Subdivision 1. **In commissioner's discretion.** (a) Unless the statutory provision providing for an appeal requires that the appeal be in writing, the commissioner shall have the discretion to allow an appeal to be made by telephone or by electronic transmission. If the commissioner allows an appeal to be made by telephone or by electronic transmission, that shall be clearly set out on the determination or decision subject to appeal.

(b) The commissioner may restrict the conditions under which an appeal by telephone or electronic transmission may be made. Any restrictions as to days, hours, telephone number, electronic transmission address, or other conditions, shall be clearly set out on the determination or decision subject to appeal.

(c) All information requested by the commissioner when an appeal is made by telephone or by electronic transmission must be supplied or the communication will not constitute an appeal.

Subd. 2. **Appeal in writing.** An appeal may be made in writing even if an appeal by telephone or by electronic transmission is allowed.

Subd. 3. **Exclusive means of appeal:** A written appeal, or if allowed an appeal by telephone or electronic transmission, shall be the only manner of appeal.

Subd. 4. **Protests by telephone and electronic transmission.** This section shall apply to the filing of protests to those determinations and notices that require a protest and affirmation procedure prior to an appeal.

268.105 HEARINGS; APPEALS.

Subdivision 1. **Hearing.** (a) Upon appeal the department shall set a time and place for a de novo evidentiary hearing and mail notice to any involved applicant and any involved employer not less than ten calendar days prior to the date of the hearing.

(b) The evidentiary hearing shall be conducted by an unemployment law judge without regard to any common law burden of proof as an evidence gathering inquiry and not an adversarial proceeding. The commissioner shall adopt rules on evidentiary hearings. The rules need not conform to common law or statutory rules of evidence and other technical rules of procedure. A report of any employee of the department, except a determination, made in the regular course of the employee's duties, shall be competent evidence of the facts contained in it.

(c) After the conclusion of the hearing, upon the evidence obtained, the unemployment law judge shall make written findings of fact and decision and mail those to all involved parties. The unemployment law judge's decision is the final department decision unless a further appeal is filed pursuant to subdivision 2.

(d) The commissioner shall designate classified employees of the department as unemployment law judges to conduct evidentiary hearings on appeals. The commissioner or authorized representative may personally hear or transfer to another unemployment law judge any proceedings pending before an unemployment law judge. Any proceedings removed to the commissioner or authorized representative shall be heard in accordance with this subdivision.

Subd. 2. **Commissioner review.** (a) Within 30 calendar days after mailing of the unemployment law judge's decision, any involved applicant or involved employer may appeal and obtain a de novo review by the commissioner or an authorized representative. The commissioner within the same period of time may on the commissioner's own motion order a de novo review.

(b) The authorized representative of the commissioner shall be an attorney who is a classified employee of the department. The authority to act on behalf of the commissioner under this section shall be by specific written delegation filed with the secretary of state.

(c) Upon de novo review, the commissioner shall, on the basis of that evidence submitted at the hearing under subdivision 1, make findings of fact and decision, or remand the matter back to an unemployment law judge for the taking of additional evidence and the making of new findings and decision based on all the evidence. The commissioner shall, independent of the findings of fact and decision of the unemployment law judge, examine the evidence and make those findings of fact as the evidence, in the judgment of the commissioner require, and make that decision as the facts found by the commissioner require.

(d) The commissioner may conduct a de novo review without argument by any involved party, or the commissioner may allow written argument. The commissioner shall not, except for purposes of deciding whether to remand a matter to an unemployment law judge for a further evidentiary hearing, consider any evidence that was not submitted at the hearing before the unemployment law judge.

(e) The commissioner shall mail to any involved party the commissioner's findings of fact and decision. The decision of the commissioner is the final department decision. Unless judicial review is sought under subdivision 7, the decision of the commissioner shall become final 30 calendar days after mailing.

Subd. 3. Withdrawal of appeal. (a) Any appeal that is pending a decision before an unemployment law judge or the commissioner may be withdrawn by the appealing person, or an authorized representative of that person, upon filing of a notice of withdrawal.

(b) The appeal shall, by written order, be dismissed if a notice of withdrawal is filed, unless the commissioner, by written order, directs that further adjudication is required for a proper result.

(c) A notice of withdrawal may be filed by mail, by telephone, or if the commissioner allows, by electronic transmission.

Subd. 3a. Decisions. (a) If an unemployment law judge's decision or the commissioner's decision allows unemployment benefits to an applicant, the unemployment benefits shall be paid regardless of any appeal period or any appeal having been filed.

(b) If an unemployment law judge's decision modifies or reverses a determination allowing unemployment benefits to an applicant, any benefits paid pursuant to the determination is considered an overpayment of those unemployment benefits under section 268.18, subdivision 1.

(c) If a commissioner's decision modifies or reverses an unemployment law judge's decision allowing unemployment benefits to an applicant, any unemployment benefits paid pursuant to the unemployment law judge's decision is considered an overpayment of those unemployment benefits under section 268.18, subdivision 1.

(d) If the commissioner affirms an unemployment law judge's decision on an issue of disqualification that allows unemployment benefits to an applicant, the commissioner's decision, if finally reversed by the Minnesota Court of Appeals or the Supreme Court of Minnesota, shall not result in a disqualification of the applicant from unemployment benefits under section 268.095.

(e) If the commissioner, pursuant to subdivision 2, remands a matter to an unemployment law judge for the taking of additional evidence, the prior unemployment law judge's decision shall continue to be enforced until new findings of fact and decision are made by an unemployment law judge.

Subd. 4. Testimonial powers. The unemployment law judge, the commissioner, or authorized representative, may administer oaths and affirmations, take depositions, and issue subpoenas to compel the attendance of witnesses and the production of documents and other personal property considered necessary as evidence in connection with the subject matter of an evidentiary hearing. The subpoenas shall be enforceable through the district court in the district that the subpoena is issued. Witnesses subpoenaed, other than an involved applicant or involved employer or officers and employees of an involved employer, shall be paid by the commissioner the same witness fees as in a civil action in district court.

Subd. 5. Use of information. (a) All testimony at any evidentiary hearing conducted pursuant to subdivision 1 shall be recorded. A copy of any recorded testimony and exhibits received into evidence at the hearing shall, upon request, or upon directive of the commissioner, be furnished to a party at no cost during the time period for filing an appeal to the commissioner or while such an appeal is pending. If requested, the commissioner shall make available a device for listening to the recording if an appeal is pending before the commissioner under subdivision 2.

(b) Regardless of any provision of law to the contrary, if recorded testimony and exhibits received into evidence at the evidentiary hearing are not requested during the time period for filing an appeal to the commissioner, or while such an appeal is pending, that testimony and other evidence shall later be made available to an involved party only pursuant to a court order. A subpoena shall not be considered a court order.

(c) Testimony obtained under subdivision 1, may not be used or considered for any purpose, including impeachment, in any civil, administrative, or contractual proceeding, except by a local, state, or federal human rights agency with enforcement powers, unless the proceeding is initiated by the department.

(d) No findings of fact or decision issued by an unemployment law judge or the commissioner may be held conclusive or binding or used as evidence in any separate or subsequent action in any other forum, except proceedings provided for under this chapter, regardless of whether the action involves the same or related parties, or involves the same facts.

Subd. 6. Representation; fees. (a) In any proceeding under subdivision 1 or 2, an applicant or involved employer may be represented by any agent.

(b) Except for services provided by an attorney-at-law, an applicant shall not be charged fees, costs, or disbursements of any kind in a proceeding before an unemployment law judge, the commissioner, the Minnesota court of appeals, or supreme court of Minnesota.

Subd. 7. Judicial review. (a) The Minnesota court of appeals shall, by writ of certiorari to the commissioner, review the decision of the commissioner provided a petition for the writ is filed with the court and a copy is served upon the commissioner and any other involved party within 30 calendar days of the mailing of the commissioner's decision.

(b) Any employer petitioning for a writ of certiorari shall pay to the court the required filing fee and upon the service of the writ shall furnish a cost bond to the commissioner in accordance with the rules of civil appellate procedure. If the employer requests a written transcript of the testimony received at the evidentiary hearing conducted pursuant to subdivision 1, the employer shall pay to the commissioner the cost of preparing the transcript.

(c) Upon issuance by the Minnesota court of appeals of a writ of certiorari as a result of an applicant's petition, the commissioner shall furnish to the applicant at no cost a written transcript of the testimony received at the evidentiary hearing conducted pursuant to subdivision 1, and, if requested, a copy of all exhibits entered into evidence. No filing fee or cost bond shall be required of an applicant petitioning the Minnesota court of appeals for a writ of certiorari.

(d) The commissioner shall be considered the primary responding party to any judicial action involving the commissioner's decision. The commissioner may be represented by an attorney who is a classified employee of the department designated by the commissioner for that purpose.

268.115 MS 1974 [Expired]

268.115 EXTENDED UNEMPLOYMENT BENEFITS.

Subdivision 1. Definitions. The terms used in this section shall have the following meaning:

(1) "Extended unemployment benefit period" means a period that lasts for a minimum of 13 weeks and that:

- (i) Begins with the third week after there is a state "on" indicator; and
- (ii) Ends with the third week after there is a state "off" indicator.

No extended unemployment benefit period may begin before the 14th week following the end of a prior extended unemployment benefit period.

(2) There is a "state 'on' indicator" for a week if:

- (i) for that week and the prior 12 weeks, the rate of insured unemployment:

(a) equaled or exceeded 120 percent of the average of the rates for the corresponding 13-week period ending in each of the prior two calendar years, and was five percent or more; or

(b) equaled or exceeded six percent; or

(ii) The United States Secretary of Labor determines that the average rate of seasonally adjusted total unemployment in Minnesota for the most recent three months for which data is published equals or exceeds 6.5 percent and this rate equals or exceeds 110 percent of the rate of the corresponding three-month period in either of the prior two calendar years.

(3) There is a "state 'off' indicator" for a week if:

(i) under clause (2)(i), for that week and the prior 12 weeks, the requirements for a "state 'on' indicator" are not satisfied; or

(ii) under clause (2)(ii) the requirements for a "state 'on' indicator" are not satisfied.

(4) "Rate of insured unemployment," means the percentage derived by dividing the average weekly number of applicants filing continued requests for regular unemployment benefits in the most recent 13-week period by the average monthly covered employment for the first four of the last six completed calendar quarters before the end of that 13-week period.

(5) "Regular unemployment benefits" means unemployment benefits available to an applicant other than extended unemployment benefits and additional unemployment benefits.

(6) "Eligibility period" for an applicant means the period consisting of the weeks remaining in the applicant's benefit year within the extended unemployment benefit period and, if the benefit year ends within the extended unemployment benefit period, any weeks in the extended unemployment benefit period.

(7) "Exhaustee" means an applicant who, in the eligibility period:

(a) the benefit year having not expired has received the maximum amount of regular unemployment benefits that were available under section 268.07;

(b) the benefit year having expired, has insufficient wage credits to establish a new benefit account; and

(c) has no right to any type of unemployment benefits under the law of any other state or under federal laws and is not receiving unemployment benefits under the law of Canada.

Subd. 2. [Repealed by amendment, 1999 c 107 s 48]

Subd. 3. **Requirements for extended unemployment benefits.** If an extended unemployment benefit period is in effect, an applicant shall be paid extended unemployment benefits from the fund for any week in the applicant's eligibility period if the applicant:

(1) is an "exhaustee";

(2) has satisfied the same requirements as those for regular unemployment benefits under section 268.069;

(3) has wage credits of not less than 40 times the weekly unemployment benefit amount; and

(4) is not subject to a denial of extended unemployment benefits under subdivision 9.

Subd. 4. **Weekly extended unemployment benefit amount.** The weekly extended unemployment benefit amount shall be the same as the weekly unemployment benefit amount of regular unemployment benefits.

Subd. 5. **Maximum amount of extended unemployment benefits.** The maximum amount of extended unemployment benefits available to an applicant shall be 50 percent of the maximum amount of regular unemployment benefits available in the benefit year. If the total rate of unemployment computed under subdivision 1, clause (2)(ii), equaled or exceeded eight percent, the maximum amount of extended unem-

ployment benefits available shall be 80 percent of the maximum amount of regular unemployment benefits available in the benefit year.

Subd. 6. **Public announcement.** Whenever an extended unemployment benefit period is to begin as a result of a state "on" indicator, or an extended unemployment benefit period is to end as a result of a state "off" indicator the commissioner shall make an appropriate public announcement.

Subd. 7. **Federal law.** This section is enacted to conform to the requirements of United States Code, title 26, section 3304, the Federal-State Extended Unemployment Compensation Act of 1970 as amended and the applicable federal regulations.

Subd. 8. **Interstate applicants.** An applicant residing in a state other than Minnesota shall be eligible for only the first two weeks of extended unemployment benefits if the applicant's benefit account was established pursuant to the interstate benefit payment plan and no extended unemployment benefit period is in effect for the week in that state.

Subd. 9. **Denial provisions.** (a) An applicant shall be denied extended unemployment benefits for any week in the applicant's eligibility period if during that week the applicant failed to accept any offer of suitable employment, failed to apply for any suitable employment that the applicant was referred to by the commissioner, or failed to actively seek suitable employment.

The denial shall continue until the applicant has been employed in covered employment in each of four subsequent weeks, whether or not consecutive, and had earnings from that covered employment of not less than four times the applicant's weekly unemployment benefit amount.

(b) For the purpose of this subdivision "suitable employment" means any employment that is within the applicant's capabilities and that has a gross average weekly wage that exceeds the applicant's weekly unemployment benefit amount. The employment must pay wages not less than the higher of the federal minimum wage without regard to any exemption, or the applicable state minimum wage.

(c) No applicant shall be denied extended unemployment benefits for failure to accept an offer of or apply for any suitable employment if:

- (1) the position was not offered to the applicant in writing;
- (2) the position was not listed with the job service; or
- (3) the applicant furnishes satisfactory evidence that prospects for obtaining employment in the applicant's customary occupation within a reasonably short period are good. If the evidence is satisfactory, the determination of whether any employment is suitable shall be made in accordance with the definition of suitable employment in section 268.035, subdivision 23a.

(d) For the purpose of this subdivision an applicant is "actively seeking suitable employment" only if the applicant has engaged in a systematic and sustained effort to obtain employment, and the applicant furnishes tangible evidence of that effort.

Subd. 10. **Job service referral.** The job service shall refer any applicant who is filing continued requests for extended unemployment benefits to any employment that is suitable under subdivision 9.

Subd. 2. **Payment of unemployment benefits.** Additional unemployment benefits are payable from the fund.

Subd. 3. **Eligibility conditions.** An applicant is eligible to receive additional unemployment benefits for any week during the applicant's benefit year if:

(1) the applicant was laid off from employment as a result of a reduction under subdivision 1 or was laid off due to lack of work from that employer during the three-month period before, or the three-month period after, the month of the reduction under subdivision 1;

(2) the applicant meets the eligibility requirements under section 268.085;

(3) the applicant is not subject to a disqualification under section 268.095; for the purpose of this subdivision, the disqualifying conditions in section 268.095, and the requalifying requirements, apply to the receipt of additional unemployment benefits;

(4) the applicant has exhausted regular unemployment benefits under section 268.07, is not entitled to receive extended unemployment benefits under section 268.115, and is not entitled to receive unemployment benefits under any other state or federal law for that week;

(5) a majority of the applicant's wage credits were from the employer that had a reduction in operations under subdivision 1.

268.131 RECIPROCAL UNEMPLOYMENT BENEFIT ARRANGEMENTS.

Subdivision 1. **Cooperation with other state and federal government.** (a) The commissioner shall participate in reciprocal arrangements with other states and the federal government, or both, for the payment of unemployment benefits on the basis of combining an applicant's wages and employment covered under this law with wages and employment covered under the unemployment insurance programs of other states or the federal government that include provisions for applying the base period of a single state law to an account involving the combining of an applicant's wages and employment and avoiding the duplicate use of wages by reason of such combining. No reciprocal arrangement shall be entered into unless it contains provisions for reimbursements to the fund, by the other state or the federal government, for unemployment benefits paid from the fund to applicants based upon wages and employment covered under the laws of the other state or the federal government.

(b) On any reciprocal arrangement, the wages paid an applicant from employment covered under an unemployment insurance program of another state or of the federal government, shall be considered wages from covered employment for the purpose of determining the applicant's rights to unemployment benefits under the Minnesota Unemployment Insurance Program Law.

Subd. 2. **Cooperation with foreign governments.** The commissioner is authorized to enter into or cooperate in arrangements whereby facilities and services provided under the Minnesota Unemployment Insurance Program Law and facilities and services provided under the unemployment insurance program of any foreign government, may be used for the taking of applications for unemployment benefits and continued requests and the payment of unemployment benefits under this law or under a similar law of a foreign government.

268.135 SHARED WORK PLAN.

Subdivision 1. **Definitions.** For purposes of this section:

(1) "Affected employee" means an employee who was continuously employed as a member of the affected group, for at least six months, on a full-time basis, prior to submission of the shared work plan.

(2) "Affected group" means five or more employees designated by the employer to participate in a shared work plan.

(3) "Shared work plan" or "plan" means an employer's written plan under which a group of employees whose normal weekly hours of work are reduced, in order to prevent employees from being laid off due to lack of work.

(4) "Normal weekly hours of work" means the number of hours in a week that the employee normally would work for the shared work employer or 40 hours, whichever is less.

Subd. 2. **Participation.** (a) An employer wishing to participate in the shared work benefit program shall submit a written shared work plan to the commissioner for approval. The commissioner may approve a shared work plan only if it:

- (1) specifies the employees in the affected group;
- (2) applies to only one affected group;
- (3) includes a certified statement by the employer that each employee specified in the affected group is an affected employee;
- (4) includes a certified statement by the employer that for the duration of the plan the reduction in normal weekly hours of work of the employees in the affected group is instead of layoffs that otherwise would result in at least as large a reduction in the total normal weekly hours of work;

(5) specifies an expiration date that is no more than one year from the date the employer submits the plan for approval;

(6) specifies that fringe benefits, such as health and retirement, available to the employees in the affected group are not reduced beyond the percentage of reduction in hours of work; and

(7) is approved in writing by the collective bargaining agent for each collective bargaining agreement that covers any employee in the affected group.

(b) The commissioner shall set the beginning and ending dates of an approved shared work plan.

(c) The commissioner shall mail to the employer a written determination approving or disapproving the plan within 15 calendar days of its receipt. Determinations are final.

(d) Disapproval of a plan may be reconsidered at the discretion of the commissioner. Approval of a shared work plan may be revoked if the approval was based, in whole or in part, upon information that was false or misleading.

Subd. 3. **Eligibility.** (a) Regardless of any other provision, an applicant is eligible to receive shared work benefits with respect to any week if:

(1) during the week the applicant is employed as a member of an affected group in a plan that was approved prior to the week and is in effect for the week; and

(2) during the week the normal weekly hours of work were reduced, in accordance with the plan, at least 20 percent but not more than 40 percent, with a corresponding reduction in wages.

(b) Shared work benefits shall not be paid to an applicant beyond one benefit year.

(c) The total amount of regular unemployment benefits and shared work benefits paid to an applicant in a benefit year shall not exceed the maximum amount of regular unemployment benefits available.

(d) An otherwise eligible applicant shall not be denied shared work benefits because of the application of any provision relating to availability for employment, active search for employment, or refusal to apply for or accept suitable employment from other than the applicant's shared work employer.

Subd. 4. **Weekly benefit amount.** (a) An applicant who is eligible for shared work benefits shall be paid an amount equal to the regular weekly unemployment benefit amount multiplied by the nearest full percentage of reduction of the applicant's regular weekly hours of work as set in the plan. The benefit payment, if not a whole dollar shall be rounded to the next lower dollar.

(b) The deductible earnings provisions of section 268.085, subdivision 5, shall not apply to earnings from the shared work employer of an applicant eligible for shared work benefits unless the resulting amount would be less than the regular weekly unemployment benefit amount the applicant would otherwise be eligible for without regard to shared work benefits.

(c) An applicant shall not be eligible for shared work benefits for any week that employment is performed for the shared work employer in excess of the reduced hours set forth in the plan.

- (1) unemployment benefits are subject to federal and state income tax;
- (2) there are requirements for filing estimated tax payments;
- (3) the applicant may elect to have federal income tax withheld from unemployment benefits;
- (4) if the applicant elects to have federal income tax withheld, the applicant may, in addition, elect to have Minnesota state income tax withheld; and
- (5) at any time during the benefit year the applicant may change a prior election.

(b) If an applicant elects to have federal income tax withheld, the commissioner shall deduct ten percent for federal income tax, rounded to the nearest whole dollar. Any amounts deducted or offset pursuant to sections 268.155, 268.156, 268.18, and 268.184 have priority over any amounts deducted under this section. Federal income tax withholding has priority over state income tax withholding.

(c) An election to have income tax withheld shall not be retroactive and shall only apply to unemployment benefits paid after the election.

Subd. 2. **Transfer of funds.** The amount of any unemployment benefits deducted under this section shall remain in the fund until transferred to the federal Internal Revenue Service, or the department of revenue, as an income tax payment on behalf of the applicant.

Subd. 3. **Correction of errors.** Any error that resulted in underwithholding or overwithholding under this section shall not be corrected retroactively.

Subd. 4. **Federal requirement.** The commissioner shall follow all federal requirements for the deduction and withholding of income tax from unemployment benefits.

Subd. 5. **Effect of payments.** Any amount deducted under this section shall be considered as unemployment benefits paid to the applicant.

This shall not include any type of spousal maintenance or foster care payments; and

(2) "Child support agency" means the public agency responsible for child support enforcement.

Subd. 2. **Notice upon application.** In an application for unemployment benefits, the applicant shall disclose if child support obligations are owed and, if so, in what state and county. Subd. 3. **Withholding of unemployment benefits.** The commissioner shall deduct and withhold from any unemployment benefits payable to an applicant who owes child support obligations:

(1) the amount required pursuant to a proper order of a court or administrative agency; or

268.18 UNEMPLOYMENT BENEFIT OVERPAYMENTS.

Subdivision 1. **Overpayment due to error.** (a) Any applicant who (1) by reason of the applicant's own mistake, or (2) because of an error by any employee of the department, or (3) because of a determination, redetermination, or amended determination issued pursuant to section 268.07 or 268.101, or (4) because of an appeal decision under section 268.105, has received any unemployment benefits that the applicant was not entitled to, shall promptly repay the unemployment benefits to the fund. If the applicant fails to repay the unemployment benefits, the commissioner shall, as soon as the erroneous payment is discovered, determine the amount due and notify the applicant in writing to repay the unemployment benefits.

(b) Unless the applicant files an appeal within 30 calendar days after the mailing of the determination of overpayment to the applicant's last known address, the determination shall become final. Proceedings on the appeal shall be conducted in accordance with section 268.105. An applicant may not collaterally attack, by way of an appeal to an overpayment determination, any prior determination issued pursuant to section 268.07 or 268.101, or decision issued pursuant to section 268.105, that has become final.

(c) If the applicant fails to repay the unemployment benefits, the commissioner may offset from any future unemployment benefits otherwise payable the amount of the overpayment. Except when the overpayment resulted because the applicant failed to report deductible earnings or deductible payments, no single offset shall exceed 50 percent of the amount of the payment from which the offset is made. The overpayment may also be collected by the same methods as delinquent taxes. A determination of overpayment shall state the methods of collection the commissioner may use to recover the overpayment.

(d) If an applicant has been overpaid unemployment benefits under the law of another state because of an error and that state certifies that the applicant is liable under its law to repay the unemployment benefits and requests the commissioner to recover the overpayment, the commissioner may offset from future unemployment benefits otherwise payable the amount of overpayment, except that no single offset shall exceed 50 percent of the amount of the payment from which the offset is made.

(e) Unemployment benefits paid for weeks more than three years prior to the discovery of error are not overpaid unemployment benefits.

Subd. 2. **Overpayment due to fraud.** (a) Any applicant who receives unemployment benefits by intentionally misrepresenting, misstating, or failing to disclose any material fact has committed fraud. After the discovery of facts indicating fraud, the commissioner shall make a written determination that the applicant obtained unemployment benefits by fraud and that the applicant must promptly repay the unemployment benefits to the fund. In addition, the commissioner shall assess a penalty equal to 25 percent of the amount fraudulently obtained. If the applicant had a prior overpayment due to fraud, the commissioner shall, on the present overpayment, assess a penalty equal to 50 percent of the amount fraudulently obtained.

(b) Unless the applicant files an appeal within 30 calendar days after the mailing of the determination of overpayment by fraud to the applicant's last known address, the

determination shall become final. Proceedings on the appeal shall be conducted in accordance with section 268.105.

(c) If the applicant fails to repay the unemployment benefits, penalty, and interest assessed, the commissioner shall offset from future unemployment benefits otherwise payable the amount of overpayment. The total due may also be collected by the same methods as delinquent taxes. A determination of overpayment by fraud shall state the methods of collection the commissioner may use to recover the overpayment. Money received in repayment of fraudulently obtained unemployment benefits, penalties, and interest shall first be applied to the unemployment benefits overpaid, then to the penalty amount due, then to any interest due. Payments made toward penalty and interest shall be credited to the contingent account.

(d) If an applicant has been overpaid unemployment benefits under the law of another state because of fraud and that state certifies that the applicant is liable to repay the unemployment benefits and requests the commissioner to recover the overpayment, the commissioner may offset from future unemployment benefits otherwise payable the amount of overpayment.

(e) A determination of overpayment by fraud may be made at any time.

Subd. 2a. [Renumbered subd 3a]

Subd. 2b. **Interest.** (a) On any unemployment benefits fraudulently obtained, and any penalty amounts assessed under subdivision 2, the commissioner may assess interest at the rate of 1-1/2 percent per month on any amount that remains unpaid 30 calendar days after the date of the determination of overpayment by fraud. A determination of overpayment by fraud shall state that interest shall be assessed.

(b) If this subdivision became effective after the date of the determination, or the determination did not state that interest shall be assessed, interest shall be assessed beginning 30 calendar days after written notification to the applicant.

Subd. 3. [Renumbered 268.182]

Subd. 3a. **Offset of federal unemployment benefits.** The commissioner is authorized to enter into reciprocal agreements with the United States Secretary of Labor, whereby, overpayments of benefits as determined under federal law, may be recovered by offset from unemployment benefits otherwise payable and unemployment benefit overpayments under subdivisions 1 and 2 may be recovered by offset from benefits otherwise payable under a federal program.

Subd. 4. **Cancellation of overpayments.** (a) If unemployment benefits paid because of an error are not repaid or offset from subsequent unemployment benefits as provided for in subdivision 1 within six years after the date of the determination of overpayment, the commissioner shall cancel the overpayment balance, and no administrative or legal proceedings shall be used to enforce collection of those amounts.

(b) If unemployment benefits paid as a result of fraud including penalties and interest are not repaid or offset from subsequent unemployment benefits as provided for in subdivision 2 within ten years after the date of the determination of overpayment by fraud, the commissioner shall cancel the overpayment balance and any penalties and interest due, and no administrative or legal proceeding shall be used to enforce collection of those amounts.

(c) The commissioner may cancel at any time any overpayment, including penalties and interest, that the commissioner determines is uncollectible due to death or bankruptcy.

Subd. 4a. **Court fees.** (a) If the commissioner is required to pay any court fees in an attempt to enforce collection of overpaid unemployment benefits, penalties, or interest, the commissioner may add the amount of the court fees to the total amount due.

(b) If an applicant who has been determined overpaid unemployment benefits because of fraud seeks to have any portion of the debt discharged under the federal bankruptcy code, and the commissioner files an objection in bankruptcy court to the discharge, the commissioner may add the commissioner's cost of any court fees to the debt if the bankruptcy court does not discharge the debt.

Subd. 5. [Repealed, 1997 c 66 s 81]

Subd. 5. **Remedies.** (a) Any method undertaken to recover an overpayment of unemployment benefits, including any penalties and interest, shall not be considered an election of a method of recovery.

(b) Intervention or lack thereof, in whole or in part, in a workers' compensation matter under section 176.361 shall not be considered an election of a remedy and shall not prevent the commissioner from determining any unemployment benefits overpaid under subdivision 1 or 2 or taking action under section 268.182.

Subd. 6. [Renumbered 268.184]

Subd. 6. **Collection of overpayments.** (a) The commissioner may not compromise the amount that has been determined overpaid under this section including penalties and interest.

(b) The commissioner shall have discretion regarding the use of any method of recovery of any overpayment under subdivision 1. Regardless of any law to the contrary, the commissioner shall not be required to refer any amount determined overpaid under subdivision 1 to a public or private collection agency, including agencies of this state.

(c) Amounts determined overpaid under subdivision 1 shall not be considered a "debt" to the state of Minnesota for purposes of any reporting requirements to the commissioner of finance.

(d) A pending appeal under section 268.105 shall not toll the assessment of interest, penalties, or collection of an overpayment under this section.

All money that is deposited or paid into this account shall be continuously available to the commissioner for expenditure to administer the Minnesota unemployment insurance program and the job service, and shall not lapse at any time. The administration account shall consist of:

(1) all money received from the federal government to administer the Minnesota unemployment insurance program and the job service;

(2) any money received as compensation for services or facilities supplied to the federal government or any other state;

(3) any amounts received for losses sustained by this account or by reason of damage to equipment or supplies; and

(4) any proceeds from the sale or disposition of any equipment or supplies that may no longer be necessary for the proper administration of those sections.

(b) All money in this account shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as are provided by law for the other special accounts in the state treasury. The commissioner of finance, as treasurer and custodian of this account, shall be liable for the faithful performance of duties in connection with this account.

If the money is not replaced from the contingent account, it is the policy of this state that the money be replaced by money appropriated for that purpose from the general funds of this state. If not replaced from the contingent account, the commissioner shall, at the earliest opportunity, submit to the legislature a request for the appropriation of that amount.

(b) Whenever the commissioner spends money from the contingent account for the administration of the Minnesota unemployment insurance program and the job service for which money will later be made available by the federal government, the contingent account shall, when money is available, be reimbursed from the administration account. The commissioner shall certify to the commissioner of finance the amount of the reimbursement and the commissioner of finance shall transfer that amount from the administration account to the contingent account.

(c) All money in this account shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as is provided by law for the other special accounts in the state treasury. On June 30 of each year, all

State grant money awarded under this section may be used by grantee organizations for match requirements of a federal Youthbuild Project.

Subdivision 1. **Creation.** The commissioner of economic security shall establish a training program for structurally unemployed workers under which individuals may be enrolled in an on-the-job training program, and an additional 1,000 individuals may be enrolled in classroom training, in accordance with this section. Nothing in this section limits or adversely affects the approved training provisions applicable to an individual under section 268.085, subdivision 1, clause (3). An individual approved under this section is eligible for tuition aid under the provisions of chapter 136A.

Subd. 2. **Approval of training.** An individual's enrollment in a training course must be approved for the purposes of this subdivision if the commissioner finds that:

(1) the individual is not unemployed due to the seasonal nature of the work or a temporary work shortage;

(2) the individual's separation or notice of layoff from most recent employment was caused by job obsolescence, plant shutdown, regional decline in the individual's customary occupation, or industry slowdown, and the individual is unlikely to return to work for that employer or in that occupation within 12 months following separation from employment;

(3) reasonable and suitable work opportunities for which the individual is fitted by training, experience, and physical capabilities do not exist within the local labor market;

(4) the training course is designed to provide preparation for available employment within the local labor market or in an area to which the individual is willing to relocate;

(5) the training is conducted by an agency, educational institution, or employing unit that is approved by the commissioner of children, families, and learning or the board of trustees of the Minnesota state colleges and universities or higher education services office to conduct training programs; except that an agency, educational institution, or employing unit that is not subject to regulation and approval by one of the agencies in this clause may be approved by the commissioner if it is determined that the institution's curriculum, facilities, staff, and other essentials are adequate to achieve the training objective; and

(6) the training consists of a full course load, as defined by the training provider, necessary to achieve the approved training objective, and the individual is making satisfactory progress in the course. The department may require the training provider to periodically certify to the individual's attendance and progress.

Subd. 3. **On-the-job training.** An individual who meets the criteria in subdivision 2 is eligible for participation in a full-time on-the-job training program if:

(1) the on-the-job training position is in an occupation for which the commissioner has determined a demand exists or will exist; in making this determination, the commissioner shall consider labor market information as contained in state and national occupational outlook publications, as well as other generally accepted authoritative sources with verifiable validity;

(2) the employer pays an hourly wage during training of at least the state minimum wage;

(3) the employer guarantees to provide at least 12 consecutive months of employment to the trainee after the completion of training at the prevailing area labor market wage for a trained individual in that occupation;

(4) the employer will not terminate the trainee during the period of training or guaranteed employment except for misconduct or demonstrated substandard performance; and

(5) the employer will not terminate, lay off, or reduce the hours of any employee for the purpose of hiring an individual with money available, and will not hire an individual if another person is on layoff from the same or a substantially equivalent job.

Subd. 4. **Training allowance.** During participation in an approved on-the-job training program, the trainee shall maintain satisfactory progress and attendance. During the period of training specified in the agreement between the commissioner and the employer, individuals participating in an approved on-the-job training program must be paid a training allowance for each week claimed during the benefit year, until benefits are exhausted, equal to the weekly benefit amount calculated under section 268.07, subdivision 2, less the part of the earnings, including holiday pay, in excess of \$100. The training allowance is computed by rounding down to the nearest dollar amount. Notwithstanding any other provision, an individual participating in on-the-job training on a full-time basis is not employed for purposes of benefit eligibility.

Subd. 5. **Employer penalty.** An employer who enters into an on-the-job training agreement with the commissioner and who terminates the trainee in a manner other than provided in this subdivision shall repay 70 percent of the amount of unemployment benefits paid to the individual while in the training program with that employer if the termination occurs during the training period. If the termination occurs during the 12-month period of guaranteed employment, the employer receives a proportional reduction in the amount it must repay. Penalties assessed under this subdivision are in addition to any other penalties provided for by this chapter and are subject to the same collection procedures that apply to past due contributions under this chapter. Penalties under this subdivision shall be paid to the commissioner and credited to the job search and relocation fund. When it is determined to be in the best interest of the state, the commissioner may waive all or part of the employer penalty. The commissioner shall use any money collected under this paragraph for job search and relocation expenses of structurally unemployed workers participating in the training program.

Subdivision 1. **Designation of workforce service areas.** For the purpose of administering federal, state, and local employment and training services, the commissioner shall designate the geographic boundaries for workforce service areas in Minnesota.

The commissioner shall approve a request to be a workforce service area from:

- (1) a home rule charter or statutory city with a population of 200,000 or more or a county with a population of 200,000 or more; or
- (2) a consortium of contiguous home rule charter or statutory cities or counties with an aggregate population of 200,000 or more that serves a substantial part of one or more labor markets.

The commissioner may approve a request to be a workforce service area from a home rule charter or statutory city or a county or a consortium of contiguous home rule charter or statutory cities or counties, without regard to population, that serves a substantial portion of a labor market area.

The commissioner shall make a final designation of workforce service areas within the state after consulting with local elected officials and the governor's workforce development council. Existing service delivery areas designated under the federal Job Training Partnership Act shall be initially designated as workforce service areas providing that no other petitions are submitted by local elected officials.

The commissioner may redesignate workforce service areas no more frequently than every two years. These redesignations must be made not later than four months before the beginning of a program year.

Subd. 2. **Creation of local workforce councils.** A local workforce council must be established in each workforce service area, designated according to subdivision 1.

Subd. 3. **Membership on local workforce councils.** In workforce service areas representing only one home rule charter or statutory city or a county, the chief elected official must appoint members to the council. In workforce service areas representing two or more home rule charter or statutory cities or counties, the chief elected officials of the home rule charter or statutory cities or counties must appoint members to the council, in accordance with an agreement entered into by such units of general local government.

A council shall include as members:

(1) representatives of the private sector, who must constitute a majority of the membership of the council and who are owners of business concerns, chief executives or chief operating officers of nongovernmental employers, or other private sector executives who have substantial management or policy responsibility;

(2) at least two representatives of organized labor;

(3) representatives of the area workforce and community-based organizations, who shall constitute not less than 15 percent of the membership of the council; and

(4) representatives of each of the following:

(i) educational agencies that are representative of all educational agencies within the workforce service area;

(ii) vocational rehabilitation agencies;

(iii) public assistance agencies;

(iv) economic development agencies; and

(v) public employment service agencies.

The chair of each local workforce council shall be selected from among the members of the council who are representatives of the private sector.

Private sector representatives on the local workforce council shall be selected from among individuals nominated by general purpose business organizations, such as local chambers of commerce, in the workforce service area.

Education representatives on the local workforce council shall be selected from among individuals nominated by secondary and post-secondary educational institutions within the workforce service area.

Organized labor representatives on the local workforce council shall be selected from individuals recommended by recognized state and local labor federations, organizations, or councils. If the state or local labor federations, organizations, or councils fail to nominate a sufficient number of individuals to meet the labor representation requirements, individual workers may be included on the local workforce council to complete the labor representation.

The commissioner must certify a local workforce council if the commissioner determines that its composition and appointments are consistent with this subdivision.

Subd. 4. **Purpose; duties of local workforce council.** The local workforce council is responsible for providing policy guidance for, and exercising oversight with respect to, activities conducted by local workforce centers in partnership with the local unit or units of general local government within the workforce service area and with the commissioner.

A local workforce center is a location where federal, state, and local employment and training services are provided to job seekers and employers.

A local workforce council, in accordance with an agreement or agreements with the appropriate chief elected official or officials and the commissioner, shall:

(1) determine procedures for the development of the local workforce service area plan. The procedures may provide for the preparation of all or any part of the plan:

MINNESOTA STATUTES 2002

As of July 1, 1998, employment and training services may be delivered by certified employment and training service providers:

(b) The local service unit's employment and training service provider must meet the certification standards in this subdivision if the county requests that they be certified to deliver any of the following employment and training services and programs: wage subsidies; general assistance grant diversion; food stamp employment and training programs; community work experience programs; and MFIP employment services.

(c) The commissioner shall certify a local service unit's service provider to provide these employment and training services and programs if the commissioner determines that the provider has:

The plan must provide for the direct allocation of employment and training money to the city and the county unless waived by either. If the county and the city cannot concur on a plan, the commissioner shall resolve their dispute. In counties in which a federally recognized Indian tribe is operating an employment and training program under an agreement with the commissioner of human services, the plan must provide that the county will coordinate its employment and training programs, including developing a system for referrals, sanctions, and the provision of supporting services such as access to child care funds and transportation with programs operated by the Indian tribe. The plan may not be given final approval by the commissioner until the tribal unit and county have submitted written agreement on these provisions in the plan. If the county and Indian tribe cannot agree on these provisions, the local service unit shall notify the commissioner of economic security and the commissioners of economic security and human services shall resolve the dispute.

(c) The commissioner may withhold the distribution of employment and training money from a local service unit that does not submit a plan to the commissioner by the date set by this section, and shall withhold the distribution of employment and training money from a local service unit whose plan has been disapproved by the commissioner until an acceptable amended plan has been submitted.

(d) Beginning April 15, 1992, and by April 15 of each second year thereafter, local service units must prepare and submit to the commissioner an interim year plan update that deals with performance in that state fiscal year and changes anticipated for the second year of the biennium.
