352C.01 LEGISLATIVE FINDING AND INTENT.

The legislature finds that service to Minnesota in the capacity of a constitutional officer as defined in section 352C.021 constitutes a unique contribution to the state and that such service is dissimilar to any other public employment. The legislature further finds that service as a constitutional officer for a period of eight years or longer deprives the individual so serving of normal opportunities to establish retirement benefits in a usual vocational pursuit and justifies adoption of special retirement provisions. The provisions of this chapter are intended by the legislature to reflect the unique nature of service as a constitutional officer and to have due regard for the unusual disruption of normal retirement planning that such service entails.

352C.03 [Repealed, 1978 c 796 s 46]

352C.031 RETIREMENT ALLOWANCE.

Subdivision 1. **Unreduced retirement allowance.** Upon separation from service, a former constitutional officer who has attained the age of at least 62 years and who has at least eight years of allowable service is entitled upon making written application on forms supplied by the director to a normal retirement allowance.

Subd. 2. **Reduced retirement allowance.** Upon separation from service, a former constitutional officer who has attained the age of at least 60 years and who has at least eight years of allowable service is entitled upon making written application on forms supplied by the director to a retirement allowance in an amount equal to a normal retirement allowance reduced by one-half of one percent for each month that the former constitutional officer is under age 62.

Subd. 3. **Average salary.** Average salary for purposes of calculating the normal retirement allowance pursuant to subdivision 4 shall mean the average of the highest five successive years of salary upon which contributions have been made pursuant to section 352C.09.

Subd. 4. **Retirement allowance formula.** (a) This paragraph applies to constitutional officers who terminate that service before July 1, 1997. The average salary multiplied by 2-1/2 percent for each year of allowable service and pro rata for completed months less than a full year shall determine the amount of the normal retirement allowance.

(b) This paragraph applies to constitutional officers who terminate that service after June 30, 1997. The retirement allowance is an amount equal to the rate under paragraph (a) per year of service of the constitutional officer's average monthly salary adjusted for that person on an actuarial equivalent basis to reflect the change in the postretirement interest rate actuarial assumption under section 356.215, subdivision 8, from five percent to six percent. The adjustment must be calculated by or, alternatively, the adjustment procedure must be specified by the actuary retained by the legislative commission on pensions and retirement.

Subd. 5. **Benefit accrual and termination.** The benefit shall begin to accrue the first day of the month in which the application is received by the director but in no event earlier than the day following the termination of service or the attainment of the age required to receive such benefit, whichever is later. Thereafter, benefits shall be paid on the first day of each calendar month for that month. The benefit shall cease with the payment for the month in which the retired constitutional officer died.

Subd. 6. **Payment of retirement allowances.** Retirement allowances payable pursuant to this section shall be paid monthly by the executive director of the Minnesota state retirement system.

352C.033 DEFERRED ANNUITIES AUGMENTATION.

(a) The deferred retirement allowance for any former constitutional officer must be augmented as provided in this section. The required reserves applicable to the deferred retirement allowance, determined as of the date the retirement allowance begins to accrue using the appropriate mortality table and an interest assumption of six percent, shall be augmented from the first of the month following termination of service as a constitutional officer, or January 1, 1979, whichever is later, to the first day of the month in which the annuity begins to accrue, at the rate of five percent per annum compounded annually until January 1, 1981, and thereafter at the rate of three percent per annum compounded annually until January 1 of the year in which the former constitutional officer attains age 55. From that date to the effective date of retirement, the rate is five percent compounded annually.

(b) The retirement allowance of, or the survivor benefit payable on behalf of, a former constitutional officer who terminated service before July 1, 1997, which is not first payable until after June 30, 1997, must be increased on an actuarial equivalent basis to reflect the change in the postretirement interest rate actuarial assumption under section 356.215, subdivision 8, from five percent to six percent under a calculation procedure and tables adopted by the board as recommended by an approved actuary and approved by the actuary retained by the legislative commission on pensions and retirement.

352C.04 SPOUSE'S AND DEPENDENT CHILDREN'S SURVIVOR BENEFITS.

Subdivision 1. **Surviving spouse benefit.** Upon the death of a constitutional officer while actively serving in office, or a former constitutional officer with at least eight years of allowable service, the surviving spouse is entitled to a survivor benefit in the amount of one-half of the retirement allowance of the constitutional officer or the former constitutional officer computed as though the constitutional officer or the former constitutional officer were at least age 62 on the date of death and based upon the attained allowable service or eight years, whichever is greater. The augmentation provided in section 352C.033, if applicable, shall be applied to the month of death. Upon the death of a former constitutional officer receiving a retirement allowance, the surviving spouse shall be entitled to one-half of the amount of the retirement allowance being paid to the former constitutional officer as of the date of death. The benefit shall be paid to a surviving spouse eligible therefor during the remainder of the spouse's natural life.

Subd. 2. [Repealed, 1976 c 329 s 36]

Subd. 2a. **Surviving dependent child benefit.** Upon the death of a constitutional officer while serving in office, or a former constitutional officer with at least eight years of allowable service, each dependent child shall be paid a survivor benefit in the following amount: First dependent child, a monthly benefit which equals 25 percent of the monthly retirement allowance computed as though the constitutional officer or the former constitutional officer were at least age 62 on the date of death and based upon the attained allowable service or eight years, whichever is greater; for each additional dependent child or a monthly benefit which equals 12-1/2 percent of the monthly retirement allowance computed as in the case of the first child; but the total amount paid to the surviving spouse and dependent children shall not exceed in any one month 100 percent of the monthly allowance of the constitutional officer or the former constitutional officer computed as in the case of the first child. The augmentation

provided in subdivision 1, if applicable, shall be applied to the month of death. Upon the death of a former constitutional officer receiving a retirement allowance, the surviving dependent child shall be entitled to the applicable percentage of the amount of the retirement allowance being paid as of the date of death. The payments for dependent children shall be made to the surviving spouse or the guardian of the estate of the dependent child, if there is one. A posthumous child qualifies as a dependent child for benefits provided herein from the date of its birth.

Subd. 2b. [Repealed, 1976 c 329 s 36]

Subd. 3. **Payment interval.** Spouse's and dependent children's survivor benefits, payable under this section, shall be paid monthly by the executive director of the Minnesota state retirement system.

Subd. 4. **Application for survivor benefits.** A surviving spouse or a guardian of the estate of the dependent child or children entitled to the payment of benefits under this section shall file an application for the benefit with the director, and payment shall commence as of the first day of the month next following the filing of the application and shall be retroactive to the first of the month following the death of the constitutional officer or the former constitutional officer; provided, however, that no payment shall be retroactive for more than 12 months prior to the month in which the application is filed with the director. Such benefits shall be paid on the first day of each calendar month for that month. The surviving spouse benefit shall cease with the payment for the month in which the surviving spouse dies. The dependent child's benefit shall cease with the payment for the month in which the child no longer qualifies for payment as a dependent child.

352C.051 COVERAGE BY MORE THAN ONE RETIREMENT SYSTEM OR ASSOCIATION.

Subdivision 1. **Entitlement to annuity; legislative service.** Any constitutional officer who has been a member of the legislature with service credited pursuant to chapter 3A shall be entitled when qualified to a retirement allowance from the legislator's retirement plan and the elective state officers plan if the total allowable service for which the person has credit in the two plans totals eight or more years, provided that no portion of the allowable service upon which the retirement allowance from one plan is based, is again used in the computation for benefits from the other plan. The retirement allowance from each plan shall be determined by the appropriate provisions of the law governing each plan, except that the requirement that a person must have at least eight years of allowable service in the respective plan shall not apply for purposes of this section, provided that the aggregate service in the two plans equals eight or more years. The augmentation of deferred annuities provided in sections 3A.02, subdivision 4, and 352C.033, shall apply to the retirement allowances accruing hereunder.

Subd. 2. **Entitlement to annuity; public retirement service.** Any constitutional officer who has been an employee covered by the Minnesota state retirement system, or a member of the public employees retirement association including the public employees retirement association police and fire fund, or the teachers retirement association, or the Minneapolis employees retirement fund, or the state patrol retirement association, or any other public employee retirement system in the state of Minnesota having a like provision, but excluding all other funds providing retirement benefits for police and firefighters, shall be entitled when qualified to an annuity from each fund if the person's total allowable service credit in all funds or in any two of these funds totals eight or more years, provided no portion of the allowable service upon which the retirement annuity from one fund is based is again used in the computation for benefits from another fund. The annuity from each fund shall be

determined by the appropriate provisions of the law governing each fund, except that the requirement that a person must have at least eight years allowable service in the respective system or association shall not apply for the purposes of this section, provided that the aggregate service in two or more of these funds equals eight or more years. The augmentation of deferred annuities provided in section 352C.033 shall apply to the annuities accruing hereunder.

Subd. 3. **Refund repayment.** Any former constitutional officer who has received a refund as provided in section 352C.09, subdivision 2, who is a currently contributing member of a retirement fund specified or enumerated in subdivision 1 or 2, may repay the refund to the elective state officers retirement plan, with interest at an annual rate of 8.5 percent compounded annually.
