Subd. 2. **Emergency exception.** In the case of an emergency arising from breakage, damage or decay or when the public interest would suffer by delay, purchases may be made without compliance with section 471.345, by the board or administrator if authority has been delegated to make purchases under sections 383B.141 to 383B.151. If the administrator makes the purchase, the board shall present the matter for ratification and record it in the official proceedings of the board at its next meeting.

Subd. 3. **Bidding not required.** When, by reason of a copyright, patent or exclusive franchise, purchases can be made only at a standard, fixed or uniform price and no advantage can be secured by advertisement and competitive bidding because of the noncompetitive nature of the item to be purchased, section 471.345 shall not apply.

Subd. 4. **Certain services, exceptions.** Contracts for professional, noncompetitive, unique, or shared medically related services provided for in the Hennepin county hospital act, Laws 1963, chapter 738, shall not be governed by the provisions of section 471.345.

The set-aside amount may not exceed two percent of the amount appropriated by the board in the budget for the preceding fiscal year. Failure by the board to designate particular procurements for the set-aside program shall not prevent vendors from seeking the procurement award through the normal solicitation and bidding processes pursuant to the provisions of the Uniform Municipal Contracting Act, section 471.345.

The board may elect to use a negotiated price or bid contract procedure in the awarding of a procurement contract under the set-aside program. The amount of the award shall not exceed by more than five percent the estimated price for the goods or services, if they were to be purchased on the open market and not under the set-aside program. Before contracting with a business or service organization under the set-aside program, the board or authorized person shall conduct an investigation of the business or service organization with whom it seeks to contract and shall make findings, to be contained in the provisions of the contract, that:

(1) the vendor has in its employ at least 50 percent of its employees who would be eligible to receive some form of public assistance or other rehabilitative services in the absence of the award of a contract to the vendor;

(2) the vendor has elected to apply to the board for a contract under the set-aside provisions; and

(3) the vendor is able to perform the set-aside contract.

The board shall publicize the provisions of the set-aside program, attempt to locate vendors able to perform set-aside procurement contracts and otherwise encourage participation therein.

Subd. 6. **Notice of sales and purchases.** All purchases of, and contracts for, goods, materials, supplies, equipment and services and all sales of personal property which has become obsolete and unusable, where the amount of the expenditure or sale is estimated to be \$10,000 or more, shall be solicited by reasonable public notice under rules promulgated by the administrator with approval of the board. The administrator shall also solicit sealed bids by sending requests by mail to prospective vendors. Where by the provisions of sections 383B.141 to 383B.151, section 471.345 does not apply, the requirements of this subdivision shall not apply.

Subd. 7. **Sealed bids.** All bids estimated to cost \$10,000 or more shall be sealed, in writing, accompanied by the required deposit and shall remain sealed until opened as provided by this subdivision. The bids shall be publicly opened by the administrator at a time and manner specified in the published advertisements for bids, shall be read aloud and tabulated by the administrator, or a designee. The administrator shall sign the tabulation immediately upon the close of the bid opening and retain a signed copy for public inspection.

Subd. 8. **Bid acceptance.** The administrator shall award the contract to the lowest bid meeting specifications. On deeming that a bid other than the lowest bid is more advantageous to the county, the administrator shall recommend the award of the bid to the county board. The board may approve or disapprove the bid other than the lowest bid. On recommending a bid to the board other than the lowest bid, the administrator

shall state the reasons therefor and provide documentation as the board may require. The documentation shall be available for public inspection.

Subd. 9. **Property transfers.** The administrator shall have authority, upon approval by the county board, to transfer to or to accept personal property from any unit of government for no consideration or consideration as may be agreed upon without compliance with the uniform municipal contracting law or the advertising and bidding provisions in sections 383B.141 to 383B.151.

Subd. 10. **Collusive bids.** All bidders shall submit statements, on forms provided by the administrator, of noncollusion with all bids. Failure to provide the statement shall disqualify the bidder. If no order is made within six years, the proceeds of the sale shall become a part of the general revenue of the county.

(b) For the purposes of this section, health-related records or data on a decedent, except health data defined in section 13.3805, subdivision 1, whose death is being investigated under this section, whether the records or data are recorded or unrecorded, including but not limited to those concerning medical, surgical, psychiatric, psychological, chemical dependency, or any other consultation, diagnosis, or treatment, including medical imaging, shall be made promptly available to the medical examiner, upon the medical examiner's written request, by a person having custody of, possession of, access to, or knowledge of the records or data. In cases involving a stillborn infant or the death of a fetus or an infant less than one year of age, the records on the decedent's mother shall also be made promptly available to the medical examiner. The medical examiner shall pay the reasonable costs of copies of records or data provided to the medical examiner under this section. Data collected or created pursuant to this subdivision relating to any psychiatric, psychological, or mental health consultation with, diagnosis of, or treatment of the decedent whose death is being investigated shall remain confidential or protected nonpublic data, except that the medical examiner's report may contain a summary of such data.

(c) After investigating deaths of unautopsied persons who are to be cremated, the medical examiner shall give approval for cremation and shall record such approval by affixing the examiner's signature on the reverse side of the deceased person's death record.

(d) The medical examiner has the power to subpoena any and all documents, records, and papers deemed useful in the investigation of a death.

Subd. 7. Autopsies. If the county medical examiner deems it advisable and in the public interest that an autopsy be performed upon a body coming under the jurisdiction and control of the examiner, or if an autopsy is ordered by a district court judge, an autopsy shall be performed without unnecessary delay. A report of the facts developed by the autopsy and findings of the person performing the autopsy shall be promptly made and filed in the office of the county medical examiner. When further investigation is deemed advisable, a copy of the report shall be delivered to the county attorney, and to any other official at whose request the autopsy was performed. Every autopsy performed pursuant to this subdivision shall, whenever practical, be performed in the county morgue. Nothing herein shall require the examiner to perform an autopsy upon the body of a deceased person if the deceased person died of known or ascertainable causes or had been under the care of a licensed physician immediately prior to death if the examiner determines the autopsy to be unnecessary. Autopsies performed pursuant to this subdivision may include the removal, retention, testing, and use of organs and parts of organs and tissues, at the discretion of the medical examiner, when removal, retention, testing, or use are useful in determining or confirming the cause of death. When removal, retention, and use of organs and parts of organs and tissues are deemed beneficial, and is done only for the advancement of medical knowledge and progress, written consent or documented oral consent shall be obtained from the heirs, if any, of the deceased person prior to the removal, retention, and use.

The medical examiner may facilitate donation of organs and tissues in compliance with the Uniform Anatomical Gift Act, sections 525.91 to 525.924.

The application shall set forth the names and addresses of those of the next of kin of the deceased person who are known to the examiner. Notice of an application shall be given by personal service, not less than three days prior to the date of hearing on it, upon those of the next of kin of the deceased person who reside in the county. If none of the next

of kin of the deceased person can be found in the county, then notice shall be given to the next of kin who reside outside the county in the manner and at the time the court shall direct, unless, upon a proper showing, the court determines that an immediate postmortem examination is necessary. If the next of kin are unknown, the court shall issue its order, upon a proper showing, without notice to any adverse party. When a dead body is disinterred by an order of court to ascertain facts relating to the cause of death, the examiner, having information which indicates that death may have resulted from a criminal act, shall perform a postmortem examination, or autopsy, and shall perform the other duties as required.

Subd. 9. Request for examinations. The county medical examiner may, when requested, make physical examinations and tests incident to any matter of a criminal nature under consideration by the district court or the county attorney or criminal defense counsel and shall deliver a copy of a report of them to the court or attorney making the request. When a copy of the report is delivered to criminal defense counsel, the county attorney shall receive a copy of the same report. If the requesting attorney is not a public defender or prosecutor, the medical examiner may make a reasonable charge for the examination or tests.

Subd. 10. Records and reports. The county medical examiner's office shall keep full and complete records, properly indexed giving the name, if known, of every person or body of a deceased person who is the subject of investigation by the office, the place where the body was found, date and cause of death, and all other available information relating to it. The final report of the investigating examiner, and the findings of the autopsy, if any, shall be attached to the record of each case. The examiner shall, upon request, deliver to the county attorney copies of records or other information in the examiner's office of any cases of a criminal nature. The records and reports, including those of autopsies performed under the provisions of sections 383B.211 to 383B.229, or transcriptions thereof, certified by the county medical examiner, shall be received as evidence in any court or grand jury proceeding in this state. The records and reports which shall be admissible as evidence under this subdivision shall not include statements made by witnesses or other persons unless otherwise admissible. Whenever requested by the Hennepin county attorney, the examiner and the examiner's personnel shall appear and testify before a Hennepin county grand jury or the fourth judicial district court, without fees or additional compensation.

Subd. 11. Disposition. After the investigation has been completed, including an autopsy if one is made, the dead body shall be released promptly to the person or persons entitled to bury the deceased person. If the deceased person is unknown, or if the body is unclaimed, the county medical examiner may deliver the body for purposes of anatomical study if the body is suitable. Otherwise, the county medical examiner shall provide for decent disposition of the remains.

Subd. 12. Preservation of identity. The county medical examiner may preserve and retain photographs, specimens, and other data for establishing or confirming the identification of bodies or for other forensic purposes under the jurisdiction of the office. No applicant or employee shall falsify an application or record for the purpose of improving prospects for employment. No person shall by means of threats or coercion induce or attempt to induce any person holding a position in the

Subd. 2. Section 43A.32, subdivision 1, applies to sections 383B.26 to 383B.42.

383B.38 REMOVALS, SUSPENSIONS, AND DEMOTIONS.

Subdivision 1. **Separation.** No permanent employee in the classified service shall be suspended, demoted, or discharged except for just cause.

In case of any action under this section, the employee shall, before the action is taken, be furnished with a written statement, setting forth the reasons for the disciplinary action. The employee shall be permitted five work days' time to reply in writing or to meet with the department head or designee. A copy of the statement charging the employee shall be filed with the director along with the employee's reply, if any.

Subd. 1a. **Appeal.** (a) Any permanent employee in the classified service who is discharged, demoted or suspended pursuant to rules promulgated hereunder, shall be notified by the effective date of the action of the right to appeal as provided for by the rules to the chief administrative law judge of the office of administrative hearings. Action of the department head shall be final if no written notice of appeal is filed with the chief administrative law judge of the office of administrative hearings and served upon the director and the department head within 14 calendar days after the effective date of the action.

(b) A permanent employee who elects to challenge a discharge, demotion, or suspension through a grievance procedure under a collective bargaining agreement under sections 179.35 to 179.39 or 179A.20 and 179A.21, may not also challenge the same action through an appeal to the chief administrative law judge of the office of administrative hearings. Except as provided by section 197.46, a permanent employee may challenge a discharge or demotion through either a grievance procedure under a collective bargaining agreement, or an appeal to the chief administrative law judge of the office of administrative hearings, but not through both procedures.

(c) Within ten days of receipt of the employee's written notice of appeal, the chief administrative law judge shall assign an administrative law judge to hear the appeal. The employee or department head or their attorney may, within ten days after receipt of the notice of assignment, make and serve on the other party and file with the office of administrative hearings a notice to remove as provided in Rule 63.03 of the Rules of Civil Procedure. Upon the filing of a notice to remove, the chief administrative law judge shall assign another administrative law judge to hear the appeal.

(d) The hearing shall be conducted under the contested case provisions of chapter 14 and the procedural rules adopted by the chief administrative law judge, except that Minnesota Rules, part 1400.6700, subparts 2 and 3, do not apply and discovery is limited to the exchange of relevant documentation, witness lists, and proposed exhibits.

(e) If the administrative law judge finds, based on the record, that the action appealed was not taken by the department head for just cause, the employee shall be reinstated to the position, or an equal position within the same department, without loss of pay. If the administrative law judge finds that just cause exists for the disciplinary action, it shall affirm or uphold the action of the department head, or, if the employee has asserted and the hearing record establishes extenuating circumstances, the administrative law judge may reinstate the employee, with full, partial, or no pay, or may modify the department head's action by substituting a lesser disciplinary action. The administrative law judge's order is the final decision. The administrative law judge's order may be appealed according to sections 14.63 to 14.68 by the employee, or by the department head upon approval of the county board. Settlement of the entire dispute by mutual agreement is encouraged at any stage of the proceedings. Any settlement agreement is final and binding when agreed to by all parties. If an appeal to the office of administrative hearings has been made, the settlement agree-

ment shall be submitted to the administrative law judge. Except as provided in collective bargaining agreements, the operating department shall bear the costs of the administrative law judge for hearings provided for in this section.
