103F.325 DESIGNATION PROCEDURE.

[For text of subd 1, see M.S.2002]

Subd. 2. **Review and hearing.** (a) The commissioner shall make the proposed management plan available to affected local governmental bodies, shoreland owners, conservation and outdoor recreation groups, the commissioner of employment and economic development, the commissioner of commerce, the governor, and the general public. The commissioners of employment and economic development, the State Energy Office in the Department of Commerce, and the governor shall review the proposed management plan in accordance with the criteria in section 86A.09, subdivision 3, and submit any written comments to the commissioner within 60 days after receipt of the proposed management plan.

(b) By 60 days after making the information available, the commissioner shall conduct a public hearing on the proposed management plan in the county seat of each county that contains a portion of the designated system area, in the manner provided in chapter 14.

Subd. 3. **Post hearing review.** Upon receipt of the administrative law judge's report, the commissioner shall immediately forward the proposed management plan and the administrative law judge's report to the commissioners of employment and economic development and of commerce for review under section 86A.09, subdivision 3, except that the review by the commissioners must be completed or be deemed completed within 30 days after receiving the administrative law judge's report, and the review by the governor must be completed or be deemed completed within 15 days after receipt.

103F.805 STATE AID FOR LAKE IMPROVEMENTS.

(a) The commissioner of natural resources, with the help of the Pollution Control Agency and the commissioner of employment and economic development, must:

(1) assess the need for particular kinds of lake improvements, including improvements related to high or low water levels and any other resource management considerations, except pollution problems; and

(2) develop criteria for allocating state aid funds among proposed projects.

(b) The assessment must include provisions to ensure that any federal program of aid to local lake improvement projects reduces the local share of project costs and not only the state's share.
