

## CHAPTER 135A

## PUBLIC POSTSECONDARY EDUCATION

135A.14 Statement of immunization of postsecondary students.

## 135A.14 STATEMENT OF IMMUNIZATION OF POSTSECONDARY STUDENTS.

Subdivision 1. **Definitions.** As used in this section, the following terms have the meanings given them.

(a) "Administrator" means the administrator of the institution or other person with general control and supervision of the institution.

(b) "Public or private postsecondary educational institution" or "institution" means any of the following institutions having an enrollment of more than 100 persons during any quarter, term, or semester during the preceding year: (1) the University of Minnesota; (2) the state universities; (3) the state community colleges; (4) public technical colleges; (5) private four-year, professional and graduate institutions; (6) private two-year colleges; and (7) schools subject to either chapter 141, sections 136A.61 to 136A.71, or schools exempt under section 136A.657, and which offer educational programs within the state for an academic year greater than six consecutive months. An institution's report to the Minnesota Higher Education Services Office or the Minnesota Department of Education may be considered when determining enrollment.

(c) "Student" means a person born after 1956 who did not graduate from a Minnesota high school in 1997 or later, and who is (1) registering for more than one class during a full academic term, such as a quarter or a semester or (2) housed on campus and is registering for one or more classes. Student does not include persons enrolled in extension classes only or correspondence classes only.

Subd. 6a. **Meningitis information.** Each public and private postsecondary institution shall provide information on the risks of meningococcal disease and on the availability and effectiveness of any vaccine to each individual who is a first-time enrollee and who resides in on-campus student housing. The institution may provide the information in an electronic format. The institution must consult with the Department of Health on the preparation of the informational materials provided under this subdivision.

Subd. 7. **Modifications to schedule.** (a) The commissioner of health may adopt modifications to the immunization requirements of this section. A proposed modification made under this subdivision must be part of the current immunization recommendations of each of the following organizations: the United States Public Health Service's Advisory Committee on Immunization Practices, the American Academy of Family Physicians, and the American Academy of Pediatrics. In proposing a modification to the immunization schedule, the commissioner must:

(1) consult with the commissioner of education; the commissioner of human services; the chancellor of the Minnesota State Colleges and Universities; and the president of the University of Minnesota; and

(2) consider the following criteria: the epidemiology of the disease, the morbidity and mortality rates for the disease, the safety and efficacy of the vaccine, the cost of a vaccination program, the cost of enforcing vaccination requirements, and a cost-benefit analysis of the vaccination.

(b) Before a proposed modification may be adopted, the commissioner must notify the chairs of the house and senate committees with jurisdiction over health policy issues. If the chairs of the relevant standing committees determine a public hearing regarding the proposed modifications is in order, the hearing must be scheduled within

60 days of receiving notice from the commissioner. If a hearing is scheduled, the commissioner may not adopt any proposed modifications until after the hearing is held.

(c) The commissioner shall comply with the requirements of chapter 14 regarding the adoption of any proposed modifications to the immunization schedule.

(d) In addition to the publication requirements of chapter 14, the commissioner of health must inform all immunization providers of any adopted modifications to the immunization schedule in a timely manner.
