**204D.10 PRIMARY RESULTS; NOMINEES.***[For text of subd 1, see M.S.2002]*

Subd. 2. **Party primary; ten percent requirement.** If at the state primary any individual seeking a major political party's nomination for an office receives a number of votes equal to ten percent of the average of the votes cast at the last state general election for state officers of that major political party within the district for which the office is voted, then all candidates of that major political party who receive the highest vote for an office are the nominees of that major political party.
