

CHAPTER 360

AIRPORTS AND AERONAUTICS

360.017 State airports fund.

360.0753 Testing procedures.

360.017 STATE AIRPORTS FUND.*[For text of subd 1, see M.S.2002]*

Subd. 2. **Investment.** Upon request of the commissioner, money in the state airports fund shall be invested by the State Board of Investment in the class of securities specified in section 11A.25 and acts amendatory thereto, except the bonds of any school district, county, city or town of this state. All interest and profits from such investments shall be credited to the state airports fund. The commissioner of finance shall be custodian of all securities purchased under the provisions of this section.

History: 2003 c 112 art 2 s 50

360.0753 TESTING PROCEDURES.*[For text of subds 1 to 3, see M.S.2002]*

Subd. 4. **Breath test using infrared breath-testing instrument.** (a) In the case of a breath test administered using an infrared or other approved breath-testing instrument, as defined in section 169A.03, subdivision 11, the test shall consist of analyses in the following sequence: one adequate breath sample analysis, one control analysis, and a second, adequate breath sample analysis.

(b) In the case of a test administered using an infrared or other approved breath-testing instrument, a sample is adequate if the instrument analyzes the sample and does not indicate the sample is deficient.

(c) For purposes of this section, when a test is administered using an infrared or other approved breath-testing instrument, failure of a person to provide two separate, adequate breath samples in the proper sequence constitutes a refusal.
