## BOND ALLOCATIONS

474A.061 Manufacturing, housing, and public facilities pools.

**474A.061 MANUFACTURING, HOUSING, AND PUBLIC FACILITIES POOLS.**

Subdivision 1. **Allocation application.** (a) An issuer may apply for an allocation under this section by submitting to the department an application on forms provided by the department, accompanied by (1) a preliminary resolution, (2) a statement of bond counsel that the proposed issue of obligations requires an allocation under this chapter and the Internal Revenue Code, (3) the type of qualified bonds to be issued, (4) an application deposit in the amount of one percent of the requested allocation before the last Monday in July, or in the amount of two percent of the requested allocation on or after the last Monday in July, (5) a public purpose scoring worksheet for manufacturing project and enterprise zone facility project applications, and (6) for residential rental projects, a statement from the applicant or bond counsel as to whether the project preserves existing federally subsidized housing for residential rental project applications and whether the project is restricted to persons who are 55 years of age or older. The issuer must pay the application deposit by a check made payable to the Department of Finance. The Minnesota Housing Finance Agency, the Minnesota Rural Finance Authority, and the Minnesota Higher Education Services Office may apply for and receive an allocation under this section without submitting an application deposit.

(b) An entitlement issuer may not apply for an allocation from the public facilities pool unless it has either permanently issued bonds equal to the amount of its entitlement allocation for the current year plus any amount of bonding authority carried forward from previous years or returned for reallocation all of its unused entitlement allocation. An entitlement issuer may not apply for an allocation from the housing pool unless it either has permanently issued bonds equal to any amount of bonding authority carried forward from a previous year or has returned for reallocation any unused bonding authority carried forward from a previous year. For purposes of this subdivision, its entitlement allocation includes an amount obtained under section 474A.04, subdivision 6. This paragraph does not apply to an application from the Minnesota Housing Finance Agency for an allocation under subdivision 2a for cities who choose to have the agency issue bonds on their behalf.

(c) If an application is rejected under this section, the commissioner must notify the applicant and return the application deposit to the applicant within 30 days unless the applicant requests in writing that the application be resubmitted. The granting of an allocation of bonding authority under this section must be evidenced by a certificate of allocation.
