History: 1991 c 345 art 1 s 83; 2003 c 127 art 14 s 2

270.06 POWERS AND DUTIES.

The commissioner of revenue shall:

(1) have and exercise general supervision over the administration of the assessment and taxation laws of the state, over assessors, town, county, and city boards of review and equalization, and all other assessing officers in the performance of their duties, to the end that all assessments of property be made relatively just and equal in compliance with the laws of the state;

(2) confer with, advise, and give the necessary instructions and directions to local assessors and local boards of review throughout the state as to their duties under the laws of the state;

(3) direct proceedings, actions, and prosecutions to be instituted to enforce the laws relating to the liability and punishment of public officers and officers and agents of corporations for failure or negligence to comply with the provisions of the laws of this state governing returns of assessment and taxation of property, and cause complaints to be made against local assessors, members of boards of equalization, members of boards

of review, or any other assessing or taxing officer, to the proper authority, for their removal from office for misconduct or negligence of duty;

(4) require county attorneys to assist in the commencement of prosecutions in actions or proceedings for removal, forfeiture and punishment for violation of the laws of this state in respect to the assessment and taxation of property in their respective districts or counties;

(5) require town, city, county, and other public officers to report information as to the assessment of property, collection of taxes received from licenses and other sources, and such other information as may be needful in the work of the Department of Revenue, in such form and upon such blanks as the commissioner may prescribe;

(6) require individuals, copartnerships, companies, associations, and corporations to furnish information concerning their capital, funded or other debt, current assets and liabilities, earnings, operating expenses, taxes, as well as all other statements now required by law for taxation purposes;

(7) subpoena witnesses, at a time and place reasonable under the circumstances, to appear and give testimony, and to produce books, records, papers and documents for inspection and copying relating to any matter which the commissioner may have authority to investigate or determine;

(8) issue a subpoena which does not identify the person or persons with respect to whose liability the subpoena is issued, but only if (a) the subpoena relates to the investigation of a particular person or ascertainable group or class of persons, (b) there is a reasonable basis for believing that such person or group or class of persons may fail or may have failed to comply with any law administered by the commissioner, (c) the information sought to be obtained from the examination of the records (and the identity of the person or persons with respect to whose liability the subpoena is issued) is not readily available from other sources, (d) the subpoena is clear and specific as to the information sought to be obtained, and (e) the information sought to be obtained is limited solely to the scope of the investigation. Provided further that the party served with a subpoena which does not identify the person or persons with respect to whose tax liability the subpoena is issued shall have the right, within 20 days after service of the subpoena, to petition the district court for the judicial district in which lies the county in which that party is located for a determination as to whether the commissioner of revenue has complied with all the requirements in (a) to (e), and thus, whether the subpoena is enforceable. If no such petition is made by the party served within the time prescribed, the subpoena shall have the force and effect of a court order;

(9) cause the deposition of witnesses residing within or without the state, or absent therefrom, to be taken, upon notice to the interested party, if any, in like manner that depositions of witnesses are taken in civil actions in the district court, in any matter which the commissioner may have authority to investigate or determine;

(10) investigate the tax laws of other states and countries and to formulate and submit to the legislature such legislation as the commissioner may deem expedient to prevent evasions of assessment and taxing laws, and secure just and equal taxation and improvement in the system of assessment and taxation in this state;

(11) consult and confer with the governor upon the subject of taxation, the administration of the laws in regard thereto, and the progress of the work of the Department of Revenue, and furnish the governor, from time to time, such assistance and information as the governor may require relating to tax matters;

(12) transmit to the governor, on or before the third Monday in December of each even-numbered year, and to each member of the legislature, on or before November 15 of each even-numbered year, the report of the Department of Revenue for the preceding years, showing all the taxable property in the state and the value of the same, in tabulated form;

(13) inquire into the methods of assessment and taxation and ascertain whether the assessors faithfully discharge their duties, particularly as to their compliance with the laws requiring the assessment of all property not exempt from taxation;

MINNESOTA STATUTES 2004

(14) administer and enforce the assessment and collection of state taxes and fees, including the use of any remedy available to nongovernmental creditors, and, from time to time, make, publish, and distribute rules for the administration and enforcement of laws administered by the commissioner and state tax laws. The rules have the force of law;

(15) prepare blank forms for the returns required by state tax law and distribute them throughout the state, furnishing them subject to charge on application;

(16) prescribe rules governing the qualification and practice of agents, attorneys, or other persons representing taxpayers before the commissioner. The rules may require that those persons, agents, and attorneys show that they are of good character and in good repute, have the necessary qualifications to give taxpayers valuable services, and are otherwise competent to advise and assist taxpayers in the presentation of their case before being recognized as representatives of taxpayers. After due notice and opportunity for hearing, the commissioner may suspend and bar from further practice before the commissioner any person, agent, or attorney who is shown to be incompetent or disreputable, who refuses to comply with the rules, or who with intent to defraud, willfully or knowingly deceives, misleads, or threatens a taxpayer or prospective taxpayer, by words, circular, letter, or by advertisement. This clause does not curtail the rights of individuals to appear in their own behalf or partners or corporations' officers to appear in behalf of their respective partnerships or corporations;

(17) appoint agents as the commissioner considers necessary to make examinations and determinations. The agents have the rights and powers conferred on the commissioner to subpoena, examine, and copy books, records, papers, or memoranda, subpoena witnesses, administer oaths and affirmations, and take testimony. In addition to administrative subpoenas of the commissioner and the agents, upon demand of the commissioner or an agent, the court administrator of any district court shall issue a subpoena for the attendance of a witness or the production of books, papers, records, or memoranda before the agent for inspection and copying. Disobedience of a court administrator's subpoena shall be punished by the district court of the district in which the subpoena is issued, or in the case of a subpoena issued by the commissioner or an agent, by the district court of the district in which the party served with the subpoena is located, in the same manner as contempt of the district court;

(18) appoint and employ additional help, purchase supplies or materials, or incur other expenditures in the enforcement of state tax laws as considered necessary. The salaries of all agents and employees provided for in this chapter shall be fixed by the appointing authority, subject to the approval of the commissioner of administration;

(19) execute and administer any agreement with the secretary of the Treasury of the United States or a representative of another state regarding the exchange of information and administration of the tax laws;

(20) authorize the use of unmarked motor vehicles to conduct seizures or criminal investigations pursuant to the commissioner's authority; and

(21) exercise other powers and perform other duties required of or imposed upon the commissioner of revenue by law.

270.0601 TAX COURT APPEALS.

The powers of examination, investigation, and subpoena, and the power to administer oaths and take testimony granted to the commissioner of revenue and officers and employees of the Department of Revenue in section 270.06 do not apply to a matter that has been appealed to the Tax Court.

History: 1989 c 324 s 3

270.0602 BASIS FOR EVALUATION OF DEPARTMENT OF REVENUE EMPLOYEES.

The Department of Revenue must not use tax enforcement results to impose individual revenue quotas with respect to employees or their immediate supervisors who are directly involved in assessment or collection activities. The department may, however, use individual performance with regard to number of cases completed and, in the case of collections employees, dollars collected, as factors in evaluating an employee and not be considered as failing to comply with this section.

History: 1990 c 604 art 1 s 1

270.0603 DISCLOSURE OF RIGHTS OF TAXPAYERS.

Subdivision 1. **In general.** The commissioner of revenue shall, as soon as practicable, but not later than 180 days after the date of enactment of Laws 1990, chapter 604, prepare statements that set forth in simple and nontechnical terms:

(1) the rights and obligations of the Department of Revenue and the taxpayer during an audit;

(2) the procedures by which a taxpayer may appeal an adverse decision of the department, including administrative and judicial appeals;

(3) the procedures for filing refund claims and filing of taxpayer complaints; and

(4) the procedures that the department may use in enforcing the tax laws, including assessment, jeopardy assessment, levy and distraint, and the filing of liens.

Subd. 2. **Transmission to legislature.** The commissioner shall provide drafts of the statements required under subdivision 1 to the chairs of the house of representatives and senate tax committees for proposed revisions of the statements.

Subd. 3. **Distribution.** The appropriate statement prepared in accordance with subdivisions 1 and 2 must be distributed by the commissioner to all taxpayers contacted with respect to the determination or collection of a tax, other than the providing of tax forms. Failure to receive the statement does not invalidate the determination or collection action.

History: 1990 c 604 art 1 s 2

270.0604 REVENUE NOTICES.

Subdivision 1. **Authority.** The commissioner of revenue may make, adopt, and publish interpretive revenue notices. A "revenue notice" is a policy statement that has been published pursuant to subdivision 5 and that provides interpretation, details, or supplementary information concerning the application of law or rules. Revenue notices are published for the information and guidance of taxpayers, the Department of Revenue, and others concerned.

Subd. 2. **Effect.** Revenue notices do not have the force and effect of law and have no precedential effect, but may be relied on by taxpayers until revoked or modified. A notice may be expressly revoked or modified by the department, by the issuance of a revenue notice, but may not be revoked or modified retroactively to the detriment of the taxpayers. A change in the law or an interpretation of the law occurring after the revenue notice is issued, whether in the form of a statute, court decision, administrative rule, or revenue notice, results in revocation or modification of the notice to the extent that the change affects the notice.

Subd. 3. **Retroactivity.** Revenue notices are generally interpretive of existing law and therefore are retroactive to the effective date of the applicable law provision unless otherwise stated in the notice.

Subd. 4. **Issuance.** The issuance of revenue notices is at the discretion of the commissioner of revenue. The commissioner shall establish procedures governing the issuance of revenue notices and tax information bulletins. At least one week before publication of a revenue notice in the State Register, the commissioner shall provide a copy of the notice to the chairs of the Taxes Committee of the house of representatives and the Taxes and Tax Laws Committee of the senate.

Subd. 5. **Publication.** The commissioner shall publish the revenue notices in the State Register and in any other manner that makes them accessible to the general public. The commissioner may charge a reasonable fee for publications.

Subd. 6. [Repealed, 1994 c 510 art 1 s 13]

History: 1991 c 291 art 21 s 6; 1995 c 1 s 1

270.0605 TAX INFORMATION BULLETINS.

The commissioner of revenue may issue tax information bulletins. "Tax information bulletins" are informational guides to enable taxpayers and affected local governmental officials to become more familiar with Minnesota tax laws and their rights and responsibilities under the tax laws. Nothing contained in the tax information bulletins supersedes, alters, or otherwise changes any provisions of the Minnesota tax law, administrative rules, court decisions, or revenue notices.

270.067 TAX EXPENDITURE BUDGET.

Subdivision 1. **Statement of purpose.** State governmental policy objectives are sought to be achieved both by direct expenditure of governmental funds and by the granting of special and selective tax relief or tax expenditures. Both direct expenditures of governmental funds and tax expenditures have an effect on the ability of the state and local governments to lower tax rates or to increase expenditures. As a result, tax expenditures should receive a regular and comprehensive review by the legislature as to (a) their total cost, (b) their effectiveness in achieving their objectives, (c) their effect on the fairness and equity of the distribution of the tax burden, and (d) the public and private cost of administering tax expenditure financed programs. This section is intended to facilitate a regular review of the state and local tax expenditure budget by the legislature by providing for the preparation of a regular biennial tax expenditure budget.

Subd. 2. **Preparation; submission.** The commissioner of revenue shall prepare a tax expenditure budget for the state. The tax expenditure budget report shall be submitted to the legislature by February 1 of each even-numbered year.

Subd. 3. **Period covered.** The report shall include estimates of annual tax expenditures for, at a minimum, a three-year period including the two-year period covered in the governor's budget submitted in the preceding January pursuant to section 16A.11.

Subd. 4. **Contents.** The report shall detail for each tax expenditure item the amount of tax revenue foregone, a citation of the statutory or other legal authority for the expenditure, and the year in which it was enacted or the tax year in which it became effective. The report may contain additional information which the commissioner considers relevant to the legislature's consideration and review of individual tax expenditure items. This may include, but is not limited to, statements of the intended purpose of the tax expenditure, analysis of whether the expenditure is achieving that objective, and the effect of the expenditure device on the distribution of the tax burden and administration of the tax system.

Subd. 5. **Revenue estimates; legislative bills.** Upon reasonable notice from the chair of the house or senate tax committee that a bill is scheduled for hearing, the commissioner of revenue shall prepare an estimate of the effect on the state's tax revenues which would result from the passage of a legislative bill establishing, extending, or restricting a tax expenditure. These revenue estimates shall contain the same information as provided in subdivision 4 for expenditure items contained in the tax expenditure budget, as appropriate.

Subd. 6. **Definitions.** For purposes of this section, the following terms have the meanings given:

(1) "Tax expenditure" means a tax provision which provides a gross income definition, deduction, exemption, credit, or rate for certain persons, types of income, transactions, or property that results in reduced tax revenue.

(2) "Tax" means any tax of statewide application or any tax authorized by state law to be levied by local governments generally. It does not include a special local tax levied pursuant to special law or to a special local tax levied pursuant to general authority that is no longer applicable to local governments generally.

270.0681 TAX INFORMATION SAMPLE DATA.

Subdivision 1. **Preparation of samples.** The commissioner of revenue shall prepare microdata samples of income tax returns and other information useful for purposes of (1) estimating state revenues, (2) simulating the effect of changes or proposed changes in state and federal tax law on the amount of state revenues, and (3) analyzing the incidence of present or proposed taxes.

Subd. 2. **Coordinating committee.** A coordinating committee is established to oversee and coordinate preparation of the microdata samples. The committee consists of (1) the director of the Research Division of the Department of Revenue who shall serve as chair of the committee, (2) the state economist, (3) the chair of the Committee on Taxes of the house of representatives or the chair's designee, and (4) the chair of the Committee on Taxes and Tax Laws of the senate or the chair's designee. The committee shall consider the analysis needs and use of the microdata samples by the finance and revenue departments and the legislature in designing and preparing the samples, including the type of data to be included, the structure of the samples, size of the samples, and other relevant factors.

Subd. 3. **Contents of samples.** The samples must consist of information derived from a random sample of federal and Minnesota individual income tax returns. The

samples prepared in odd numbered years must be augmented by additional information from other sources as the coordinating committee determines is feasible and appropriate. The coordinating committee shall consider inclusion of (1) information derived from property tax refund returns, (2) the estimated market value of the taxpayer's home from the homestead declaration, and (3) information from other sources, such as the surveys conducted by the United States Departments of Commerce and Labor.

Subd. 4. **Consultation on analysis models.** The coordinating committee shall facilitate regular consultation among the Department of Revenue, the Department of Finance, and house and senate staffs in development and maintenance of their respective computer models used to analyze the microdata samples. The committee shall encourage efforts to attain more commonality in the models, greater sharing of program development efforts and programming tasks, and more consistency in the resulting analyses.

270.0682 TAX INCIDENCE REPORTS.

Subdivision 1. **Biennial report.** The commissioner of revenue shall report to the legislature by March 1 of each odd-numbered year on the overall incidence of the income tax, sales and excise taxes, and property tax. The report shall present information on the distribution of the tax burden (1) for the overall income distribution, using a systemwide incidence measure such as the Suits index or other appropriate measures of equality and inequality, (2) by income classes, including at a minimum deciles of the income distribution, and (3) by other appropriate taxpayer characteristics.

Subd. 2. **Bill analyses.** At the request of the chair of the house Tax Committee or the senate Committee on Taxes and Tax Laws, the commissioner of revenue shall prepare an incidence impact analysis of a bill or a proposal to change the tax system which increases, decreases, or redistributes taxes by more than \$20,000,000. To the extent data is available on the changes in the distribution of the tax burden that are affected by the bill or proposal, the analysis shall report on the incidence effects that would result if the bill were enacted. The report may present information using systemwide measures, such as Suits or other similar indexes, by income classes, taxpayer characteristics, or other relevant categories. The report may include analyses of the effect of the bill or proposal on representative taxpayers. The analysis must include a statement of the incidence assumptions that were used in computing the burdens.

Subd. 3. **Income measure.** The incidence analyses shall use the broadest measure of economic income for which reliable data is available.

270.069 COMMISSIONER TO COLLECT CERTAIN LOCAL TAXES.

Subdivision 1. **Costs deducted; appropriation.** If the commissioner of revenue agrees to collect a locally imposed tax, the local unit of government must agree that all the direct and indirect costs of the Department of Revenue for collecting the tax and any other statewide indirect costs will be deducted from the amounts collected and paid to the local unit of government.

Subd. 2. **Development costs.** If the commissioner determines that a new computer system will be required to collect the locally imposed taxes, the costs of development of the system will be charged to the first local units of government to be included in the system. Any additional local units of government that by agreement are added to the system will be charged for a share of the development costs. The charge will be determined by the commissioner who shall then refund to the original local units of government their portion of the development costs recovered from the additional users.

270.07 POWER TO ABATE; CORRECTION OF ERRORS.

Subdivision 1. **Powers of commissioner; application for abatement; orders.** (a) The commissioner of revenue shall prescribe the form of all blanks and books required

under this chapter and shall hear and determine all matters of grievance relating to taxation. Except for matters delegated to the various boards of county commissioners under section 375.192, and except as otherwise provided by law, the commissioner shall have power to grant such reduction or abatement of net tax capacities or taxes and of any costs, penalties or interest thereon as the commissioner may deem just and equitable, and to order the refundment, in whole or in part, of any taxes, costs, penalties or interest thereon which have been erroneously or unjustly paid. Application therefor shall be submitted with a statement of facts in the case and the favorable recommendation of the county board or of the board of abatement of any city where any such board exists, and the county auditor of the county wherein such tax was levied or paid. In the case of taxes other than gross earnings taxes, the order may be made only on application and approval as provided in this paragraph. No reduction, abatement, or refundment of any special assessments made or levied by any municipality for local improvements shall be made unless it is also approved by the board of review or similar taxing authority of such municipality.

(b) The commissioner has the power to grant reductions or abatements of gross earnings tax. An application for reduction of gross earnings taxes may be made directly to the commissioner without the favorable action of the county board and county auditor. The commissioner shall direct that any gross earnings taxes that may have been erroneously or unjustly paid be applied against unpaid taxes due from the applicant.

(c) The commissioner shall forward to the county auditor a copy of the order made by the commissioner in all cases in which the approval of the county board is required.

(d) The commissioner may refer any question that may arise in reference to the true construction of this chapter to the attorney general, and the decision thereon shall be in force and effect until annulled by the judgment of a court of competent jurisdiction.

(e) The commissioner may by written order abate, reduce, or refund any penalty or interest imposed by any law relating to taxation, if in the commissioner's opinion the failure to timely pay the tax or failure to timely file the return is due to reasonable cause, or if the taxpayer is located in a presidentially declared disaster area.

(f) An appeal may not be taken to the Tax Court from any order of the commissioner of revenue made in the exercise of the discretionary authority granted in paragraph (a) with respect to the reduction or abatement of real or personal property taxes in response to a taxpayer's application for an abatement, reduction, or refund of taxes, net tax capacities, costs, penalties, or interest.

Subd. 1a. **Examination of application; reductions; appeals.** The commissioner shall examine all applications submitted by a county board pursuant to section 375.192, subdivision 3. If the applicant has previously submitted a claim for property tax relief pursuant to chapter 290A based on the property taxes payable prior to receiving the abatement, the commissioner may approve the application in an amount reduced by the relief provided pursuant to chapter 290A.

An appeal may be taken to the Tax Court from an order of the commissioner made pursuant to this subdivision.

Subd. 2. **Correction of errors.** The commissioner of revenue, on application of the county auditor with the approval of the county board, may order the correction of any administrative and clerical errors in the assessment, levy and extension of ad valorem taxes other than valuation.

Subd. 3. **Additional powers of commissioner.** Notwithstanding any other provision of law the commissioner of revenue may,

(a) based upon the administrative costs of processing, determine minimum standards for the determination of additional tax for which an order shall be issued, and

(b) based upon collection costs as compared to the amount of tax involved, determine minimum standards of collection, and

(c) based upon the administrative costs of processing, determine the minimum amount of refunds for which an order shall be issued and refund made where no claim therefor has been filed, and

(d) cancel any amounts below these minimum standards determined under (a) and (b) hereof, and

(e) based upon the inability of a taxpayer to pay a delinquent tax liability, abate the liability if the taxpayer agrees to perform uncompensated public service work for a state agency, a political subdivision or public corporation of this state, or a nonprofit educational, medical, or social service agency. The Department of Corrections shall administer the work program. No benefits under chapter 176 or 268 shall be available, but a claim authorized under section 3.739 may be made by the taxpayer. The state may not enter into any agreement that has the purpose of or results in the displacement of public employees by a delinquent taxpayer under this section. The state must certify to the appropriate bargaining agent or employees, as applicable, that the work performed by a delinquent taxpayer will not result in the displacement of currently employed workers or layoff from a substantially equivalent position, including partial displacement such as reduction in hours of nonovertime work, wages, or other employment benefits, and

(f) based on a showing of reasonable cause reissue an uncashed rebate or property tax refund warrant or check that has lapsed under any provision of law relating to rebates or under section 290A.18, subdivision 2. The authority to reissue warrants or checks under this paragraph is limited to five years after the date of issuance of the original warrant or check.

Subd. 3a. **Appropriation.** An amount sufficient for the reissuance of rebate warrants authorized under subdivision 3, paragraph (f), is appropriated to the commissioner from the general fund.

Subd. 4. **Erroneous remittances.** If a remittance is erroneously made payable to the commissioner of revenue and the commissioner had knowledge that the proper payee is a state or local official of this state, the commissioner may endorse such remittance to the proper state or local official. The commissioner of revenue is also authorized to return a remittance if the records indicate that it has been erroneously submitted.

Subd. 5. **Credit of overpayment to delinquent tax liabilities.** Notwithstanding any other provision of law to the contrary, in the case of an overpayment of any tax collected by the commissioner of revenue, the commissioner may credit the amount of such overpayment against any uncontested delinquent tax liability on the part of the taxpayer who made the overpayment. An overpayment may be credited under this subdivision only if the uncontested delinquent liability has been assessed within ten years of the date on which the overpayment is credited. However, this limitation shall not be applicable if the delinquent liability has been entered into judgment or if legal action is pending for collection of the liability or for renewal of the judgment. An amount paid as tax shall constitute an overpayment even if in fact there was no tax liability with respect to which such amount was paid.

Subd. 6. **Abatement of penalty.** (a) A request for abatement of penalty under subdivision 1, under section 289A.60, subdivision 4, or under paragraph (c), must be filed with the commissioner within 60 days of the date the notice was mailed to the taxpayer's last known address, stating that a penalty has been imposed.

(b) If the commissioner issues an order denying a request for abatement of penalty, the taxpayer may, except as limited under subdivision 1, file an administrative appeal as provided in section 289A.65 or appeal to Tax Court as provided in section 271.06.

If the commissioner does not issue an order on the abatement request within 60 days from the date the request is received, the taxpayer may appeal to Tax Court as provided in section 271.06.

(c) The commissioner shall abate any part of a penalty or additional tax charge under section 289A.25, subdivision 2, or 289A.26, subdivision 4, attributable to errone-

ous advice given to the taxpayer in writing by an employee of the department acting in an official capacity, if the advice:

(1) was reasonably relied on and was in response to a specific written request of the taxpayer; and

(2) was not the result of failure by the taxpayer to provide adequate or accurate information.

Subdivision 1. **Powers of commissioner.** For the purpose of determining the correctness of any statement, the commissioner shall have the power to examine or cause to be examined any books, papers, records, or memoranda relevant to the determination of the net tax capacity of flight property as herein provided, including the airline company's retained copy of any return or statement made to the United States of America or any state for any year, whether such books, papers, records, or memoranda are the property of or in the possession of the airline company or any other person. The commissioner shall have the right to inspect the originals of such reports with or without obtaining copies from the company. The commissioner shall have further power to require the attendance of any airline company or other person having knowledge or information in the premises, to compel the production of books, papers, records, or memoranda by persons so required to attend, to take testimony on matters material to such determination and to administer oaths or affirmations.

Subd. 2. **Appointments of others; powers of subpoena.** For the purpose of making such examinations, the commissioner may appoint such persons as the commissioner may deem necessary. Such persons shall have the rights and powers with reference to the examining of books, papers, records, or memoranda, and with reference to the subpoenaing of witnesses, administering of oaths and affirmations, and taking of testimony, which are conferred upon the commissioner hereby. 270.074 VALUATION OF FLIGHT PROPERTY; METHODS OF APPORTIONMENT; RATIO OF TAX.

Subdivision 1. **Valuation.** The commissioner shall determine the market valuation of all flight property operated or used by every airline company in air commerce in this state. The valuation apportioned to this state of such flight property shall be the proportion of the total valuation thereof determined on the basis of the total of the following percentages:

(1) 33-1/3 percent of the percentage which the total tonnage of passengers, express and freight first received by the airline company in this state during the preceding calendar year plus the total tonnage of passengers, express and freight finally discharged by it within this state during the preceding calendar year is of the total of such tonnage first received by the airline company or finally discharged by it, within and without this state during the preceding calendar year.

(2) 33-1/3 percent of the percentage which, in equated plane hours, the total time of all aircraft of the airline company in flight in this state during the preceding calendar year, is of the total of such time in flight within and without this state during the preceding calendar year.

(3) 33-1/3 percent of the percentage which the number of revenue ton miles of passengers, mail, express and freight flown by the airline company within this state during the preceding calendar year is of the total number of such miles flown by it within and without this state during the preceding calendar year.

Subd. 2. **Other apportionment methods.** The method prescribed by subdivision 1 shall be presumed to determine fairly and correctly the value of the flight property of an airline allocable to this state. Any airline aggrieved by the valuation of the flight property or the application to its case of the apportionment methods prescribed by subdivision 1, may petition the commissioner for determination of the valuation or the apportionment thereof to this state by the use of some other method. Thereupon, if the commissioner finds that the application of the methods prescribed by subdivision 1 will be unjust to the airline, the commissioner may allow the use of the methods so petitioned for by the airline, or may determine the valuation or apportionment thereof by other methods if satisfied that such other methods will fairly reflect such valuation or apportionment thereof.

Subd. 3. **Tax capacity.** (a) The flight property of every airline company shall have a tax capacity of 70 percent of the value thereof apportioned to this state under subdivision 1, except that quiet aircraft shall have a tax capacity of 40 percent of the value determined under subdivision 1. Quiet aircraft shall include turboprops and aircraft defined as stage III by the Federal Aeronautics Administration. If, in the opinion of the commissioner, other aircraft may be qualified as quiet aircraft, the commissioner may adopt rules providing additional qualifications.

(b) The flight property of an airline company that owns or leases aircraft the majority of which are turboprops, and which provides, during six months or more of the year that taxes are levied, scheduled passenger service to three or more airports inside

or outside of this state that serve small or medium sized communities, shall be assessed at 50 percent of the assessment percentage otherwise set by paragraph (a).

270.075 TAX LEVY.

Subdivision 1. **Rate of tax.** The commissioner shall determine the rate of tax to be levied and collected against the net tax capacity as determined pursuant to section 270.074, subdivision 2, to generate revenues sufficient to fund the airflight property tax portion of each year's state airport fund appropriation, as certified to the commissioner by the commissioner of transportation. The property tax portion of the state airport fund appropriation is the difference between the total fund appropriation and the estimated total fund revenues from other sources for the state fiscal year in which the tax is payable. If a levy amount has not been certified by September 1 of a levy year, the commissioner shall use the last previous certified amount to determine the rate of tax.

Subd. 2. **Notice of taxes; payment.** As soon as practicable and not later than December 1 next following the levy of the tax, the commissioner shall give actual notice to the airline company of the net tax capacity and of the tax. The taxes imposed under sections 270.071 to 270.079 shall become due and payable on January 1 following the levy thereof. If any tax is not paid on the due date or, if an appeal is made pursuant to section 270.076, within 60 days after notice of an increased tax, a late payment penalty of five percent of the unpaid tax shall be assessed. If the tax remains unpaid for more than 30 days, an additional penalty of five percent of the unpaid tax is imposed for each additional 30 days or fraction of 30 days that the tax remains unpaid. The penalty imposed under this section must not exceed the lesser of \$25,000 or 25 percent of the unpaid tax. The unpaid tax and penalty shall bear interest at the rate specified in section 270.75 from the time such tax should have been paid until paid. All interest and penalties shall be added to the tax and collected as a part thereof.

270.076 APPEAL.

Subdivision 1. **Appeal.** Any airline company against which a tax has been imposed under sections 270.071 to 270.079 shall have the right to appeal within 60 days from the date of notice of the levy of the tax to the Tax Court in the manner provided by law.

Subd. 2. **Payment of tax under appeal.** In case of appeal from the assessment and levy of the tax, the airline company shall currently pay when due 90 percent of the tax unless the payment is waived or otherwise adjusted by an order of the court. If the final determination of the litigation should result in sustaining the assessment and levy or in the finding that the amount paid by the airline company is insufficient, the difference between the amount paid and the amount which should have been paid shall be decreed delinquent taxes subject to interest, as hereinabove provided. If the final determination of the Tax Court or the Supreme Court shall result in increasing any assessment above that which was made final by the order of the commissioner from which the appeal is taken, then the taxes on such increased assessment shall be delinquent 30 days after notice of the amount of the increased tax shall have been given to the airline company by the commissioner.

270.078 NOT TO CONFLICT WITH FEDERAL LAW.

Subdivision 1. **Conformance to federal law.** If any provision of sections 270.071 to 270.079 is contrary to any provision of any law of the United States of America, hereinafter enacted, providing for or relating to the ad valorem taxation by a state of aircraft or flying equipment of an airline company, such provision shall be of no effect and the commissioner is authorized and directed to prescribe by rule such provisions as may be necessary to make sections 270.071 to 270.079 conform to the federal act and to effectuate the purposes of sections 270.071 to 270.079, provided such rules do not prescribe a rate of taxation higher than that provided in section 270.075 or a net tax capacity based on a percentage higher than that provided in section 270.074, subdivision 2.

Subd. 2. **Federal act; attorney general certification.** No provision of any law of the United States of America providing for or relating to the ad valorem taxation by a state of aircraft or flying equipment of an airline company shall be effective for the purposes of subdivision 1 until the attorney general of Minnesota shall have certified to the commissioner that in the attorney general's opinion such federal act is a valid exercise of federal authority under the Constitution of the United States.

Subd. 3. **Applicability.** The provisions of this section shall not affect the validity of any tax imposed under sections 270.071 to 270.079 prior to the effective date of such federal law.

Subd. 2. **Transfer of records.** The public examiner shall transfer and deliver to the commissioner of revenue all contracts, books, maps, plans, papers, records, and property of every description within the public examiner's jurisdiction or control, and shall also transfer thereto any or all employees engaged in the exercise of such functions, powers or duties pertaining to the auditing of railroads and other corporations paying gross earnings taxes. The commissioner of revenue is hereby authorized to take possession of said property, and shall take charge of said employees and shall employ them in the exercise of their respective functions, powers and duties transferred as aforesaid, without reduction of compensation, subject to change or termination of employment or compensation as may be otherwise provided by law.

270.09 OPINION OF ATTORNEY GENERAL; EFFECT.

The commissioner of revenue may in writing request the opinion of the attorney general upon any matter within the scope of the functions of the Department of Revenue as now or hereafter prescribed by law. Any written opinion of the attorney general upon any such matter rendered in response to such request shall have the force and effect of law unless and until overruled by a decision of the Tax Court or a court of competent jurisdiction.

270.10 ORDERS; DECISIONS; APPEALS.

Subdivision 1. **In writing.** All orders and decisions of the commissioner of revenue, or any subordinates, respecting any tax, assessment, or other obligation, shall be in writing, filed in the offices of the department. Any order or decision increasing or decreasing any tax, assessment, or other obligation by a sum exceeding \$1,000 on real or personal property, or the net tax capacity thereof, or other obligation relating thereto, the result of which is to increase or decrease the total amount payable including penalties and interest, by a sum exceeding \$1,000, and any order or decision increasing or decreasing any other tax by a sum exceeding \$1,000 exclusive of penalties and interest, must bear the written signature or facsimile signature of the commissioner or the commissioner's delegate. The attorney general may appeal from the order on behalf of the state as provided in chapter 271. Written approval of the commissioner or a delegate shall not be required with respect to the following orders: (1) orders reducing net tax capacity of property by reason of its classification as a homestead; (2) orders not involving refunds which have the effect only of correcting income and franchise tax assessments to conform to the amounts shown on final returns filed as provided by section 289A.19, subdivisions 1 and 2; and (3) original orders for the refundment of gasoline and special fuel taxes.

Subd. 1a. **Notification to taxpayer.** At the same time that notice of the assessment, determination, or order of the commissioner is given to a taxpayer, the taxpayer must be notified in writing of the right to appeal to the Tax Court, and if applicable, to the Small Claims Division. Except in the case of mathematical or clerical errors, the notice must contain a description of the basis for, including applicable law and other factors considered in the determination, and a listing of the amounts of tax due, interest, additions to tax, and penalties. Failure to provide all the required information does not invalidate the notice for purposes of satisfying statutory notice requirements if the notice contains sufficient information to advise the taxpayer that an assessment, order, or other determination has been made. The taxpayer may request further clarification within the time provided for appealing the determination.

Subd. 2. **Only official actions of county board or other agency acted upon.** No action requiring the recommendation or approval of any county board or other public agency shall be taken by the commissioner of revenue, or any other members of the department, unless such recommendation or approval shall have been made upon official action by such county board or other agency, entered upon the minutes or record of its proceedings as a public record, showing the names of the taxpayers and other persons concerned and the amounts involved, and so certified by the recording officer of such board or agency.

Subd. 4. [Repealed, 1990 c 480 art 2 s 18]

Subd. 5. **Appeal; payment of order.** Except for orders relating to property tax matters, no collection action may be taken, including the filing of liens under section 270.69, and no late payment penalties may be imposed when a return has been filed for the tax type and period upon which the order is based, if an order of the commissioner is paid:

- (1) within 60 days after the order has been mailed to the taxpayer; or

(2) if an administrative appeal or a Tax Court appeal under chapter 271 is timely filed, within 60 days following final determination of the appeal if the appeal is based upon a constitutional challenge to the tax, and if not, when the decision of the Tax Court is made.

270.101 PERSONAL LIABILITY.

Subdivision 1. **Liability imposed.** A person who, either singly or jointly with others, has the control of, supervision of, or responsibility for filing returns or reports, paying taxes, or collecting or withholding and remitting taxes and who fails to do so, or a person who is liable under any other law, is liable for the payment of taxes, penalties, and interest arising under chapters 295, 296A, 297F, 297A, and 297G, or sections 290.92 and 297E.02.

Subd. 2. **Person defined.** The term "person" includes, but is not limited to, a corporation, estate, trust, organization, or association, whether organized for profit or not, an officer or director of a corporation, a member of a partnership, an employee, a third party (including, but not limited to, a financial institution, lender, or surety), and any other individual or entity. "Person" does not include an unpaid, volunteer member of a board of trustees or directors of an organization exempt from taxation under section 290.05, if the member is solely serving in an honorary capacity, does not participate in the day-to-day or financial operations of the organization, and has no actual knowledge of the failure to file returns or remit taxes.

Subd. 3. **Procedure for assessment.** The commissioner may assess liability for the taxes described in subdivision 1 against a person liable under this section. The assessment may be based upon information available to the commissioner. It must be made within the prescribed period of limitations for assessing the underlying tax, or within one year after the date of an order assessing underlying tax, whichever period expires later. An order assessing personal liability under this section is reviewable under section 289A.65 and is appealable to Tax Court.

If a person has been assessed under this section for an amount for a given period and the time for appeal has expired or there has been a final determination that the person is liable, collection action is not stayed pursuant to section 270.10, subdivision 5, for subsequent assessments of additional amounts for the same person for the same period and tax type.

Subd. 4. **Right of contribution.** A person who has paid all or part of a liability assessed under this section has a cause of action against other liable persons to recover the amount paid in excess of that person's share of the liability. A claim for recovery of contribution may be made only in a proceeding which is separate from, and cannot be joined or consolidated with, an administrative or judicial proceeding or investigation involving the commissioner's administration or enforcement of this section. An order assessing liability under this section against the person from whom contribution is being sought is not a prerequisite for bringing an action for recovery of contribution, nor is the issuance of an order binding on the court in which the proceeding is brought. The court can determine whether each person would be liable under this section and the share of liability. The commissioner cannot be made a party to any proceeding for recovery of contribution, nor is a determination in such a proceeding binding on the commissioner for the purpose of administering or enforcing this section. An action for contribution arises when the liability under this section is paid in full, or the liability of the person seeking contribution has been determined by agreement between the

commissioner and such person and paid, and must be brought within the time period prescribed in section 541.05.

270.102 SUCCESSOR LIABILITY OF BUSINESSES.

Subdivision 1. **Definitions.** (a) The following terms used in this section have the following meanings.

(b) "Successor" means a person who directly or indirectly purchases, acquires, is gifted, or succeeds to the business or stock of goods of any person quitting, selling, or otherwise disposing of a business or stock of goods. Successor does not include a personal representative or beneficiary of an estate, a trustee in bankruptcy, a debtor in possession, a receiver, a secured party, a mortgagee, an assignee of rents, or any other lienholder.

(c) "Person" means an individual, partnership, corporation, sole proprietorship, joint venture, limited liability company, or any other type of business entity or association.

(d) "Withhold" means setting aside money or dealing with the payment of consideration in a manner that denies a transferring business the benefit of the transfer in an amount equal to the sales and withholding tax liability of the transferring business.

(e) "Purchase price" means the consideration paid or to be paid for the transfer by the successor to the transferring business, and includes amounts paid for tangible property or intangibles such as leases, licenses, or goodwill. Purchase price also includes debts assumed or forgiven by the successor, or real or personal property conveyed or to be conveyed by the successor to the transferring business.

(f) "Arm's-length transaction" means a transfer for adequate consideration between independent parties both acting in their own best interests. If the parties are related to each other, a rebuttable presumption arises that the transaction is not at arm's length.

(g) "Transfer" means every mode, direct or indirect, absolute or conditional, voluntary or involuntary, of disposing of or parting with a business or an interest in a business, or a stock of goods, whether by gift or for consideration. Transfer includes a change in the type of business entity or the name of the business, where one business is discontinued and a new one started. Transfer also includes the acquisition by a new corporation of the assets of a prior business in exchange for the stock of the new corporation. Transfer does not include an assignment for the benefit of creditors, foreclosure or enforcement of a mortgage, assignment of rents, security interest or lien, sale or disposition in a bankruptcy proceeding, or sale or disposition by a receiver.

(h) "Transfer in bulk" means a transfer, other than in the ordinary course of the transferor's trade or business, of more than one-half of all the property of a business at all locations combined, as measured by the value of the property at the time of the transfer.

Subd. 2. Bulk transfers; liability of successor; lien. (a) Whenever a business transfers in bulk to a successor the business assets, and an enforceable lien for unpaid sales and withholding taxes has been filed against the business by the commissioner under section 270.69, at least 20 days before taking possession of the assets or paying the purchase price, the successor shall notify the commissioner of the transfer and the terms and conditions related to it. The notice must include the tax identification number of the transferring business. If an agreement to transfer has been entered into, this notice requirement only applies: (1) if a lien described under this paragraph has been filed prior to the date of the agreement; or (2) if the date of the transfer is more than 30 days after the date of the agreement, and a lien described under this paragraph is filed at least 30 days prior to the date of transfer.

(b) If the successor fails to give the notice required in paragraph (a), the successor is liable for any unpaid sales and withholding taxes, interest, and penalties due from the transferring business to the extent of the purchase price. If the successor provides the notice required in paragraph (a) and, within 20 days after receipt of the notice, the commissioner notifies the successor that tax liabilities exist in addition to those included on the lien or there are sales and withholding tax returns due but not filed, the successor is, in addition to being liable for the amounts included on the lien, liable for all other uncontested sales and withholding taxes, interest, and penalties as stated in the commissioner's notice from the transferring business to the extent of the purchase price if the successor pays the purchase price or takes possession of the assets without withholding and remitting the liability to the commissioner. The successor is liable whether the purchase price is paid or the assets are transferred prior to or after notification from the commissioner. The commissioner may also notify the successor that there are no sales or withholding tax liabilities or returns due from the transferring business other than the liabilities included on the lien, and of the current balance due to satisfy the lien.

(c) If, based upon the information available, the commissioner determines that a transfer was not at arm's length or was a gift, the successor's liability under this section equals the value of the assets transferred. For purposes of imposing the liability, the value of the property transferred is presumed, subject to rebuttal, to equal the unpaid sales and withholding taxes, interest, and penalties of the transferring business.

(d) In the case of a gift resulting in successor liability under this section, return of the gifted property by the donee to the donor releases the donee's successor liability.

(e) A successor who complies with the requirements of paragraphs (a) and (b) is not liable for any assessments of sales and withholding taxes of the transferring business made after the commissioner provides notice to the successor under paragraph (b), except for taxes assessed on returns filed to comply with the notice. If the commissioner fails to provide the notice and the 20-day period expires, the successor is not liable for any sales and withholding taxes of the transferring business other than those included on the lien.

Subd. 3. Assessment abatement; review. The commissioner may assess liability under this section within the time prescribed for collecting the underlying sales and withholding taxes, interest, and penalties. The assessment is presumed to be valid, and the burden is upon the successor to show it is incorrect or invalid. An order assessing successor liability is reviewable administratively under section 289A.65 and is appealable to Tax Court under chapter 271. The commissioner may abate an assessment if the successor's failure to give the notice required under this section is due to reasonable cause. The procedural and appeal provisions under section 270.07, subdivision 6, apply to abatement requests under this subdivision. Collection remedies available against the transferring business are available against the successor from the date of assessment of successor liability.

Subd. 4. Disclosure. Notification by the commissioner to the successor under subdivision 2, paragraph (b), that the transferring business owes sales and withholding taxes, interest, and penalties or has returns that are due, or that there are no outstanding liabilities or returns other than the liabilities included on the lien, or of the current balance due to satisfy the lien, is not a disclosure violation under chapter 270B.

270.11 POWERS; MEETINGS.

Subdivision 1. To act as State Board of Equalization. The commissioner of revenue shall have and exercise all the rights, powers and authority by law vested in the State Board of Equalization, which board of equalization is hereby continued, with full power and authority to review, modify, and revise all of the acts and proceedings of the commissioner in so far as they relate to the equalization and valuation of property assessed for taxation, as prescribed by section 270.12.

Subd. 2. County assessor's reports of assessment filed with commissioner. Each county assessor shall file by April 1 with the commissioner of revenue a copy of the abstract that will be acted upon by the local and county boards of review. The abstract must list the real and personal property in the county itemized by assessment districts. The assessor of each county in the state shall file with the commissioner, within ten working days following final action of the local board of review or equalization and within five days following final action of the county board of equalization, any changes made by the local or county board. The information must be filed in the manner prescribed by the commissioner. It must be accompanied by a printed or typewritten copy of the proceedings of the appropriate board.

The final abstract of assessments after adjustments by the State Board of Equalization and inclusion of any omitted property shall be submitted to the commissioner of revenue on or before September 1 of each calendar year. The final abstract must separately report the captured tax capacity of tax increment financing districts under section 469.177, subdivision 2, the metropolitan revenue contribution value under section 473F.07, and the value subject to the power line credit under section 273.42.

Subd. 3. Special assessors, deputies; reassessments. The commissioner of revenue shall appoint a special assessor and deputies and cause to be made, in any year, a reassessment of all or any real and personal property, or either, in any assessment district, when in the commissioner's judgment such reassessment is desirable or necessary, to the end that any and all property in such district shall be assessed equitably as compared with like property in the county wherein such district is situated.

Subd. 4. Omitted property. The commissioner of revenue shall require the county auditor to carefully place upon the assessment rolls omitted property which may be discovered to have escaped assessment and taxation in previous years.

Subd. 5. Examination of complaints; proceedings. The commissioner of revenue shall receive complaints and carefully examine into all cases where it is alleged that property subject to taxation has not been assessed or has been fraudulently or for any reason improperly or unequally assessed, or the law in any manner evaded or violated, and cause to be instituted such proceedings as will remedy improper or negligent administration of the taxing of the state.

Subd. 6. Change of market values. The commissioner of revenue shall raise or lower the market value of any real or personal property, including the power to raise or lower the market value of the real or personal property of any individual, copartnership, company, association, or corporation; provided, that before any such assessment against the property of any individual, copartnership, company, association, or corporation is so raised, notice of an intention to raise such market value and of the time and place at which a hearing thereon will be held shall be given to such person, by mail, addressed to the person at the place of residence listed upon the assessment book, at least five days before the day of such hearing.

All relevant and material evidence concerning the market value of the real or personal property shall be submitted at the hearing, and the hearing shall not be a "contested case" within the meaning of section 14.02, subdivision 3. The person notified of the hearing, or any other person having an interest in the property, may present evidence and argument bearing upon the market value of the property.

Subd. 7. Appearances before the commissioner. A property owner, other than a public utility or mining company, for which the original assessments are determined by the commissioner of revenue, may not appear before the commissioner for the purposes provided in subdivision 5 or 6 unless a timely appearance in person, by counsel, or by written communication has been made before the county board of equalization as provided in section 274.13, to appeal the assessment of the property, or that the property owner can establish not receiving notice of market value at least five days before the local board of review meeting.

The commissioner may refuse to hear an appeal that is within the jurisdiction of the Small Claims Division of the Tax Court as stated in section 271.21, subdivision 2.

The property owner shall be notified by the commissioner of the right to appeal to the Small Claims Division whenever an appeal to the commissioner is denied.

270.12 STATE BOARD OF EQUALIZATION; DUTIES.

Subdivision 1. Commissioner of revenue constitutes board. The commissioner of revenue shall constitute the State Board of Equalization. The board may adjourn from day to day and employ necessary clerical assistance.

Subd. 2. Meeting dates; duties. The board shall meet annually between April 15 and June 30 at the office of the commissioner of revenue and examine and compare the returns of the assessment of the property in the several counties, and equalize the same so that all the taxable property in the state shall be assessed at its market value, subject to the following rules:

(1) The board shall add to the aggregate valuation of the real property of every county, which the board believes to be valued below its market value in money, such percent as will bring the same to its market value in money;

(2) The board shall deduct from the aggregate valuation of the real property of every county, which the board believes to be valued above its market value in money, such percent as will reduce the same to its market value in money;

(3) If the board believes the valuation for a part of a class determined by a range of market value under clause (8) or otherwise, a class, or classes of the real property of any town or district in any county, or the valuation for a part of a class, a class, or classes of the real property of any county not in towns or cities, should be raised or reduced, without raising or reducing the other real property of such county, or without raising or reducing it in the same ratio, the board may add to, or take from, the valuation of a part of a class, a class, or classes in any one or more of such towns or cities, or of the property not in towns or cities, such percent as the board believes will raise or reduce the same to its market value in money;

(4) The board shall add to the aggregate valuation of any part of a class, a class, or classes of personal property of any county, town, or city, which the board believes to be valued below the market value thereof, such percent as will raise the same to its market value in money;

(5) The board shall take from the aggregate valuation of any part of a class, a class, or classes of personal property in any county, town or city, which the board believes to be valued above the market value thereof, such percent as will reduce the same to its market value in money;

(6) The board shall not reduce the aggregate valuation of all the property of the state, as returned by the several county auditors, more than one percent on the whole valuation thereof;

(7) When it would be of assistance in equalizing values the board may require any county auditor to furnish statements showing assessments of real and personal property of any individuals, firms, or corporations within the county. The board shall consider and equalize such assessments and may increase the assessment of individuals, firms, or corporations above the amount returned by the county board of equalization when it shall appear to be undervalued, first giving notice to such persons of the intention of the board so to do, which notice shall fix a time and place of hearing. The board shall not decrease any such assessment below the valuation placed by the county board of equalization;

(8) In equalizing values pursuant to this section, the board shall utilize a 12-month assessment/sales ratio study conducted by the Department of Revenue containing only sales that are filed in the county auditor's office under section 272.115, by November 1

of the previous year and that occurred between October 1 of the year immediately preceding the previous year and September 30 of the previous year.

The assessment/sales ratio study may separate the values of residential property into market value categories. The board may adjust the market value categories and the number of categories as necessary to create an adequate sample size for each market value category. The board may determine the adequate sample size. To the extent practicable, the methodology used in preparing the assessment/sales ratio study must be consistent with the most recent Standard on Assessment Sales Ratio Studies published by the Assessment Standards Committee of the International Association of Assessing Officers. The board may determine the geographic area used in preparing the study to accurately equalize values. A sales ratio study separating residential property into market value categories may not be used as the basis for a petition under chapter 278.

The sales prices used in the study must be discounted for terms of financing. The board shall use the median ratio as the statistical measure of the level of assessment for any particular category of property; and

(9) The board shall receive from each county the estimated market values on the assessment date falling within the study period for all parcels by magnetic tape or other medium as prescribed by the commissioner of revenue.

Subd. 3. Jurisdictions in two or more counties. When a taxing jurisdiction lies in two or more counties, if the sales ratio studies prepared by the Department of Revenue show that the average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than five percent, the board may order the apportionment of the levy. When the sales ratio studies prepared by the Department of Revenue show that the average levels of assessment in the several portions of the taxing jurisdictions in the different counties differ by more than ten percent, the board shall order the apportionment of the levy unless (a) the proportion of total adjusted gross tax capacity in one of the counties is less than ten percent of the total adjusted gross tax capacity in the taxing jurisdiction and the average level of assessment in that portion of the taxing jurisdiction is the level which differs by more than five percent from the assessment level in any one of the other portions of the taxing jurisdiction; (b) significant changes have been made in the level of assessment in the taxing jurisdiction which have not been reflected in the sales ratio study, and those changes alter the assessment levels in the portions of the taxing jurisdiction so that the assessment level now differs by five percent or less; or (c) commercial, industrial, mineral, or public utility property predominates in one county within the taxing jurisdiction and another class of property predominates in another county within that same taxing jurisdiction. If one or more of these factors are present, the board may order the apportionment of the levy.

Notwithstanding any other provision, the levy for the Metropolitan Mosquito Control District, Metropolitan Council, metropolitan transit district, and metropolitan transit area must be apportioned without regard to the percentage difference.

If, pursuant to this subdivision, the board apportions the levy, then that levy apportionment among the portions in the different counties shall be made in the same proportion as the adjusted gross tax capacity as determined by the commissioner in each portion is to the total adjusted gross tax capacity of the taxing jurisdiction.

For the purposes of this section, the average level of assessment in a taxing jurisdiction or portion thereof shall be the aggregate assessment sales ratio. Gross tax capacities as determined by the commissioner shall be the gross tax capacities as determined for the year preceding the year in which the levy to be apportioned is levied.

Actions pursuant to this subdivision shall be commenced subsequent to the annual meeting on April 15 of the State Board of Equalization, but notice of the action shall be given to the affected jurisdiction and the appropriate county auditors by the following June 30.

Apportionment of a levy pursuant to this subdivision shall be considered as a remedy to be taken after equalization pursuant to subdivision 2, and when equalization

within the jurisdiction would disturb equalization within other jurisdictions of which the several portions of the jurisdiction in question are a part.

Subd. 4. **Public utility property.** For purposes of equalization only, public utility personal property shall be treated as a separate class of property notwithstanding the fact that its class rate is the same as commercial-industrial property.

Subd. 5. **Equalization orders.** The Board of Equalization may, pursuant to its responsibilities under subdivisions 2 and 3, issue orders to ensure that the results of local and county boards of equalization are consistent with the objective of state equalization. The board may issue, at its discretion, a supplemental order to amend, supersede, or correct a prior order of the board or an order of a local or county board. The supplemental order must be issued within 60 days of the order to be changed. The board may issue to a local or county board of equalization, within ten business days of the receipt of minutes of a local or county board of equalization, an order explaining the action that the state board believes will be necessary to effect the objective of state equalization.

270.13 RECORD OF PROCEEDINGS CHANGING GROSS TAX CAPACITY; DUTIES OF COUNTY AUDITOR.

A record of all proceedings of the commissioner of revenue affecting any change in the gross tax capacity of any property, as revised by the State Board of Equalization, shall be kept by the commissioner of revenue and a copy thereof, duly certified, shall be mailed each year to the auditor of each county wherein such property is situated, on or before June 30 or 30 days after submission of the abstract required by section 270.11, subdivision 2, whichever is later. This record shall specify the amounts or amount, or both, added to or deducted from the gross tax capacity of the real property of each of the several towns and cities, and of the real property not in towns or cities, also the percent or amount of both, added to or deducted from the several classes of personal property in each of the towns and cities, and also the amount added to or deducted from the assessments of individuals, copartnerships, associations, or corporations. The county auditor shall add to or deduct from such tract or lot, or portion thereof, of any real property in the county the required percent or amount, or both, on the gross tax capacity thereof as it stood after equalized by the county board, adding in each case a fractional sum of 50 cents or more, and deducting in each case any fractional sum of less than 50 cents, so that no gross tax capacity of any separate tract or lot shall contain any fraction of a dollar; and add to, or deduct from, the several classes of personal property in the county the required percent or amount, or both, on the gross tax capacity thereof as it stood after equalized by the county board, adding or deducting in manner aforesaid any fractional sum so that no gross tax capacity of any separate class of personal property shall contain a fraction of a dollar, and add to or deduct from assessments of individuals, copartnerships, associations, or corporations, as they stood after equalization by the county board, the required amounts to agree with the assessments as returned by the commissioner of revenue.

270.15 WITNESSES, HOW SWORN; FAILURE TO TESTIFY OR PRODUCE.

Oaths to witnesses in any matter under the investigation or consideration of the commissioner of revenue may be administered by the commissioner's secretary. In case any witness shall fail to obey any summons or appear before the commissioner of revenue or refuse to testify or answer any material questions or to produce records, books, papers, or documents when required so to do, such failure or refusal shall be reported to the attorney general, who shall thereupon proceed in the proper court to compel obedience to any summons or order of the commissioner of revenue, or to punish witnesses for any such neglect or refusal.

270.16 PROPERTY OMITTED OR UNDERVALUED; REASSESSMENT.

Subdivision 1. **Property omitted or undervalued.** When it shall be made to appear to the commissioner of revenue, by complaint or by the finding of a court or of the legislature, or either body of the legislature, or any committee of the legislature, or any city council or county board, that any considerable amount of property has been improperly omitted from the tax list or assessment roll of any district or county for any year, or, if assessed, that the same has been undervalued or overvalued, as compared with like property in the same county or in the state so that the assessment for such year in such district or county is grossly unfair and inequitable, whether or not the same has been equalized by the county board of equalization or the commissioner of revenue, the commissioner of revenue shall examine into the facts in the matter and, if satisfied therefrom that it would be for the best interests of the state that a reassessment of such property be made, the commissioner shall appoint a special assessor and such deputy assessors as may be necessary and cause a reassessment to be made of all or any of the real and personal property, or either, in any such district or county as the commissioner may deem best, to the end that all property in such district or county shall be assessed equitably as compared with like property in such district or county.

Subd. 2. **Failure to appraise.** When an assessor has failed to properly appraise at least one-quarter of the parcels of property in a district or county as provided in section 273.01, the commissioner of revenue shall appoint a special assessor and deputy assessor as necessary and cause a reappraisal to be made of the property due for reassessment in accordance with law.

History: (2370) 1907 c 408 s 16; 1909 c 294 s 2; 1965 c 185 s 1; 1973 c 123 art 5 s 7; 1973 c 582 s 3; 1975 c 437 art 8 s 1; 1976 c 334 s 6; 1986 c 444

270.17 QUALIFICATION OF ASSESSORS; REASSESSMENT, HOW MADE.

Every special assessor and deputy appointed under the provisions of section 270.16 shall subscribe and file with the commissioner of revenue an oath to faithfully and fairly perform the duties of office. Such special assessor, assisted by deputies, shall thereupon proceed to carefully examine and reassess the property so to be reassessed and prepare duplicate lists of such reassessment in such form as the commissioner of revenue may prescribe, showing the property or person so reassessed, the amount of the original assessment thereof made in such year, and opposite the same the reassessment so made by such special assessor. The special assessor shall file both copies of such list with the commissioner of revenue; and the commissioner of revenue shall thereupon examine, equalize, and correct such reassessment so as to substantially conform with the assessment of like property throughout the state and transmit to the auditor of the county wherein such reassessment was so made one copy of such reassessment by the commissioner so corrected and equalized. Such list shall for all purposes supersede and be in place of the original assessment made for such year upon such property and the county auditor, upon receipt thereof, shall extend and levy against such property so reassessed the taxes thereon for such year according to such reassessment in the same manner as though such list was the original assessment list of such property. Any person feeling aggrieved by an assessment so made against the person, or upon any

property at that time owned by the person, may appeal therefrom to the district court of the county in which such assessment is made. To render the appeal effective for any purpose, the appellant shall file a notice of the appeal with the auditor of such county within 30 days after the making of the assessment, which notice shall specify the ground upon which the appeal was taken, and no other or different service shall be required to perfect it. Upon the filing of the notice the county auditor shall make and file in the office of the court administrator of the district court a certified copy of the notice and of the particular assessment appealed from and notify the county attorney of such county of the pendency of the appeal. Thereupon the district court shall be deemed to have acquired jurisdiction of the matter and proceed to hear and determine it in like manner as other tax matters are tried and determined in the district courts of this state. The county attorney of such county shall appear for and defend the interests of the state in such matter.

270.18 REASSESSMENT; COMPENSATION; REIMBURSEMENT BY COUNTIES.

The compensation of each special assessor and deputies, appointed under the provisions of sections 270.11, subdivision 3, and 270.16, and the expenses as such, shall be fixed by the commissioner of revenue and paid out of money appropriated for operation of the Department of Revenue. The commissioner of revenue on August 1 shall notify the auditor of each affected county of the amount thereof paid on behalf of such county since August 1 of the preceding year, whereupon the county auditor shall levy a tax upon the taxable property in the assessment district or districts wherein such reassessment was made sufficient to pay the same. One-half of such tax shall be levied in the year in which the commissioner of revenue so notifies the county auditor and the remaining one-half shall be levied in the following year. The respective counties shall reimburse the state by paying one-half of the tax so assessed on or before July 1 and the remaining one-half on or before December 1 in the year in which the tax is payable by owner, whether or not the tax was collected by the county. The reimbursement shall be credited to the general fund. If any county fails to reimburse the state within the time specified herein, the commissioner of revenue is empowered to order withholding of state aids or distributions to such county equal to the amount delinquent.

270.19 MUNICIPALITIES TO BE PARTY TO TAX HEARINGS.

Any city, town, school district, or county (all of which governmental subdivisions shall be embraced in the word "municipality" as used hereinafter) may appear at and become a party to any proceedings before the commissioner of revenue held for the purpose of equalizing or assessing any real or personal property in such municipality, or reducing the net tax capacity of any such property. For that purpose any such municipality may employ counsel and disburse money for other expenses in connection with such proceedings, on duly itemized, verified claims, which shall be audited and allowed as now provided by law for the allowance of claims against a municipality. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing. Before granting any reduction in net tax capacity exceeding \$100,000, it shall be the duty of the commissioner of revenue, when any taxpayer or property owner has applied to the commissioner after June 30, 1983, for a reduction of the net tax capacity of any real or personal property in an amount exceeding \$100,000, to give written notice to the officials of the municipality

wherein such property is located and to permit such municipality to have reasonable opportunity to be heard at any proceedings concerning such reduction.

270.20 HEARINGS, REQUEST FOR, NOTICE OF, PREPARATION FOR.

Any such municipality may, at any time within ten days after the final adjournment of the county board of equalization of the county in which such municipality is located or within ten days after the filing with the auditor of such county of any order of the commissioner of revenue reducing the net tax capacity of any property in such municipality, file a written request with the commissioner of revenue for a hearing upon the equalization or assessment of any property within such municipality, specifying the property and the name and address of the owner thereof, as they appear from the assessment books. The commissioner of revenue shall thereupon order a hearing thereon and mail a notice stating the time and place of such hearing to the municipality and to the owner of such property. It shall be the duty of the commissioner of revenue, at the time of such hearing, to grant the municipality, at its request, such further reasonable time as may be necessary for such municipality to prepare for further hearing.

History: (2372-2) 1931 c 304 s 2; 1973 c 582 s 3; 1988 c 719 art 5 s 84; 1989 c 329 art 13 s 20

270.21 WITNESSES SUMMONED.

Upon any such hearing the commissioner of revenue shall, upon the request of such municipality or any party to such proceedings, issue subpoenas and summon witnesses to appear and give testimony, and to produce books, records, papers, and documents. For the purpose of preparing for and participating in such hearing the municipality shall have access to, and use of, all the data, records, and files of the commissioner of revenue pertaining to the property in question. Upon demand of any party a record shall be kept by the commissioner of revenue of all evidence offered or received upon such hearing, the cost thereof to be paid by the party making such demand.

History: (2372-3) 1931 c 304 s 3; 1973 c 582 s 3

270.22 FINDINGS OF FACT.

The commissioner of revenue shall determine the controversy upon the evidence produced at the hearing and shall make and file written findings of fact and an order determining the controversy. In the equalization and determination of net tax capacities, the findings and net tax capacities as given by the assessor of the local assessment district shall be considered as prima facie correct. Copies of the order and findings shall be mailed to all parties appearing at the hearing and to the auditor of the county in which the property is located. Any municipality which has appeared in the proceedings, and which is aggrieved by the order of the commissioner of revenue reducing the net tax capacity of any of the property, or failing to increase the net tax capacity, may have the order of the commissioner of revenue reviewed by appeal to the Court of Appeals, on either of the following grounds: (a) that the determination of the commissioner of revenue was not in accordance with the laws relating to the assessment of property, or that the commissioner of revenue committed any other error of law; or (b) that the findings of fact and determination of net tax capacity were unwarranted by or were contrary to the weight of the evidence.

Any owner of property who has appeared in the proceedings and who is aggrieved by the order of the commissioner of revenue raising the net tax capacity of the property, or failing to reduce the net tax capacity, may have the order of the

commissioner of revenue reviewed on appeal to the Court of Appeals in like manner and upon the same grounds as provided for review on the appeal of any municipality.

270.23 NOTICE OF APPEAL.

To secure review, the municipality shall, within 30 days after mailing of notice of the determination by the commissioner of revenue, serve upon the commissioner of revenue a notice of appeal to the Court of Appeals from the order of the commissioner of revenue and file the original, with proof of service, with the clerk of the appellate courts, paying the filing fee provided by law for appeals in civil actions. The filing of the notice of appeal shall vest the court with jurisdiction and the appeal shall be heard and disposed of as in other civil cases.

The court shall reverse or affirm the order of the commissioner of revenue or remand the cause to the commissioner of revenue for a new hearing or further proceedings or for other disposition, with further directions as the court deems proper.

270.24 APPEAL NOT TO STAY COLLECTION.

The institution of any such appeal from the order of the commissioner of revenue shall not operate to stay in any way proceedings for the assessment or collection of taxes against the property involved therein. Notwithstanding such appeal, the commissioner of revenue shall file with the auditor of the county in which such property is situated an order confirming, increasing, decreasing, or determining the net tax capacity thereof, and the county auditor shall extend and levy against such property, or the owner thereof, the taxes thereupon for such year according to such assessment, and all subsequent proceedings for the determination of the taxes and the collection thereof shall be taken as if no appeal from such order were pending. When the matter is finally determined on review a properly authenticated copy of the findings, order, or judgment shall be filed with the auditor of the county in which the land or property referred to in the proceedings is situated. If such order or judgment lowers the net tax capacity of the land or property referred to in the proceedings, the commissioner of revenue, upon petition of the owner, approved by the county board, shall abate so much of the taxes against such property as is attributable to the excessive net tax capacity thereof. If such tax has been paid, the county auditor, upon petition of the owner, approved by the county board and the commissioner of revenue, shall refund so much of such payment as is attributable to such excess net tax capacity. Upon such refund being made the county auditor shall charge the same to the state and the various governmental subdivisions thereof that participated in such excessive payment, in proportion to their respective shares therein, and deduct the same in the next tax apportionment.

History: (2372-7) 1931 c 304 s 7; 1973 c 582 s 3; 1986 c 444; 1988 c 719 art 5 s 84; 1989 c 329 art 13 s 20

270.25 INCREASE IN NET TAX CAPACITY; ADDITIONAL TAXES.

If such final order and judgment result in raising the net tax capacity of the property affected by the proceedings, the county officers shall, for the next ensuing year, in addition to the regular taxes levied for such ensuing year, levy, extend, and spread against such property, if real property, or against the owner thereof, if personal property, a tax equal to the difference between the taxes actually levied and extended against such property, or owner, for the year in question and the taxes which should have been levied or extended against such property, or owner, at the increased net tax capacity as finally determined.

270.26 PROCEEDINGS TO DETERMINE NET TAX CAPACITY.

The proceedings provided in this section are for determining the net tax capacity upon the basis of which taxes are spread against property, or its owner, in the first instance. The order of the commissioner of revenue, or the final order for judgment of the Court of Appeals on it, shall not be a bar to any defense against the taxes interposed at the time of the proceedings for judgment on them. All defenses which may be set up against the proceedings for judgment upon the taxes may be asserted notwithstanding the determination of the commissioner of revenue or the court. If the taxes are levied or extended pending review of the order of the commissioner of revenue by the court, a judgment entered upon the taxes in the tax delinquency proceedings shall not be a bar to the spreading of further taxes against the property for that year, in the event the net tax capacity of the property is raised as herein provided. In the proceedings for the collection of any taxes which include an additional levy because of the raising of the net tax capacity of any property, the owner may answer separately to the proceedings to obtain judgment for the excess levy.

270.27 DUE DATE ON SATURDAY, SUNDAY OR HOLIDAY.

When the last day prescribed by law for the payment of any tax to or the filing of any return, statement or document with the commissioner of revenue or the Department of Revenue falls on Saturday, Sunday or a legal holiday, the performance of such act shall be considered timely if it is performed on the next succeeding day which is not a Saturday, Sunday or legal holiday. For purposes of this section, the last day for the performance of the prescribed act shall be determined by including any authorized extension of time; the term "legal holiday" shall mean any day made a holiday in Minnesota by section 645.44, subdivision 5, or by the laws of the United States.

270.271 TIMELY MAILING TREATED AS TIMELY FILING AND PAYING.

Subdivision 1. **Date of delivery.** When a document, including a return, claim, or statement, is required to be filed, or a payment is required to be made to the commissioner within a prescribed period, or on or before a prescribed date, and if the document or payment is delivered by electronic means or by United States mail after the period or the date to the place prescribed for filing or payment, then the date of delivery or of payment is the date of the confirmation time-and-date stamp of the transaction, if delivered by electronic means, or the date of the United States postmark stamped on the cover in which the document or payment is mailed, if delivered by United States mail, as the case may be.

Subd. 2. **Mailing requirements.** Subdivision 1 applies only if:

(1) the postmark date falls within the prescribed period or on or before the prescribed date,

(i) for filing (including any extension granted for the filing) of the document, or

(ii) for making the payment (including any extension granted for making the payment); and

(2) the document or payment was within the time prescribed in clause (1), deposited in the mail in the United States in an envelope or other appropriate wrapper, postage prepaid, properly addressed to the office of the Department of Revenue with which the document is required to be filed or to which payment is required to be made.

Subd. 3. **Confirmation of electronic filing and payment and United States Postal Service postmark.** The confirmation numbers and confirmation time-and-date stamps received by the taxpayer following electronic payment or filing are proof of the payment authorization and filing dates. Only the postmark of the United States Postal Service, rather than those of private postage meters, qualifies as proof of timely mailing under this section. If the document or payment is sent by United States registered mail,

the date of registration shall be treated as the postmark date. If the document or payment is sent by United States certified mail and the sender's receipt is postmarked by the postal employee to whom the envelope containing such document or payment is presented, the date of the United States postmark on the receipt shall be treated as the postmark date of the document or payment.

Subd. 4. **Receipt date otherwise governs.** In any case in which the document or payment is not treated as timely filed or paid under this section, the date of receipt by the commissioner, and not the postmark date, shall govern for purposes of determining the amount of any penalties for late filing or payment.

Subd. 5. **Private delivery services.** A reference in this section to the United States mail shall be treated as including a reference to any designated delivery service, and any reference in this section to a postmark by the United States Postal Service shall be treated as including a reference to any date recorded or marked by any designated delivery service in accordance with section 7502(f) of the Internal Revenue Code.

270.272 PROCEDURES INVOLVING IN-PERSON TAXPAYER INTERVIEWS.

Subdivision 1. **Recording of interviews.** (a) In connection with an interview with a taxpayer relating to the audit or collection of a tax, and on advance request of the taxpayer, an employee of the Department of Revenue shall allow the taxpayer to make an audio recording of the interview at the taxpayer's expense and with the taxpayer's equipment.

(b) An employee of the department may record an interview described in paragraph (a) if the taxpayer is informed of the recording before the interview and a transcript or copy of the recording is made available to the taxpayer on the taxpayer's request, provided the department is reimbursed by the taxpayer for the cost of transcribing or copying the recording.

Subd. 2. **Safeguards.** (a) Before or at the start of an initial interview, an employee of the department shall provide to the taxpayer in the case of an audit interview an explanation of the audit process and the taxpayer's rights under that process and, in the case of a collection interview, an explanation of the collection process and the taxpayer's rights under that process.

(b) If a taxpayer requests to consult with an attorney, accountant, agent, preparer, or any other person permitted to represent the taxpayer before the department at any time during an interview, except an interview initiated by an administrative subpoena, the interview must be suspended for no more than 30 days.

Subd. 3. **Representatives holding power of attorney.** An attorney, accountant, agent, preparer, or any other person permitted to represent the taxpayer before the department who has a written power of attorney executed by the taxpayer may represent the taxpayer in an interview described in subdivision 1. The taxpayer may be required to accompany the representative only if an administrative subpoena is issued. In this instance, with the consent of an immediate supervisor and after ten days' notice to the representative, the department employee may notify the taxpayer directly that the employee believes the representative is unreasonably delaying the examination or investigation process.

Subdivision 1. **Authority to issue.** On application filed by a taxpayer with the Department of Revenue taxpayer's rights advocate, in the form, manner, and in the time prescribed by the commissioner, and after thorough investigation, the taxpayer's rights advocate may issue a taxpayer assistance order if, in the determination of the

taxpayer's rights advocate, the manner in which the state tax laws are being administered is creating or will create an unjust and inequitable result for the taxpayer.

Subd. 2. Terms of a taxpayer assistance order. A taxpayer assistance order may require the department within a specified time period to release property of the taxpayer levied on, cease any action, take any action as permitted by law, or refrain from taking any action to enforce the state tax laws against the taxpayer, until the issue or issues giving rise to the order have been resolved.

Subd. 3. Authority to modify or rescind. A taxpayer assistance order issued by the taxpayer's rights advocate under this section may be modified or rescinded by the commissioner.

Subd. 4. Suspension of running of period of limitation. The running of the period of limitation with respect to an action described in subdivision 2 is suspended from the date of the taxpayer assistance order until the expiration date of the order or, if modified, the expiration date of the modified order or, if rescinded, the date of the rescission.

Within 30 days after the written statement is provided or, if not provided, within 35 days after the assessment or levy, the taxpayer may request the commissioner to review the action taken. After a request for review, the commissioner shall determine whether the assessment or levy is reasonable and whether the amount assessed or demanded as a result of the action is appropriate under the circumstances.

Subd. 2. Judicial review. A determination by the commissioner under subdivision 1 is appealable to the Tax Court in the manner provided by law, and the appeal must be expeditiously heard by the court. If the court determines that the making of the assessment or levy is unreasonable, or that the amount assessed or demanded is inappropriate, the court may order the commissioner to release the levy, abate the assessment, redetermine in whole or in part the amount assessed or demanded, or take other action. A determination by the court under this subdivision is final and may not be appealed by either party.

Subd. 3. Burden of proof. In a proceeding under subdivision 2, the burden of proving that the assessment or collection of the tax was jeopardized by delay is on the commissioner. Regarding the issue of whether the amount assessed or demanded as a result of the action is appropriate, the commissioner shall provide a written statement explaining the basis for determining the amount, and the burden is on the taxpayer to show that the statement is incorrect or invalid.

The commissioner of revenue is authorized to enter into a tax refund agreement with the governing body of any federally recognized Indian reservation in Minnesota. The agreement may provide for a mutually agreed upon amount as a refund to the governing body of any sales or excise tax paid by the total resident Indian population on or adjacent to a reservation into the state treasury, or for an amount which measures the economic value of an agreement by the tribal government to pay the equivalent of the state sales tax on items included in the sales tax base but exempt on the reservation, notwithstanding any other law which limits the refundment of taxes. The total resident Indian population on or adjacent to a reservation shall be defined according to the United States Department of the Interior,

Bureau of Indian Affairs, as determined and stated in its Report on Service Population and Labor Force.

Subd. 2. **Sales, use, and excise taxes.** (a) The commissioner of revenue is authorized to enter into a tax agreement with the governing body of any federally recognized Indian reservation in Minnesota, that provides for the state and the tribal government to share sales, use, and excise tax revenues generated from on reservation activities of non-Indians and off reservation activities of members of the reservation. Every agreement entered into pursuant to this subdivision must require the commissioner of revenue to collect all state and tribal taxes covered by the agreement.

(b) The commissioner of revenue is authorized to collect any tribal taxes imposed pursuant to any agreement entered into pursuant to this subdivision and to make payments authorized by the agreement to the tribal government from the funds collected.

(c) The commissioner shall pay to the tribal government its share of the taxes collected pursuant to the agreement, as indicated in the agreement, and grant the taxpayer a credit for the taxpayer's share of the amount paid to the tribal government against the taxpayer's Minnesota tax.

Subd. 3. **Appropriation.** There is annually appropriated from the general fund to the commissioner of revenue the amounts necessary to make the refunds provided in this section.

Subd. 4. **Payments to counties.** (a) The commissioner shall pay to a county in which an Indian gaming casino is located:

(1) ten percent of the state share of all taxes generated from activities on reservations and collected under a tax agreement under this section with the tribal government for the reservation located in the county; or

(2) five percent of excise taxes collected by the state that are determined by the Department of Revenue to have been generated from activities on a reservation located in the county, the tribal government of which does not have a tax agreement under this section and did not have a tax agreement on June 30, 2003.

If the tribe has casinos located in more than one county, the payment must be divided equally among the counties in which the casinos are located.

(b) The commissioner shall make the payments required under this subdivision by February 28 of the year following the year the taxes are collected.

(c) An amount sufficient to make the payments authorized by this subdivision is annually appropriated from the general fund to the commissioner.

Subd. 5. **Fees; appropriation.** (a) The commissioner may enter into an agreement with the governing body of any federally recognized Indian reservation in Minnesota concerning fees administered by the commissioner that are paid by the tribe, members of the tribe, or persons who conduct business with the tribe, or otherwise imposed on on-reservation activities. The agreement may provide for the refund or sharing of the fee. The commissioner may make any payments required by the agreement from the fees collected.

(b) Each head of an agency, board, or other governmental entity that administers a program that is funded by fees administered by the commissioner may sign an agreement entered into by the commissioner under this subdivision. An agreement is not valid until signed by the head of each agency, board, or other governmental entity that administers a program funded by the particular fee covered in an agreement and by the commissioner of revenue.

(c) There is annually appropriated to the commissioner of revenue from the funds for which the fees are collected the amounts necessary to make payments as provided in this subdivision.

270.65 DATE OF ASSESSMENT; DEFINITION.

For purposes of taxes administered by the commissioner, the term "date of assessment" means the date a liability reported on a return was entered into the records of the commissioner or the date a return should have been filed, whichever is later; or, in the case of taxes determined by the commissioner, "date of assessment" means the date of the order assessing taxes or date of the return made by the commissioner; or, in the case of an amended return filed by the taxpayer, the assessment date is the date additional liability reported on the return, if any, was entered into the records of the commissioner; or, in the case of a check from a taxpayer that is dishonored and results in an erroneous refund being given to the taxpayer, remittance of the check is deemed to be an assessment and the "date of assessment" is the date the check was received by the commissioner.

270.651 [Repealed, 1990 c 480 art 1 s 45]

270.652 ALLOCATION OF PAYMENT.

In the discretion of the commissioner of revenue, payments received for taxes may be credited first to the oldest liability not secured by a judgment or lien. For liabilities to which payments are applied, the commissioner may credit payments first to penalties, next to interest, and then to the tax due.

History: 1990 c 480 art 2 s 4

270.66 RIGHT OF SETOFF.

Subdivision 1. **Certification by commissioner.** Upon certification by the commissioner of revenue to the commissioner of finance, or to any state agency described in subdivision 3 which disburses its own funds, within ten years after the date of assessment of the tax, that a taxpayer has an uncontested delinquent tax liability owed to the commissioner of revenue, the commissioner of finance or the state agency shall apply to such delinquent tax liability funds sufficient to satisfy such unpaid tax liability from funds appropriated for payment of an obligation of the state or any of its agencies that are due and owing the taxpayer, provided however, that such credit shall not be made against any funds exempt under section 550.37 or those funds owed an individual taxpayer who receives assistance under the provisions of chapter 256.

Subd. 2. **Setoff satisfies state obligation.** All funds, whether general or dedicated, shall be subject to setoff in the manner herein provided. Transfer of funds as herein provided is payment of the obligation of the state or any of its agencies to such taxpayer and any actions for said funds, if any, shall be had against the Department of Revenue on the issue of such tax liability. Nothing in this section shall be construed to limit the previously existing right of the state or any of its agencies to setoff.

Subd. 3. **Agencies shall maintain records.** Notwithstanding any provision to the contrary, every person, organization, or corporation doing business (hereafter called vendor) with the state of Minnesota or any of its departments, agencies, or educational institutions including the University of Minnesota (all hereafter called agency) shall provide that agency with either their Social Security number, federal taxpayer identification number, or Minnesota tax identification number. The commissioner may verify to the agency the identifying information provided by a vendor. The agency shall maintain records of this information, and shall make these records available, on request, to the commissioner for the sole purpose of identifying people who have not filed state tax returns or who have not paid uncontested state tax liabilities (hereafter called delinquent taxpayer). When an agency is notified by the commissioner that a vendor is a delinquent taxpayer, payments shall not be made by the agency to the vendor until the commissioner notifies the agency that the vendor no longer is a delinquent taxpayer. Furthermore, if the vendor has an uncontested delinquent tax liability, the setoff provided in subdivision 1 may be implemented. The commissioner

shall determine that a vendor no longer is a delinquent taxpayer when the vendor has filed all delinquent state tax returns, paid all uncontested state tax liabilities or entered into an agreement with the commissioner which provides for the payment of these liabilities.

Subd. 4. **Political subdivision debts.** (a) As used in this subdivision, "political subdivision" means counties and home rule charter or statutory cities, and "debts" means a legal obligation to pay a fixed amount of money, which equals or exceeds \$100 and which is due and payable to the claimant political subdivision.

(b) If one political subdivision owes a debt to another political subdivision, and the debt has not been paid within six months of the date when payment was due, the creditor political subdivision may notify the commissioner of revenue of the debt, and shall provide the commissioner with information sufficient to verify the claim. If the commissioner has reason to believe that the claim is valid, and the debt has not been paid, the commissioner shall initiate setoff procedures under this subdivision.

(c) Within ten days of receipt of the notification from the creditor political subdivision, the commissioner shall send a written notice to the debtor political subdivision, advising it of the nature and amount of the claim. This written notice shall advise the debtor of the creditor political subdivision's intention to request setoff of the refund against the debt.

The notice will also advise the debtor that the debt can be setoff against a state aid payment, and will advise the debtor of the right to contest the validity of the claim at a hearing. The debtor must assert this right by written request to the commissioner of revenue, which request the commissioner must receive within 45 days of the mailing date of the notice.

(d) If the commissioner receives written notice of a debtor political subdivision's intention to contest at hearing the claim upon which the intended setoff is based, the commissioner shall initiate a hearing according to contested case procedures established in the state Administrative Procedure Act not later than 30 days after receipt of the debtor's request for a hearing. The costs of the hearing shall be paid equally by the political subdivisions that are parties to the hearing. The Office of Administrative Hearings shall separately bill each political subdivision for one-half of the costs.

(e) If the debtor political subdivision does not object to the claim, or does not prevail in an objection to the claim or at a hearing on the claim, the commissioner of revenue shall deduct the amount of the debt from the next payment scheduled to be made to the debtor under section 273.1398 or chapter 477A. The commissioner shall remit the amount deducted to the claimant political subdivision.

270.67 AGREEMENTS REGARDING TAX LIABILITY OR EXTENSION OF PAYMENT OF TAX.

Subdivision 1. **Liability agreements.** The commissioner of revenue, or any officer or employee of the Department of Revenue authorized in writing by the commissioner, is authorized to enter into an agreement in writing with any taxpayer, or duly authorized agent or representative of the taxpayer, relating to the liability of the taxpayer in respect of any state tax administered by the commissioner for any taxable period ending prior to the date of the agreement. The agreement shall be final and conclusive and, except upon a showing of fraud or malfeasance, or misrepresentation of a material fact, the case shall not be reopened as to the matters agreed upon, or the agreement modified, by any officer, employee, or agent of the state; and, in any suit, action, or proceeding, the agreement, or any determination, assessment, collection, payment, abatement, refund, or credit made in accordance with the agreement, shall not be annulled, modified, set aside, or disregarded.

Subd. 2. **Extension agreements.** When any portion of any tax payable to the commissioner of revenue together with interest and penalty thereon, if any, has not been paid, the commissioner may extend the time for payment for a further period.

When the authority of this section is invoked, the extension shall be evidenced by written agreement signed by the taxpayer and the commissioner, stating the amount of the tax with penalty and interest, if any, and providing for the payment of the amount in installments. The agreement may contain a confession of judgment for the amount and for any unpaid portion thereof. If the agreement contains a confession of judgment, the confession of judgment must provide that the commissioner may forthwith enter judgment against the taxpayer in the district court of the county of residence as shown upon the taxpayer's tax return for the unpaid portion of the amount specified in the extension agreement. The agreement shall provide that it can be terminated, after notice by the commissioner, if information provided by the taxpayer prior to the agreement was inaccurate or incomplete, collection of the tax covered by the agreement is in jeopardy, there is a subsequent change in the taxpayer's financial condition, the taxpayer has failed to make a payment due under the agreement, or the taxpayer has failed to pay any other tax or file a tax return coming due after the agreement. The notice must be given at least 14 calendar days prior to termination, and shall advise the taxpayer of the right to request a reconsideration from the commissioner of whether termination is reasonable and appropriate under the circumstances. A request for reconsideration does not stay collection action beyond the 14-day notice period. If the commissioner has reason to believe that collection of the tax covered by the agreement is in jeopardy, the commissioner may proceed under sections 270.70, subdivision 2, paragraph (b), and 270.274, and terminate the agreement without regard to the 14-day period. The commissioner may accept other collateral the commissioner considers appropriate to secure satisfaction of the tax liability. The principal sum specified in the agreement shall bear interest at the rate specified in section 270.75 on all unpaid portions thereof until the same has been fully paid or the unpaid portion thereof has been entered as a judgment. The judgment shall bear interest at the rate specified in section 270.75. If it appears to the commissioner that the tax reported by the taxpayer is in excess of the amount actually owing by the taxpayer, the extension agreement or the judgment entered pursuant thereto shall be corrected. If after making the extension agreement or entering judgment with respect thereto, the commissioner determines that the tax as reported by the taxpayer is less than the amount actually due, the commissioner shall assess a further tax in accordance with the provisions of law applicable to the tax. The authority granted to the commissioner by this section is in addition to any other authority granted to the commissioner by law to extend the time of payment or the time for filing a return and shall not be construed in limitation thereof.

Subd. 3. **Consent agreement.** A taxpayer shall have the right at any time, whether or not an order has been issued, to sign and deliver to the commissioner a written consent to a change in tax liability which waives the requirement of any additional notice and all rights of appeal to the Tax Court concerning the assessment and collection of any part or all of the tax liability.

Subd. 4. **Offer-in-compromise and installment payment program.** (a) In implementing the authority provided in subdivision 2 or in sections 8.30 and 16D.15 to accept offers of installment payments or offers-in-compromise of tax liabilities, the commissioner of revenue shall prescribe guidelines for employees of the Department of Revenue to determine whether an offer-in-compromise or an offer to make installment payments is adequate and should be accepted to resolve a dispute. In prescribing the guidelines, the commissioner shall develop and publish schedules of national and local allowances designed to provide that taxpayers entering into a compromise or payment agreement have an adequate means to provide for basic living expenses. The guidelines must provide that the taxpayer's ownership interest in a motor vehicle, to the extent of the value allowed in section 550.37, will not be considered as an asset; in the case of an offer related to a joint tax liability of spouses, that value of two motor vehicles must be excluded. The guidelines must provide that employees of the department shall determine, on the basis of the facts and circumstances of each taxpayer, whether the use of the schedules is appropriate and that employees must not use the schedules to the

extent the use would result in the taxpayer not having adequate means to provide for basic living expenses. The guidelines must provide that:

(1) an employee of the department shall not reject an offer-in-compromise or an offer to make installment payments from a low-income taxpayer solely on the basis of the amount of the offer; and

(2) in the case of an offer-in-compromise which relates only to issues of liability of the taxpayer:

(i) the offer must not be rejected solely because the commissioner is unable to locate the taxpayer's return or return information for verification of the liability; and

(ii) the taxpayer shall not be required to provide an audited, reviewed, or compiled financial statement.

(b) The commissioner shall establish procedures:

(1) that require presentation of a counteroffer or a written rejection of the offer by the commissioner if the amount offered by the taxpayer in an offer-in-compromise or an offer to make installment payments is not accepted by the commissioner;

(2) for an administrative review of any written rejection of a proposed offer-in-compromise or installment agreement made by a taxpayer under this section before the rejection is communicated to the taxpayer;

(3) that allow a taxpayer to request reconsideration of any written rejection of the offer or agreement to the commissioner of revenue to determine whether the rejection is reasonable and appropriate under the circumstances; and

(4) that provide for notification to the taxpayer when an offer-in-compromise has been accepted, and issuance of certificates of release of any liens imposed under section 270.69 related to the liability which is the subject of the compromise.

270.68 LEGAL ACTION; CONFESSION OF JUDGMENT.

Subdivision 1. **Legal action.** (a) In addition to all other methods authorized by law for the collection of tax, if any tax payable to the commissioner of revenue or to the Department of Revenue, including penalties and interest thereon, is not paid within 60 days after it is required by law to be paid, the commissioner of revenue may proceed under this subdivision. Within five years after the date of assessment of the tax or at any time a lien filed under section 270.69 is enforceable, or, if the action is to renew or enforce a judgment, at any time before the judgment's expiration, the commissioner may bring an action in court against the person liable for the payment or collection of the tax, in the name of the state, for the recovery of the tax and interest and penalties due in respect thereof. The action may be commenced by the commissioner in the same manner as any other civil action.

(b) The commissioner may also serve the summons and complaint by mailing a copy to the taxpayer's last known address by certified mail. Service by certified mail is complete when mailed in acceptable form with the United States Postal Service or with the central mail system of the state of Minnesota.

(c) The commissioner may call upon the county attorney or the attorney general to conduct the proceedings on behalf of the state. If a proceeding is referred to a county attorney, and the county attorney fails to issue or cause to be issued an indictment or criminal complaint within 30 days after the referral by the commissioner, the attorney general may conduct the proceeding.

Subd. 2. **Appeals.** Either party to an action or a judgment for the recovery of any taxes, interest, or penalties under subdivision 1 may appeal the judgment as in other civil cases.

Subd. 3. **Tax presumed valid.** The tax, as assessed by the commissioner, with any penalties included therein, shall be presumed to be valid and correctly determined and assessed, and the burden shall be upon the taxpayer to show its incorrectness or

invalidity. A statement filed by the commissioner showing the amount of the tax and penalties as determined or assessed by the commissioner, is admissible in evidence and shall establish prima facie the facts set forth therein.

Subd. 4. **Confession of judgment.** (a) The commissioner may, within 3-1/2 years after any return or report is filed, notwithstanding section 541.09, enter judgment on any confession of judgment contained in the return or report after ten days' notice served upon the taxpayer by mail at the address shown in the return or report. The judgment shall be entered by the court administrator of district court upon the filing of a photocopy or similar reproduction of that part of the return or report containing the confession of judgment along with a statement of the commissioner or an agent that the tax has not been paid. The commissioner may prescribe the words for the confession of judgment statement contained on the return or report.

(b) Notwithstanding any other provision of the law to the contrary, the commissioner may, within five years after a written agreement is signed by the taxpayer and the commissioner under the provisions of section 270.67, subdivision 2, enter judgment on the confession of judgment contained within the agreement after ten days' notice served upon the taxpayer at the address shown in the agreement. Such judgment shall be entered by the court administrator of district court upon the filing of the agreement or a certified copy thereof along with a statement of the commissioner or an agent that the tax has not been paid.

270.69 LIEN FOR TAXES.

Subdivision 1. **Creation of lien.** The tax imposed by any chapter administered by the commissioner of revenue, and interest and penalties imposed with respect thereto, including any recording fees, sheriff fees, or court costs that may accrue, shall become a lien upon all the property within this state, both real and personal, of the person liable for the payment or collection of the tax, except property exempt under subdivision 3, from and after the date of assessment of the tax.

Subd. 2. **Filing of liens necessary for enforceability against certain persons; methods of filing; fees.** (a) The lien imposed by subdivision 1 is not enforceable against any purchaser, mortgagee, pledgee, holder of a Uniform Commercial Code security interest, mechanic's lienor, or judgment lien creditor whose interest has been duly perfected or is a conveyance or interest entitled to protection against judgments and attachments under section 507.34 or under any other applicable provisions of state law, until a notice of lien has been filed by the commissioner of revenue in the office of the county recorder of the county in which real property is situated, or in the case of personal property in the Office of the Secretary of State.

(b)(1) Notices of liens, and lien releases, transcriptions, and renewals, in a form prescribed by the commissioner of revenue, may be filed with the county recorder or the secretary of state by mail, personal delivery, or by electronic transmission by the commissioner or a delegate into the computerized filing system of the secretary of state. The secretary of state shall transmit the notice electronically to the office of the county recorder, if that is the place of filing, in the county or counties shown on the computer entry. The filing officer, whether the county recorder or the secretary of state, shall endorse and index a printout of the notice in the same manner as if the notice had been mailed or delivered.

(2) County recorders and the secretary of state shall enter information relative to lien notices, transcriptions, renewals, and releases filed in their offices into the central database of the secretary of state. For notices filed electronically with the county recorders, the date and time of receipt of the notice and county recorder's file number, and for notices filed electronically with the secretary of state, the secretary of state's recording information, must be entered by the filing officer into the central database

before the close of the working day following the day of the original data entry by the Department of Revenue.

The filing and indexing of all notices must be in accordance with the filing and indexing of notices of federal liens, certificates of release, and refiled notices under section 272.483.

(c) Notwithstanding any other law to the contrary, the Department of Revenue is exempt from payment of fees when a lien, lien renewal, or lien transcription is offered for recording. The recording fees must be paid along with the release fee at the end of the month in which the release of lien is recorded, after receipt of a monthly statement from a county recorder or the secretary of state. The Department of Revenue shall add the recording fees to the delinquent tax liability of the taxpayer. Notwithstanding any other law to the contrary, the fee for filing or recording a notice of lien, or lien release, transcription, or renewal is \$15.

(d) There is appropriated to the commissioner of revenue an amount representing the cost of payment of recording fees to the county recorders and the secretary of state. The commissioner shall keep a separate accounting of the costs and of payments for recording fees remitted by taxpayers, and make the records available to the legislature upon request.

Subd. 3. Exempt property. The lien imposed on personal property by this section, even though properly filed, is not enforceable: (1) against a purchaser with respect to tangible personal property purchased at retail in the ordinary course of the seller's trade or business, unless at the time of purchase the purchaser intends the purchase to or knows the purchase will hinder, evade, or defeat the collection of a tax; or (2) against the personal property listed as exempt in sections 550.37, 550.38, and 550.39.

Subd. 4. Period of limitations. The lien imposed by this section shall, notwithstanding any other provision of law to the contrary, be enforceable from the time the lien arises and for ten years from the date of filing the notice of lien, which must be filed by the commissioner within five years after the date of assessment of the tax or final administrative or judicial determination of the assessment. A notice of lien filed in one county may be transcribed to any other county within ten years after the date of its filing, but the transcription shall not extend the period during which the lien is enforceable. A notice of lien may be renewed by the commissioner before the expiration of the ten-year period for an additional ten years. The taxpayer must receive written notice of the renewal.

Subd. 5. [Repealed, 1985 c 101 s 17]

Subd. 6. Enforceability of lien. The lien imposed by this section shall be enforceable by levy as authorized in section 270.70, or by judgment lien foreclosure as authorized in chapter 550.

Subd. 7. Notice of mortgage foreclosure or contract termination. In the case of a mortgage foreclosure upon real property commenced under chapter 580, or a termination of contract of sale of real property commenced under section 559.21, if the commissioner has filed a lien under this section before the foreclosure sale or date of termination, notice of the mortgage foreclosure or termination of contract of sale shall be mailed to the commissioner not less than 25 days prior to the foreclosure sale or date of termination. Provided, notice need not be given pursuant to this subdivision if the lien of the commissioner has been filed within 30 days or less prior to the foreclosure sale or date of termination. The notice must contain the following information: (1) the name and address of the taxpayer; (2) a copy of the notice of mortgage foreclosure or contract for deed cancellation; (3) a copy of the lien filed by the commissioner; (4) the total unpaid balance of the mortgage or contract for deed; (5) a legal description of the property; and (6) the fair market value of the property.

Subd. 8. Filing entitlement. Execution of notices of liens or of other notices affecting state tax liens by the original or facsimile signature of the commissioner of revenue or a delegate entitles them to be filed, and no other attestation, certification, or acknowledgment is necessary. For purposes of this subdivision, transmission of notices under subdivision 2, paragraph (b), clause (1), constitutes execution.

Subd. 9. **Lien search fees.** Upon request of any person, the filing officer shall issue a certificate showing whether there is recorded in that filing office, on the date and hour stated in the certificate, any notice of lien or certificate or notice affecting any lien filed on or after ten years before the date of the search certificate, naming a particular person, and giving the date and hour of filing of each notice or certificate naming the person. The fee for a certificate shall be as provided by section 336.9-525 or 357.18, subdivision 1, clause (3). Upon request, the filing officer shall furnish a copy of any notice of state lien, or notice or certificate affecting a state lien, for a fee of 50 cents per page.

Subd. 10. **Limitation for homestead property.** A lien imposed under this section upon property defined as homestead property in sections 510.01 and 510.02 may not be enforced against homestead property by levy under section 270.70, or by judgment lien foreclosure under chapter 550, but notwithstanding section 510.07, is enforceable against the proceeds from the sale, conveyance, or transfer of the homestead.

Subd. 11. **Erroneous liens.** After the filing of a notice of lien under this section on the property or rights to property of a person, the person may appeal to the commissioner, in the form and at the time prescribed by the commissioner, alleging an error in the filing of the lien and requesting its release. If the commissioner determines that the filing of the notice of any lien was erroneous, within 14 days after the determination, the commissioner must issue a certificate of release of the lien. The certificate must include a statement that the filing of the lien was erroneous. In the event that the lien is erroneous and is not released within the 14-day period, reasonable attorney fees shall be paid. Damages must be paid in accordance with section 3.736, subdivision 7. Even if a lien is not erroneous, the commissioner may withdraw the lien if the filing of the lien was premature or not in accordance with administrative procedures of the commissioner, or withdrawal of the lien will facilitate the collection of the tax liability.

Subd. 12. **Lien release fee.** A fee of \$25 must be paid to the commissioner of revenue for each duplicate of an original release of lien.

Subd. 13. **Forty-five day rule.** A notice of tax lien filed under this section has priority over a security interest arising under article 9 of the Uniform Commercial Code that is perfected before the date of filing of the lien imposed by this section, but only if:

- (1) the perfected security interest secures property acquired by the taxpayer or advances made by the secured party after the notice of tax lien is filed; and
- (2) the property is acquired or the advance is made after the 45th day following the day on which the notice of tax lien is filed, or after the secured party has actual notice or knowledge of the tax lien filing, whichever is earlier.

Subd. 14. **Registered land.** When a lien is filed with a county recorder under subdivision 2, the county recorder shall search the registered land records in that county and cause the lien to be memorialized on every certificate of title or certificate of possessory title of registered land in that county which can be reasonably identified as owned by the taxpayer who is named on the lien. The fees for memorializing the lien shall be paid in the manner prescribed by subdivision 2, paragraph (c). The county recorders, and their employees and agents, shall not be liable for any loss or damages arising from failure to identify a parcel of registered land owned by the taxpayer who is named on the lien.

Subd. 15. **Assignment of liens.** The commissioner may sell and assign to a third party the right of redemption in specific real property for liens filed under this section. The redemption in the hands of the assignee shall not be enforceable by any of the collection remedies provided to the commissioner by law. The assignee is limited to the same rights of redemption the commissioner would have in any mortgage foreclosure proceeding, but in any bankruptcy proceeding does not obtain the priority of the commissioner as a tax claimant. Should the taxpayer or its assigns exercise the right of redemption the assignment by the commissioner is extinguished.

Subd. 16. **Attachment to proceeds of property.** Any lien imposed under this section attaches to the proceeds of property with the same priority that the lien has with respect to the property itself. "Proceeds of property" means proceeds from the sale, lease, license, exchange, or other disposition of the property, including insurance proceeds arising from the loss or destruction of the property.

270.691 PUBLICATION OF NAMES OF DELINQUENT TAXPAYERS.

Subdivision 1. **Commissioner may publish.** (a) Notwithstanding any other law, the commissioner may publish a list or lists of taxpayers who owe delinquent taxes or fees administered by the commissioner, and who meet the requirements of paragraph (b).

(b) For purposes of this section, a taxpayer may be included on a list if:

(1) the taxes or fees owed remain unpaid at least 180 days after the dates they were due;

(2) the taxpayer's total liability for the taxes and fees, including penalties, interest, and other charges, is at least \$5,000; and

(3) a tax lien has been filed or a judgment for the liability has been entered against the taxpayer before notice is given under subdivision 3.

(c) In the case of listed taxpayers that are business entities, the commissioner may also list the names of responsible persons assessed pursuant to section 270.101 for listed liabilities, who are not protected from publication by subdivision 2, and for whom the requirements of paragraph (b) are satisfied with regard to the personal assessment.

(d) Before any list is published under this section, the commissioner of revenue must certify in writing that each of the conditions for publication as provided in this section has been satisfied, and that procedures were followed to ensure the accuracy of the list and notice was given to the affected taxpayers.

Subd. 2. **Required and excluded taxpayers.** (a) The commissioner may publish lists of some or all of the taxpayers described in subdivision 1. A list must include the taxpayers with the largest unpaid liabilities of the kind used to define the list, subject to the limitations of paragraphs (b) and (c).

(b) For the purposes of this section, a tax or fee is not delinquent if:

(1) an administrative or court action contesting the amount or validity of the taxpayer's liability has been filed or served and is unresolved at the time when notice would be given under subdivision 3;

(2) an appeal period to contest the liability has not expired; or

(3) the liability is subject to a payment agreement and there is no delinquency in the payments required under the agreement.

(c) Unpaid liabilities are not subject to publication if:

(1) the commissioner is in the process of reviewing or adjusting the liability;

(2) the taxpayer is a debtor in a bankruptcy proceeding and the automatic stay is in effect;

(3) the commissioner has been notified that the taxpayer is deceased; or

(4) the time period for collecting the taxes or fees has expired.

Subd. 3. **Notice to taxpayer.** (a) At least 30 days before publishing the name of a delinquent taxpayer, the commissioner shall mail a written notice to the taxpayer, detailing the amount and nature of each liability and the intended publication of the information listed in subdivision 4 related to the liability. The notice must be mailed by first class and certified mail addressed to the last known address of the taxpayer. The notice must include information regarding the exceptions listed in subdivision 2 and must state that the taxpayer's information will not be published if the taxpayer pays the

delinquent obligation, enters into an agreement to pay, or provides information establishing that subdivision 2 prohibits publication of the taxpayer's name.

(b) After at least 30 days has elapsed since the notice was mailed and the delinquent tax or fee has not been paid and the taxpayer has not proved to the commissioner that subdivision 2 prohibits publication, the commissioner may publish in a list of delinquent taxpayers the information about the taxpayer that is listed in subdivision 4.

Subd. 4. Form of list. The list may be published by any medium or method. The list must contain the name, address, type of tax or fee, and period for which payment is due for each liability, including penalties, interest, and other charges owed by each listed delinquent taxpayer.

Subd. 5. Removal from list. The commissioner shall remove the name of a taxpayer from the list of delinquent taxpayers after the commissioner receives written notice of and verifies any of the following facts about the liability in question:

(1) the taxpayer has contacted the commissioner and arranged resolution of the liability;

(2) an active bankruptcy proceeding has been initiated for the liability;

(3) a bankruptcy proceeding concerning the liability has resulted in discharge of the liability; or

(4) the commissioner has written off the liability.

Subd. 6. Names published in error. If the commissioner publishes a name under subdivision 1 in error, the taxpayer whose name was erroneously published has a right to request a retraction and apology. If the taxpayer so requests, the commissioner shall publish a retraction and apology acknowledging that the taxpayer's name was published in error. The retraction and apology must appear in the same medium and the same format as the original list that contained the name listed in error.

Subd. 7. Payment of damages. Actions against the commissioner of revenue or the state of Minnesota arising out of the implementation of this program must be brought under section 270.276. If an action results in damages awarded to a taxpayer, the damages must be paid out of the Department of Revenue operating budget rather than in accordance with section 3.736, subdivision 7.

Subd. 8. [Repealed, 2003 c 127 art 8 s 13]

270.70 LEVY AND DISTRRAINT.

Subdivision 1. Authority of commissioner. If any tax payable to the commissioner of revenue or to the Department of Revenue is not paid when due, such tax may be collected by the commissioner of revenue within five years after the date of assessment of the tax, or if a lien has been filed, during the period the lien is enforceable, or if the tax judgment has been filed, within the statutory period of enforcement of a valid tax judgment, by a levy upon all property and rights to property, including any property in the possession of law enforcement officials, of the person liable for the payment or collection of such tax (except that which is exempt from execution pursuant to section 550.37 and amounts received under United States Code, title 29, chapter 19, as amended through December 31, 1989) or property on which there is a lien provided in section 270.69. For this purpose, the term "tax" shall include any penalty, interest, and costs properly payable. The term "levy" includes the power of distraint and seizure by any means; provided, no entry can be made upon the business premises or residence of a taxpayer in order to seize property without first obtaining a writ of entry listing the property to be seized and signed by a judge of the district court of the district in which the business premises or residence is located.

Subd. 2. Notice and demand; collection by levy; jeopardy collection. (a) Before a levy is made, notice and demand for payment of the amount due must be given to the person liable for the payment or collection of the tax at least 30 days prior to the levy. The notice required under this paragraph must be sent to the taxpayer's last known

MINNESOTA STATUTES 2004

address and must include a brief statement that sets forth in simple and nontechnical terms:

(1) the administrative appeals available to the taxpayer with respect to the levy and sale; and

(2) the alternatives available to the taxpayer that can prevent a levy, including installment payment agreements under section 270.67, subdivision 2.

(b) Notwithstanding the stay of collection provisions in sections 270.10, subdivision 5, and 289A.37, subdivision 1, paragraph (b), and the notice provisions in paragraph (a), if the commissioner has reason to believe that collection of the tax is in jeopardy, notice and demand for immediate payment of the tax may be made. If the tax is not paid, the commissioner may proceed to collect by levy or by filing a lien under section 270.69.

Subd. 3. Manner of execution and sale. In making the execution of the levy and in collecting the taxes due, the commissioner shall have all of the powers provided in chapter 550 and in any other law for purposes of effecting an execution against property in this state. The sale of property levied upon, and the time and manner of redemption therefrom, shall, to the extent not provided in sections 270.701 to 270.709, be governed by chapter 550. The seal of the court, subscribed by the court administrator, as provided in section 550.04, shall not be required. The levy for collection of taxes may be made whether or not the commissioner has commenced a legal action for collection of such taxes.

Subd. 4. Stay of sale. (a) Where a jeopardy assessment or any other assessment has been made by the commissioner, the property seized for collection of the tax shall not be sold until the time has expired for filing an appeal of the assessment with the Tax Court pursuant to chapter 271. If an appeal has been filed, no sale shall be made unless the taxes remain unpaid for a period of more than 30 days after final determination of the appeal by the Tax Court or by the appropriate judicial forum.

(b) Notwithstanding clause (a), seized property may be sold if

(i) the taxpayer consents in writing to the sale, or

(ii) the commissioner determines that the property is perishable or may become greatly reduced in price or value by keeping, or that such property cannot be kept without great expense.

The Tax Court has jurisdiction to review a determination made under clause (b)(ii). Review is commenced by motion of the commissioner or the taxpayer. The order of the court in response to the motion is reviewable in the same manner as any other decision of the Tax Court.

Subd. 5. Probate proceedings. Where a levy has been made to collect taxes pursuant to this section and the property seized is properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505 and maintained under full supervision of the court, such property shall not be sold until the probate proceedings are completed or until the court so orders.

Subd. 6. Bond or security to release seizure. The property seized shall be returned by the commissioner if the owner gives a surety bond equal to the appraised value of the owner's interest in the property, as determined by the commissioner, or deposits with the commissioner security in such form and amount as the commissioner deems necessary to insure payment of the liability, but not more than twice the liability.

Subd. 7. Injunction. Notwithstanding any other provision to the contrary, if a levy or sale pursuant to this section would irreparably injure rights in property which the court determines to be superior to rights of the state in such property, the district court may grant an injunction to prohibit the enforcement of such levy or to prohibit such sale.

Subd. 8. [Repealed, 1995 c 264 art 13 s 23]

Subd. 9. [Repealed, 1995 c 264 art 13 s 23]

Subd. 10. [Repealed, 1995 c 264 art 13 s 23]

Subd. 11. **Optional remedy.** Any action taken by the commissioner pursuant to this section shall not constitute an election by the state to pursue a remedy to the exclusion of any other remedy.

Subd. 12. **Equitable relief.** After the commissioner has seized the property of any person, that person may, upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable relief before the district court for the release of the property to the taxpayer upon such terms and conditions as the court may deem equitable.

Subd. 13. **Levy and sale by sheriff.** If any tax payable to the commissioner of revenue or to the Department of Revenue is not paid as provided in subdivision 2, the commissioner may, within the time periods provided in subdivision 1 for collection of taxes, delegate the authority granted by subdivision 1, by means of issuing a warrant to the sheriff of any county of the state commanding the sheriff, as agent for the commissioner, to levy upon and sell the real and personal property of the person liable for the payment or collection of the tax and to levy upon the rights to property of that person within the county, or to levy upon and seize any property within the county on which there is a lien provided in section 270.69, and to return the warrant to the commissioner and pay to the commissioner the money collected by virtue thereof by a time to be therein specified not less than 60 days from the date of the warrant. The sheriff shall proceed thereunder to levy upon and seize any property of the person and to levy upon the rights to property of the person within the county (except the person's homestead or that property which is exempt from execution pursuant to section 550.37), or to levy upon and seize any property within the county on which there is a lien provided in section 270.69. For purposes of the preceding sentence, the term "tax" shall include any penalty, interest and costs properly payable. The sheriff shall then sell so much of the property levied upon as is required to satisfy the taxes, interest, and penalties, together with the sheriff's costs; but the sales, and the time and manner of redemption therefrom, shall, to the extent not provided in sections 270.701 to 270.709, be governed by chapter 550. The proceeds of the sales, less the sheriff's costs, shall be turned over to the commissioner, who shall then apply the proceeds as provided in section 270.708.

Subd. 14. **Priority of levy.** Notwithstanding section 52.12, a levy by the commissioner made pursuant to the provisions of this section upon a taxpayer's funds on deposit in a financial institution located in this state, shall have priority over any unexercised right of setoff of the financial institution to apply the levied funds toward the balance of an outstanding loan or loans owed by the taxpayer to the financial institution. A claim by the financial institution that it exercised its right to setoff prior to the levy by the commissioner must be substantiated by evidence of the date of the setoff, and shall be verified by the sworn statement of a responsible corporate officer of the financial institution. Furthermore, for purposes of determining the priority of any levy made under this section, the levy shall be treated as if it were an execution made pursuant to chapter 550.

Subd. 15. **Effect of honoring levy.** Any person in possession of (or obligated with respect to) property or rights to property subject to levy upon which a levy has been made who, upon demand by the commissioner, surrenders the property or rights to property (or who pays a liability under section 270.7002, subdivision 1) shall be discharged from any obligation or liability to the person liable for the payment or collection of the delinquent tax with respect to the property or rights to property so surrendered or paid.

Subd. 16. **Notice of levy.** Notwithstanding any other provision of law to the contrary, the notice of any levy authorized by this section may be served by mail or by delivery by an employee or agent of the Department of Revenue.

Subd. 17. **Uneconomical levy.** No levy may be made on property if the amount of the expenses that the commissioner estimates would be incurred by the department with respect to the levy and sale of the property exceeds the fair market value of the property at the anticipated time of levy.

Subd. 18. **Levy on appearance date of subpoena.** No levy may be made on the property of a person on the day on which the person, or an officer or employee of the person, is required to appear in response to a subpoena issued by the commissioner to collect unpaid taxes, unless the commissioner determines that the collection of the tax is in jeopardy.

270.7001 CONTINUOUS LEVY.

Subdivision 1. **Authority.** The commissioner may, within five years after the date of assessment of the tax, or if a lien has been filed under section 270.69, within the statutory period for enforcement of the lien, give notice to a person, officer, or political subdivision or agency of the state to withhold the amount of any tax, interest, or penalties due from a taxpayer, or the amount due from an employer or person who has failed to withhold and transmit amounts due from any payments to the taxpayer, employer, or person. The amounts withheld shall be transmitted to the commissioner at the times the commissioner designates.

Subd. 2. **Levy continuous.** The levy made under subdivision 1 is continuous from the date the notice is received until (1) the amount due stated on the notice has been withheld or (2) the notice has been released by the commissioner under section 270.709, whichever occurs first.

Subd. 3. **Amount to be withheld.** The amount required to be withheld under this section is the least of:

- (1) the amount stated on the notice;
- (2) if the taxpayer, employer, or person is not a natural person, 100 percent of the payment;
- (3) if the taxpayer, employer, or person is an individual, 25 percent of the payment.

Subd. 4. **Payments covered.** For purposes of this section, the term payments does not include wages as defined in section 290.92 or funds in a deposit account as defined in section 336.9-102(a)(29). The term payments does include the following:

- (1) payments due for services of independent contractors, dividends, rents, royalties, residuals, patent rights, and mineral or other natural resource rights;
- (2) payments or credits under written or oral contracts for services or sales whether denominated as wages, salary, commission, bonus, or otherwise, if the payments are not covered by section 290.92, subdivision 23; and
- (3) any other periodic payments or credits resulting from an enforceable obligation to the taxpayer, employer, or person.

Subd. 5. **Determination of status; effect.** A determination of a person's status as an independent contractor under this section does not affect the determination of the person's status for the purposes of any other law or rule.

270.7002 PERSONAL LIABILITY FOR FAILURE TO HONOR A LEVY.

Subdivision 1. **Surrender of property subject to levy.** A person who fails or refuses to surrender property or rights to property subject to a levy served on the person under section 270.70, 270.7001, or 290.92, subdivision 23, is liable in an amount equal to the value of the property or rights not surrendered, or the amount of taxes, penalties, and interest for the collection of which the levy was made, whichever is less. A financial institution need not surrender funds on deposit until ten days after service of the levy.

Subd. 2. **Penalty.** In addition to the personal liability imposed by subdivision 1, if a person required to surrender property or rights to property fails to do so without

reasonable cause, the person is liable for a penalty equal to 25 percent of the amount under subdivision 1.

Subd. 3. **Person defined.** The term "person" as used in this section includes an officer or employee of a corporation or a member or employee of a partnership, who as such officer, employee, or member is under a duty to surrender the property or rights to property or to respond to the levy.

Subd. 4. **Order assessing liability.** The liability imposed by this section may, after demand to honor a levy has been made, be assessed by the commissioner within 60 days after service of the demand. The assessment may be based on information available to the commissioner. The assessment is presumed to be valid, and the burden is on the person assessed to show it is incorrect or invalid. An order assessing liability for failure to honor a levy is reviewable administratively under section 289A.65, and is appealable to Tax Court under chapter 271. The amount assessed, plus interest at the rate specified in section 270.75, may be collected by any remedy available to the commissioner for the collection of taxes. The proceeds collected are applied first to the liability of the original taxpayer to the extent of the liability under subdivision 1 plus interest, and then to the penalty under subdivision 2.

History: 1995 c 264 art 13 s 4

270.701 SALE OF SEIZED PROPERTY.

Subdivision 1. **Notice of seizure.** As soon as practicable after seizure of property, notice in writing shall be given by the commissioner of revenue to the owner of the property (or, in the case of personal property, the possessor thereof), and shall be served in like manner as a summons in a civil action in the district court. If the owner cannot be readily located, or has no dwelling or place of business within this state, the notice may be mailed to the last known address. The notice shall specify the sum demanded and shall contain, in the case of personal property, an account of the property seized and, in the case of real property, a description with reasonable certainty of the property seized.

Subd. 2. **Notice of sale.** The commissioner shall as soon as practicable after the seizure of the property give notice of sale of the property to the owner, in the manner of service prescribed in subdivision 1. In the case of personal property, the notice shall be served at least 10 days prior to the sale. In the case of real property, the notice shall be served at least four weeks prior to the sale. The commissioner shall also cause public notice of each sale to be made. In the case of personal property, notice shall be posted at least 10 days prior to the sale at the county courthouse for the county where the seizure is made, and in not less than two other public places. For purposes of this requirement, the Internet is a public place for posting the information. In the case of real property, six weeks' published notice shall be given prior to the sale, in a newspaper published or generally circulated in the county. The notice of sale provided in this subdivision shall specify the property to be sold, and the time, place, manner and conditions of the sale. Whenever levy is made without regard to the 30-day period provided in section 270.70, subdivision 2, public notice of sale of the property seized shall not be made within the 30-day period unless section 270.702 (relating to sale of perishable goods) is applicable.

Subd. 3. **Sale of indivisible property.** If any property liable to levy is not divisible, so as to enable the commissioner by sale of a part thereof to raise the whole amount of the tax and expenses, the whole of the property shall be sold.

Subd. 4. **Time and place of sale.** The time of sale shall be after the expiration of the notice periods prescribed in subdivision 2. The place of sale shall be within the county in which the property is seized, except by special order of the commissioner.

Subd. 5. **Manner and conditions of sale.** (a) Before the sale the commissioner shall determine a minimum price for which the property shall be sold, and if no person offers for the property at the sale the amount of the minimum price, the property shall be declared to be purchased at the minimum price for the state of Minnesota; otherwise the property shall be declared to be sold to the highest bidder. In determin-

ing the minimum price, the commissioner shall take into account the expense of making the levy and sale. The announcement of the minimum price determined by the commissioner may be delayed until the receipt of the highest bid.

(b) The sale shall not be conducted in any manner other than:

(i) by public auction,

(ii) by public sale under sealed bids, or

(iii) in the case of items which individually or in usually marketable units have a value of \$50 or less, by public or private proceedings as a unit or in parcels at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place, and terms must be commercially reasonable.

(c) In the case of seizure of several items of property, the items may be offered separately, in groups, or in the aggregate, and shall be sold under whichever method produces the highest aggregate amount, except that sales under paragraph (b), item (iii), must produce a reasonable amount under the circumstances.

(d) Payment in full shall be required at the time of acceptance of a bid, except that a part of the payment may be deferred by the commissioner for a period not to exceed 30 days.

(e) Other methods (including advertising) in addition to those prescribed in subdivision 2 may be used in giving notice of the sale.

(f) The commissioner may adjourn the sale from time to time for a period not to exceed 30 days.

(g) If payment in full is required at the time of acceptance of a bid and is not then and there paid, the commissioner shall forthwith proceed to again sell the property in the manner provided in this section. If the conditions of the sale permit part of the payment to be deferred, and if the part is not paid within the prescribed period, suit may be instituted against the purchaser for the purchase price or that part thereof as has not been paid, together with interest at the rate specified in section 549.09 from the date of the sale; or, in the discretion of the commissioner, the sale may be declared by the commissioner to be null and void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this section. In the event of a readvertisement and sale, any new purchaser shall receive the property or rights to property free and clear of any claim or right of the former defaulting purchaser, of any nature whatsoever, and the amount paid upon the bid price by the defaulting purchaser shall be forfeited.

Subd. 6. Right to request sale of seized property within 60 days. The owner of property seized by levy may request that the commissioner offer to sell the property within 60 days after the request, or within a longer period requested by the owner. The request must be complied with unless the commissioner determines and notifies the owner within that period that compliance is not in the best interests of the state of Minnesota. A determination by the commissioner not to comply with the request is appealable to the Tax Court in the manner provided by law.

Subd. 7. Sale of seized securities. (a) At the time of levy on securities, the commissioner shall provide notice to the taxpayer that the securities may be sold after ten days from the date of seizure.

(b) If the commissioner levies upon nonexempt publicly traded securities and the value of the securities is less than or equal to the total obligation for which the levy is done, after ten days the person who possesses or controls the securities shall liquidate the securities in a commercially reasonable manner. After liquidation, the person shall transfer the proceeds to the commissioner, less any applicable commissions or fees, or both, which are charged in the normal course of business.

(c) If the commissioner levies upon nonexempt publicly traded securities and the value of the securities exceeds the total amount of the levy, the owner of the securities may, within seven days after receipt of the department's notice of levy given pursuant to subdivision 1, instruct the person who possesses or controls the securities which securities are to be sold to satisfy the obligation. If the owner does not provide

instructions for liquidation, the person who possesses or controls the securities shall liquidate the securities in an amount sufficient to pay the obligation, plus any applicable commissions or fees, or both, which are charged in the normal course of business, beginning with the nonexempt securities purchased most recently. After liquidation, the person who possesses or controls the securities shall transfer to the commissioner the amount of money needed to satisfy the levy.

270.702 SALE OF PERISHABLE GOODS.

If the commissioner determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, the commissioner shall appraise the value of the property, and if the owner of the property can be readily found, the commissioner shall give the owner notice of the determination of the appraised value of the property. The property shall be returned to the owner if, within the time specified in the notice, the owner (a) pays to the commissioner an amount equal to the appraised value, or (b) gives bond in the form, with the sureties, and in the amount as the commissioner prescribes to pay the appraised amount at the time the commissioner determines to be appropriate in the circumstances. If the owner does not pay the amount or furnish the bond in accordance with this section, the commissioner shall as soon as practicable make public sale of the property in accordance with section 270.701.

History: 1982 c 523 art 2 s 18; 1986 c 444

270.703 REDEMPTION OF PROPERTY.

Subdivision 1. **Before sale.** Any person whose property has been levied upon shall have the right to pay the amount due, together with the expenses of the proceeding, if any, to the commissioner at any time prior to the sale thereof, and upon payment the commissioner shall restore the property to the person, and all further proceedings in connection with the levy on the property shall cease from the time of payment.

Subd. 2. **Redemption of real estate after sale.** The owners of any real property sold as provided in this section, their heirs, executors, or administrators, or any person having any interest therein, or a lien thereon, or any person in their behalf, shall be permitted to redeem the property sold, or any particular tract of the property, at any time within six months, or in case the real property sold exceeds ten acres in size, at any time within 12 months, after the sale thereof. The property or tract of property shall be permitted to be redeemed upon payment to the purchaser (or if not found in the county in which the property to be redeemed is situated, then to the commissioner, for the use of the purchaser, or the purchaser's heirs or assigns) of the amount paid by the purchaser together with interest at the rate of 20 percent per annum.

Subd. 3. **Record.** When any lands sold are redeemed as provided in this section, the commissioner shall cause entry of the fact to be made upon the record required by section 270.706 and the entry shall be evidence of the redemption.

History: 1982 c 523 art 2 s 19; 1986 c 444; 1991 c 291 art 16 s 6

270.704 CERTIFICATE OF SALE.

In the case of property sold as provided in section 270.701, the commissioner shall give to the purchaser a certificate of sale upon payment in full of the purchase price. In the case of real property the certificate shall set forth the real property purchased, for whose taxes the property was sold, the name of the purchaser, and the price paid. If real property is declared purchased by the state of Minnesota, the commissioner shall within ten days from the sale cause the certificate of sale to be duly recorded by the county recorder of the county in which the real property is located.

History: 1982 c 523 art 2 s 20

270.705 EFFECT OF CERTIFICATE OF SALE.

Subdivision 1. **Personal property.** (a) In all cases of sale pursuant to section 270.701 of personal property, the certificate of sale given pursuant to section 270.704 shall be prima facie evidence of the right of the commissioner to make the sale, and conclusive evidence of the regularity of the proceedings in making the sale. The certificate shall transfer to the purchaser all right, title, and interest of the party delinquent in and to the property sold.

(b) If the property consists of stocks, the certificate of sale shall be notice, when received, to any corporation, company, or association of the transfer, and shall be authority to the corporation, company, or association to record the transfer on its books and records in the same manner as if the stocks were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether canceled or not.

(c) If the subject of sale is securities or other evidences of debt, the certificate of sale shall be a good and valid receipt to the person holding the same, as against any person holding or claiming to hold possession of the securities or other evidences of debt.

(d) If the property consists of a motor vehicle, the certificate of sale shall be notice, when received, to the registrar of motor vehicles of this state of the transfer, and shall be authority to the registrar to record the transfer on the books and records in the same manner as if the certificate of title to the motor vehicle were transferred or assigned by the party holding the same, in lieu of any original or prior certificate, which shall be void, whether canceled or not.

Subd. 2. **Real property.** In the case of the sale of real property pursuant to section 270.701, the certificate of sale given pursuant to section 270.704 shall be prima facie evidence of the facts therein stated, and shall be considered and operate as a conveyance of all the right, title, and interest the party delinquent had in and to the real property thus sold at the time the lien of the state of Minnesota attached thereto.

Subd. 3. **Junior encumbrances.** A certificate of sale of personal property or real property given pursuant to section 270.704 shall discharge the property from all liens, encumbrances, and titles over which the lien of the state of Minnesota with respect to which the levy was made had priority.

The record shall set forth the tax for which the sale was made, the dates of seizure and sale, the name of the party assessed and all proceedings in making the sale, the amount of expenses, the names of the purchasers, and the date of the certificate of sale. A copy of the record, or any part thereof, certified by the commissioner shall be evidence in any court of the truth of the facts therein stated.

270.707 EXPENSE OF LEVY AND SALE.

The commissioner shall determine the expenses to be allowed in all cases of levy and sale.

History: 1982 c 523 art 2 s 23

270.708 APPLICATION OF PROCEEDS OF LEVY.

Subdivision 1. **Collection of liability.** Any money realized by proceedings under this chapter, whether by seizure, by surrender under section 270.70, by sale of seized property, by sale of property redeemed by the state of Minnesota (if the interest of the state of Minnesota in the property was a lien arising under the provisions of section 270.69), or by agreement, arrangement, or any other means shall be applied as follows:

(a) First, against the expenses of the proceedings; then

(b) If the property seized and sold is subject to a tax administered by the commissioner of revenue which has not been paid, the amount remaining after applying clause (a) shall next be applied against the tax liability (and, if the tax was not previously assessed, it shall then be assessed); and

(c) The amount, if any, remaining after applying clauses (a) and (b) shall be applied against the tax liability in respect of which the levy was made or the sale was conducted.

Subd. 2. **Surplus proceeds.** Any surplus proceeds remaining after the application of subdivision 1 shall, upon application and satisfactory proof in support thereof, be credited or refunded by the commissioner to the person or persons legally entitled thereto.

270.709 AUTHORITY TO RELEASE LEVY AND RETURN PROPERTY.

Subdivision 1. **Release of levy.** The commissioner shall release a levy on all or part of the property or rights to property levied on and shall promptly notify the person on whom the levy was made that the levy has been released if: (1) the liability for which the levy was made is satisfied or has become unenforceable by lapse of time; (2) release of the levy will facilitate collection of the liability; (3) the taxpayer has entered into an installment payment agreement under section 270.67, subdivision 2, unless the agreement provides otherwise, or unless release of the levy will jeopardize the status of the department as a secured creditor; or (4) the fair market value of the property exceeds the liability, and release of the levy on a part of the property can be made without hindering collection. In the case of tangible personal property essential in carrying on the trade or business of the taxpayer, the commissioner shall provide for an expedited determination under this subdivision. A release of levy under this subdivision does not prevent a subsequent levy on the property released.

Subd. 2. **Return of property.** If the commissioner determines that property has been wrongfully levied upon, it shall be lawful for the commissioner to return:

(a) The specific property levied upon, at any time;

(b) An amount of money equal to the amount of money levied upon, at any time before the expiration of nine months from the date of the levy; or

(c) An amount of money equal to the amount of money received by the state of Minnesota from a sale of the property, at any time before the expiration of nine months from the date of the sale.

For purposes of clause (c), if property is declared purchased by the state of Minnesota at a sale pursuant to section 270.701, subdivision 5 (relating to manner and conditions of sale), the state of Minnesota shall be treated as having received an amount of money equal to the minimum price determined pursuant to section 270.701, subdivision 5 or, if larger, the amount received by the state of Minnesota from the resale of the property.

History: 1982 c 523 art 2 s 25; 1990 c 604 art 1 s 18

270.71 ACQUISITION AND RESALE OF SEIZED PROPERTY.

For the purpose of enabling the commissioner of revenue to purchase or redeem seized property in which the state of Minnesota has an interest arising from a lien for unpaid taxes, or to provide for the operating costs of collection activities of the Department of Revenue, there is appropriated to the commissioner an amount representing the cost of such purchases, redemptions, or collection activities. Seized property acquired by the state of Minnesota to satisfy unpaid taxes shall be resold by the commissioner. The commissioner shall preserve the value of seized property while controlling it, including but not limited to the procurement of insurance. For the purpose of refunding the proceeds from the sale of levied or redeemed property which are in excess of the actual tax liability plus costs of acquiring the property, there is

hereby created a levied and redeemed property refund account in the agency fund. All amounts deposited into this account are appropriated to the commissioner of revenue. The commissioner shall report quarterly on the status of this program to the chairs of the house Taxes and Ways and Means Committees and senate Taxes and Tax Laws and Finance Committees.

270.72 TAX CLEARANCE; ISSUANCE OF LICENSES.

Subdivision 1. Tax clearance required. The state or a political subdivision of the state may not issue, transfer, or renew, and must revoke, a license for the conduct of a profession, occupation, trade, or business, if the commissioner notifies the licensing authority that the applicant owes the state delinquent taxes, penalties, or interest. The commissioner may not notify the licensing authority unless the applicant taxpayer owes \$500 or more in delinquent taxes or has not filed returns. If the applicant taxpayer does not owe delinquent taxes but has not filed returns, the commissioner may not notify the licensing authority unless the taxpayer has been given 90 days' written notice to file the returns or show that the returns are not required to be filed. A licensing authority that has received a notice from the commissioner may issue, transfer, renew, or not revoke the applicant's license only if (a) the commissioner issues a tax clearance certificate and (b) the commissioner or the applicant forwards a copy of the clearance to the authority. The commissioner may issue a clearance certificate only if the applicant does not owe the state any uncontested delinquent taxes, penalties, or interest and has filed all required returns.

Subd. 2. Definitions. For purposes of this section, the following terms have the meanings given.

(a) "Taxes" mean all taxes payable to the commissioner including penalties and interest due on the taxes.

(b) "Delinquent taxes" do not include a tax liability if (i) an administrative or court action which contests the amount or validity of the liability has been filed or served, (ii) the appeal period to contest the tax liability has not expired, or (iii) the applicant has entered into a payment agreement and is current with the payments.

(c) "Applicant" means an individual if the license is issued to or in the name of an individual or the corporation or partnership if the license is issued to or in the name of a corporation or partnership. "Applicant" also means an officer of a corporation, a member of a partnership, or an individual who is liable for delinquent taxes, either for the entity for which the license is at issue or for another entity for which the liability was incurred, or personally as a licensee. In the case of a license transfer, "applicant" also means both the transferor and the transferee of the license. "Applicant" also means any holder of a license.

(d) "License" means any permit, registration, certification, or other form of approval authorized by statute or rule to be issued by the state or a political subdivision of the state as a condition of doing business or conducting a trade, profession, or occupation in Minnesota, specifically including, but not limited to, a contract for space rental at the Minnesota state fair and authorization to operate concessions or rides at county and local fairs, festivals, or events.

(e) "Licensing authority" includes the Minnesota State Fair Board and county and local boards or governing bodies.

Subd. 3. Notice and hearing. (a) The commissioner, on notifying a licensing authority pursuant to subdivision 1 not to issue, transfer, or renew a license, must send a copy of the notice to the applicant. If the applicant requests, in writing, within 30 days of the date of the notice a hearing, a contested case hearing must be held. The hearing must be held within 45 days of the date the commissioner refers the case to the Office of Administrative Hearings. Notwithstanding any law to the contrary, the applicant must be served with 20 days' notice in writing specifying the time and place of

the hearing and the allegations against the applicant. The notice may be served personally or by mail.

(b) Prior to notifying a licensing authority pursuant to subdivision 1 to revoke a license, the commissioner must send a notice to the applicant of the commissioner's intent to require revocation of the license and of the applicant's right to a hearing under paragraph (a). A license is subject to revocation when 30 days have passed following the date of the notice in this paragraph without the applicant requesting a hearing, or, if a hearing is timely requested, upon final determination of the hearing under section 14.62, subdivision 1. A license shall be revoked by the licensing authority within 30 days after receiving notice from the commissioner to revoke.

(c) A hearing under this subdivision is in lieu of any other hearing or proceeding provided by law arising from any action taken under subdivision 1.

Subd. 4. Licensing authority; duties. All licensing authorities must require the applicant to provide the applicant's Social Security number and Minnesota business identification number on all license applications. Upon request of the commissioner, the licensing authority must provide the commissioner with a list of all applicants, including the name, address, business name and address, Social Security number, and business identification number of each applicant. The commissioner may request from a licensing authority a list of the applicants no more than once each calendar year.

When a foreign corporation authorized to do business in this state under chapter 303, or a foreign limited liability company or partnership authorized to do business in this state under chapter 322B, fails to comply with any tax laws administered by the commissioner of revenue, the commissioner may serve the secretary of state with a certified copy of an order finding such failure to comply. The secretary of state, upon receipt of the order, shall revoke the certificate of authority to do business in this state, and shall reinstate the certificate under section 303.19 or section 322B.960, subdivision 6, only when the corporation or limited liability company or partnership has obtained from the commissioner an order finding that the corporation or limited liability company or partnership is in compliance with state tax law. An order requiring revocation of a certificate shall not be issued unless the commissioner gives the corporation or limited liability company or partnership 30 days' written notice of the proposed order, specifying the violations of state tax law, and affording an opportunity to request a contested case hearing under chapter 14.

Subdivision 1. Posting, notice. Pursuant to the authority to disclose under section 270B.12, subdivision 4, the commissioner shall, by the 15th of each month, submit to the commissioner of public safety a list of all taxpayers who are required to pay, withhold, or collect the tax imposed by section 290.02, 290.0922, 290.92, 290.9727, 290.9728, 290.9729, or 297A.62, or local sales and use tax payable to the commissioner of revenue, or a local option tax administered and collected by the commissioner of revenue, and who are ten days or more delinquent in either filing a tax return or paying the tax.

The commissioner of public safety shall post the list in the same manner as provided in section 340A.318, subdivision 3. The list will prominently show the date of

posting. If a taxpayer previously listed files all returns and pays all taxes then due, the commissioner shall notify the commissioner of public safety within two business days.

Subd. 2. **Sales prohibited.** Beginning the third business day after the list is posted, no wholesaler, manufacturer, or brewer may sell or deliver any product to a taxpayer included on the posted list.

Subd. 3. **Penalty.** A wholesaler, manufacturer, or brewer of intoxicating liquor or 3.2 percent malt liquor who violates subdivision 2 is subject to the penalties provided in section 340A.304.

- (1) state taxes;
- (2) estimated tax deposits;
- (3) penalties;
- (4) interest;
- (5) additions to taxes; and
- (6) fees.

(b) The commissioner may impose a fee on each transaction under paragraph (a). This fee must be deposited in the general fund and is appropriated to the commissioner for the purpose of paying the transaction card fee.

(c) The types of financial transaction cards that will be accepted shall be determined solely by the commissioner. The selection of transaction card vendors shall be made through a request for proposals process. Before issuing a request for proposals, the commissioner shall review the request for proposals and any specifications with the commissioner of finance. The commissioner shall select the transaction card vendors from among those which meet the operational and cost requirements of the Department of Revenue. The commissioner may limit the number of different types of financial transaction cards that will be accepted.

270.75 INTEREST PAYABLE TO COMMISSIONER.

Subdivision 1. **Interest; rate.** If any tax payable to the commissioner of revenue or to the Department of Revenue is not paid within the time specified by law for payment, the unpaid tax shall bear interest beginning February 1, 1982 at the rate of 20 percent per annum from the date such tax should have been paid until the date that the tax was paid, unless otherwise provided by law.

Subd. 2. **Extension of time.** When an extension of time has been granted by the commissioner, interest shall be paid beginning February 1, 1982 at the rate of 20 percent per annum from the date such payment should have been made, if no extension had been granted, until the date of payment of such tax.

Subd. 3. **Penalty.** If any penalty payable to the commissioner of revenue shall by law bear interest, such penalty shall bear interest beginning February 1, 1982 at the rate of 20 percent per annum from the date the penalty was assessable until the date that such penalty was paid, unless a different rate of interest is otherwise provided by law.

The amount in lieu of interest for that taxable year shall be the amount determined in subdivision 5 for January 1 on which begins the taxable year or precedes the beginning of the taxable year. The amount in lieu of interest does not bear interest after the due date of the return for that taxable year.

Subd. 5. **Adjustment of rate.** The rates of interest or amount in lieu of interest contained in subdivisions 1 to 4 shall be adjusted by the commissioner of revenue not later than October 15 of 1983 and any year thereafter if the adjusted prime rate charged by banks during the six-month period ending on September 30 of that year, rounded to the nearest full percent, is at least a full percentage point more or less than the interest rate which is then in effect. The adjusted rate of interest or amount in lieu of interest shall be equal to the adjusted prime rate charged by banks, rounded to the nearest full percent, and shall become effective on January 1 of the immediately succeeding year except as provided in subdivision 4. For purposes of this subdivision, the term "adjusted prime rate charged by banks" means the average predominant prime rate quoted by commercial banks to large businesses, as determined by the Board of Governors of the Federal Reserve System. 270.78 PENALTY FOR FAILURE TO PAY ELECTRONICALLY.

In addition to other applicable penalties imposed by law, after notification from the commissioner of revenue to the taxpayer that payments for a tax administered by

the commissioner are required to be made by electronic means, and the payments are remitted by some other means, there is a penalty in the amount of five percent of each payment that should have been remitted electronically. After the commissioner's initial notification to the taxpayer that payments are required to be made by electronic means, the commissioner is not required to notify the taxpayer in subsequent periods if the initial notification specified the amount of tax liability at which a taxpayer is required to remit payments by electronic means. The penalty can be abated under the abatement procedures prescribed in section 270.07, subdivision 6, if the failure to remit the payment electronically is due to reasonable cause. The penalty bears interest at the rate specified in section 270.75 from the due date of the payment of the tax to the date of payment of the penalty.

270.79 REFUNDS PAYABLE IN INSTALLMENTS.

Subdivision 1. **Law held unconstitutional.** Where there is (1) a final judicial determination that a tax law is unconstitutional, is in violation of state or federal law, or that a regulation or statute has been misinterpreted by the department; and (2) the determination is not limited to prospective application, the procedures in this section relating to refunds attributable to that determination apply.

Subd. 2. **Estimate of cumulative refunds.** The commissioner shall estimate the cumulative refunds due resulting from the judicial determination.

Subd. 3. **General refund provisions.** If the commissioner determines that the cumulative refunds due all affected taxpayers will not exceed \$50,000,000, the general provisions for refunding for the particular tax type apply.

Subd. 4. **Refund procedures.** (a) If the commissioner determines that the cumulative refunds due all affected taxpayers will exceed \$50,000,000, the refund procedures in this subdivision apply.

(b) The refunds due shall be paid in five installments. The first installment will be paid during the calendar year following the later of the filing of the refund claim or the final judicial determination and subsequent installments will be paid at any time during each of the four succeeding calendar years.

(c) The commissioner shall compute the annual refund installment due under this subdivision, and notify the taxpayer of the total amount of the claim for refund which has been allowed.

(d) The installment paid each year equals 20 percent of the refund allowed unless the commissioner determines that the cumulative refunds due for a particular year under this section will exceed \$150,000,000. If the refunds payable will exceed that amount, they will be reduced pro rata with any balance remaining due payable with the final refund installment.

(e) Unless contrary to the provisions in this section, the provisions for refunds in the various tax types, including provisions related to the payment of interest, apply to the refunds subject to these provisions.

(f) The commissioner may establish a de minimis individual refund amount below which the installment provisions do not apply. The amount established under this paragraph is not subject to the provisions of chapter 14.

The commissioner may also issue subpoenas for the appearance of witnesses before the commissioner or before such persons. Disobedience of subpoenas so issued shall be punished by the district court of the district in which the subpoena is issued for a contempt of the district court.

Subd. 3. **Failure to file report.** If any railroad company shall refuse or neglect to make the report required by this section to the commissioner, or shall refuse or neglect to permit an inspection and examination of its property, records, books, accounts or other papers when requested by the commissioner, or shall refuse or neglect to appear before the commissioner or a person appointed under subdivision 2 when required so to do, the commissioner shall make the valuation provided for by Laws 1979, chapter 303, article 7, sections 1 to 13 against the railroad company according to the commissioner's best judgment on available information.

270.84 ANNUAL VALUATION OF OPERATING PROPERTY.

Subdivision 1. **Annual valuation; rules.** The commissioner shall annually between March 31 and May 31 make a determination of the fair market value of the operating property of every railroad company doing business in this state as of January 2 of the year in which the valuation is made. In making this determination, the commissioner shall employ generally accepted appraisal principles and practices which may include the unit method of determining value.

Subd. 2. **Notice.** The commissioner, after determining the fair market value of the operating property of each railroad company, shall give notice to the railroad company of the valuation by first class mail, overnight delivery, or messenger service.

History: 1979 c 303 art 7 s 5; 1984 c 502 art 9 s 2; 1984 c 640 s 32; 1985 c 248 s 46; 1986 c 444; 1Sp1989 c 1 art 9 s 14; 1996 c 305 art 2 s 56

270.85 REVIEW OF VALUATION.

A railroad company may within ten days of the date of the notice of valuation file a written request for a conference with the commissioner relating to the value of its operating property. The commissioner shall thereupon designate a time and place for the conference which the commissioner shall conduct, upon commissioner's entire files and records and such further information as may be offered. The conference must be held no later than 20 days after the date of the commissioner's valuation notice. At a reasonable time after such conference the commissioner shall make a final determination of the fair market value of the operating property of the railroad company and shall notify the company promptly of the determination.

270.86 APPORTIONMENT AND EQUALIZATION OF VALUATION.

Subdivision 1. **Apportionment of value.** Upon determining the fair market value of the operating property of each railroad company, the commissioner shall apportion such value to the respective counties and to the taxing districts therein in conformity with fair and reasonable rules and standards to be established by the commissioner pursuant to notice and hearing, except as provided in section 270.81. In establishing such rules and standards the commissioner may consider (a) the physical situs of all station houses, depots, docks, wharves, and other buildings and structures with an original cost in excess of \$10,000; (b) the proportion that the length and type of all the tracks used by the railroad in such county and taxing district bears to the length and type of all the track used in the state; and (c) other facts as will result in a fair and equitable apportionment of value.

Subd. 2. **Equalized valuation.** After making the apportionment provided in subdivision 1, the commissioner shall determine the equalized valuation of the operating property in each county by applying to the apportioned value an estimated current year median sales ratio for all commercial and industrial property in that county. If the commissioner decides there are insufficient sales to determine a median commercial-industrial sales ratio, an estimated current year countywide median sales ratio for all property shall be applied to the apportioned value. No equalization shall be made to the market value of the operating property if the median sales ratio determined pursuant to this subdivision is within five percent of the assessment ratio of the railroad operating property.

270.87 CERTIFICATION TO COUNTY ASSESSORS.

After making an annual determination of the equalized fair market value of the operating property of each company in each of the respective counties, and in the taxing districts therein, the commissioner shall certify the equalized fair market value to the county assessor on or before June 30. The equalized fair market value of the operating property of the railroad company in the county and the taxing districts therein is the value on which taxes must be levied and collected in the same manner as on the commercial and industrial property of such county and the taxing districts therein.

270.88 PROCEEDINGS AND APPEALS.

The commissioner's final determination under section 270.85 and certification to county assessors under section 270.87 shall be final orders appealable to the Tax Court in accordance with chapter 271. Appeals by railroad companies under Laws 1979, Chapter 303 shall be taken against the commissioner and not against the county or taxing district to which payment is made. Upon the filing of any appeal by a railroad

company, the commissioner shall give notice thereof by first class mail to each county which would be affected by the appeal.

CONTAMINATION TAX

270.91 CONTAMINATION TAX.

Subdivision 1. **Imposition.** A tax is annually imposed on the contamination value of taxable real property in this state.

Subd. 2. **Initial tax rates.** Unless the rates under subdivision 3 or 4 apply, the tax imposed under this section equals 100 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property.

Subd. 3. **Tax rates, nonresponsible party.** If neither the owner nor the operator of the taxable real property, in the assessment year, is a responsible person under chapter 115B or a responsible party under chapter 18D for the presence of contaminants on the property, unless subdivision 4 applies, the tax imposed under this section equals 25 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property. A determination under section 115B.177 or other similar determination by the commissioner of the Pollution Control Agency or by the commissioner of agriculture for a release of agricultural chemicals is dispositive of whether the owner or operator is not a responsible person under chapter 18D or 115B for purposes of this section. To qualify under this subdivision, the property owner must provide the assessor with a copy of the determination by July 1 of the assessment year.

Subd. 4. **Tax rates after plan approval.** (a) The tax imposed under this subdivision applies for the first assessment year that begins after one of the following occurs:

(1) a response action plan for the property has been approved by the commissioner of the Pollution Control Agency or by the commissioner of agriculture for an agricultural chemical release or incident subject to chapter 18D and work under the plan has begun; or

(2) the contaminants are asbestos and the property owner has in place an abatement plan for enclosure, removal, or encapsulation of the asbestos. To qualify under this clause, the property owner must (i) have entered into a binding contract with a licensed contractor for completion of the work, or (ii) have obtained a license from the commissioner of health and begun the work. An abatement plan must provide for completion of the work within a reasonable time period, as determined by the assessors.

(b) To qualify under paragraph (a), the property owner must provide the assessor with a copy of: (1) the approved response action plan; or (2) a copy of the asbestos abatement plan and contract for completion of the work or the owner's license to perform the work. The property owner also must file with the assessor an affidavit indicating when work under the response action plan or asbestos abatement plan began.

(c) The tax imposed under this subdivision equals 50 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property, unless paragraph (d) applies.

(d) The tax imposed under this subdivision equals 12.5 percent of the class rate for the property under section 273.13, multiplied by the contamination value of the property, if one of the following conditions is satisfied:

(1) the contaminants are subject to chapter 115B and neither the owner nor the operator of the taxable real property in the assessment year is a responsible person under chapter 115B;

(2) the contaminants are subject to chapter 18D and neither the owner nor the operator of the taxable real property in the assessment year is a responsible party under chapter 18D.

270.92 DEFINITIONS.

Subdivision 1. **Scope of application.** For purposes of sections 270.91 to 270.98, the following terms have the meanings given.

Subd. 2. **Assessment year.** "Assessment year" means the assessment year for purposes of general ad valorem property taxes.

Subd. 3. **Contaminant.** "Contaminant" means a harmful substance as defined in section 115B.25, subdivision 7a.

History: 1993 c 375 art 12 s 2

270.93 TAX BASE; CONTAMINATION VALUE.

The contamination value of a parcel of property is the amount of the market value reduction, if any, that is granted for general ad valorem property tax purposes for the assessment year because of the presence of contaminants. The contamination value for a property may be no greater than the estimated cost of implementing a reasonable response action plan or asbestos abatement plan or management program for the property. These reductions in market value include those granted by a court, by a board of review, by the assessor upon petition or request of a property owner, or by the assessor. Reductions granted by the assessor are included only if the assessor reduced the property's market value for the presence of contaminants using an appraisal method or methods that are specifically designed or intended to adjust for the valuation effects of the presence of contaminants. The contamination value for a parcel with a reduction in value of less than \$10,000 is zero.

History: 1993 c 375 art 12 s 3

270.94 EXEMPTIONS.

(a) The tax imposed by sections 270.91 to 270.98 does not apply to the contamination value of a parcel of property attributable to contaminants that were addressed by a response action plan for the property, if the commissioner of the Pollution Control Agency, or the commissioner of agriculture for a release subject to chapter 18D, has determined that all the requirements of the plan have been satisfied. This exemption applies beginning for the first assessment year after the commissioner of the Pollution Control Agency, or the commissioner of agriculture determines that the implementation of a response action plan has been completed. To qualify under this paragraph, the property owner must provide the assessor with a copy of the determination by the commissioner of the Pollution Control Agency or the commissioner of agriculture of the completion of the response action plan.

(b) The tax imposed by sections 270.91 to 270.98 does not apply to the contamination value of a parcel that is attributable to asbestos, if:

(1) the work has been completed under an asbestos abatement plan or the property owner is implementing a proactive in-place asbestos management program consistent with the rules, requirements, and formal policies of the United States Environmental Protection Agency; and

(2) the property owner provides the assessor with an affidavit stating the work under the abatement plan has been completed, or the asbestos management plan is being implemented, and any other evidence or information the assessor requests.

270.95 PAYMENT; ADMINISTRATION.

The tax imposed under sections 270.91 to 270.98 is payable at the same time and manner as the regular ad valorem property tax. The tax is subject to the penalty, interest, lien, forfeiture, and any other rules for collection of the regular ad valorem property tax. If a reduction in market value that creates contamination value is granted after the ad valorem property tax has been paid, the contamination tax must be subtracted from the amount to be refunded to the property owner.

270.96 DUTIES.

The assessor shall provide notice of the contamination value to the property owner by the later of June 1 of the assessment year or 30 days after the reduction in market value is finally granted.

Subd. 2. **Auditor.** The county auditor shall prepare separate lists of the contamination values for all property located in the county that are taxed under section 270.91, subdivisions 2, 3, and 4. The commissioner shall prescribe the form of the listing. The auditor shall include the amount of the contamination taxes on the contamination value for the assessment year on the regular ad valorem property tax statement under section 276.04.

Subd. 3. **Treasurer.** (a) The county treasurer shall pay the proceeds of the tax imposed under section 270.91, subdivision 4, less the amount retained by the county for the cost of administration under section 270.98, to the commissioner at the same times provided for the ad valorem property tax distributions.

(b) The county treasurer shall pay the proceeds of the tax imposed under section 270.91, subdivisions 2 and 3, to the local taxing jurisdictions in the same manner provided for the distribution of ad valorem property taxes.

Subd. 4. **Court ordered reductions in value.** If a court orders a reduction in market value for purposes of the ad valorem property tax because of the presence of contaminants on the property, the court shall include in its order an offset for payment of the tax on contaminated value under section 270.91.
