When any person is committed to any jail by any process issued under authority of the United States, the sheriff or jailer shall receive such person into custody, and safely keep the person until discharged by due course of law, subject in all respects to the same liabilities and remedies as though committed under process issued under state authority. The United States shall pay to the county the minimum sum of \$5 per day for each prisoner so kept and boarded. Every able bodied male prisoner over 16 years of age confined in any county jail or statutory city lockup under judgment of any court or other tribunal authorized to imprison for the violation of any law, ordinance, bylaw, or police regulation, may be required to work for not more than ten hours per day. The court or tribunal, when passing judgment of imprisonment for nonpayment of fine or otherwise, shall determine and specify whether or not the imprisonment shall be at hard labor. The labor may be in the jail or jail yard, upon public roads and streets, public buildings, grounds, or elsewhere in the county. Upon request, persons awaiting trial may be allowed to perform labor. Each prisoner performing labor may be paid a reasonable compensation by the county if imprisoned in violation of state law or awaiting trial upon a charge thereof, and by the city if confined for the violation of any ordinance, bylaw, or police regulation. The compensation shall be paid to the spouse, family, or dependents of the prisoner, or any other person the court sentencing the prisoner directs. It shall be in an amount that the court determines. The officer in charge of such prisoners shall protect them from insult and annoyance while at labor or going to and returning therefrom. 641.12 COLLECTION OF FEES AND BOARD BILLS.

Subdivision 1. Fee. A county board may require that each person who is booked for confinement at a county or regional jail, and not released upon completion of the booking process, pay a fee of up to \$10 to the sheriff's department of the county in which the jail is located. The fee is payable immediately from any money then possessed by the person being booked, or any money deposited with the sheriff's department on the person's behalf. If the person has no funds at the time of booking or during the period of any incarceration, the sheriff shall notify the district court in the county where the charges related to the booking are pending, and shall request the assessment of the fee. Notwithstanding section 609.10 or 609.125, upon notification from the sheriff, the district court must order the fee paid to the sheriff's department as part of any sentence or disposition imposed. If the person is not charged, is acquitted, or if the charges are dismissed, the sheriff shall return the fee to the person at the last known address listed in the booking records.

Subd. 2. Board. At the end of every month the sheriff of each county shall render to the county auditor a statement showing the name of each fugitive from justice, United States prisoner, one committed from another county, or one committed by virtue of any city ordinance, the amount due the county for board of each and from whom, and also of all amounts due for board of prisoners for the preceding month.

Subd. 3. Inmate payment of room and board. (a) A county board may require that an offender convicted of a crime and confined in the county jail, workhouse, or correctional or work farm pay the cost of the offender's room, board, clothing, medical, dental, and other correctional services. The board shall establish a schedule to charge offenders under this subdivision. The costs may be collected at any time while the offender is under sentence or after the sentence has been discharged. During the period of confinement, the costs may be deducted from any money possessed by the offender or any money deposited with the local correctional or law enforcement agency on the offender's behalf. The board, or local correctional agency or sheriff with

authority over the jail, workhouse, or farm, may use any available civil means of debt collection in collecting costs under this subdivision.

(b) The chief executive officer of the local correctional agency or sheriff may waive payment of the costs under this subdivision if the officer or sheriff determines that the offender does not have the ability to pay the costs, payment of the costs would create undue hardship for the offender or the offender's immediate family, the prospects for payment are poor, or there are extenuating circumstances justifying waiver of the costs.

(c) If an offender has been ordered by a court to pay restitution, the offender shall be obligated to pay the restitution ordered before paying the costs under this subdivision. However, if the offender is making reasonable payments to satisfy the restitution obligation, the local correctional agency or sheriff may also collect costs under this section.

History: (10858) *RL s 5473; 1973 c 123 art 5 s 7; 1975 c 94 s 5; 1997 c 239 art 9 s 38; 2002 c 322 s 1*

641.13 PRISONERS FROM OTHER COUNTIES, BOARDING FEES.

When any prisoner is ordered confined in any county other than that in which the offense was committed, the other county shall keep the prisoner at the expense of the county sending the prisoner, and the other county board shall collect from the county sending the prisoner, for board such an amount as is charged for local county prisoners for each day, or fractional day, and, in addition thereto, the county board of the other county shall collect from the county sending the prisoners, sums as have been necessarily expended for clothing, bedding, and medical aid for the prisoners. In addition thereto the county board of the other county may collect from the county sending the prisoners such sum as the county board may determine for other expenses incurred by the other county in providing jail facilities for the prisoners. The county board of the county from which the prisoners are sent, at its first session after their commitment, shall authorize the county auditor to issue to the county where they are committed orders upon the county treasurer for the maintenance of the prisoners while they remain in such jail.

641.14 JAILS; SEPARATION OF PRISONERS.

The sheriff of each county is responsible for the operation and condition of the jail. If construction of the jail permits, the sheriff may permit multiple occupancy but the sheriff shall maintain strict separation of prisoners to the extent that separation is consistent with prisoners' security, safety, health, and welfare. The sheriff shall not keep in the same room or section of the jail:

- (1) a minor under 18 years old and a prisoner who is 18 years old or older, unless:
 - (i) the minor has been committed to the commissioner of corrections under section 609.105;
 - (ii) the minor has been referred for adult prosecution and the prosecuting authority has filed a notice of intent to prosecute the matter for which the minor is being held under section 260B.125; or
 - (iii) the minor is 16 or 17 years old and has been indicted for murder in the first degree;
- (2) a female prisoner and a male prisoner; and
- (3) a minor under 18 years old and an extended jurisdiction juvenile 18 years old or older who is alleged to have violated the conditions of the stay of execution.

641.15 PRISONERS; FEEDING, CARE.

Subdivision 1. **Clothing and care.** The county board shall provide suitable jail clothing, without distinctive marks, underclothing, linen and bedding, towels; and medical aid for prisoners, and fuel for the jail and, if adjoining and connected, the sheriff's residence. The sheriff may require a prisoner to wear jail clothing during confinement, but shall restore personal clothing upon discharge. No prisoner must be required to wear clothing previously used until it has been thoroughly cleansed. The sheriff or jailer shall keep the jail in a clean and healthy condition, have each prisoner's clothing washed at least once a week, furnish to each sufficient clean water for drinking and bathing, and serve each three times a day with a sufficient quantity of wholesome, well cooked food.

Subd. 2. **Medical aid.** Except as provided in section 466.101, the county board shall pay the costs of medical services provided to prisoners. The amount paid by the Anoka county board for a medical service shall not exceed the maximum allowed medical assistance payment rate for the service, as determined by the commissioner of human services. The county is entitled to reimbursement from the prisoner for payment of medical bills to the extent that the prisoner to whom the medical aid was provided has the ability to pay the bills. The prisoner shall, at a minimum, incur co-payment obligations for health care services provided by a county correctional facility. The county board shall determine the co-payment amount. Notwithstanding any law to the contrary, the co-payment shall be deducted from any of the prisoner's funds held by the county, to the extent possible. If there is a disagreement between the county and a prisoner concerning the prisoner's ability to pay, the court with jurisdiction over the defendant shall determine the extent, if any, of the prisoner's ability to pay for the medical services. If a prisoner is covered by health or medical insurance or other health plan when medical services are provided, the county providing the medical services has a right of subrogation to be reimbursed by the insurance carrier for all sums spent by it for medical services to the prisoner that are covered by the policy of insurance or health plan, in accordance with the benefits, limitations, exclusions, provider restrictions, and other provisions of the policy or health plan. The county may maintain an action to enforce this subrogation right. The county does not have a right of subrogation against the medical assistance program or the general assistance medical care program.

Subd. 3. **Intake procedure; health coverage.** As part of its intake procedure for new prisoners, the sheriff shall ask the prisoner whether the prisoner has health coverage. If the prisoner has coverage under a policy of accident and health insurance regulated under chapter 62A, a health maintenance contract regulated under chapter 62D, a group subscriber contract regulated under chapter 62C, a health benefit certificate regulated under chapter 64B, a self-insured plan, or other health coverage, the prisoner shall provide to the sheriff the name of the carrier or administrator and other information and authorizations necessary for the sheriff to obtain specific information about coverage.

Subd. 4. **Obtaining health care in compliance with coverage.** A county board may authorize the sheriff to fulfill the county board's obligation to provide the medical aid required by subdivision 1 in accordance with the terms of the health plan covering the prisoner, where possible, subject to any rules and exceptions provided by the county board. The sheriff has no obligation to the prisoner to obtain the prisoner's health care in accordance with the prisoner's health coverage.

Subd. 5. **Scope.** Subdivisions 2, 3, and 4 apply to any medical aid, including dental care, provided to prisoners held in a county jail or workhouse.

COUNTY REGIONAL JAILS

641.261 REGIONAL JAILS.

Subdivision 1. **Purpose of act.** The purpose of sections 641.261 to 641.266 is to enable counties to cooperate to provide adequate jail facilities with suitable work programs and rehabilitation and treatment services for persons whose commitment to a county jail is authorized by law.

Subd. 2. **Persons who may be committed.** The regional jail shall serve as a place of commitment for persons whose commitment to a county jail is authorized by law by a court having jurisdiction within the cooperating counties, subject to admission rules and charges for care as the regional jail board may prescribe. The regional jail board may also accept the commitment of persons whose commitment to a county jail is authorized by law by a court having jurisdiction outside the cooperating counties, subject to admission rules and charges for care as the regional jail board may prescribe.

Subd. 3. **Commissioner of corrections; powers, duties.** The commissioner of corrections shall promulgate, in the manner provided by law, rules relating to standards for county regional jails in the following matters:

(1) minimum aggregate population base upon which a county regional jail may be practically operated;

(2) site and buildings necessary for an adequate regional jail, considering such factors as inmate security, health, and work opportunities;

(3) qualifications of staff, and ratio of staff to inmate population;

(4) programs of work, rehabilitation, and treatment. When a county regional jail does not comply with the standards so promulgated, a judge of the district court or the commissioner of corrections may institute condemnation proceedings in the manner provided in Minnesota Statutes 1961, section 641.26.

Subd. 4. **Lengthy imprisonment.** Upon certification by the commissioner of corrections to those courts described in subdivision 2 that a regional jail has complied with the provisions of subdivision 3, all persons sentenced to imprisonment in a county jail by such courts for more than seven days, except those sentenced under section 631.425, or subject to detention in a county jail pending trial or other disposition of

641.262 ESTABLISHMENT OF REGIONAL JAILS BY CONTIGUOUS COUNTIES.

Subdivision 1. Action by county board. Two or more counties, each contiguous at one or more points with one or more of the other counties, may cooperate to establish, operate, and maintain a regional jail in the manner provided in sections 641.261 to 641.266. A county may join with other counties in the establishment, operation, and maintenance of a regional jail by majority vote of its county board. A county board so voting shall also appropriate its approximate proportionate share of the initial expenses of the proposed county regional jail, which proportion is estimated in the manner provided in section 641.264, subdivision 2, and which is paid over upon receiving notice from the regional jail board as provided in section 641.263, subdivision 1.

Subd. 2. Regional jail board; membership, term, compensation. The county board of each cooperating county shall appoint two members to a board to be known as the regional jail board. Members appointed to the board shall be county commissioners. One of the members first appointed to the regional jail board shall be appointed for a term expiring on June 30 next following appointment, the other for a term expiring one year later. After the appointment of the first members, one succeeding member shall be appointed each year for a two year period beginning on July 1. Each appointee shall hold office until a successor is appointed and has qualified. Vacancies are filled by the appointing power. The members of the regional jail board serve without compensation but shall be reimbursed for all necessary expenses incurred by them in performance of their official duties. This reimbursement is payable by the county from which the member is appointed, until the regional jail fund is established. When the regional jail fund is established, reimbursement shall be made from that fund. Reimbursement authorized by this subdivision is in addition to any reimbursement received by a regional jail board member who is also a member of a county board.

Subd. 3. Board meetings. As soon as possible after the appointment of the members of the regional jail board by the cooperating counties, the regional jail board shall hold a joint meeting and shall elect a chair, vice-chair, and secretary. The county board of the county first appointing members to the regional jail board shall call the first meeting of the board and shall designate the place of meeting. The regional jail board shall meet at least annually thereafter at a place designated by the regional jail board and may meet at such other times and places as it considers necessary.

641.263 POWERS, DUTIES OF BOARD.

Subdivision 1. Initial financing. When the regional jail board is satisfied that each cooperating county has appropriated its share of the initial expenses of the regional jail, it shall so certify to the county board of each cooperating county. The county board of each cooperating county then shall order its county treasurer to pay over the authorized initial expense funds to the regional jail fund in the manner provided in section 641.264, subdivision 3.

Subd. 2. Acquisition of site, buildings. The regional jail board may lease suitable premises or acquire by gift, purchase, or condemnation proceedings instituted in the name of the counties a suitable site, and erect on the site buildings suitable for a regional jail. Condemnation proceedings shall be conducted in the manner provided in chapter 117. No premises shall be leased, site acquired, or building erected without the approval of the county board of each cooperating county and the commissioner of corrections. The regional jail board may by resolution enter into a lease agreement with any statutory or home rule charter city situated within any of the counties, in the same manner and with the same force and effect as a county acting under the provisions of section 641.24; provided that any such lease agreement, and any amendment thereto, shall be approved by the county board of each cooperating county before it is executed.

Subd. 3. **Operation of jail; superintendent.** The regional jail board shall operate, control, manage, and maintain the jail, and set charges for the care of inmates. The regional jail board shall appoint a regional jail superintendent who serves at the pleasure of the board and receives compensation set by the board. The superintendent is the chief executive officer of the regional jail, and has the powers of a sheriff and such other powers and duties relating to the operation, management, and maintenance of the jail as the regional jail board may prescribe and as are prescribed by law. The superintendent, with the approval of the board, or as provided in subdivision 4, shall appoint additional employees necessary to operate and maintain the jail. The employees of a regional jail, including the superintendent, are public employees for the purposes of Minnesota Statutes 1961, chapter 353.

Subd. 4. **Employees merit system.** A regional jail merit system may be established under the provisions of this subdivision and Minnesota Statutes 1961, chapter 44. Consistent with standards promulgated by the commissioner of corrections for qualifications of regional jail employees, the cooperating counties, by vote of each county board, may establish, modify, or abandon a merit system for the employment, promotion, discipline, and dismissal of all regional jail employees except the superintendent. Questions relating to the establishment, modification, or abandonment of the merit system shall not be submitted to the voters for their approval. The following words and phrases defined in Minnesota Statutes 1961, section 44.01, have the meanings given in this subdivision for the purposes of a regional jail merit system:

- (1) "appointing authority" means the regional jail superintendent;
- (2) "board" means the "personnel board" consisting of the chair, vice-chair, and secretary of the regional jail board;
- (3) "council" means the county boards of the cooperating counties.

Subd. 5. **Multiple occupancy cells.** If construction of the jail permits, the board may, by resolution, authorize multiple occupancy, but the superintendent must maintain strict separation of prisoners to the extent that separation is necessary to ensure prisoners' security, safety, health, and welfare.

641.264 FINANCING.

Subdivision 1. **Capital improvements; bond issues and leases.** The construction or acquisition, the equipping, and subsequent improvement of a county regional jail may be financed in whole or in part by the issuance of general obligation bonds of the cooperating counties in the manner provided in section 641.23 or by the issuance of revenue bonds of a city situated in one of the counties or with the approval of the board of county commissioners of each cooperating county a county housing and redevelopment authority established pursuant to chapter 462 or special law, secured by a lease agreement in the manner provided in chapter 474 and in sections 641.24 and 641.263, subdivision 2. Proceedings for the issuance of general obligation bonds shall be instituted by the board of county commissioners of each cooperating county. The regional jail board, with the approval of the county board of each cooperating county, shall fix the total amount necessary to be raised for the construction or acquisition, the equipping, and subsequent improvement of a regional jail, and shall apportion to each county in the manner provided in subdivision 2 the share of this amount, or of annual debt service or lease rentals required to pay this amount with interest, which is to be raised by the county.

Subd. 2. **Tax levies; apportionment of costs.** The county board of each cooperating county shall annually levy a tax in an amount necessary to defray its proportion of the net costs of maintenance and operation of the regional jail after deduction of payments for the care of inmates, and in addition shall levy a tax to repay the cost of construction or acquisition, equipping, and any subsequent improvement of the regional jail and for the retirement of any bonds issued for these purposes. The county board may levy these taxes without limitation as to the rate or amount, and the levy of these taxes shall not cause the amount of other taxes levied or to be levied by the county, which are

subject to any such limitation, to be reduced in any amount whatsoever. The regional jail board shall apportion the costs of maintenance and operation, and of construction or acquisition, equipping, and improvement of the jail to each county (1) on the basis of the proportion that the population in that county bears to the total population in all of the cooperating counties, the population figures to be determined by the last previous federal census; or (2) according to a formula mutually agreed upon by all the cooperating counties.

Subd. 3. Regional jail fund. The initial expense funds, the proceeds from the sale of bonds, and the proceeds of taxes for costs of maintenance and operation shall be paid by the county by which they are appropriated or collected into a county regional jail fund, which shall be kept in the treasury of the county in which the jail is located. The county treasurer of the county in which the regional jail is located shall make payments out of the county regional jail fund on properly authenticated vouchers of the county regional jail board.

Subd. 4. Expenditures. The regional jail board shall approve by majority vote all expenditure vouchers and the chair of the board shall transmit them to the county auditor of the county in which the regional jail is located for payment by the county treasurer, accompanied by the chair's certification that the expenditure vouchers have been approved by a majority of the regional jail board.

Subd. 5. Charges for care of inmates. The regional jail board shall fix the rates to be charged for the care of inmates and shall submit a statement of charges to the governmental unit from which an inmate is committed. The charge for care of an inmate shall be paid by the governmental unit to the county treasurer of the county in which the regional jail is located, and shall be deposited in the regional jail fund.

Subd. 6. Gifts, acceptance by board. The regional jail board may accept gifts or donations from any source, which gifts or donations shall be deposited in the regional jail fund and disbursed by the regional jail board in the manner in which other expenditures are made.

641.265 ADMISSION, WITHDRAWAL OF COUNTIES.

Subdivision 1. Admission. A county which could cooperate in a regional jail system under the provisions of section 641.262, subdivision 1, but has not cooperated in its formation, may acquire an interest in the regional jail if the county board of each of the cooperating counties decides, by majority vote, to admit the county. With the approval of the county board of each cooperating county, the regional jail board shall fix the terms and conditions upon which an additional county may acquire an interest in the regional jail. A county acquiring such an interest has all of the rights, privileges, duties, and obligations provided by sections 641.261 to 641.266, provided that as a condition for admission the county may be required to pay initially or annually a sum sufficient to reimburse to the other cooperating counties part or all of the additional county's proportionate share of amounts theretofore paid by the other counties with respect to capital cost, debt service, or lease rentals, based on the relative populations of the respective counties according to the last federal or state census preceding admission.

Subd. 2. Withdrawal. A county board may withdraw from cooperation in a regional jail system if the county boards of all of the other cooperating counties decide, by majority vote, to allow the withdrawal. With the approval of the county board of each cooperating county, the regional jail board shall fix the sum, if any, to be paid to the county withdrawing, to reimburse it for capital cost, debt service, or lease rental payments made by the county prior to withdrawal, in excess of its proportionate share of benefits from the regional jail prior to withdrawal, and the time and manner of making the payments. The payments shall be deemed additional payments of capital cost, debt service, or lease rentals to be made proportionately by the remaining counties and, when received, shall be deposited in and paid from the regional jail fund; provided that:

(a) payments shall not be made from any amounts in the regional jail fund which are needed for maintenance and operation expenses or lease rentals currently due and payable; and

(b) the withdrawing county shall remain obligated for the payment of its proportionate share of any lease rentals due and payable after its withdrawal, in the event and up to the amount of any lease payment not made when due by one or more of the other cooperating counties.

641.266 REPORTS.

The regional jail board shall annually, and at such other times as required by the county board of a cooperating county, make a complete report regarding the cost of operation of the jail, its inmate population, and its work, treatment, and rehabilitation programs.
