Subd. 3. **Appeal of individual notice; appeal committee.** (1) A recipient of an individual notice may appeal, in writing, the order for control or eradication of noxious weeds. This appeal must be filed with a member of the appeal committee in the county where the land is located within two working days of the time the notice is received. The committee must inspect the land specified in the notice and report back to the recipient and the inspector who issued the notice within five working days, either agreeing, disagreeing, or revising the order. The decision may be appealed in district court. If the committee agrees or revises the order, the control or eradication specified in the order, as approved or revised by the committee, may be carried out.

(2) The county board of commissioners shall appoint members of the appeal committee. The membership must include a county commissioner or municipal official and a landowner residing in the county. The expenses of the members may be reimbursed by the county upon submission of an itemized statement to the county auditor. At its option, the county board of commissioners, by resolution, may delegate the duties of the appeal committee to its board of adjustment established pursuant to section 394.27. When carrying out the duties of the appeal committee, the zoning board of adjustment shall comply with all of the procedural requirements of this section.
