**252.24 DUTIES OF COUNTY BOARDS.***[For text of subds 1 to 4, see M.S.2004]*

Subd. 5. **Developmental achievement centers: salary adjustment per diem.** The commissioner shall approve a two percent increase in the payment rates for day training and habilitation services vendors effective July 1, 1991. All revenue generated shall be used by vendors to increase salaries, fringe benefits, and payroll taxes by at least three percent for personnel below top management. County boards shall amend contracts with vendors to require that all revenue generated by this provision is expended on salary increases to staff below top management. County boards shall verify in writing to the commissioner that each vendor has complied with this requirement. If a county board determines that a vendor has not complied with this requirement for a specific contract period, the county board shall reduce the vendor's payment rates for the next contract period to reflect the amount of money not spent appropriately. The commissioner shall modify reporting requirements for vendors and counties as necessary to monitor compliance with this provision.

**History:** 2005 c 10 art 1 s 46; 2005 c 98 art 3 s 15**252.27 CHILDREN'S SERVICES; PARENTAL CONTRIBUTION.***[For text of subds 1 to 2, see M.S.2004]*

Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor child, including a child determined eligible for medical assistance without consideration of parental income, must contribute to the cost of services used by making monthly payments on a sliding scale based on income, unless the child is married or has been married, parental rights have been terminated, or the child's adoption is subsidized according to section 259.67 or through title IV-E of the Social Security Act.

(b) For households with adjusted gross income equal to or greater than 100 percent of federal poverty guidelines, the parental contribution shall be computed by applying the following schedule of rates to the adjusted gross income of the natural or adoptive parents:

(1) if the adjusted gross income is equal to or greater than 100 percent of federal poverty guidelines and less than 175 percent of federal poverty guidelines, the parental contribution is \$4 per month;

(2) if the adjusted gross income is equal to or greater than 175 percent of federal poverty guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding fee scale established by the commissioner of human services which begins at one percent of adjusted gross income at 175 percent of federal poverty guidelines and increases to 7.5 percent of adjusted gross income for those with adjusted gross income up to 545 percent of federal poverty guidelines;

(3) if the adjusted gross income is greater than 545 percent of federal poverty guidelines and less than 675 percent of federal poverty guidelines, the parental contribution shall be 7.5 percent of adjusted gross income;

(4) if the adjusted gross income is equal to or greater than 675 percent of federal poverty guidelines and less than 975 percent of federal poverty guidelines, the parental contribution shall be determined using a sliding fee scale established by the commis-

sioner of human services which begins at 7.5 percent of adjusted gross income at 675 percent of federal poverty guidelines and increases to ten percent of adjusted gross income for those with adjusted gross income up to 975 percent of federal poverty guidelines; and

(5) if the adjusted gross income is equal to or greater than 975 percent of federal poverty guidelines, the parental contribution shall be 12.5 percent of adjusted gross income.

If the child lives with the parent, the annual adjusted gross income is reduced by \$2,400 prior to calculating the parental contribution. If the child resides in an institution specified in section 256B.35, the parent is responsible for the personal needs allowance specified under that section in addition to the parental contribution determined under this section. The parental contribution is reduced by any amount required to be paid directly to the child pursuant to a court order, but only if actually paid.

(c) The household size to be used in determining the amount of contribution under paragraph (b) includes natural and adoptive parents and their dependents, including the child receiving services. Adjustments in the contribution amount due to annual changes in the federal poverty guidelines shall be implemented on the first day of July following publication of the changes.

(d) For purposes of paragraph (b), "income" means the adjusted gross income of the natural or adoptive parents determined according to the previous year's federal tax form, except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds have been used to purchase a home shall not be counted as income.

(e) The contribution shall be explained in writing to the parents at the time eligibility for services is being determined. The contribution shall be made on a monthly basis effective with the first month in which the child receives services. Annually upon redetermination or at termination of eligibility, if the contribution exceeded the cost of services provided, the local agency or the state shall reimburse that excess amount to the parents, either by direct reimbursement if the parent is no longer required to pay a contribution, or by a reduction in or waiver of parental fees until the excess amount is exhausted.

(f) The monthly contribution amount must be reviewed at least every 12 months; when there is a change in household size; and when there is a loss of or gain in income from one month to another in excess of ten percent. The local agency shall mail a written notice 30 days in advance of the effective date of a change in the contribution amount. A decrease in the contribution amount is effective in the month that the parent verifies a reduction in income or change in household size.

(g) Parents of a minor child who do not live with each other shall each pay the contribution required under paragraph (a). An amount equal to the annual court-ordered child support payment actually paid on behalf of the child receiving services shall be deducted from the adjusted gross income of the parent making the payment prior to calculating the parental contribution under paragraph (b).

(h) The contribution under paragraph (b) shall be increased by an additional five percent if the local agency determines that insurance coverage is available but not obtained for the child. For purposes of this section, "available" means the insurance is a benefit of employment for a family member at an annual cost of no more than five percent of the family's annual income. For purposes of this section, "insurance" means health and accident insurance coverage, enrollment in a nonprofit health service plan, health maintenance organization, self-insured plan, or preferred provider organization.

Parents who have more than one child receiving services shall not be required to pay more than the amount for the child with the highest expenditures. There shall be no resource contribution from the parents. The parent shall not be required to pay a contribution in excess of the cost of the services provided to the child, not counting payments made to school districts for education-related services. Notice of an increase in fee payment must be given at least 30 days before the increased fee is due.

(i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if, in the 12 months prior to July 1:

- (1) the parent applied for insurance for the child;
- (2) the insurer denied insurance;
- (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a complaint or appeal, in writing, to the commissioner of health or the commissioner of commerce, or litigated the complaint or appeal; and
- (4) as a result of the dispute, the insurer reversed its decision, and granted insurance.

For purposes of this section, "insurance" has the meaning given in paragraph (h).

A parent who has requested a reduction in the contribution amount under this paragraph shall submit proof in the form and manner prescribed by the commissioner or county agency, including, but not limited to, the insurer's denial of insurance, the written letter or complaint of the parents, court documents, and the written response of the insurer approving insurance. The determinations of the commissioner or county agency under this paragraph are not rules subject to chapter 14.

#### **252.282 ICF/MR LOCAL SYSTEM NEEDS PLANNING.**

*[For text of subd 1, see M.S.2004]*

Subd. 2. **Consumer needs and preferences.** In conducting the local system needs planning process, the host county must use information from the individual service plans of persons for whom the county is financially responsible and of persons from other counties for whom the county has agreed to be the host county. The determination of services and supports offered within the county shall be based on the preferences and needs of consumers. The host county shall also consider the community social services plan, waiting lists, and other sources that identify unmet needs for services. A review of ICF/MR facility licensing and certification surveys, substantiated maltreatment reports, and established service standards shall be employed to assess the performance of providers and shall be considered in the county's recommendations. Continuous quality improvement goals as well as consumer satisfaction surveys may also be considered in this process.

Subd. 10. **Vendor's report; audit.** The vendor shall report to the commissioner and the county board on forms prescribed by the commissioner at times specified by the commissioner. The reports shall include programmatic and fiscal information. The audit must be done according to generally accepted auditing standards to result in statements that include a balance sheet, income statement, changes in financial position, and the certified public accountant's opinion. The county's annual audit shall satisfy the audit required under this subdivision for any county-operated day training and habilitation program. Except for day training and habilitation programs operated by a county, the audit must provide supplemental statements for each day training and habilitation program with an approved unique set of rates.
