(a) When any officer seizes, with or without warrant, any property or thing, it shall be safely kept by direction of the court as long as necessary for the purpose of being produced as evidence on any trial. If the owner of the property makes a written request to the seizing officer's agency for return of the property, and the property has not been returned within 48 hours of the request, excluding Saturday, Sunday, or legal holidays, the person whose property has been seized may file a petition for the return of the property in the district court in the district in which the property was seized. The court administrator shall provide a form for use as a petition under this section. A filing fee, equal to the civil motion filing fee, shall be required for filing the petition. The district court shall send a copy of the petition to the agency acting as custodian of the property with at least ten days' notice of a hearing date. A hearing on the petition shall be held within 30 days of filing unless good cause is shown for an extension of time. The determination of the petition must be without jury trial and by a simple and informal procedure. At the hearing, the court may receive relevant evidence on any issue of fact necessary to the decision on the petition without regard to whether the evidence would be admissible under the Minnesota Rules of Evidence. The court shall allow if requested, or on its own motion may require, the custodian or the custodian's designee to summarize the status and progress of an ongoing investigation that led to the seizure. Any such summary shall be done ex parte and only the custodian, the custodian's designee, and their attorneys may be present with the court and court staff. The court shall seal the ex parte record. After a hearing, the court shall not order the return if it finds that:

- (1) the property is being held in good faith as potential evidence in any matter, charged or uncharged;
- (2) the property may be subject to forfeiture proceedings;
- (3) the property is contraband or may contain contraband; or
- (4) the property is subject to other lawful retention.

(b) The court shall make findings on each of these issues as part of its order. If the property is ordered returned, the petitioner shall not be liable for any storage costs incurred from the date the petition was filed. If the petition is denied, the court may award reasonable costs and attorney fees. After the trial for which the property was being held as potential evidence, and the expiration date for all associated appeals, the property or thing shall, unless otherwise subject to lawful detention, be returned to its owner or any other person entitled to possess it. Any property or thing seized may be destroyed or otherwise disposed of under the direction of the court. Any money found in gambling devices when seized shall be paid into the county treasury. If the gambling devices are seized by a police officer of a municipality, the money shall be paid into the treasury of the municipality.

626.556 REPORTING OF MALTREATMENT OF MINORS.

Subdivision 1. Public policy. The legislature hereby declares that the public policy of this state is to protect children whose health or welfare may be jeopardized through physical abuse, neglect, or sexual abuse. While it is recognized that most parents want to keep their children safe, sometimes circumstances or conditions interfere with their ability to do so. When this occurs, families are best served by interventions that engage their protective capacities and address immediate safety concerns and ongoing risks of child maltreatment. In furtherance of this public policy, it is the intent of the legislature under this section to strengthen the family and make the home, school, and community safe for children by promoting responsible child care in all settings; and to provide, when necessary, a safe temporary or permanent home environment for physically or sexually abused or neglected children.

In addition, it is the policy of this state to require the reporting of neglect, physical or sexual abuse of children in the home, school, and community settings; to provide for the voluntary reporting of abuse or neglect of children; to require a family assessment, when appropriate, as the preferred response to reports not alleging substantial child endangerment; to require an investigation when the report alleges substantial child endangerment; and to provide protective, family support, and family preservation services when needed in appropriate cases.

Subd. 2. Definitions. As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege substantial child endangerment. Family assessment does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

(b) "Investigation" means fact gathering related to the current safety of a child and the risk of subsequent maltreatment that determines whether child maltreatment occurred and whether child protective services are needed. An investigation must be used when reports involve substantial child endangerment, and for reports of maltreatment in facilities required to be licensed under chapter 245A or 245B; under sections 144.50 to 144.58 and 241.021; in a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10; or in a nonlicensed personal care provider association as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(c) "Substantial child endangerment" means a person responsible for a child's care, a person who has a significant relationship to the child as defined in section 609.341, or a person in a position of authority as defined in section 609.341, who by act or omission commits or attempts to commit an act against a child under their care that constitutes any of the following:

- (1) egregious harm as defined in section 260C.007, subdivision 14;
- (2) sexual abuse as defined in paragraph (d);
- (3) abandonment under section 260C.301, subdivision 2;
- (4) neglect as defined in paragraph (f), clause (2), that substantially endangers the child's physical or mental health, including a growth delay, which may be referred to as failure to thrive, that has been diagnosed by a physician and is due to parental neglect;
- (5) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;
- (6) manslaughter in the first or second degree under section 609.20 or 609.205;
- (7) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;
- (8) solicitation, inducement, and promotion of prostitution under section 609.322;
- (9) criminal sexual conduct under sections 609.342 to 609.3451;

(10) solicitation of children to engage in sexual conduct under section 609.352;

(11) malicious punishment or neglect or endangerment of a child under section 609.377 or 609.378;

(12) use of a minor in sexual performance under section 617.246; or

(13) parental behavior, status, or condition which mandates that the county attorney file a termination of parental rights petition under section 260C.301, subdivision 3, paragraph (a).

(d) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, by a person who has a significant relationship to the child, as defined in section 609.341, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342 (criminal sexual conduct in the first degree), 609.343 (criminal sexual conduct in the second degree), 609.344 (criminal sexual conduct in the third degree), 609.345 (criminal sexual conduct in the fourth degree), or 609.3451 (criminal sexual conduct in the fifth degree). Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections 609.321 to 609.324 or 617.246. Sexual abuse includes threatened sexual abuse.

(e) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, other school employees or agents, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(f) "Neglect" means:

(1) failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter, health, medical, or other care required for the child's physical or mental health when reasonably able to do so;

(2) failure to protect a child from conditions or actions that seriously endanger the child's physical or mental health when reasonably able to do so, including a growth delay, which may be referred to as a failure to thrive, that has been diagnosed by a physician and is due to parental neglect;

(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition, length of absence, or environment, when the child is unable to care for the child's own basic needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and 260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's child with sympathomimetic medications, consistent with section 125A.091, subdivision 5;

(5) nothing in this section shall be construed to mean that a child is neglected solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker, or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of medical care may cause serious danger to the child's health. This section does not impose upon persons, not otherwise legally responsible for providing a child with necessary food, clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision 2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in the child at birth, results of a toxicology test performed on the mother at delivery or the child at birth, or medical effects or developmental delays during the

child's first year of life that medically indicate prenatal exposure to a controlled substance;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person responsible for the care of the child that adversely affects the child's basic needs and safety; or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional functioning of the child which may be demonstrated by a substantial and observable effect in the child's behavior, emotional response, or cognition that is not within the normal range for the child's age and stage of development, with due regard to the child's culture.

(g) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 121A.67 or 245.825. Abuse does not include reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following that are done in anger or without regard to the safety of the child:

(1) throwing, kicking, burning, biting, or cutting a child;

(2) striking a child with a closed fist;

(3) shaking a child under age three;

(4) striking or other actions which result in any nonaccidental injury to a child under 18 months of age;

(5) unreasonable interference with a child's breathing;

(6) threatening a child with a weapon, as defined in section 609.02, subdivision 6;

(7) striking a child under age one on the face or head;

(8) purposely giving a child poison, alcohol, or dangerous, harmful, or controlled substances which were not prescribed for the child by a practitioner, in order to control or punish the child; or other substances that substantially affect the child's behavior, motor coordination, or judgment or that results in sickness or internal injury, or subjects the child to medical procedures that would be unnecessary if the child were not exposed to the substances;

(9) unreasonable physical confinement or restraint not permitted under section 609.379, including but not limited to tying, caging, or chaining; or

(10) in a school facility or school zone, an act by a person responsible for the child's care that is a violation under section 121A.58.

(h) "Report" means any report received by the local welfare agency, police department, county sheriff, or agency responsible for assessing or investigating maltreatment pursuant to this section.

(i) "Facility" means a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed under sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16, or chapter 245B; or a school as defined in sections 120A.05, subdivisions 9, 11, and 13; and 124D.10; or a nonlicensed personal care provider organization as defined in sections 256B.04, subdivision 16, and 256B.0625, subdivision 19a.

(j) "Operator" means an operator or agency as defined in section 245A.02.

(k) "Commissioner" means the commissioner of human services.

(l) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem and parenting time expeditor services.

(m) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(n) "Threatened injury" means a statement, overt act, condition, or status that represents a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes, but is not limited to, exposing a child to a person responsible for the child's care, as defined in paragraph (e), clause (1), who has:

(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;

(2) been found to be palpably unfit under section 260C.301, paragraph (b), clause (4), or a similar law of another jurisdiction;

(3) committed an act that has resulted in an involuntary termination of parental rights under section 260C.301, or a similar law of another jurisdiction; or

(4) committed an act that has resulted in the involuntary transfer of permanent legal and physical custody of a child to a relative under section 260C.201, subdivision 11, paragraph (d), clause (1), or a similar law of another jurisdiction.

(o) Persons who conduct assessments or investigations under this section shall take into account accepted child-rearing practices of the culture in which a child participates and accepted teacher discipline practices, which are not injurious to the child's health, welfare, and safety.

Subd. 3. Persons mandated to report. (a) A person who knows or has reason to believe a child is being neglected or physically or sexually abused, as defined in subdivision 2, or has been neglected or physically or sexually abused within the preceding three years, shall immediately report the information to the local welfare agency, agency responsible for assessing or investigating the report, police department, or the county sheriff if the person is:

(1) a professional or professional's delegate who is engaged in the practice of the healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, correctional supervision, probation and correctional services, or law enforcement; or

(2) employed as a member of the clergy and received the information while engaged in ministerial duties, provided that a member of the clergy is not required by this subdivision to report information that is otherwise privileged under section 595.02, subdivision 1, paragraph (c).

The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency or agency responsible for assessing or investigating the report, orally and in writing. The local welfare agency, or agency responsible for assessing or investigating the report, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing. The county sheriff and the head of every local welfare agency, agency responsible for assessing or investigating reports, and police department shall each designate a person within their agency, department, or office who is responsible for ensuring that the notification duties of this paragraph and paragraph (b) are carried out. Nothing in this subdivision shall be construed to require more than one report from any institution, facility, school, or agency.

(b) Any person may voluntarily report to the local welfare agency, agency responsible for assessing or investigating the report, police department, or the county sheriff if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse. The police department or the county sheriff, upon receiving a report, shall immediately notify the local welfare agency or agency responsible for assessing or investigating the report, orally and in writing. The local welfare agency or agency responsible for assessing or investigating the report, upon receiving a report, shall immediately notify the local police department or the county sheriff orally and in writing.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility under sections 144.50 to 144.58; 241.021; 245A.01 to 245A.16; or chapter 245B; or a nonlicensed personal care provider organization as defined in sections 256B.04, subdivision 16; and 256B.0625, subdivision 19. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b. A board or other entity whose licensees perform work within a school facility, upon receiving a complaint of alleged maltreatment, shall provide information about the circumstances of the alleged maltreatment to the commissioner of education. Section 13.03, subdivision 4, applies to data received by the commissioner of education from a licensing entity.

(d) Any person mandated to report shall receive a summary of the disposition of any report made by that reporter, including whether the case has been opened for child protection or other services, or if a referral has been made to a community organization, unless release would be detrimental to the best interests of the child. Any person who is not mandated to report shall, upon request to the local welfare agency, receive a concise summary of the disposition of any report made by that reporter, unless release would be detrimental to the best interests of the child.

(e) For purposes of this subdivision, "immediately" means as soon as possible but in no event longer than 24 hours.

[For text of subds 3a to 3c, see M.S.2004]

Subd. 3d. Authority to interview. The agency responsible for assessing or investigating reports of child maltreatment has the authority to interview the child, the person or persons responsible for the child's care, the alleged perpetrator, and any other person with knowledge of the abuse or neglect for the purpose of gathering the facts, assessing safety and risk to the child, and formulating a plan.

[For text of subds 4 to 9, see M.S.2004]

Subd. 10. Duties of local welfare agency and local law enforcement agency upon receipt of a report. (a) Upon receipt of a report, the local welfare agency shall determine whether to conduct a family assessment or an investigation as appropriate to prevent or provide a remedy for child maltreatment. The local welfare agency:

(1) shall conduct an investigation on reports involving substantial child endangerment;

(2) shall begin an immediate investigation if, at any time when it is using a family assessment response, it determines that there is reason to believe that substantial child endangerment or a serious threat to the child's safety exists;

(3) may conduct a family assessment for reports that do not allege substantial child endangerment. In determining that a family assessment is appropriate, the local welfare agency may consider issues of child safety, parental cooperation, and the need for an immediate response; and

(4) may conduct a family assessment on a report that was initially screened and assigned for an investigation. In determining that a complete investigation is not required, the local welfare agency must document the reason for terminating the investigation and notify the local law enforcement agency if the local law enforcement agency is conducting a joint investigation.

If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, the local welfare agency shall immediately conduct a family assessment or investigation as identified in clauses (1) to (4). In conducting a family assessment or investigation, the local welfare agency shall gather information on the existence of substance abuse and domestic violence and offer services for purposes of preventing future child maltreatment, safeguarding and enhancing the welfare of the abused or neglected minor, and supporting and preserving family life whenever possible. If the report alleges a violation of a criminal statute involving sexual abuse, physical abuse, or

neglect or endangerment, under section 609.378, the local law enforcement agency and local welfare agency shall coordinate the planning and execution of their respective investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of the results of its investigation. In cases of alleged child maltreatment resulting in death, the local agency may rely on the fact-finding efforts of a law enforcement investigation to make a determination of whether or not maltreatment occurred. When necessary the local welfare agency shall seek authority to remove the child from the custody of a parent, guardian, or adult with whom the child is living. In performing any of these duties, the local welfare agency shall maintain appropriate records.

If the family assessment or investigation indicates there is a potential for abuse of alcohol or other drugs by the parent, guardian, or person responsible for the child's care, the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota Rules, part 9530.6615. The local welfare agency shall report the determination of the chemical use assessment, and the recommendations and referrals for alcohol and other drug treatment services to the state authority on alcohol and drug abuse.

(b) When a local agency receives a report or otherwise has information indicating that a child who is a client, as defined in section 245.91, has been the subject of physical abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section 245.91, it shall, in addition to its other duties under this section, immediately inform the ombudsman established under sections 245.91 to 245.97. The commissioner of education shall inform the ombudsman established under sections 245.91 to 245.97 of reports regarding a child defined as a client in section 245.91 that maltreatment occurred at a school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

(c) Authority of the local welfare agency responsible for assessing or investigating the child abuse or neglect report, the agency responsible for assessing or investigating the report, and of the local law enforcement agency for investigating the alleged abuse or neglect includes, but is not limited to, authority to interview, without parental consent, the alleged victim and any other minors who currently reside with or who have resided with the alleged offender. The interview may take place at school or at any facility or other place where the alleged victim or other minors might be found or the child may be transported to, and the interview conducted at a place appropriate for the interview of a child designated by the local welfare agency or law enforcement agency. The interview may take place outside the presence of the alleged offender or parent, legal custodian, guardian, or school official. For family assessments, it is the preferred practice to request a parent or guardian's permission to interview the child prior to conducting the child interview, unless doing so would compromise the safety assessment. Except as provided in this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible local welfare or law enforcement agency no later than the conclusion of the investigation or assessment that this interview has occurred. Notwithstanding rule 49.02 of the Minnesota Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte motion by the local welfare agency, order that, where reasonable cause exists, the agency withhold notification of this interview from the parent, legal custodian, or guardian. If the interview took place or is to take place on school property, the order shall specify that school officials may not disclose to the parent, legal custodian, or guardian the contents of the notification of intent to interview the child on school property, as provided under this paragraph, and any other related information regarding the interview that may be a part of the child's school record. A copy of the order shall be sent by the local welfare or law enforcement agency to the appropriate school official.

(d) When the local welfare, local law enforcement agency, or the agency responsible for assessing or investigating a report of maltreatment determines that an interview should take place on school property, written notification of intent to interview the child on school property must be received by school officials prior to the interview. The notification shall include the name of the child to be interviewed, the purpose of the interview, and a reference to the statutory authority to conduct an interview on school

property. For interviews conducted by the local welfare agency, the notification shall be signed by the chair of the local social services agency or the chair's designee. The notification shall be private data on individuals subject to the provisions of this paragraph. School officials may not disclose to the parent, legal custodian, or guardian the contents of the notification or any other related information regarding the interview until notified in writing by the local welfare or law enforcement agency that the investigation or assessment has been concluded, unless a school employee or agent is alleged to have maltreated the child. Until that time, the local welfare or law enforcement agency or the agency responsible for assessing or investigating a report of maltreatment shall be solely responsible for any disclosures regarding the nature of the assessment or investigation.

Except where the alleged offender is believed to be a school official or employee, the time and place, and manner of the interview on school premises shall be within the discretion of school officials, but the local welfare or law enforcement agency shall have the exclusive authority to determine who may attend the interview. The conditions as to time, place, and manner of the interview set by the school officials shall be reasonable and the interview shall be conducted not more than 24 hours after the receipt of the notification unless another time is considered necessary by agreement between the school officials and the local welfare or law enforcement agency. Where the school fails to comply with the provisions of this paragraph, the juvenile court may order the school to comply. Every effort must be made to reduce the disruption of the educational program of the child, other students, or school staff when an interview is conducted on school premises.

(e) Where the alleged offender or a person responsible for the care of the alleged victim or other minor prevents access to the victim or other minor by the local welfare agency, the juvenile court may order the parents, legal custodian, or guardian to produce the alleged victim or other minor for questioning by the local welfare agency or the local law enforcement agency outside the presence of the alleged offender or any person responsible for the child's care at reasonable places and times as specified by court order.

(f) Before making an order under paragraph (e), the court shall issue an order to show cause, either upon its own motion or upon a verified petition, specifying the basis for the requested interviews and fixing the time and place of the hearing. The order to show cause shall be served personally and shall be heard in the same manner as provided in other cases in the juvenile court. The court shall consider the need for appointment of a guardian ad litem to protect the best interests of the child. If appointed, the guardian ad litem shall be present at the hearing on the order to show cause.

(g) The commissioner of human services, the ombudsman for mental health and mental retardation, the local welfare agencies responsible for investigating reports, the commissioner of education, and the local law enforcement agencies have the right to enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, including medical records, as part of the investigation. Notwithstanding the provisions of chapter 13, they also have the right to inform the facility under investigation that they are conducting an investigation, to disclose to the facility the names of the individuals under investigation for abusing or neglecting a child, and to provide the facility with a copy of the report and the investigative findings.

(h) The local welfare agency responsible for conducting a family assessment shall collect available and relevant information to determine child safety, risk of subsequent child maltreatment, and family strengths and needs. The local welfare agency or the agency responsible for investigating the report shall collect available and relevant information to ascertain whether maltreatment occurred and whether protective services are needed. Information collected includes, when relevant, information with regard to the person reporting the alleged maltreatment, including the nature of the reporter's relationship to the child and to the alleged offender, and the basis of the reporter's knowledge for the report; the child allegedly being maltreated; the alleged offender; the child's caretaker; and other collateral sources having relevant information

related to the alleged maltreatment. The local welfare agency or the agency responsible for assessing or investigating the report may make a determination of no maltreatment early in an assessment, and close the case and retain immunity, if the collected information shows no basis for a full assessment or investigation.

Information relevant to the assessment or investigation must be asked for, and may include:

(1) the child's sex and age, prior reports of maltreatment, information relating to developmental functioning, credibility of the child's statement, and whether the information provided under this clause is consistent with other information collected during the course of the assessment or investigation;

(2) the alleged offender's age, a record check for prior reports of maltreatment, and criminal charges and convictions. The local welfare agency or the agency responsible for assessing or investigating the report must provide the alleged offender with an opportunity to make a statement. The alleged offender may submit supporting documentation relevant to the assessment or investigation;

(3) collateral source information regarding the alleged maltreatment and care of the child. Collateral information includes, when relevant: (i) a medical examination of the child; (ii) prior medical records relating to the alleged maltreatment or the care of the child maintained by any facility, clinic, or health care professional and an interview with the treating professionals; and (iii) interviews with the child's caretakers, including the child's parent, guardian, foster parent, child care provider, teachers, counselors, family members, relatives, and other persons who may have knowledge regarding the alleged maltreatment and the care of the child; and

(4) information on the existence of domestic abuse and violence in the home of the child, and substance abuse.

Nothing in this paragraph precludes the local welfare agency, the local law enforcement agency, or the agency responsible for assessing or investigating the report from collecting other relevant information necessary to conduct the assessment or investigation. Notwithstanding section 13.384 or 144.335, the local welfare agency has access to medical data and records for purposes of clause (3). Notwithstanding the data's classification in the possession of any other agency, data acquired by the local welfare agency or the agency responsible for assessing or investigating the report during the course of the assessment or investigation are private data on individuals and must be maintained in accordance with subdivision 11. Data of the commissioner of education collected or maintained during and for the purpose of an investigation of alleged maltreatment in a school are governed by this section, notwithstanding the data's classification as educational, licensing, or personnel data under chapter 13.

In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (i), the commissioner of education shall collect investigative reports and data that are relevant to a report of maltreatment and are from local law enforcement and the school facility.

(i) Upon receipt of a report, the local welfare agency shall conduct a face-to-face contact with the child reported to be maltreated and with the child's primary caregiver sufficient to complete a safety assessment and ensure the immediate safety of the child. The face-to-face contact with the child and primary caregiver shall occur immediately if substantial child endangerment is alleged and within five calendar days for all other reports. If the alleged offender was not already interviewed as the primary caregiver, the local welfare agency shall also conduct a face-to-face interview with the alleged offender in the early stages of the assessment or investigation. At the initial contact, the local child welfare agency or the agency responsible for assessing or investigating the report must inform the alleged offender of the complaints or allegations made against the individual in a manner consistent with laws protecting the rights of the person who made the report. The interview with the alleged offender may be postponed if it would jeopardize an active law enforcement investigation.

(j) When conducting an investigation, the local welfare agency shall use a question and answer interviewing format with questioning as nondirective as possible to elicit

spontaneous responses. For investigations only, the following interviewing methods and procedures must be used whenever possible when collecting information:

- (1) audio recordings of all interviews with witnesses and collateral sources; and
- (2) in cases of alleged sexual abuse, audio-video recordings of each interview with the alleged victim and child witnesses.

(k) In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (i), the commissioner of education shall collect available and relevant information and use the procedures in paragraphs (i), (k), and subdivision 3d, except that the requirement for face-to-face observation of the child and face-to-face interview of the alleged offender is to occur in the initial stages of the assessment or investigation provided that the commissioner may also base the assessment or investigation on investigative reports and data received from the school facility and local law enforcement, to the extent those investigations satisfy the requirements of paragraphs (i) and (k), and subdivision 3d.

Subd. 10b. Duties of commissioner; neglect or abuse in facility. (a) This section applies to the commissioners of human services, health, and education. The commissioner of the agency responsible for assessing or investigating the report shall immediately assess or investigate if the report alleges that:

(1) a child who is in the care of a facility as defined in subdivision 2 is neglected, physically abused, sexually abused, or is the victim of maltreatment in a facility by an individual in that facility, or has been so neglected or abused, or been the victim of maltreatment in a facility by an individual in that facility within the three years preceding the report; or

(2) a child was neglected, physically abused, sexually abused, or is the victim of maltreatment in a facility by an individual in a facility defined in subdivision 2, while in the care of that facility within the three years preceding the report.

The commissioner of the agency responsible for assessing or investigating the report shall arrange for the transmittal to the commissioner of reports received by local agencies and may delegate to a local welfare agency the duty to investigate reports. In conducting an investigation under this section, the commissioner has the powers and duties specified for local welfare agencies under this section. The commissioner of the agency responsible for assessing or investigating the report or local welfare agency may interview any children who are or have been in the care of a facility under investigation and their parents, guardians, or legal custodians.

(b) Prior to any interview, the commissioner of the agency responsible for assessing or investigating the report or local welfare agency shall notify the parent, guardian, or legal custodian of a child who will be interviewed in the manner provided for in subdivision 10d, paragraph (a). If reasonable efforts to reach the parent, guardian, or legal custodian of a child in an out-of-home placement have failed, the child may be interviewed if there is reason to believe the interview is necessary to protect the child or other children in the facility. The commissioner of the agency responsible for assessing or investigating the report or local agency must provide the information required in this subdivision to the parent, guardian, or legal custodian of a child interviewed without parental notification as soon as possible after the interview. When the investigation is completed, any parent, guardian, or legal custodian notified under this subdivision shall receive the written memorandum provided for in subdivision 10d, paragraph (c).

(c) In conducting investigations under this subdivision the commissioner or local welfare agency shall obtain access to information consistent with subdivision 10, paragraphs (h), (i), and (j). In conducting assessments or investigations under this subdivision, the commissioner of education shall obtain access to reports and investigative data that are relevant to a report of maltreatment and are in the possession of a school facility as defined in subdivision 2, paragraph (i), notwithstanding the classification of the data as educational or personnel data under chapter 13. This includes, but is

not limited to, school investigative reports, information concerning the conduct of school personnel alleged to have committed maltreatment of students, information about witnesses, and any protective or corrective action taken by the school facility regarding the school personnel alleged to have committed maltreatment.

(d) The commissioner may request assistance from the local social services agency.

[For text of subds 10c and 10d, see M.S.2004]

Subd. 10e. **Determinations.** (a) The local welfare agency shall conclude the family assessment or the investigation within 45 days of the receipt of a report. The conclusion of the assessment or investigation may be extended to permit the completion of a criminal investigation or the receipt of expert information requested within 45 days of the receipt of the report.

(b) After conducting a family assessment, the local welfare agency shall determine whether services are needed to address the safety of the child and other family members and the risk of subsequent maltreatment.

(c) After conducting an investigation, the local welfare agency shall make two determinations: first, whether maltreatment has occurred; and second, whether child protective services are needed.

(d) If the commissioner of education conducts an assessment or investigation, the commissioner shall determine whether maltreatment occurred and what corrective or protective action was taken by the school facility. If a determination is made that maltreatment has occurred, the commissioner shall report to the employer, the school board, and any appropriate licensing entity the determination that maltreatment occurred and what corrective or protective action was taken by the school facility. In all other cases, the commissioner shall inform the school board or employer that a report was received, the subject of the report, the date of the initial report, the category of maltreatment alleged as defined in paragraph (f), the fact that maltreatment was not determined, and a summary of the specific reasons for the determination.

(e) When maltreatment is determined in an investigation involving a facility, the investigating agency shall also determine whether the facility or individual was responsible, or whether both the facility and the individual were responsible for the maltreatment using the mitigating factors in paragraph (i). Determinations under this subdivision must be made based on a preponderance of the evidence and are private data on individuals or nonpublic data as maintained by the commissioner of education.

(f) For the purposes of this subdivision, "maltreatment" means any of the following acts or omissions:

- (1) physical abuse as defined in subdivision 2, paragraph (g);
- (2) neglect as defined in subdivision 2, paragraph (f);
- (3) sexual abuse as defined in subdivision 2, paragraph (d);
- (4) mental injury as defined in subdivision 2, paragraph (m); or
- (5) maltreatment of a child in a facility as defined in subdivision 2, paragraph (i).

(g) For the purposes of this subdivision, a determination that child protective services are needed means that the local welfare agency has documented conditions during the assessment or investigation sufficient to cause a child protection worker, as defined in section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment if protective intervention is not provided and that the individuals responsible for the child's care have not taken or are not likely to take actions to protect the child from maltreatment or risk of maltreatment.

(h) This subdivision does not mean that maltreatment has occurred solely because the child's parent, guardian, or other person responsible for the child's care in good faith selects and depends upon spiritual means or prayer for treatment or care of disease or remedial care of the child, in lieu of medical care. However, if lack of medical care may result in serious danger to the child's health, the local welfare agency may ensure that necessary medical services are provided to the child.

(i) When determining whether the facility or individual is the responsible party for determined maltreatment in a facility, the investigating agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were according to, and followed the terms of, an erroneous physician order, prescription, individual care plan, or directive; however, this is not a mitigating factor when the facility or caregiver was responsible for the issuance of the erroneous order, prescription, individual care plan, or directive or knew or should have known of the errors and took no reasonable measures to correct the defect before administering care;

(2) comparative responsibility between the facility, other caregivers, and requirements placed upon an employee, including the facility's compliance with related regulatory standards and the adequacy of facility policies and procedures, facility training, an individual's participation in the training, the caregiver's supervision, and facility staffing levels and the scope of the individual employee's authority and discretion; and

(3) whether the facility or individual followed professional standards in exercising professional judgment.

(j) Individual counties may implement more detailed definitions or criteria that indicate which allegations to investigate, as long as a county's policies are consistent with the definitions in the statutes and rules and are approved by the county board. Each local welfare agency shall periodically inform mandated reporters under subdivision 3 who work in the county of the definitions of maltreatment in the statutes and rules and any additional definitions or criteria that have been approved by the county board.

Subd. 10f. Notice of determinations. Within ten working days of the conclusion of a family assessment, the local welfare agency shall notify the parent or guardian of the child of the need for services to address child safety concerns or significant risk of subsequent child maltreatment. The local welfare agency and the family may also jointly agree that family support and family preservation services are needed. Within ten working days of the conclusion of an investigation, the local welfare agency or agency responsible for assessing or investigating the report shall notify the parent or guardian of the child, the person determined to be maltreating the child, and if applicable, the director of the facility, of the determination and a summary of the specific reasons for the determination. The notice must also include a certification that the information collection procedures under subdivision 10, paragraphs (h), (i), and (j), were followed and a notice of the right of a data subject to obtain access to other private data on the subject collected, created, or maintained under this section. In addition, the notice shall include the length of time that the records will be kept under subdivision 11c. The investigating agency shall notify the parent or guardian of the child who is the subject of the report, and any person or facility determined to have maltreated a child, of their appeal or review rights under this section or section 256.022.

[For text of subs 10g and 10h, see M.S.2004]

Subd. 10i. Administrative reconsideration of final determination of maltreatment and disqualification based on serious or recurring maltreatment; review panel. (a) Administrative reconsideration is not applicable in family assessments since no determination concerning maltreatment is made. For investigations, except as provided under paragraph (e), an individual or facility that the commissioner of human services, a local social service agency, or the commissioner of education determines has maltreated a child, an interested person acting on behalf of the child, regardless of the determination, who contests the investigating agency's final determination regarding maltreatment, may request the investigating agency to reconsider its final determination regarding maltreatment. The request for reconsideration must be submitted in writing to the investigating agency within 15 calendar days after receipt of notice of the final determination regarding maltreatment or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the

parent or guardian of the child. If mailed, the request for reconsideration must be postmarked and sent to the investigating agency within 15 calendar days of the individual's or facility's receipt of the final determination. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 15 calendar days after the individual's or facility's receipt of the final determination. Effective January 1, 2002, an individual who was determined to have maltreated a child under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment determination and the disqualification must be postmarked and sent to the investigating agency within 30 calendar days of the individual's receipt of the maltreatment determination and notice of disqualification. If the request for reconsideration is made by personal service, it must be received by the investigating agency within 30 calendar days after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the investigating agency denies the request or fails to act upon the request within 15 working days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045 may submit to the commissioner of human services or the commissioner of education a written request for a hearing under that section. Section 256.045 also governs hearings requested to contest a final determination of the commissioner of education. For reports involving maltreatment of a child in a facility, an interested person acting on behalf of the child may request a review by the Child Maltreatment Review Panel under section 256.022 if the investigating agency denies the request or fails to act upon the request or if the interested person contests a reconsidered determination. The investigating agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the investigating agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered determination. The request must specifically identify the aspects of the agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the investigating agency changes the final determination of maltreatment, that agency shall notify the parties specified in subdivisions 10b, 10d, and 10f.

(d) Except as provided under paragraph (f), if an individual or facility contests the investigating agency's final determination regarding maltreatment by requesting a fair hearing under section 256.045, the commissioner of human services shall assure that the hearing is conducted and a decision is reached within 90 days of receipt of the request for a hearing. The time for action on the decision may be extended for as many days as the hearing is postponed or the record is held open for the benefit of either party.

(e) Effective January 1, 2002, if an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and requested reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied or the disqualification is not set aside under sections 245C.21 to 245C.27, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) Effective January 1, 2002, if a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has

the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, subdivision 2a, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing regarding the maltreatment determination shall not be conducted under paragraph (b). When a fine is based on a determination that the license holder is responsible for maltreatment and the fine is issued at the same time as the maltreatment determination, if the license holder appeals the maltreatment and fine, reconsideration of the maltreatment determination shall not be conducted under this section. If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) For purposes of this subdivision, "interested person acting on behalf of the child" means a parent or legal guardian; stepparent; grandparent; guardian ad litem; adult stepbrother, stepsister, or sibling; or adult aunt or uncle; unless the person has been determined to be the perpetrator of the maltreatment.

[For text of subs 10j and 10k, see M.S.2004]

Subd. 10l. Documentation. When a case is closed that has been open for services, the local welfare agency shall document the outcome of the family assessment or investigation, including a description of services provided and the removal or reduction of risk to the child, if it existed.

Subd. 10m. Provision of child protective services. The local welfare agency shall create a written plan, in collaboration with the family whenever possible, within 30 days of the determination that child protective services are needed or upon joint agreement of the local welfare agency and the family that family support and preservation services are needed. Child protective services for a family are voluntary unless ordered by the court.

Subd. 11. Records. (a) Except as provided in paragraph (b) or (d) and subdivisions 10b, 10d, 10g, and 11b, all records concerning individuals maintained by a local welfare agency or agency responsible for assessing or investigating the report under this section, including any written reports filed under subdivision 7, shall be private data on individuals, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. All records concerning determinations of maltreatment by a facility are nonpublic data as maintained by the Department of Education, except insofar as copies of reports are required by subdivision 7 to be sent to the local police department or the county sheriff. Reports maintained by any police department or the county sheriff shall be private data on individuals except the reports shall be made available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners. Section 13.82, subdivisions 8, 9, and 14, apply to law enforcement data other than the reports. The local social services agency or agency responsible for assessing or investigating the report shall make available to the investigating, petitioning, or prosecuting authority, including county medical examiners or county coroners or their professional delegates, any records which contain information relating to a specific incident of neglect or abuse which is under investigation, petition, or prosecution and information relating to any prior incidents of neglect or abuse involving any of the same persons. The records shall be collected and maintained in accordance with the provisions of chapter 13. In conducting investigations and assessments pursuant to this section, the notice required by section 13.04, subdivision 2, need not be provided to a minor under the age of ten who is the alleged victim of abuse or neglect. An individual subject of a record shall have access to the record in accordance with those sections, except that the name of the reporter shall be confidential while the report is under assessment or investigation except as otherwise permitted by this subdivision. Any person conducting an investigation or assessment under this section who intentionally discloses the identity of a reporter prior to the completion of the investigation or assessment is guilty of a

misdemeanor. After the assessment or investigation is completed, the name of the reporter shall be confidential. The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by the court that the report was false and that there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure.

(b) Upon request of the legislative auditor, data on individuals maintained under this section must be released to the legislative auditor in order for the auditor to fulfill the auditor's duties under section 3.971. The auditor shall maintain the data in accordance with chapter 13.

(c) The commissioner of education must be provided with all requested data that are relevant to a report of maltreatment and are in possession of a school facility as defined in subdivision 2, paragraph (i), when the data is requested pursuant to an assessment or investigation of a maltreatment report of a student in a school. If the commissioner of education makes a determination of maltreatment involving an individual performing work within a school facility who is licensed by a board or other agency, the commissioner shall provide necessary and relevant information to the licensing entity to enable the entity to fulfill its statutory duties. Notwithstanding section 13.03, subdivision 4, data received by a licensing entity under this paragraph are governed by section 13.41 or other applicable law governing data of the receiving entity, except that this section applies to the classification of and access to data on the reporter of the maltreatment.

(d) The investigating agency shall exchange not public data with the Child Maltreatment Review Panel under section 256.022 if the data are pertinent and necessary for a review requested under section 256.022. Upon completion of the review, the not public data received by the review panel must be returned to the investigating agency.

[For text of subs 11a and 11b, see M.S.2004]

Subd. 11c. Welfare, court services agency, and school records maintained. Notwithstanding sections 138.163 and 138.17, records maintained or records derived from reports of abuse by local welfare agencies, agencies responsible for assessing or investigating the report, court services agencies, or schools under this section shall be destroyed as provided in paragraphs (a) to (d) by the responsible authority.

(a) For family assessment cases and cases where an investigation results in no determination of maltreatment or the need for child protective services, the assessment or investigation records must be maintained for a period of four years. Records under this paragraph may not be used for employment, background checks, or purposes other than to assist in future risk and safety assessments.

(b) All records relating to reports which, upon investigation, indicate either maltreatment or a need for child protective services shall be maintained for at least ten years after the date of the final entry in the case record.

(c) All records regarding a report of maltreatment, including any notification of intent to interview which was received by a school under subdivision 10, paragraph (d), shall be destroyed by the school when ordered to do so by the agency conducting the assessment or investigation. The agency shall order the destruction of the notification when other records relating to the report under investigation or assessment are destroyed under this subdivision.

(d) Private or confidential data released to a court services agency under subdivision 10h must be destroyed by the court services agency when ordered to do so by the local welfare agency that released the data. The local welfare agency or agency responsible for assessing or investigating the report shall order destruction of the data when other records relating to the assessment or investigation are destroyed under this subdivision.

626.557 REPORTING OF MALTREATMENT OF VULNERABLE ADULTS.

[For text of subs 1 to 9c, see M.S.2004]

Subd. 9d. **Administrative reconsideration of final disposition of maltreatment and disqualification based on serious or recurring maltreatment; review panel.** (a) Except as provided under paragraph (e), any individual or facility which a lead agency determines has maltreated a vulnerable adult, or the vulnerable adult or an interested person acting on behalf of the vulnerable adult, regardless of the lead agency's determination, who contests the lead agency's final disposition of an allegation of maltreatment, may request the lead agency to reconsider its final disposition. The request for reconsideration must be submitted in writing to the lead agency within 15 calendar days after receipt of notice of final disposition or, if the request is made by an interested person who is not entitled to notice, within 15 days after receipt of the notice by the vulnerable adult or the vulnerable adult's legal guardian. If mailed, the request for reconsideration must be postmarked and sent to the lead agency within 15 calendar days of the individual's or facility's receipt of the final disposition. If the request for reconsideration is made by personal service, it must be received by the lead agency within 15 calendar days of the individual's or facility's receipt of the final disposition. An individual who was determined to have maltreated a vulnerable adult under this section and who was disqualified on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment determination and the disqualification. The request for reconsideration of the maltreatment determination and the disqualification must be submitted in writing within 30 calendar days of the individual's receipt of the notice of disqualification under sections 245C.16 and 245C.17. If mailed, the request for reconsideration of the maltreatment determination and the disqualification must be postmarked and sent to the lead agency within 30 calendar days of the individual's receipt of the notice of disqualification. If the request for reconsideration is made by personal service, it must be received by the lead agency within 30 calendar days after the individual's receipt of the notice of disqualification.

(b) Except as provided under paragraphs (e) and (f), if the lead agency denies the request or fails to act upon the request within 15 working days after receiving the request for reconsideration, the person or facility entitled to a fair hearing under section 256.045, may submit to the commissioner of human services a written request for a hearing under that statute. The vulnerable adult, or an interested person acting on behalf of the vulnerable adult, may request a review by the Vulnerable Adult Maltreatment Review Panel under section 256.021 if the lead agency denies the request or fails to act upon the request, or if the vulnerable adult or interested person contests a reconsidered disposition. The lead agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing to the review panel and a copy sent to the lead agency within 30 calendar days of receipt of notice of a denial of a request for reconsideration or of a reconsidered disposition. The request must specifically identify the aspects of the agency determination with which the person is dissatisfied.

(c) If, as a result of a reconsideration or review, the lead agency changes the final disposition, it shall notify the parties specified in subdivision 9c, paragraph (d).

(d) For purposes of this subdivision, "interested person acting on behalf of the vulnerable adult" means a person designated in writing by the vulnerable adult to act on behalf of the vulnerable adult, or a legal guardian or conservator or other legal representative, a proxy or health care agent appointed under chapter 145B or 145C, or an individual who is related to the vulnerable adult, as defined in section 245A.02, subdivision 13.

(e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis of a determination of maltreatment, which was serious or recurring, and the individual has requested reconsideration of the maltreatment determination under paragraph (a) and reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration of the maltreatment determination and requested reconsideration of the disqualification shall be consolidated into a single reconsideration. If reconsideration of the maltreatment determination is denied or if the disqualification is not set aside under sections 245C.21 to 245C.27, the individual may request a fair hearing under section 256.045. If an individual requests a fair hearing on the maltreatment determination and the disqualification, the scope of the fair hearing shall include both the maltreatment determination and the disqualification.

(f) If a maltreatment determination or a disqualification based on serious or recurring maltreatment is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for under section 245A.08, the scope of the contested case hearing shall include the maltreatment determination, disqualification, and licensing sanction or denial of a license. In such cases, a fair hearing shall not be conducted under paragraph (b). When a fine is based on a determination that the license holder is responsible for maltreatment and the fine is issued at the same time as the maltreatment determination, if the license holder appeals the maltreatment and fine, reconsideration of the maltreatment determination shall not be conducted under this section. If the disqualified subject is an individual other than the license holder and upon whom a background study must be conducted under chapter 245C, the hearings of all parties may be consolidated into a single contested case hearing upon consent of all parties and the administrative law judge.

(g) Until August 1, 2002, an individual or facility that was determined by the commissioner of human services or the commissioner of health to be responsible for neglect under section 626.5572, subdivision 17, after October 1, 1995, and before August 1, 2001, that believes that the finding of neglect does not meet an amended definition of neglect may request a reconsideration of the determination of neglect. The commissioner of human services or the commissioner of health shall mail a notice to the last known address of individuals who are eligible to seek this reconsideration. The request for reconsideration must state how the established findings no longer meet the elements of the definition of neglect. The commissioner shall review the request for reconsideration and make a determination within 15 calendar days. The commissioner's decision on this reconsideration is the final agency action.

(1) For purposes of compliance with the data destruction schedule under subdivision 12b, paragraph (d), when a finding of substantiated maltreatment has been changed as a result of a reconsideration under this paragraph, the date of the original finding of a substantiated maltreatment must be used to calculate the destruction date.

(2) For purposes of any background studies under chapter 245C, when a determination of substantiated maltreatment has been changed as a result of a reconsideration under this paragraph, any prior disqualification of the individual under chapter 245C that was based on this determination of maltreatment shall be rescinded, and for future background studies under chapter 245C the commissioner must not use the previous determination of substantiated maltreatment as a basis for disqualification or as a basis for referring the individual's maltreatment history to a health-related licensing board under section 245C.31.

Subd. 12b. **Data management.** (a) **County data.** In performing any of the duties of this section as a lead agency, the county social service agency shall maintain appropriate records. Data collected by the county social service agency under this section are welfare data under section 13.46. Notwithstanding section 13.46, subdivision 1, paragraph (a), data under this paragraph that are inactive investigative data on an individual who is a vendor of services are private data on individuals, as defined in

section 13.02. The identity of the reporter may only be disclosed as provided in paragraph (c).

Data maintained by the common entry point are confidential data on individuals or protected nonpublic data as defined in section 13.02. Notwithstanding section 138.163, the common entry point shall destroy data three calendar years after date of receipt.

(b) **Lead agency data.** The commissioners of health and human services shall prepare an investigation memorandum for each report alleging maltreatment investigated under this section. County social service agencies must maintain private data on individuals but are not required to prepare an investigation memorandum. During an investigation by the commissioner of health or the commissioner of human services, data collected under this section are confidential data on individuals or protected nonpublic data as defined in section 13.02. Upon completion of the investigation, the data are classified as provided in clauses (1) to (3) and paragraph (c).

(1) The investigation memorandum must contain the following data, which are public:

- (i) the name of the facility investigated;
- (ii) a statement of the nature of the alleged maltreatment;
- (iii) pertinent information obtained from medical or other records reviewed;
- (iv) the identity of the investigator;
- (v) a summary of the investigation's findings;
- (vi) statement of whether the report was found to be substantiated, inconclusive, false, or that no determination will be made;
- (vii) a statement of any action taken by the facility;
- (viii) a statement of any action taken by the lead agency; and
- (ix) when a lead agency's determination has substantiated maltreatment, a statement of whether an individual, individuals, or a facility were responsible for the substantiated maltreatment, if known.

The investigation memorandum must be written in a manner which protects the identity of the reporter and of the vulnerable adult and may not contain the names or, to the extent possible, data on individuals or private data listed in clause (2).

(2) Data on individuals collected and maintained in the investigation memorandum are private data, including:

- (i) the name of the vulnerable adult;
- (ii) the identity of the individual alleged to be the perpetrator;
- (iii) the identity of the individual substantiated as the perpetrator; and
- (iv) the identity of all individuals interviewed as part of the investigation.

(3) Other data on individuals maintained as part of an investigation under this section are private data on individuals upon completion of the investigation.

(c) **Identity of reporter.** The subject of the report may compel disclosure of the name of the reporter only with the consent of the reporter or upon a written finding by a court that the report was false and there is evidence that the report was made in bad faith. This subdivision does not alter disclosure responsibilities or obligations under the Rules of Criminal Procedure, except that where the identity of the reporter is relevant to a criminal prosecution, the district court shall do an in-camera review prior to determining whether to order disclosure of the identity of the reporter.

(d) **Destruction of data.** Notwithstanding section 138.163, data maintained under this section by the commissioners of health and human services must be destroyed under the following schedule:

- (1) data from reports determined to be false, two years after the finding was made;
- (2) data from reports determined to be inconclusive, four years after the finding was made;

(3) data from reports determined to be substantiated, seven years after the finding was made; and

(4) data from reports which were not investigated by a lead agency and for which there is no final disposition, two years from the date of the report.

(e) **Summary of reports.** The commissioners of health and human services shall each annually report to the legislature and the governor on the number and type of reports of alleged maltreatment involving licensed facilities reported under this section, the number of those requiring investigation under this section, and the resolution of those investigations. The report shall identify:

(1) whether and where backlogs of cases result in a failure to conform with statutory time frames;

(2) where adequate coverage requires additional appropriations and staffing; and

(3) any other trends that affect the safety of vulnerable adults.

(f) **Record retention policy.** Each lead agency must have a record retention policy.

(g) **Exchange of information.** Lead agencies, prosecuting authorities, and law enforcement agencies may exchange not public data, as defined in section 13.02, if the agency or authority requesting the data determines that the data are pertinent and necessary to the requesting agency in initiating, furthering, or completing an investigation under this section. Data collected under this section must be made available to prosecuting authorities and law enforcement officials, local county agencies, and licensing agencies investigating the alleged maltreatment under this section. The lead agency shall exchange not public data with the vulnerable adult maltreatment review panel established in section 256.021 if the data are pertinent and necessary for a review requested under that section. Upon completion of the review, not public data received by the review panel must be returned to the lead agency.

(h) **Completion time.** Each lead agency shall keep records of the length of time it takes to complete its investigations.

(i) **Notification of other affected parties.** A lead agency may notify other affected parties and their authorized representative if the agency has reason to believe maltreatment has occurred and determines the information will safeguard the well-being of the affected parties or dispel widespread rumor or unrest in the affected facility.

(j) **Federal requirements.** Under any notification provision of this section, where federal law specifically prohibits the disclosure of patient identifying information, a lead agency may not provide any notice unless the vulnerable adult has consented to disclosure in a manner which conforms to federal requirements.

Subd. 14. Abuse prevention plans. (a) Each facility, except home health agencies and personal care attendant services providers, shall establish and enforce an ongoing written abuse prevention plan. The plan shall contain an assessment of the physical plant, its environment, and its population identifying factors which may encourage or permit abuse, and a statement of specific measures to be taken to minimize the risk of abuse. The plan shall comply with any rules governing the plan promulgated by the licensing agency.

(b) Each facility, including a home health care agency and personal care attendant services providers, shall develop an individual abuse prevention plan for each vulnerable adult residing there or receiving services from them. The plan shall contain an individualized assessment of: (1) the person's susceptibility to abuse by other individuals, including other vulnerable adults; (2) the person's risk of abusing other vulnerable adults; and (3) statements of the specific measures to be taken to minimize the risk of abuse to that person and other vulnerable adults. For the purposes of this paragraph, the term "abuse" includes self-abuse.

(c) If the facility, except home health agencies and personal care attendant services providers, knows that the vulnerable adult has committed a violent crime or an act of physical aggression toward others, the individual abuse prevention plan must detail the measures to be taken to minimize the risk that the vulnerable adult might reasonably

be expected to pose to visitors to the facility and persons outside the facility, if unsupervised. Under this section, a facility knows of a vulnerable adult's history of criminal misconduct or physical aggression if it receives such information from a law enforcement authority or through a medical record prepared by another facility, another health care provider, or the facility's ongoing assessments of the vulnerable adult.
