168B.01 LEGISLATIVE FINDINGS; PURPOSE.

Abandoned motor vehicles constitute a hazard to the health and welfare of the people of the state in that such vehicles can harbor noxious diseases, furnish shelter and breeding places for vermin, and present physical dangers to the safety and well-being of children and other citizens. Abandoned motor vehicles and other scrap metals also constitute a blight on the landscape of the state and therefore a detriment to the environment. The abandonment and retirement of motor vehicles and other scrap metals constitutes a waste of a valuable source of useful metal. It is therefore in the public interest that the present accumulation of abandoned motor vehicles and other scrap metals be eliminated, that future abandonment of motor vehicles and other scrap metals be prevented, that the expansion of existing scrap recycling facilities be developed and that other acceptable and economically useful methods for the disposal of abandoned motor vehicles and other forms of scrap metal be developed.

of the taking, the year, make, model and serial number of the impounded motor vehicle if such information can be reasonably obtained and the place where the vehicle is being held, (2) inform the owner and any lienholders of their right to reclaim the vehicle under section 168B.07, and (3) state that failure of the owner or lienholders to exercise their right to reclaim the vehicle and contents within the appropriate time allowed under section 168B.051, subdivision 1, 1a, or 2, shall be deemed a waiver by them of all right, title, and interest in the vehicle and contents and a consent to the transfer of title to and disposal or sale of the vehicle and contents pursuant to section 168B.08.

Subd. 2. Notice by mail or publication. The notice shall be sent by mail to the registered owner, if any, of an impounded vehicle and to all readily identifiable lienholders of record. The department shall make this information available to impound lot operators for notification purposes. If it is impossible to determine with reasonable certainty the identity and address of the registered owner and all lienholders, the notice shall be published once in a newspaper of general circulation in the area where the motor vehicle was towed from or abandoned. Published notices may be grouped together for convenience and economy.

Subd. 3. Unauthorized vehicle; notice. If an unauthorized vehicle remains unclaimed after 30 days from the date the notice was sent under subdivision 2, a second notice shall be sent by certified mail, return receipt requested, to the registered owner, if any, of the unauthorized vehicle and to all readily identifiable lienholders of record.

Before such a vehicle is issued a new certificate of title it must receive a motor vehicle safety check.

Subd. 4. Sale proceeds; nonpublic impound lots. The operator of a nonpublic impound lot may retain any proceeds derived from a sale conducted under the authority of subdivision 1. The operator may retain all proceeds from sale of any personal belongings and contents in the vehicle that were not claimed by the owner or the owner's agent before the sale, except that any suspected contraband or other items that likely would be subject to forfeiture in a criminal trial must be turned over to the appropriate law enforcement agency.

A contract that does so conform may be approved by the agency. Where a contract has been approved, the agency may reimburse the unit of government for the costs incurred under the contract that have not been reimbursed under section 168B.08. Subd. 4. **Unit of government required to contract work.** The agency may demand that a unit of government contract for the disposal of abandoned motor vehicles and other scrap metal pursuant to the agency's plan for solid waste disposal. Where the unit of government fails to so contract within 180 days of the demand, the agency, through the Department of Administration and on behalf of such unit of government, may contract with any person duly licensed by the agency for such disposal.
