296A.08 SPECIAL FUEL TAX.

Subdivision 1. **Tax imposed.** (a) There is imposed an excise tax on all special fuel at the rates specified in subdivision 2. For purposes of this section, "owner or operator" means the operation of licensed motor vehicles, whether loaded or empty, whether for compensation or not for compensation, and whether owned by or leased to the motor carrier who operates them or causes them to be operated.

(b) For undyed diesel fuel and undyed kerosene, the tax is imposed on the first licensed distributor who received the product in Minnesota.

(c) For dyed fuel being used illegally in a licensed motor vehicle, the tax is imposed on the owner or operator of the motor vehicle.

(d) For dyed fuel used in a motor vehicle but subject to a federal exemption, although no federal tax may be imposed, the owner or operator of the vehicle is liable for the state tax.

(e) For other fuels, including jet fuel, propane, and compressed natural gas, the tax is imposed on the distributor, special fuel dealer, or bulk purchaser.

(f) Any person delivering special fuel on which the excise tax has not previously been paid, into the supply tank of an aircraft or a licensed motor vehicle shall report such delivery and shall pay, or collect and pay the excise tax on the special fuel so delivered to the commissioner.

Subd. 2. **Rate of tax.** The special fuel excise tax is imposed at the following rates:

- (a) Liquefied petroleum gas or propane is taxed at the rate of 15 cents per gallon.
- (b) Liquefied natural gas is taxed at the rate of 12 cents per gallon.
- (c) Compressed natural gas is taxed at the rate of \$1.739 per thousand cubic feet; or 20 cents per gasoline equivalent, as defined by the National Conference on Weights and Measures, which is 5.66 pounds of natural gas.

(d) All other special fuel is taxed at the same rate as the gasoline excise tax as specified in section 296A.07, subdivision 2. The tax is payable in the form and manner prescribed by the commissioner.

Subd. 3. **Exemptions.** The provisions of subdivisions 1 and 2 do not apply to special fuel or alternative fuels purchased by:

(1) a transit system or transit provider receiving financial assistance or reimbursement under section 174.24, 256B.0625, subdivision 17, or 473.384; or

(2) an ambulance service licensed under chapter 144E.

Subd. 4. **Tax imposed on use.** If it is determined by the commissioner from an examination of any records pertaining to the operation of any licensed motor vehicle which uses special fuel, that the special fuel tax on the special fuel used in this state has not been paid to this state, or to any other state if purchased in such other state, there is hereby imposed an excise tax at the same rate per gallon as the gasoline tax, on all such special fuel. All assessments of tax made under this subdivision shall be paid by the user to the commissioner upon demand. For purposes of this subdivision, "special fuel" means any fuel other than gasoline used in a licensed motor vehicle in this state.

Subd. 5. **Intended use.** All special fuel except that used for aviation fuel shall be deemed to be intended for use in a licensed motor vehicle in this state at the time of sale or delivery.

Subd. 6. **Liability for failure to keep adequate records.** If adequate records are not kept, or if the sales are not adequately accounted for, then all sales of combustible gases and liquid petroleum products, except gasoline, are deemed to be sales of special fuel. In such cases, there is imposed an excise tax of the same rate per gallon as the gasoline excise tax on all such products, and the vendor is liable for the tax.

296A.09 AVIATION TAX.

Subdivision 1. **Gasoline tax imposed.** Subject to any refunds or credits there is imposed an excise tax, at the rate of five cents per gallon on all aviation gasoline received, sold, stored, or withdrawn from storage in this state. Aviation gasoline is defined in section 296A.01, subdivision 7.

Subd. 2. **Special fuel tax imposed.** There is imposed an excise tax of the same rate per gallon as the aviation gasoline on all jet fuel or special fuel received, sold, stored, or withdrawn from storage in this state, for use as substitutes for aviation gasoline and not otherwise taxed as gasoline. Jet fuel is defined in section 296A.01, subdivision 8.

Subd. 3. **Exception to tax for aviation use.** The provisions of subdivisions 1 and 2 do not apply to aviation gasoline or special fuel purchased and placed in the fuel tanks of an aircraft outside the state, even though the gasoline may be consumed within this state.

Subd. 4. **Manner of payment.** These taxes are payable in the form and manner prescribed by the commissioner.

Subd. 5. **Tax not on consumption.** The taxes imposed by subdivisions 1 and 2 are expressly declared not to be a tax upon consumption of aviation gasoline or special fuel by an aircraft.

Subd. 6. **Exemptions.** The provisions of subdivisions 1 and 2 do not apply to aviation gasoline or jet fuel purchased by an ambulance service licensed under chapter 144E.

296A.10 LIABILITY FOR UNPAID TAX.

Subdivision 1. **Unreported fuel.** It is the duty of every distributor, dealer, and person who sells or uses gasoline manufactured, produced, received, or stored by the distributor, dealer, or person, and of every person using gasoline in motor vehicles or special fuel in licensed motor vehicles to know whether the tax has been paid on the fuel. If the tax has not

been reported or if the tax has not been paid, it is that person's duty to report to the commissioner the quantity of the gasoline or special fuel sold or used and to pay the tax as provided in this chapter. All provisions of this chapter relating to the calculation, collections, and payment of the tax shall be applicable to any such person, dealer, or distributor.

Subd. 2. Unreported aviation gasoline. The provisions of subdivision 1 do not apply to aviation gasoline. It is the duty of every distributor, dealer, and person who receives, sells, stores, or withdraws from storage in this state aviation gasoline manufactured, produced, received, or stored by the distributor, dealer, or person to know whether the tax has been paid on the aviation gasoline. If the fuel has not been reported, or if the tax has not been paid to the commissioner, it is that person's duty to report to the commissioner the quantity of such gasoline so received, sold, stored, or withdrawn from storage. That person is also liable for the payment of the tax. All provisions of this chapter relating to the calculation, collections, and payment of the tax apply to any such person, dealer, or distributor.

History: 1998 c 299 s 10

296A.11 SELLER MAY COLLECT TAX.

A person who directly or indirectly pays a gasoline or special fuel tax as provided in this chapter and who does not in fact use the gasoline or special fuel in motor vehicles in this state or receive, store, or withdraw it from storage to be used personally for the purpose of producing or generating power for propelling aircraft, but sells or otherwise disposes of the same, except as provided in section 296A.16, subdivision 3, is hereby authorized to collect, from the person to whom the gasoline or special fuel is so sold or disposed of, the tax so paid, and is hereby required, upon request, to make, sign, and deliver to such person an invoice of such sale or disposition. The sums collected must be held as a special fund in trust for the state of Minnesota.

History: 1998 c 299 s 11

296A.12 GASOLINE AND SPECIAL FUEL TAX IN LIEU OF OTHER TAXES.

Gasoline and special fuel excise taxes shall be in lieu of all other taxes imposed upon the business of selling or dealing in gasoline or special fuel, whether imposed by the state or by any of its political subdivisions, but are in addition to all ad valorem taxes now imposed by law. Nothing in this chapter is construed as prohibiting the governing body of any city of this state from licensing and regulating such business where its authority is conferred by state law or city charter.

History: 1998 c 299 s 12

296A.13 PERSONAL LIABILITY FOR TAX.

Liability for payment of taxes under this chapter includes a responsible person or entity described in the personal liability provisions of section 270C.56.

296A.14 TAX AS PERSONAL DEBT OF FIDUCIARY.

The tax imposed by this chapter, and interest and penalties, is a personal debt of the taxpayer from the time the liability arises, regardless of when the time for discharging the liability by payment occurs. The debt is, in the case of any fiduciary, that of the individual in the individual's official or fiduciary capacity only, unless the individual has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties, in which event the individual is personally liable for the deficiency.

History: 1998 c 299 s 14

296A.15 PAYMENT OF TAX.

Subdivision 1. Monthly gasoline report; shrinkage allowance. (a) Except as provided in paragraph (e), on or before the 23rd day of each month, every person who is required

to pay a gasoline tax shall file with the commissioner a report, in the form and manner prescribed by the commissioner, showing the number of gallons of petroleum products received by the reporter during the preceding calendar month, and other information the commissioner may require. A written report is deemed to have been filed as required in this subdivision if postmarked on or before the 23rd day of the month in which the tax is payable.

(b) The number of gallons of gasoline must be reported in United States standard liquid gallons, 231 cubic inches, except that the commissioner may upon written application and for cause shown permit the distributor to report the number of gallons of gasoline as corrected to a temperature of 60–degrees Fahrenheit. If the application is granted, all gasoline covered in the application and allowed by the commissioner must continue to be reported by the distributor on the adjusted basis for a period of one year from the date of the granting of the application. The number of gallons of petroleum products other than gasoline must be reported as originally invoiced. Each report must show separately the number of gallons of aviation gasoline received by the reporter during each calendar month.

(c) Each report must also include the amount of gasoline tax on gasoline received by the reporter during the preceding month. In computing the tax a deduction of 2.5 percent of the quantity of gasoline received by a distributor shall be made for evaporation and loss. At the time of reporting, the reporter shall submit satisfactory evidence that one–third of the 2.5 percent deduction has been credited or paid to dealers on quantities sold to them.

(d) Each report shall contain a confession of judgment for the amount of the tax shown due to the extent not timely paid.

(e) Under certain circumstances and with the approval of the commissioner, taxpayers may be allowed to file reports annually.

Subd. 2. Petroleum tank release cleanup fee. Persons required to pay a petroleum tank release cleanup fee under section 115C.08, subdivision 3, must file a report with the commissioner of revenue. Each report must include the amount of fees due on petroleum products. Reports must be filed in the form and manner prescribed by the commissioner. A written report is considered filed as required if postmarked on or before the 23rd day of the month in which the fee is payable.

Subd. 3. Monthly special fuel report; shrinkage allowance. On or before the 23rd day of each month, distributors, special fuel dealers, and bulk purchasers shall file a report in the form and manner prescribed by the commissioner. Reports shall contain information as follows:

(a) Distributors of undyed diesel fuel and undyed kerosene must file a monthly tax return with the department listing all purchases or receipts of undyed diesel fuel and undyed kerosene. Distributors may be allowed to take a credit or credits under section 296A.16, subdivision 1.

(b) Distributors and dealers of special fuel other than undyed diesel fuel or undyed kerosene shall report the total number of gallons delivered to them during the preceding calendar month and shall pay the special fuel excise tax due to the commissioner. The invoice must show the true and correct name and address of the purchaser, and the purchaser's signature. The report shall contain other information as the commissioner may require.

(c) Distributors and dealers of special fuel other than undyed diesel fuel or undyed kerosene must pay the special fuel excise tax on all special fuel delivered or sold into the supply tank of an aircraft or licensed motor vehicle and shall file a report with the commissioner. The report shall show the total number of gallons delivered or sold into the supply tank of an aircraft or licensed motor vehicle during the preceding calendar month and the special fuel excise tax due shall be paid to the commissioner. Any person delivering special fuel on which the excise tax has not previously been paid into the supply tank of an aircraft or a licensed motor vehicle shall report such delivery and shall pay or collect and pay to the commissioner the excise tax on the special fuel so delivered.

(d) Distributors and special fuel dealers may, subject to the approval of the commissioner, elect to pay to the commissioner the special fuel excise tax on all special fuel delivered or

sold into the supply tank of an aircraft or licensed motor vehicle. Under this option, an invoice must be issued at the time of each delivery showing the name and address of the purchaser, date of sale, number of gallons, price per gallon, and total amount of sale. A separate sales ticket book shall be maintained for special fuel sales. The tax is also imposed on all special fuel held in storage on the effective date of this election.

(e) Bulk purchasers shall report and pay the special fuel excise tax on all special fuel, including alternative fuels, except undyed diesel fuel or undyed kerosene purchased by them for storage during the preceding calendar month. In such cases as the commissioner may permit, credit for the excise tax due or previously paid on special fuel not used in aircraft or licensed motor vehicles may be allowed in computing tax liability. The report shall contain other information as the commissioner may require.

(f) In computing the special fuel excise tax due, a deduction of one percent of the quantity of special fuel on which tax is due shall be made for evaporation and loss.

(g) Each report shall contain a confession of judgment for the amount of the tax shown due to the extent not timely paid.

Subd. 4. Failure to use or sell for intended purpose; report required. (a) Any person who buys aviation gasoline or special fuel for aircraft use and who has paid the excise taxes due directly or indirectly through the amount of the tax being included in the price, or otherwise, and uses said gasoline or special fuel in motor vehicles or knowingly sells it to any person for use in motor vehicles shall, on or before the 23rd day of the month following that in which such gasoline or special fuel was so used or sold, report the fact of the use or sale to the commissioner in the form and manner prescribed by the commissioner.

(b) Any person who buys gasoline other than aviation gasoline and who has paid the motor vehicle gasoline excise tax directly or indirectly through the amount of the tax being included in the price of the gasoline, or otherwise, who knowingly sells such gasoline to any person to be used for the purpose of producing or generating power for propelling aircraft, or who receives, stores, or withdraws from storage gasoline to be used for that purpose, shall, on or before the 23rd day of the month following that in which such gasoline was so sold, stored, or withdrawn from storage, report the fact of the sale, storage, or withdrawal from storage to the commissioner in the form and manner prescribed by the commissioner.

Subd. 5. On-farm bulk storage of gasoline or special fuel; ethanol for personal use. Notwithstanding the provisions of this chapter, a farmer who uses gasoline or any special fuel on which a tax has not been paid shall report and pay the tax on all gasoline or special fuel delivered into the supply tank of a licensed motor vehicle during the preceding calendar year. The tax must be reported and paid in the form and manner prescribed by the commissioner together with any refund claim filed by the taxpayer under section 296A.16. If no refund claim is filed, the tax must be reported and paid annually by March 15 or more frequently, as the commissioner may prescribe. Any producer qualifying under this subdivision is exempt from the licensing requirements in section 296A.03, subdivision 1.

Subd. 6. Inspection fee. Persons required to pay an inspection fee under section 239.101 must file a report with the commissioner of revenue. Each report must include the amount of inspection fees due on petroleum products. Reports must be filed in the form and manner prescribed by the commissioner. A written report is considered filed as required if postmarked on or before the 23rd day of the month in which the fee is payable.

Subd. 7. Electronic payment required. All remittances must be made by electronic means.

Subd. 8. Electronically filed return or report; signature. The commissioner may require that returns or reports be filed electronically. For purposes of this chapter, the name of the taxpayer, the name of the taxpayer's authorized agent, or the taxpayer's identification number constitutes a signature when transmitted as part of the information on returns or reports filed by electronic means by the taxpayer or at the taxpayer's direction. "Electronic

means” includes, but is not limited to, the use of a touch-tone telephone to transmit return or report information in a manner prescribed by the commissioner.

296A.16 REFUND OR CREDIT.

Subdivision 1. **Credit or refund of gasoline or special fuel tax paid.** The commissioner shall allow the distributor credit or refund of the tax paid on gasoline and special fuel:

(1) exported or sold for export from the state, other than in the supply tank of a motor vehicle or of an aircraft;

(2) sold to the United States government to be used exclusively in performing its governmental functions and activities or to any “cost plus a fixed fee” contractor employed by the United States government on any national defense project;

(3) if the fuel is placed in a tank used exclusively for residential heating;

(4) destroyed by accident while in the possession of the distributor;

(5) in error;

(6) in the case of gasoline only, sold for storage in an on-farm bulk storage tank, if the tax was not collected on the sale; and

(7) in such other cases as the commissioner may permit, consistent with the provisions of this chapter and other laws relating to the gasoline and special fuel excise taxes.

Subd. 2. **Fuel used in other vehicle; claim for refund.** Any person who buys and uses gasoline for a qualifying purpose other than use in motor vehicles, snowmobiles except as provided in clause (2), or motorboats, or special fuel for a qualifying purpose other than use in licensed motor vehicles, and who paid the tax directly or indirectly through the amount of the tax being included in the price of the gasoline or special fuel, or otherwise, shall be reimbursed and repaid the amount of the tax paid upon filing with the commissioner a claim for refund in the form and manner prescribed by the commissioner, and containing the information the commissioner shall require. By signing any such claim which is false or fraudulent, the applicant shall be subject to the penalties provided in this chapter for knowingly making a false claim. The claim shall set forth the total amount of the gasoline so purchased and used by the applicant other than in motor vehicles, or special fuel purchased and used by the applicant other than in licensed motor vehicles, and shall state when and for what purpose it was used. When a claim contains an error in computation or preparation, the commissioner is authorized to adjust the claim in accordance with the evidence shown on the claim or other information available to the commissioner. The commissioner, on being satisfied that the claimant is entitled to the payments, shall approve the claim and transmit it to the commissioner of finance. The words “gasoline” or “special fuel” as used in this subdivision do not include aviation gasoline or special fuel for aircraft. Gasoline or special fuel bought and used for a “qualifying purpose” means:

(1) Gasoline or special fuel used in carrying on a trade or business, used on a farm situated in Minnesota, and used for a farming purpose. “Farm” and “farming purpose” have the meanings given them in section 6420(c)(2), (3), and (4) of the Internal Revenue Code of 1986, as amended through December 31, 1997.

(2) Gasoline or special fuel used for off-highway business use.

(i) “Off-highway business use” means any use off the public highway by a person in that person’s trade, business, or activity for the production of income.

(ii) Off-highway business use includes use of a passenger snowmobile off the public highways as part of the operations of a resort as defined in section 157.15, subdivision 11; and use of gasoline or special fuel to operate a power takeoff unit on a vehicle, but not including fuel consumed during idling time.

(iii) Off-highway business use does not include use as a fuel in a motor vehicle which, at the time of use, is registered or is required to be registered for highway use under the laws of any state or foreign country; or use of a licensed motor vehicle fuel tank in lieu of a separate

storage tank for storing fuel to be used for a qualifying purpose, as defined in this section. Fuel purchased to be used for a qualifying purpose cannot be placed in the fuel tank of a licensed motor vehicle and must be stored in a separate supply tank.

(3) Gasoline or special fuel placed in the fuel tanks of new motor vehicles, manufactured in Minnesota, and shipped by interstate carrier to destinations in other states or foreign countries.

Subd. 3. Destruction by accident; refund to dealer. Notwithstanding the provisions of subdivision 1, the commissioner shall allow a dealer a refund of:

(1) the tax paid by the distributor on gasoline, undyed diesel fuel, or undyed kerosene destroyed by accident while in the possession of the dealer; or

(2) the tax paid by a distributor or special fuels dealer on other special fuels destroyed by accident while in the possession of the dealer.

Subd. 4. Refrigerator units; refunds. Notwithstanding the provisions of subdivision 1, the commissioner shall allow a special fuel dealer a refund of the tax paid on fuel sold directly into a supply tank of a refrigeration unit with a separate engine and used exclusively by that refrigeration unit. A claim for refund may be filed as provided in this section.

Subd. 4a. Undyed kerosene; refunds. Notwithstanding subdivision 1, the commissioner shall allow a refund of the tax paid on undyed kerosene used exclusively for a purpose other than as fuel for a motor vehicle using the streets and highways. To obtain a refund, the person making the sale to an end user must meet the Internal Revenue Service requirements for sales from a blocked pump. A claim for a refund may be filed as provided in this section.

Subd. 4b. Racing gasoline; refunds. Notwithstanding subdivision 1, the commissioner shall allow a licensed distributor a refund of the tax paid on leaded gasoline of 110 octane or more that does not meet ASTM specification D4814 for gasoline and that is sold in bulk for use in nonregistered motor vehicles. A claim for a refund may be filed as provided for in this section.

Subd. 5. Qualifying service station credit. Notwithstanding any other provision of law to the contrary, the tax imposed on gasoline, undyed diesel fuel, or undyed kerosene delivered to a qualified service station may not exceed, or must be reduced to, a rate not more than three cents per gallon above the state tax rate imposed on such products sold by a service station in a contiguous state located within the distance indicated in this subdivision. A distributor shall be allowed a credit or refund for the amount of reduction computed in accordance with this subdivision. For purposes of this subdivision, a "qualifying service station" means a service station located within 7.5 miles, measured by the shortest route by public road, from a service station selling like product in the contiguous state.

Subd. 6. [Repealed, 1Sp2001 c 5 art 7 s 66]

Subd. 7. Civil penalty for filing false claim. A person who violates section 296A.23, subdivision 1, shall forfeit the full amount of the claim. In addition, a person who is convicted under section 296A.23 for filing a false statement or claim shall, in addition to any criminal penalties imposed, be prohibited from filing with the commissioner any claim for refund upon gasoline purchased within six months after such conviction.

Subd. 8. Appropriation. There is appropriated to the persons entitled to refund or credit under this section, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make the credit or refund.

296A.17 AVIATION REFUND.

Subdivision 1. Aviation refund requirements. Any person claiming to be entitled to any refund or credit provided for in subdivision 3 shall receive the refund or credit upon filing with the commissioner a claim in such form and manner prescribed by the commissioner. The claim shall set forth, among other things, the total number of gallons of aviation gasoline or special fuel for aircraft use upon which the claimant has directly or indirectly paid the excise tax provided for in this chapter, during the calendar year, which has been received,

stored, or withdrawn from storage by the claimant in this state and not sold or otherwise disposed of to others. All claims for refunds under this subdivision shall be made on or before April 30 following the end of the calendar year for which the refund is claimed.

Subd. 2. Claim for refund; aviation tax. (a) Any person who buys aviation gasoline or special fuel for aircraft use and who has paid the excise taxes directly or indirectly through the amount of the tax being included in the price, or otherwise, who does not use it in motor vehicles or receive, sell, store, or withdraw it from storage for the purpose of producing or generating power for propelling aircraft, shall be reimbursed and repaid the amount of the tax paid upon filing with the commissioner a claim in the form and manner prescribed by the commissioner. The claim shall state the total amount of the aviation gasoline or special fuel for aircraft use purchased and used by the applicant, and shall state when and for what purpose it was used. On being satisfied that the claimant is entitled to payment, the commissioner shall approve the claim and transmit it to the commissioner of finance. The postmark on the envelope in which a written claim is mailed determines the date of filing.

(b) If a claim contains an error in preparation in computation or preparation, the commissioner is authorized to adjust the claim in accordance with the evidence shown on the claim or other information available to the commissioner.

(c) An applicant who files a claim that is false or fraudulent, is subject to the penalties provided in section 296A.23 for knowingly and willfully making a false claim.

Subd. 3. Refund on graduated basis. Any person who has directly or indirectly paid the excise tax on aviation gasoline or special fuel for aircraft use provided for by this chapter, shall, as to all such aviation gasoline and special fuel received, stored, or withdrawn from storage by the person in this state in any calendar year and not sold or otherwise disposed of to others, or intended for sale or other disposition to others, on which such tax has been so paid, be entitled to the following graduated reductions in such tax for that calendar year, to be obtained by means of the following refunds:

(1) on each gallon of such aviation gasoline or special fuel up to 50,000 gallons, all but five cents per gallon;

(2) on each gallon of such aviation gasoline or special fuel above 50,000 gallons and not more than 150,000 gallons, all but two cents per gallon;

(3) on each gallon of such aviation gasoline or special fuel above 150,000 gallons and not more than 200,000 gallons, all but one cent per gallon;

(4) on each gallon of such aviation gasoline or special fuel above 200,000, all but one-half cent per gallon.

Subd. 4. Aviation gasoline tax refund claim; civil penalty. If any distributor or other person, with intent to unlawfully secure any refund provided for in subdivision 3, shall knowingly file a false or fraudulent claim, there is imposed upon the person a penalty in an amount equal to 50 percent of the amount of the refund unlawfully secured, in addition to that amount. The penalty imposed by this subdivision shall be collected as part of the tax.

Subd. 5. Appropriation. There is appropriated to the persons entitled to refund under this section, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make the credit or refund. All money in excess of the amount the commissioner certifies is reasonably required for the refunds must be transferred by the commissioner of finance to the state airports fund.

Subdivision 1. Intent; gasoline use. All gasoline received in this state and all gasoline produced in or brought into this state except aviation gasoline and marine gasoline shall be determined to be intended for use in motor vehicles in this state.

Subd. 2. Motorboat. Approximately 1-1/2 percent of all gasoline received in this state and 1-1/2 percent of all gasoline produced or brought into this state, except gasoline used for aviation purposes, is being used as fuel for the operation of motorboats on the waters of this

MINNESOTA STATUTES 2006

state and of the total revenue derived from the imposition of the gasoline fuel tax for uses other than for aviation purposes, 1-1/2 percent of the revenue is the amount of tax on fuel used in motorboats operated on the waters of this state. The amount of unrefunded tax paid on gasoline used for motor boat purposes as computed in this chapter shall be paid into the state treasury and credited to a water recreation account in the special revenue fund for acquisition, development, maintenance, and rehabilitation of sites for public access and boating facilities on public waters; lake and river improvement; and boat and water safety.

Subd. 3. Snowmobile. Approximately one percent of all gasoline received in and produced or brought into this state, except gasoline used for aviation purposes, is being used as fuel for the operation of snowmobiles in this state, and of the total revenue derived from the imposition of the gasoline fuel tax for uses other than for aviation purposes, one percent of such revenues is the amount of tax on fuel used in snowmobiles operated in this state.

Subd. 4. All-terrain vehicle. Approximately 0.15 of one percent of all gasoline received in or produced or brought into this state, except gasoline used for aviation purposes, is being used for the operation of all-terrain vehicles in this state, and of the total revenue derived from the imposition of the gasoline fuel tax, 0.15 of one percent is the amount of tax on fuel used in all-terrain vehicles operated in this state.

Subd. 5. Off-highway motorcycles. Approximately 0.046 of one percent of all gasoline received or produced in or brought into this state, except gasoline used for aviation purposes, is being used for the operation of off-highway motorcycles in this state, and of the total revenue derived from the imposition of the gasoline fuel tax for uses other than for aviation purposes, 0.046 of one percent is the amount of tax on fuel used in off-highway motorcycles operated in this state.

Subd. 6. Off-road vehicle. Subd. 7. Forest road. Approximately 0.116 percent of the total annual unrefunded revenue from the gasoline fuel tax on all gasoline and special fuel received in, produced, or brought into this state, except gasoline and special fuel used for aviation purposes, is derived from the operation of motor vehicles on state forest roads and county forest access roads. This revenue is appropriated from the highway user tax distribution fund and must be transferred and credited in equal installments on July 1 and January 1 to the state forest road account established in section 89.70. Of this amount, 0.0605 percent is annually derived from motor vehicles operated on state forest roads and 0.0555 percent is annually derived from motor vehicles operated on county forest access roads in this state. An amount equal to 0.0555 percent of the unrefunded revenue must be annually transferred to counties for the management and maintenance of county forest roads.

Subd. 8. Airports. The revenues derived from the excise taxes on aviation gasoline and on special fuel received, sold, stored, or withdrawn from storage as substitutes for aviation gasoline, shall be paid into the state treasury and credited to the state airports fund. There is hereby appropriated such sums as are needed to carry out the provisions of this subdivision.

296A.24 CONTRABAND.

Subdivision 1. **Seizure.** The commissioner or authorized agents may seize gasoline or special fuel being transported for delivery in violation of section 296A.03, subdivision 1, and any vehicle or other method of conveyance used for transporting the gasoline or special fuel. Any untaxed motor vehicle fuel that is received by a person other than a licensee is subject to seizure along with the vehicle or other means of transportation used to transport the motor vehicle fuel. Any motor vehicle fuel, along with the transporting vehicle, brought into the state of Minnesota by a transporter for use, distribution, storage, or sale that is not supported by a manifest, bill of lading, or invoice, reflecting the licensed distributor responsible for the tax and/or fees is subject to seizure by the Minnesota Department of Revenue. Property seized under this subdivision is subject to forfeiture as provided in subdivision 2.

Subd. 2. **Forfeiture.** (a) Within ten days after the seizure, the person making the seizure shall serve by certified mail an inventory of the vehicle or property seized on the person from whom the seizure was made, if known, and on any person known or believed to have any right, title, interest, or lien on the vehicle or property, at the last known address, and file a copy with the commissioner. The notice must include an explanation of the right to demand a judicial forfeiture determination.

(b) Within 60 days after the date of service of the inventory, which is the date of mailing, the person from whom the vehicle or property was seized or any person claiming an interest in it may file a demand for a judicial determination of whether the vehicle or property was lawfully subject to seizure and forfeiture. The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service of a copy of the complaint on the commissioner of revenue, and the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. If the value of the seized property or vehicle is \$7,500 or less, the claimant may file an action in conciliation court for its recovery. If the value of the seized property or vehicle is less than \$500, the claimant does not have to pay the conciliation court filing fee.

(c) The complaint must be captioned in the name of the claimant as plaintiff and the seized property or vehicle as defendant, and must state with specificity the grounds on which the claimant alleges the property or vehicle was improperly seized and the plaintiff's interest in the property or vehicle seized. No responsive pleading is required of the commissioner and no court fees may be charged for the commissioner's appearance in the matter. The proceedings are governed by the Rules of Civil Procedure. Notwithstanding any law to the contrary, an action for the return of property or a vehicle seized under this section may not be maintained by or on behalf of any person who has been served with an inventory unless the person has complied with this subdivision. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved.

(d) When a judgment of forfeiture is entered, the commissioner may, unless the judgment is stayed pending an appeal, either:

- (1) cause the forfeited gasoline or special fuel to be destroyed; or
- (2) cause the forfeited property in clause (1) or vehicle to be sold at public auction as provided by law. After deducting the expense of keeping the property and vehicle and the costs of the sale, the commissioner shall pay from the funds collected all liens according to their priority, which are established as being bona fide and as existing without the lienor having any notice or knowledge that the property or vehicle was being used or was intended to be used for or in connection with any violation, and shall pay the balance of the proceeds into the general fund.

(e) If no demand for judicial determination is made, the property or vehicle seized must be considered forfeited to the state by operation of law and may be disposed of by the commissioner as provided where there has been a judgment of forfeiture.
