297I.20 OFFSETS AGAINST PREMIUM TAXES.

Subdivision 1. **Guaranty association assessment offsets.** (a) An insurance company may offset against its premium tax liability to this state any amount paid for assessments made for insolvencies which occur after July 31, 1994, under sections 60C.01 to 60C.22; and any amount paid for assessments made after July 31, 1994, under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or under sections 61B.18 to 61B.32 as follows:

(1) Each such assessment shall give rise to an amount of offset equal to 20 percent of the amount of the assessment for each of the five calendar years following the year in which the assessment was paid.

(2) The amount of offset initially determined for each taxable year is the sum of the amounts determined under clause (1) for that taxable year.

(b)(1) Each year the commissioner shall compare total guaranty association assessments levied over the preceding five calendar years to the sum of all premium tax and corporate franchise tax revenues collected from insurance companies, without reduction for any guaranty association assessment offset in the preceding calendar year, referred to in this subdivision as "preceding year insurance tax revenues."

(2) If total guaranty association assessments levied over the preceding five years exceed the preceding year insurance tax revenues, insurance companies must be allowed only a proportionate part of the premium tax offset calculated under paragraph (a) for the current calendar year.

(3) The proportionate part of the premium tax offset allowed in the current calendar year is determined by multiplying the amount calculated under paragraph (a) by a fraction. The numerator of the fraction equals the preceding year insurance tax revenues, and its denominator equals total guaranty association assessments levied over the preceding five-year period.

(4) The proportionate part of the premium tax offset that is not allowed must be carried forward to subsequent tax years and added to the amount of premium tax offset calculated under paragraph (a) prior to application of the limitation imposed by this paragraph.

(5) Any amount carried forward from prior years must be allowed before allowance of the offset for the current year calculated under paragraph (a).

(6) The premium tax offset limitation must be calculated separately for (i) insurance companies subject to assessment under sections 60C.01 to 60C.22, and (ii) insurance companies subject to assessment under Minnesota Statutes 1992, sections 61B.01 to 61B.16, or 61B.18 to 61B.32.

(7) When the premium tax offset is limited by this provision, the commissioner shall notify affected insurance companies on a timely basis for purposes of completing premium and corporate franchise tax returns.

(8) The guaranty associations created under sections 60C.01 to 60C.22, Minnesota Statutes 1992, sections 61B.01 to 61B.16, and 61B.18 to 61B.32, shall provide the commissioner with the necessary information on guaranty association assessments.

(c)(1) If the offset determined by the application of paragraphs (a) and (b) exceeds the insurance company's premium tax liability under this section prior to allowance of the credit for premium taxes, then the insurance company may carry forward the excess, referred to in this subdivision as the "carryforward credit" to subsequent taxable years.

(2) The carryforward credit is allowed as an offset against premium tax liability for the first succeeding year to the extent that the premium tax liability for that year exceeds the amount of the allowable offset for the year determined under paragraphs (a) and (b).

(3) The carryforward credit must be reduced, but not below zero, by the amount of the carryforward credit allowed as an offset against the premium tax under this paragraph. The remainder, if any, of the carryforward credit must be carried forward to succeeding taxable years until the entire carryforward credit has been credited against the insurance company's liability for premium tax under this chapter if applicable for that taxable year.

(d) When an insurer has offset against taxes its payment of an assessment of the Minnesota Life and Health Guaranty Association, and the association pays the insurer a refund with respect to the assessment under Minnesota Statutes 1992, section 61B.07, subdivision 6, or 61B.24, subdivision 6, then the refund reduces the insurer's carryforward credit under paragraph (c). If the refund exceeds the amount of the carryforward credit, the excess amount must be repaid to the state by the insurers to the extent of the offset in the manner the commissioner requires.

Subd. 2. Joint Underwriting Association offset. An assessment made pursuant to section 62L.06, subdivision 6, shall be deductible by the member from past or future premium taxes due the state.

2971.40 ESTIMATED TAX.

Subdivision 1. **Requirement to pay.** On or before March 15, June 15, September 15, and December 15 of the current year, every taxpayer subject to tax under section 2971.05, subdivisions 1 to 6, and 12, paragraphs (a), clauses (1) to (5), (b), and (e), must pay to the commissioner an installment equal to one-fourth of the insurer's total estimated tax for the current year.

Subd. 2. **Amount of required installment.** The amount of any required installment is one-fourth of the lesser of

- (1) 80 percent of the tax imposed for the current year, or
- (2) 100 percent of the tax paid for the previous year.

Subd. 3. **No addition to tax where the tax is small.** No addition to tax is imposed if the total tax for the current tax year is \$500 or less.

Subd. 4. **Addition to tax.** (a) In case of any underpayment of installments by an insurer, there is added to, and collected as part of, the tax for the taxable year an amount determined at the rate specified in section 270C.40 upon the amount of underpayment.

(b) The amount of the underpayment is the excess of: (1) the amount of the installment; over (2) the amount, if any, of the installment paid on or before the last date prescribed for payment.

(c) The period of the underpayment runs from the date the installment was required to be paid to the earlier of:

- (1) March 1 of the year following the close of the taxable year; or
- (2) with respect to any portion of the underpayment, the date on which that portion is paid. For purposes of this clause, a payment of estimated tax on any installment date is considered a payment of any previous underpayment only to the extent the payment exceeds the amount of the installment required to be made on that date.

Subd. 5. **Definition of tax.** The term "tax" as used in this section means the tax imposed by section 2971.05, subdivisions 1 to 6, and 12, paragraphs (a), clauses (1) to (5), (b), and (e), without regard to the retaliatory provisions of section 2971.05, subdivision 11, and the offset in section 2971.20.

Subd. 6. **Failure to pay estimated tax.** When an insurer does not make any payments, the period of the underpayment runs from the three installment dates set forth in subdivision 1 to whichever of the periods in subdivision 4, paragraph (c), is the earlier.

Subd. 7. **March estimated payment.** A taxpayer who claims a refund of an overpayment on an original return may elect to have all or any portion of the overpayment applied as a credit to the March 15 estimated tax payment for the year following the year of the return. The credit is considered applied on March 15. Notwithstanding section 2971.80, the amount credited does not bear interest.

(b) The claim must specify the name of the taxpayer, the date when and the period for which the tax or surcharge was paid, the kind of tax or surcharge paid, the amount that the taxpayer claims was erroneously paid, the grounds on which a refund is claimed, and other information relative to the payment. The claim must be in the form required by the commissioner. A return or amended return claiming an overpayment constitutes a claim for refund.

(c) The commissioner shall determine the amount of refund, if any, that is due, and notify the taxpayer of the determination as soon as practicable after a claim has been filed. Notice must be mailed to the taxpayer at the address stated upon the return or claim for refund.

(g) There is appropriated to the commissioner the amounts necessary to make refunds required by this section. The funds are appropriated from the same fund to which the tax or surcharge being refunded was originally deposited.

Subd. 2. **Remedies.** (a) If the taxpayer is notified that the refund claim is denied in whole or in part, the taxpayer may contest the denial by:

- (1) filing an administrative appeal with the commissioner under section 270C.35;

- (3) filing an action in the district court to recover the refund.

(b) An action in the district court must be brought within 18 months following the date of the notice of denial. An action for refund of tax or surcharge must be brought in the district court of the district in which lies the taxpayer's principal place of business or in the District Court for Ramsey County. If a taxpayer files a claim for refund and the commissioner has not issued a denial of the claim, the taxpayer may bring an action in the district court or the Tax Court at any time after the expiration of six months from the time the claim was filed.
