This exception includes, but is not limited to: licensed physicians; registered nurses; licensed practical nurses; licensed psychological practitioners; members of the clergy; American Indian medicine men and women; licensed attorneys; probation officers; licensed marriage and family therapists; licensed social workers; social workers employed by city, county, or state agencies; licensed professional counselors; licensed school counselors; registered occupational therapists or occupational therapy assistants; city, county, or state employees when providing assessments or case management under Minnesota Rules, chapter 9530; and until July 1, 2009, individuals providing integrated dual-diagnosis treatment in adult mental health rehabilitative programs certified by the Department of Human Services under section 256B.0622 or 256B.0623.

(b) Nothing in this chapter prohibits technicians and resident managers in programs licensed by the Department of Human Services from discharging their duties as provided in Minnesota Rules, chapter 9530.

(c) Any person who is exempt under this subdivision but who elects to obtain a license under this chapter is subject to this chapter to the same extent as other licensees. The board shall issue a license without examination to an applicant who is licensed or registered in a profession identified in paragraph (a) if the applicant:

(1) shows evidence of current licensure or registration; and

(2) has submitted to the board a plan for supervision during the first 2,000 hours of professional practice or has submitted proof of supervised professional practice that is acceptable to the board.

(d) Any person who is exempt from licensure under this section must not use a title incorporating the words "alcohol and drug counselor" or "licensed alcohol and drug counselor" or otherwise hold themselves out to the public by any title or description stating or imply-

ing that they are engaged in the practice of alcohol and drug counseling, or that they are licensed to engage in the practice of alcohol and drug counseling unless that person is also licensed as an alcohol and drug counselor. Persons engaged in the practice of alcohol and drug counseling are not exempt from the board's jurisdiction solely by the use of one of the above titles.
