(1) fraud or deception in connection with the practice of dentistry or the securing of a license or registration certificate;

(4) habitual overindulgence in the use of intoxicating liquors;

(5) improper or unauthorized prescription, dispensing, administering, or personal or other use of any legend drug as defined in chapter 151, of any chemical as defined in chapter 151, or of any controlled substance as defined in chapter 152;

(7) gross immorality;

(8) any physical, mental, emotional, or other disability which adversely affects a dentist's, dental hygienist's, or registered dental assistant's ability to perform the service for which the person is licensed or registered;

(9) revocation or suspension of a license, registration, or equivalent authority to practice, or other disciplinary action or denial of a license or registration application taken by a licensing, registering, or credentialing authority of another state, territory, or country as evidenced by a certified copy of the licensing authority's order, if the disciplinary action or application denial was based on facts that would provide a basis for disciplinary action under this chapter and if the action was taken only after affording the credentialed person or applicant notice and opportunity to refute the allegations or pursuant to stipulation or other agreement;

(10) failure to maintain adequate safety and sanitary conditions for a dental office in accordance with the standards established by the rules of the board;

Suspension, revocation, modification or limitation of any license shall not be based upon any judgment as to therapeutic or monetary value of any individual drug prescribed or any individual treatment rendered, but only upon a repeated pattern of conduct;

(14) knowingly providing false or misleading information that is directly related to the care of that patient unless done for an accepted therapeutic purpose such as the administration of a placebo; or
