## **245C.16 DISQUALIFIED INDIVIDUAL'S RISK OF HARM.**

Subdivision 1. **Determining immediate risk of harm.** (a) If the commissioner determines that the individual studied has a disqualifying characteristic, the commissioner shall review the information immediately available and make a determination as to the subject's immediate risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people receiving services.

(b) The commissioner shall consider all relevant information available, including the following factors in determining the immediate risk of harm:

- (1) the recency of the disqualifying characteristic;
- (2) the recency of discharge from probation for the crimes;
- (3) the number of disqualifying characteristics;
- (4) the intrusiveness or violence of the disqualifying characteristic;
- (5) the vulnerability of the victim involved in the disqualifying characteristic;
- (6) the similarity of the victim to the persons served by the program where the individual studied will have direct contact;
- (7) whether the individual has a disqualification from a previous background study that has not been set aside; and
- (8) if the individual has a disqualification which may not be set aside because it is a permanent bar under section 245C.24, subdivision 1, the commissioner may order the immediate removal of the individual from any position allowing direct contact with, or access to, persons receiving services from the program.

(c) This section does not apply when the subject of a background study is regulated by a health-related licensing board as defined in chapter 214, and the subject is determined to be responsible for substantiated maltreatment under section 626.556 or 626.557.

(d) This section does not apply to a background study related to an initial application for a child foster care license.

(e) If the commissioner has reason to believe, based on arrest information or an active maltreatment investigation, that an individual poses an imminent risk of harm to persons receiving services, the commissioner may order that the person be continuously supervised or immediately removed pending the conclusion of the maltreatment investigation or criminal proceedings.

- (1) the information causing disqualification;
- (2) instructions on how to request a reconsideration of the disqualification;
- (3) an explanation of any restrictions on the commissioner's discretion to set aside the disqualification under section 245C.24, when applicable to the individual;

- (5) the commissioner's determination of the individual's immediate risk of harm under section 245C.16.

(c) If the commissioner determines under section 245C.16 that an individual studied does not pose a risk of harm that requires immediate removal, the individual shall be informed of the conditions under which the agency that initiated the background study may allow the individual to have direct contact with, or access to, people receiving services, as provided under subdivision 3.

Subd. 3. **Disqualification notification.** (a) The commissioner shall notify an applicant, license holder, or other entity as provided in this chapter who is not the subject of the study:

(1) that the commissioner has found information that disqualifies the individual studied from being in a position allowing direct contact with, or access to, people served by the program; and

(2) the commissioner's determination of the individual's risk of harm under section 245C.16.

(b) If the commissioner determines under section 245C.16 that an individual studied poses an imminent risk of harm to persons served by the program where the individual studied will have direct contact with, or access to, people served by the program, the commissioner shall order the license holder to immediately remove the individual studied from any position allowing direct contact with, or access to, people served by the program.

(c) If the commissioner determines under section 245C.16 that an individual studied poses a risk of harm that requires continuous, direct supervision, the commissioner shall order the applicant, license holder, or other entities as provided in this chapter to:

(1) immediately remove the individual studied from any position allowing direct contact with, or access to, people receiving services; or

(2) before allowing the disqualified individual to be in a position allowing direct contact with, or access to, people receiving services, the applicant, license holder, or other entity, as provided in this chapter, must:

(i) obtain from the disqualified individual a copy of the individual's notice of disqualification from the commissioner that explains the reason for disqualification;

(ii) ensure that the individual studied is under continuous, direct supervision when in a position allowing direct contact with, or access to, people receiving services during the period in which the individual may request a reconsideration of the disqualification under section 245C.21; and

(iii) ensure that the disqualified individual requests reconsideration within 30 days of receipt of the notice of disqualification.

(d) If the commissioner determines under section 245C.16 that an individual studied does not pose a risk of harm that requires continuous, direct supervision, the commissioner shall order the applicant, license holder, or other entities as provided in this chapter to:

(1) immediately remove the individual studied from any position allowing direct contact with, or access to, people receiving services; or

(2) before allowing the disqualified individual to be in any position allowing direct contact with, or access to, people receiving services, the applicant, license holder, or other entity as provided in this chapter must:

(i) obtain from the disqualified individual a copy of the individual's notice of disqualification from the commissioner that explains the reason for disqualification; and

(ii) ensure that the disqualified individual requests reconsideration within 15 days of receipt of the notice of disqualification.

(e) The commissioner shall not notify the applicant, license holder, or other entity as provided in this chapter of the information contained in the subject's background study unless:

(1) the basis for the disqualification is failure to cooperate with the background study or substantiated maltreatment under section 626.556 or 626.557;

(2) the Data Practices Act under chapter 13 provides for release of the information; or

(3) the individual studied authorizes the release of the information.

*[For text of subd 1, see M.S.2006]*

Subd. 1a. **Submission of reconsideration request to county or private agency.** (a) For disqualifications related to studies conducted by county agencies, and for disqualifications related to studies conducted by the commissioner for child foster care, the individual shall submit the request for reconsideration to the county or private agency that initiated the background study.

(b) A reconsideration request shall be submitted within 30 days of the individual's receipt of the disqualification notice or the time frames specified in subdivision 2, whichever time frame is shorter.

(c) The county or private agency shall forward the individual's request for reconsideration and provide the commissioner with a recommendation whether to set aside the individual's disqualification.

Subd. 2. **Time frame for requesting reconsideration.** (a) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (1) or (2), the disqualified individual must submit the request for a reconsideration within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after the individual's receipt of the notice of disqualification. Upon showing that the information under subdivision 3 cannot be obtained within 30 days, the disqualified individual may request additional time, not to exceed 30 days, to obtain the information.

(b) When the commissioner sends an individual a notice of disqualification based on a finding under section 245C.16, subdivision 2, paragraph (a), clause (3), the disqualified individual must submit the request for reconsideration within 15 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 15 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 15 calendar days after the individual's receipt of the notice of disqualification.

(c) An individual who was determined to have maltreated a child under section 626.556 or a vulnerable adult under section 626.557, and who is disqualified on the basis of serious or recurring maltreatment, may request a reconsideration of both the maltreatment and the disqualification determinations. The request must be submitted within 30 calendar days of the individual's receipt of the notice of disqualification. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 30 calendar days of the individual's receipt of the notice of disqualification. If a request for reconsideration is made by personal service, it must be received by the commissioner within 30 calendar days after the individual's receipt of the notice of disqualification.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, shall not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing sanction. In such cases, a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

**Subd. 3. Disqualified individuals; information for reconsideration.** (a) The disqualified individual requesting reconsideration must submit information showing that:

(1) the information the commissioner relied upon in determining the underlying conduct that gave rise to the disqualification is incorrect;

(2) for maltreatment, the information the commissioner relied upon in determining that maltreatment was serious or recurring is incorrect; or

(3) the subject of the study does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter, by addressing the information required under section 245C.22, subdivision 4.

(b) In order to determine the individual's risk of harm, the commissioner may require additional information from the disqualified individual as part of the reconsideration process. If the individual fails to provide the required information, the commissioner may deny the individual's request.

**Subd. 4. Risk of harm; set aside.** (a) The commissioner may set aside the disqualification if the commissioner finds that the individual has submitted sufficient information to demonstrate that the individual does not pose a risk of harm to any person served by the applicant, license holder, or other entities as provided in this chapter.

(b) In determining whether the individual has met the burden of proof by demonstrating the individual does not pose a risk of harm, the commissioner shall consider:

(1) the nature, severity, and consequences of the event or events that led to the disqualification;

(2) whether there is more than one disqualifying event;

(3) the age and vulnerability of the victim at the time of the event;

(4) the harm suffered by the victim;

(5) vulnerability of persons served by the program;

(6) the similarity between the victim and persons served by the program;

(7) the time elapsed without a repeat of the same or similar event;

(8) documentation of successful completion by the individual studied of training or rehabilitation pertinent to the event; and

(9) any other information relevant to reconsideration.

(c) If the individual requested reconsideration on the basis that the information relied upon to disqualify the individual was incorrect or inaccurate and the commissioner determines that the information relied upon to disqualify the individual is correct, the commissioner must also determine if the individual poses a risk of harm to persons receiving services in accordance with paragraph (b).

**Subd. 5. Scope of set aside.** If the commissioner sets aside a disqualification under this section, the disqualified individual remains disqualified, but may hold a license and have direct contact with or access to persons receiving services. The commissioner's set aside of a disqualification is limited solely to the licensed program, applicant, or agency specified in the set aside notice under section 245C.23, unless otherwise specified in the notice. For personal care provider organizations, the commissioner's set-aside may further be limited to a specific individual who is receiving services.

## **245C.27 FAIR HEARING RIGHTS.**

Subdivision 1. **Fair hearing when disqualification is not set aside.** (a) If the commissioner does not set aside a disqualification of an individual under section 245C.22 who is disqualified on the basis of a preponderance of evidence that the individual committed an act or acts that meet the definition of any of the crimes listed in section 245C.15; for a determination under section 626.556 or 626.557 of substantiated maltreatment that was serious or recurring under section 245C.15; or for failure to make required reports under section 626.556, subdivision 3; or 626.557, subdivision 3, pursuant to section 245C.15, subdivision 4, paragraph (b), clause (1), the individual may request a fair hearing under section 256.045, unless the disqualification is deemed conclusive under section 245C.29.

(b) The fair hearing is the only administrative appeal of the final agency determination for purposes of appeal by the disqualified individual. The disqualified individual does not have the right to challenge the accuracy and completeness of data under section 13.04.

(c) Except as provided under paragraph (e), if the individual was disqualified based on a conviction or admission to any crimes listed in section 245C.15, subdivisions 1 to 4, or for a disqualification under section 256.98, subdivision 8, the reconsideration decision under section 245C.22 is the final agency determination for purposes of appeal by the disqualified individual and is not subject to a hearing under section 256.045. If the individual was disqualified based on a judicial determination, that determination is treated the same as a conviction for purposes of appeal.

(d) This subdivision does not apply to a public employee's appeal of a disqualification under section 245C.28, subdivision 3.

(e) Notwithstanding paragraph (c), if the commissioner does not set aside a disqualification of an individual who was disqualified based on both a preponderance of evidence and a conviction or admission, the individual may request a fair hearing under section 256.045, unless the disqualifications are deemed conclusive under section 245C.29. The scope of the hearing conducted under section 256.045 with regard to the disqualification based on a conviction or admission shall be limited solely to whether the individual poses a risk of harm, according to section 256.045, subdivision 3b. In this case, the reconsideration decision under section 245C.22 is not the final agency decision for purposes of appeal by the disqualified individual.

#### **245C.28 CONTESTED CASE HEARING RIGHTS.**

Subdivision 1. **License holder.** (a) If a maltreatment determination or a disqualification for which reconsideration was requested and which was not set aside is the basis for a denial of a license under section 245A.05 or a licensing sanction under section 245A.07, the license holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The license holder must submit the appeal under section 245A.05 or 245A.07, subdivision 3.

(b) As provided under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a disqualification for which reconsideration was requested and was not set aside, the scope of the consolidated contested case hearing must include:

(1) the disqualification, to the extent the license holder otherwise has a hearing right on the disqualification under this chapter; and

(2) the licensing sanction or denial of a license.

(c) As provided for under section 245A.08, subdivision 2a, if the denial of a license or licensing sanction is based on a determination of maltreatment under section 626.556 or 626.557, or a disqualification for serious or recurring maltreatment which was not set aside, the scope of the contested case hearing must include:

(1) the maltreatment determination, if the maltreatment is not conclusive under section 245C.29;

(2) the disqualification, if the disqualification is not conclusive under section 245C.29; and

(3) the licensing sanction or denial of a license. In such cases, a fair hearing must not be conducted under section 256.045. If the disqualification was based on a determination of substantiated serious or recurring maltreatment under section 626.556 or 626.557, the appeal must be submitted under sections 245A.07, subdivision 3, and 626.556, subdivision 10i, or 626.557, subdivision 9d.

(d) Except for family child care and child foster care, reconsideration of a maltreatment determination under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of a disqualification under section 245C.22, must not be conducted when:

(1) a denial of a license under section 245A.05, or a licensing sanction under section 245A.07, is based on a determination that the license holder is responsible for maltreatment or the disqualification of a license holder based on serious or recurring maltreatment;

(2) the denial of a license or licensing sanction is issued at the same time as the maltreatment determination or disqualification; and

(3) the license holder appeals the maltreatment determination, disqualification, and denial of a license or licensing sanction. In such cases a fair hearing under section 256.045 must not be conducted under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d. Under section 245A.08, subdivision 2a, the scope of the consolidated contested case hearing must include the maltreatment determination, disqualification, and denial of a license or licensing sanction.

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.
