

169.345 PARKING PRIVILEGE FOR PHYSICALLY DISABLED.

Subdivision 1. **Scope of privilege.** (a) A motor vehicle that prominently displays the certificate authorized by this section or that bears disability plates issued under section 168.021 may be parked by or solely for the benefit of a physically disabled person:

(1) in a designated parking space for disabled persons, as provided in section 169.346;

(2) in a metered parking space without obligation to pay the meter fee and without time restrictions unless time restrictions are separately posted on official signs; and

(3) without time restrictions in a nonmetered space where parking is otherwise allowed for passenger vehicles but restricted to a maximum period of time and that does not specifically prohibit the exercise of disabled parking privileges in that space.

A person may park a motor vehicle for a physically disabled person in a parking space described in clause (1) or (2) only when actually transporting the physically disabled person for the sole benefit of that person and when the parking space is within a reasonable distance from the drop-off point.

(b) For purposes of this subdivision, a certificate is prominently displayed if it is displayed so that it may be viewed from the front and rear of the motor vehicle by hanging it from the rearview mirror attached to the front windshield of the motor vehicle. If there is no rearview mirror or if the certificate holder's disability precludes placing the certificate on the mirror, the certificate must be displayed on the dashboard on the driver's side of the vehicle. No part of the certificate may be obscured.

(c) Notwithstanding paragraph (a), clauses (1), (2), and (3), this section does not permit parking in areas prohibited by sections 169.32 and 169.34, in designated no parking spaces, or in parking spaces reserved for specified purposes or vehicles. A local governmental unit may, by ordinance, prohibit parking on any street or highway to create a fire lane, or to accommodate heavy traffic during morning and afternoon rush hours and these ordinances also apply to physically disabled persons.

(1) maintenance of a current list of the make, model, and plate number of all motor vehicles in which a certificate issued to the organization will be used; and

(2) maintenance of a current list of the name and driver's license number of all individuals authorized to operate the motor vehicle in which certificates issued to the organization will be used.

(d) When the commissioner is satisfied that an organization will use a certificate to transport physically disabled persons, the commissioner shall issue without charge (1) immediately, a permit valid for 30 days if the organization is eligible for a certificate and (2) an organization certificate for the motor vehicle.

(e) The certificate issued to an organization transporting physically disabled persons must be renewed every third year. On original application and renewal, the organization must present evidence that each certificate issued continues to be used exclusively to transport physically disabled persons.
