Subd. 2. **Termination before maturity date.** Each individual policy or group certificate shall provide that in the event of termination of the insurance prior to the scheduled maturity date of the indebtedness, any refund of an amount paid by the debtor for insurance shall be paid or credited promptly to the person entitled thereto; provided, however, that a premium refund or credit need not be made if the amount thereof is less than \$5. The formula to be used in computing the refund shall be filed with and approved by the commissioner.

Subd. 4. **Limitation on insurance charges.** The amount charged to a debtor for credit life insurance, credit accident and health insurance, or credit involuntary unemployment insurance shall not exceed the premiums charged by the insurer, as computed at the time the charge to the debtor is determined, and any premium charged or collected on a single premium basis shall be submitted to the insurer within 90 days of the month in which said premium is charged or collected.

Subd. 5. **Credit involuntary unemployment insurance; compensation to creditor limited.** With respect to credit involuntary unemployment insurance only, an insurer, subsidiary, or parent of the insurer shall not pay compensation to a creditor or a group policyholder offering credit involuntary unemployment insurance in excess of 30 percent of the net written premiums.
