

**422A.231 COST ALLOCATION.**

(a) Notwithstanding any law to the contrary, all current and future contribution requirements due to this article are payable by the participating contributing employing units other than the state of Minnesota.

(b) In each actuarial valuation of the retirement fund, the actuary retained under section 356.214 shall include an exhibit on the impact of the benefit increases contained in this article on the survivor benefit fund. The actuary shall calculate the expected change in the present value of the future benefits payable from the survivor benefit fund attributable to this article, using the actuarial method and assumptions applicable to the Minneapolis Employees Retirement Fund, from the prior actuarial valuation and shall compare that result with the actual change in the present value of future benefits payable from the survivor benefit fund attributable to this article from the prior actuarial valuation.

(c) The executive director shall assess each participating employer, other than the state of Minnesota, its proportional share of the net increase amount calculated under paragraph (b). The assessment must be made on the first business day of the following February, plus compound interest at an annual rate of six percent on the amount from the actuarial valuation date to the date of payment.
