

10A.15 CONTRIBUTIONS.

Subdivision 1. **Anonymous contributions.** A political committee, political fund, principal campaign committee, or party unit may not retain an anonymous contribution in excess of \$20, but must forward it to the board for deposit in the general account of the state elections campaign fund.

Subd. 2. **Source; amount; date.** An individual who receives a contribution in excess of \$20 for a political committee, political fund, principal campaign committee, or party unit must, on demand of the treasurer, inform the treasurer of the name and, if known, the address of the source of the contribution, the amount of the contribution, and the date it was received.

Subd. 3. **Deposit.** All contributions received by or on behalf of a candidate, principal campaign committee, political committee, political fund, or party unit must be deposited in an account designated "Campaign Fund of (name of candidate, committee, fund, or party unit)." All contributions must be deposited promptly upon receipt and, except for contributions received during the last three days of a reporting period as described in section 10A.20, must be deposited during the reporting period in which they were received. A contribution received during the last three days of a reporting period must be deposited within 72 hours after receipt and must be reported as received during the reporting period whether or not deposited within that period. A candidate, principal campaign committee, political committee, political fund, or party unit may refuse to accept a contribution. A deposited contribution may be returned to the contributor within 60 days after deposit. A contribution deposited and not returned within 60 days after that deposit must be reported as accepted.

Subd. 3a. **Excess.** A treasurer of a principal campaign committee of a candidate may not deposit a contribution that on its face exceeds the limit on contributions to the candidate prescribed by section 10A.27 unless, at the time of deposit, the treasurer issues a check to the source for the amount of the excess.

Subd. 3b. **Attributable contributions.** Contributions made to a candidate or principal campaign committee that are directed to the candidate or principal campaign committee by a political fund, committee, or party unit must be reported as attributable to the political fund, committee, or party unit and count toward the contribution limits of that fund, committee, or party unit specified in section 10A.27, if the fund, committee, or party unit was organized or is operated primarily to direct contributions other than from its own money to one or more candidates or principal campaign committees. The treasurer of the political fund, committee, or party unit must advise the candidate or the candidate's principal campaign committee if the contribution or contributions are not from the money of the fund, committee, or party unit and the original source

of the money. As used in this subdivision, the term "direct" includes, but is not limited to, order, command, control, or instruct. A violation of this subdivision is a violation of section 10A.29.

Subd. 3c. **Related committees.** An individual, association, political committee, political fund, or party unit may establish, finance, maintain, or control a political committee, political fund, or party unit. One who does this is a "parent." The political committee, fund, or party unit so established, financed, maintained, or controlled is a "subsidiary." If the parent is an association, the association must create a political committee or political fund to serve as the parent for reporting purposes. A subsidiary must report its contribution to a candidate or principal campaign committee as attributable to its parent, and the contribution is counted toward the contribution limits in section 10A.27 of the parent as well as of the subsidiary.

Subd. 4. **Penalty.** An individual violating this section is subject to a civil penalty imposed by the board of up to \$1,000.

Subd. 5. **Registration number on checks.** A contribution made to a candidate by a lobbyist, political committee, political fund, or party unit must show the name of the lobbyist, political committee, political fund, or party unit and the number under which it is registered with the board.
