Subd. 4a. **Illegal gambling.** (a) The board may not deny, suspend, or revoke an organization's premises permit because illegal gambling occurred at the site for which the premises permit

was issued, unless the board determines that: (1) the organization knowingly participated in the illegal gambling; or (2) the organization or any of its agents knew of the illegal gambling and the organization did not notify the lessor of the premises, in writing and with specificity, that illegal gambling was being conducted on the premises and requesting that the lessor take appropriate action. For purposes of this paragraph, "agent" means any person, compensated or otherwise, who participates in the conduct of the organization's lawful gambling.

(b) The board may not deny, suspend, or revoke an organization's license because illegal gambling occurred at a site for which a premises permit was issued to the organization unless the board determines that the organization's chief executive officer, gambling manager, or one or more of its assistant gambling managers participated in or authorized the illegal gambling.

Subd. 5. **Contested case.** When the board, or director if the director is authorized to act on behalf of the board, determines that a license should be revoked, suspended or a licensee be censured under subdivision 3 or 4, or a civil penalty be imposed or a person be required to take corrective action, the board or director shall issue an order initiating a contested case hearing. Hearings under this subdivision must be conducted in accordance with chapter 14.

Subd. 6. **Notice of denial.** When the board, or director if authorized to act on behalf of the board, determines that a license or premises permit application or renewal should be denied under subdivision 3 or 4, the board or director shall promptly give a written notice to the licensee or applicant stating ground for the action and giving reasonable notice of the rights of the licensee or applicant to request a hearing. A hearing must be held not later than 30 days after the board receives the request for the hearing, unless the licensee or applicant and the board agree on a later date. If no hearing is requested within 30 days of the service of the notice, the denial becomes final. Hearings under this subdivision must be conducted in accordance with chapter 14. After the hearing the board may enter an order making such disposition as the facts require. If the applicant fails to appear at the hearing after having been notified of it under this subdivision, the applicant is considered in default and the proceeding may be determined against the person on consideration of the written notice of denial, the allegations of which may be considered to be true. All fees accompanying the license or renewal application are considered earned and are not refundable.
