The amount required for the payments shall be certified by the director of the office to the commissioner of management and budget annually.

Subd. 4. **North Dakota; South Dakota.** A reciprocity agreement with North Dakota may include provision for the transfer of funds between Minnesota and North Dakota. A valid agreement under this subdivision that incurs additional financial liability to the state or to any of the Minnesota public postsecondary boards, beyond enrollment funding adjustments, must be submitted to the commissioner of management and budget and to the chairs of the higher education finance divisions of the senate and house of representatives for review. The agreement remains valid unless it is disapproved in law.

Subd. 9. **Independent student.** "Independent student" has the meaning given it in the Higher Education Act of 1965, United States Code, title 20, section 1070a-6, and applicable regulations.

Subd. 10. **Satisfactory academic progress.** "Satisfactory academic progress" means that:

(1) by the end of a student's second academic year of attendance at an institution, the student has at least a cumulative grade point average of C or its equivalent, or academic standing consistent with the institution's graduation requirements; and

(2) by the end of the first term of the third and fourth academic year of attendance, the student has a cumulative grade point average of at least a C or its equivalent.

136A.1201 MINNESOTA PROMISE.

Subdivision 1. **Financial aid policy.** It is the policy of the legislature to provide sufficient financial aid funding so that tuition and required fees to attend a public two-year college for a student from a low-income family are covered by state financial aid when combined with federal

and other sources of aid.

Subd. 2. **Informational materials.** The Office of Higher Education must prepare and distribute materials under section 136A.87 to promote the Minnesota Promise, the availability of financial aid, and the benefits of higher education.

History: 2009 c 95 art 2 s 11

136A.121 GRANTS.

Subdivision 1. [Repealed, 1989 c 293 s 85]

Subd. 2. **Eligibility for grants.** An applicant is eligible to be considered for a grant, regardless of the applicant's sex, creed, race, color, national origin, or ancestry, under sections 136A.095 to 136A.131 if the office finds that the applicant:

- (1) is a resident of the state of Minnesota;
- (2) is a graduate of a secondary school or its equivalent, or is 17 years of age or over, and has met all requirements for admission as a student to an eligible college or technical college of choice as defined in sections 136A.095 to 136A.131;
- (3) has met the financial need criteria established in Minnesota Rules;
- (4) is not in default, as defined by the office, of any federal or state student educational loan; and
- (5) is not more than 30 days in arrears in court-ordered child support that is collected or enforced by the public authority responsible for child support enforcement or, if the applicant is more than 30 days in arrears in court-ordered child support that is collected or enforced by the public authority responsible for child support enforcement, but is complying with a written payment agreement under section 518A.69 or order for arrearages.

Subd. 3. **Allocation.** Grants must be awarded on a funds available basis to those applicants who meet the office's requirements.

Subd. 4. [Repealed, 1989 c 293 s 85]

Subd. 5. **Grant stipends.** The grant stipend shall be based on a sharing of responsibility for covering the recognized cost of attendance by the applicant, the applicant's family, and the government. The amount of a financial stipend must not exceed a grant applicant's recognized cost of attendance, as defined in subdivision 6, after deducting the following:

- (1) the assigned student responsibility of at least 46 percent of the cost of attending the institution of the applicant's choosing;
- (2) the assigned family responsibility as defined in section 136A.101; and
- (3) the amount of a federal Pell grant award for which the grant applicant is eligible.

The minimum financial stipend is \$100 per academic year.

Subd. 6. **Cost of attendance.** (a) The recognized cost of attendance consists of allowances specified in law for living and miscellaneous expenses, and an allowance for tuition and fees equal to the lesser of the average tuition and fees charged by the institution, or the tuition and fee maximums established in law.

(b) For a student registering for less than full time, the office shall prorate the cost of attendance to the actual number of credits for which the student is enrolled.

(c) The recognized cost of attendance for a student who is confined to a Minnesota correctional institution shall consist of the tuition and fee component in paragraph (a), with no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory and charged to full-time resident students attending the institution. Fees do not include charges for tools, equipment, computers, or other similar materials where the student retains ownership. Fees include charges for these materials if the institution retains ownership. Fees do not include optional or punitive fees.

Subd. 7. **Insufficient appropriation.** If the amount appropriated is determined by the office to be insufficient to make full awards to applicants under subdivision 5, awards must be reduced by:

(1) adding a surcharge to the applicant's assigned family responsibility, as defined in section 136A.101, subdivision 5a; and

(2) a percentage increase in the applicant's assigned student responsibility, as defined in subdivision 5.

The reduction under clauses (1) and (2) must be equal dollar amounts.

Subd. 7a. **Surplus appropriation.** If the amount appropriated is determined by the office to be more than sufficient to fund projected grant demand in the second year of the biennium, the office may increase the living and miscellaneous expense allowance in the second year of the biennium by up to an amount that retains sufficient appropriations to fund the projected grant demand. The adjustment may be made one or more times. In making the determination that there are more than sufficient funds, the office shall balance the need for sufficient resources to meet the projected demand for grants with the goal of fully allocating the appropriation for state grants. An increase in the living and miscellaneous expense allowance under this subdivision does not carry forward into a subsequent biennium.

Subd. 8. [Repealed, 1Sp1985 c 11 s 81]

Subd. 9. **Awards.** An undergraduate student who meets the office's requirements is eligible

to apply for and receive a grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent for nine semesters or the equivalent, excluding courses taken from a Minnesota school or postsecondary institution which is not participating in the state grant program and from which a student transferred no credit. A student who withdraws from enrollment for active military service, or for a major illness, while under the care of a medical professional, that substantially limits the student's ability to complete the term is entitled to an additional semester or the equivalent of grant eligibility. A student enrolled in a two-year program at a four-year institution is only eligible for the tuition and fee maximums established by law for two-year institutions.

Subd. 9a. **Full-year grants.** Students may receive state grants for four consecutive quarters or three consecutive semesters during the course of a single fiscal year. In calculating a state grant for the fourth quarter or third semester, the office must use the same calculation as it would for any other term, except that the calculation must subtract any federal Pell grant for which a student would be eligible even if the student has exhausted the Pell grant for that fiscal year.

Subd. 9b. **Onetime grant for high school-to-college developmental transition program.**
(a) A student who enrolls in a program under section 135A.61 is eligible for a onetime grant to help pay expenses to attend the program. The amount of the grant must be determined according to subdivision 5, except as modified by paragraph (b). The requirement in subdivision 9a that subtracts a federal Pell Grant award for which a student would be eligible, even if the student has exhausted the federal Pell Grant award, does not apply to a student who receives a grant under this subdivision in the award year in which the grant is received. The maximum grant under this subdivision must be reduced by the average amount a student would earn working in an on-campus work-study position for ten hours per week during a summer term. The office must determine an amount for student earnings in a summer term, using available data about earnings, before determining the amount awarded under this subdivision.

(b) For a student with an expected family contribution of zero, the maximum amount of the grant is the cost of attendance under subdivision 6.

(c) A grant under this subdivision counts as one of the nine semesters of eligibility under subdivision 9. A grant under this subdivision must not be awarded for the same term for which another grant is awarded under this section.

Subd. 10. [Repealed, 1Sp1993 c 2 art 2 s 26]

Subd. 11. **Renewal conditions.** Each grant is renewable, contingent on continued residency in Minnesota, satisfactory academic progress, recommendation of the eligible institution currently attended, and evidence of continued need.

Subd. 12. **Annual application.** To continue to receive a grant, the student must apply

for renewal each year.

Subd. 12a. **Free Application for Federal Student Aid (FAFSA) compliance.** All eligible institutions must implement policies and procedures that ensure that applicants are aware that they must annually complete the FAFSA to be eligible for financial aid.

Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants for a term is 30 days after the start of that term.

Subd. 14. [Repealed, 1Sp1985 c 11 s 81]

Subd. 15. [Repealed, 1989 c 293 s 85]

Subd. 16. **How applied; order.** Grants awarded under this section must be applied to educational costs in the following order: tuition, fees, books, supplies, and other expenses. Unpaid portions of the awards revert to the grant account.

Subd. 17. **Independent student information.** The office shall inform students in its financial aid publications about the definition of independent student status and appeals to the financial aid administrator relating to the declaration of the status.

Subd. 18. **Data.** (a) An eligible institution must provide to the office data on student enrollment and federal and state financial aid.

(b) An institution or its agent must provide to the office aggregate and distributional financial or other data as determined by the director that is directly related to the responsibilities of the office under this chapter and chapter 141. The director may only request aggregate and distributional data after establishing and consulting with a data advisory task force to determine the need, content, and detail of the information. Data provided by nonpublic institutions under this paragraph is considered nonpublic data under chapter 13.

Subd. 19. **Reporting.** By November 1 and February 15, the Office of Higher Education must provide, to the committees of the legislature with jurisdiction over higher education finance and policy, updated state grant spending projections taking into account the most current and projected enrollment and tuition and fee information, economic conditions, and other relevant factors. Before submitting state grant spending projections, the Office of Higher Education must meet and consult with representatives of public and private postsecondary institutions, the Department of Management and Budget, the Governor's Office, legislative staff, and financial aid administrators.

136A.125 CHILD CARE GRANTS.

Subdivision 1. **Establishment.** A child care grant program is established under the supervision of the Minnesota Office of Higher Education. The program makes money available to eligible students to reduce the costs of child care while attending an eligible postsecondary institution. The office shall develop policies and adopt rules as necessary to implement and administer the program.

Subd. 2. **Eligible students.** (a) An applicant is eligible for a child care grant if the applicant:

(1) is a resident of the state of Minnesota;

(2) has a child 12 years of age or younger, or 14 years of age or younger who is disabled as defined in section 125A.02, and who is receiving or will receive care on a regular basis from a licensed or legal, nonlicensed caregiver;

(3) is income eligible as determined by the office's policies and rules, but is not a recipient of assistance from the Minnesota family investment program;

(4) has not earned a baccalaureate degree and has been enrolled full time less than eight semesters or the equivalent;

(5) is pursuing a nonsectarian program or course of study that applies to an undergraduate degree, diploma, or certificate;

(6) is enrolled at least half time in an eligible institution; and

(7) is in good academic standing and making satisfactory academic progress.

(b) A student who withdraws from enrollment for active military service is entitled to an additional semester or the equivalent of grant eligibility and will be considered to be in continuing enrollment status upon return.

Subd. 3. **Eligible institution.** A Minnesota public postsecondary institution, a Minnesota private, baccalaureate degree granting college or university, or a Minnesota nonprofit two-year vocational technical school granting associate degrees is eligible to receive child care funds from the office and disburse them to eligible students.

Subd. 4. **Amount and length of grants.** (a) The amount of a child care grant must be based on:

- (1) the income of the applicant and the applicant's spouse;
- (2) the number in the applicant's family, as defined by the office; and
- (3) the number of eligible children in the applicant's family.

(b) The maximum award to the applicant shall be \$2,600 for each eligible child per academic year, except that the campus financial aid officer may apply to the office for approval to increase grants by up to ten percent to compensate for higher market charges for infant care in a community. The office shall develop policies to determine community market costs and review institutional requests for compensatory grant increases to ensure need and equal treatment. The office shall prepare a chart to show the amount of a grant that will be awarded per child based on the factors in this subdivision. The chart shall include a range of income and family size.

Subd. 4a. **Rates charged.** Child care providers may not charge students receiving grants under this section a rate that is higher than the rate charged to private paying clients.

Subd. 4b. **Additional grants.** An additional child care grant may be awarded to an applicant attending classes outside of the regular academic year who meets the requirements in subdivisions 2 and 4.

Subd. 4c. **Unexpended balance.** Any unexpended appropriation in the child care grant program in the first year of a biennium shall be used to augment the maximum award in subdivision 4 in the second year of the biennium.

Subd. 5. [Repealed, 1995 c 212 art 3 s 60]

Subd. 6. **Yearly allocations to institutions.** The office shall base yearly allocations on the need for funds using relevant factors as determined by the office in consultation with the institutions. Up to five percent of the money spent on students' child care awards, as determined by the office, may be used for an institution's administrative expenses related to the child care grant program. Any money designated, but not used, for this purpose must be reallocated to child care grants. An institution may carry forward or backward ten percent of its annual allocation to be used for awards in the previous or subsequent academic year.

Subd. 7. **Monitoring and reallocation.** The office shall establish procedures to (1) continually monitor the use of funds throughout the year; (2) identify areas of unmet need for

grants; and (3) redistribute available funds in a timely manner to meet the needs of eligible recipients.

Subd. 8. **Information.** The office shall develop and provide information about the program to eligible postsecondary institutions, human service agencies, and potential applicants.

Subd. 9. **Report.** Institutions must submit reports, when requested by the office, on program activity including the number of students served, the child care costs, and the number of students on a waiting list for available funds. The reports must also include the institution's method of prioritizing applicants if insufficient funds are available.

136A.127 ACHIEVE SCHOLARSHIP PROGRAM.

Subdivision 1. **Establishment.** The achieve scholarship program is established to provide scholarships to eligible students within the limits of appropriations for the program.

Subd. 2. **Definition; qualifying program.** For the purposes of this section, a "qualifying program" means a rigorous secondary school program of study defined by the Department of Education under agreement with the Secretary of Education for the purposes of determining eligibility for the federal Academic Competitiveness Grant Program under Title IV of the Higher Education Act of 1965, as amended. If a qualifying program includes a foreign language requirement, the foreign language requirement is waived for a student whose first language is not English and who attains English language proficiency.

Subd. 3. **Documentation of qualifying programs.** The student shall request a transcript from the high school. The high school shall provide a transcript to the Office of Higher Education or to the eligible institution in which the student is enrolling, documenting the qualifying program. If the transcript is not sufficient to document a qualifying program, the student may be required to submit further documentation that the office deems sufficient.

Subd. 4. **Student eligibility.** To be eligible to receive a scholarship under this section, in addition to the requirements listed under section 136A.121, a student must:

- (1) submit a Free Application for Federal Student Aid (FAFSA);
- (2) complete a qualifying program in a high school or in a home-school setting under section 120A.22, graduate from a Minnesota high school, and graduate with an unweighted grade point average of 2.5 or higher;
- (3) qualify for a federal Pell Grant or state grant under section 136A.121;
- (4) be a United States citizen or eligible noncitizen, as defined in section 484 of the Higher Education Act, United States Code, title 20, sections 1091 et seq., as amended, and Code of Federal Regulations, title 34, section 668.33;
- (5) be a Minnesota resident, as defined in section 136A.101, subdivision 8; and

(6) enroll full-time in a degree, diploma, or certificate program during the academic year immediately following high school graduation at an eligible institution as defined under section 136A.101, subdivision 4.

Subd. 5. **Administration.** The achieve scholarship program shall be administered by the Minnesota Office of Higher Education. The director shall develop forms and procedures necessary to administer the program.

Subd. 6. **Application.** A student must complete and submit an application for the achieve scholarship.

Subd. 7. **Deadline.** The deadline for the office to accept applications for achieve scholarships is the same as that used for the state grant in section 136A.121, subdivision 13.

Subd. 8. [Repealed, 2009 c 95 art 2 s 46]

Subd. 9. **Scholarship awards.** The amount of the scholarship is equal to the maximum assigned student responsibility for a four-year program, as defined in section 136A.121, subdivision 5, minus the assigned family responsibility as defined in section 136A.101, subdivision 5a, multiplied by 0.50. The minimum scholarship is \$1,200 per academic year based on the institution's academic calendar and the student's continued eligibility. The scholarship may be used to pay for qualifying expenses at eligible institutions.

Subd. 9b. **Additional award for online course completion.** An eligible student who has completed at least one online course while in high school or in a home-school setting under section 120A.22 may receive an additional award of up to \$150 to be used in conjunction with the award in subdivision 9. The additional award is available to new applicants for terms of enrollment beginning on or after July 1, 2009. The online course must be offered by a provider certified by the Minnesota Department of Education under section 124D.095 or by an eligible postsecondary institution as defined under section 136A.101, subdivision 4. If the official high school transcript is not sufficient to document the completion of the online course, the student may be required to submit further documentation as required by the office.

Subd. 10. **Qualifying expenses.** Qualifying expenses are components included under the cost of attendance used for federal student financial aid programs, as defined in section 472 of the Higher Education Act, United States Code, title 20, sections 1091 et seq., as amended.

Subd. 10a. **Student investment.** A student investment is required in an amount equal to the remainder of the assigned student responsibility as defined in section 136A.121, subdivision 5, after deducting the achieve scholarship.

Subd. 11. **Eligible institutions.** The achieve scholarship may only be used to pay qualifying expenses at an eligible institution as defined under section 136A.101, subdivision 4.

Subd. 12. [Repealed, 2009 c 95 art 2 s 46]

Subd. 13. [Repealed, 2009 c 95 art 2 s 46]

136A.128 TEACHER EDUCATION AND COMPENSATION HELPS; EARLY CHILDHOOD TEACHER EDUCATION INCENTIVES.

Subdivision 1. **TEACH.** The teacher education and compensation helps program (TEACH) is established to provide tuition scholarships and education incentives to early care and education providers. The director shall make a grant with appropriations for this purpose to a nonprofit organization licensed to administer the TEACH early childhood program.

Subd. 2. **Program components.** (a) The nonprofit organization must use the grant for:

The authority may fix, revise, charge and collect rates, rents, fees and charges for the use of and for the services furnished or to be furnished by each project and to contract with any person, partnership, association or corporation, or other body, public or private, in respect thereof. Such rates, rents, fees and charges shall be fixed and adjusted in respect of the aggregate of rates, rents, fees and charges from such project so as to provide funds sufficient with other revenues, if any:

(1) to pay the cost of maintaining, repairing and operating the project and each and every portion thereof, to the extent that the payment of such cost has not otherwise been adequately provided for;

(2) to pay the principal of and the interest on outstanding revenue bonds of the authority issued in respect of such project as the same shall become due and payable; and

(3) to create and maintain reserves required or provided for in any resolution authorizing, or trust agreement securing, such revenue bonds of the authority. Such rates, rents, fees and charges shall not be subject to supervision or regulation by any department, commission, board, body, bureau or agency of this state other than the authority. A sufficient amount of the revenues derived in respect of a project, except such part of such revenues as may be necessary to pay the cost of maintenance, repair and operation and to provide reserves and for renewals, replacements, extensions, enlargements and improvements as may be provided for in the resolution authorizing the issuance of any revenue bonds of the authority or in the trust agreement securing the same, shall be set aside at such regular intervals as may be provided in such resolution or trust agreement in a sinking or other similar fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such revenue bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the rates, rents,

fees and charges and other revenues or other moneys so pledged and thereafter received by the authority shall immediately be subject to the lien of such pledge without physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind against the authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the authority. The use and disposition of moneys to the credit of such sinking or other similar fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust agreement. Except as may otherwise be provided in such resolution or such trust agreement, such sinking or other similar fund shall be a fund for all such revenue bonds issued to finance a project or projects at one or more participating institutions of higher education without distinction or priority of one over another; provided the authority in any such resolution or trust agreement may provide that such sinking or other similar fund shall be the fund for a particular project at an institution of higher education and for the revenue bonds issued to finance a particular project and may, additionally, permit and provide for the issuance of revenue bonds having a subordinate lien in respect of the security herein authorized to other revenue bonds of the authority and, in such case, the authority may create separate or other similar funds in respect of such subordinate lien bonds.
