

27.001 PUBLIC POLICY.

The legislature recognizes that perishable agricultural products are important sources of revenue to a large number of citizens of this state engaged in producing, processing, manufacturing, or selling such products and that such products cannot be repossessed in case of default. It is therefore declared to be the policy of the legislature that certain financial protection be afforded those who are producers on the farm; farmer cooperatives which are not wholesale produce dealers as described in section 27.01, subdivision 8; and licensed wholesale produce dealers, including the retail merchant purchasing produce directly from farmers. The provisions of this chapter which relate to perishable agricultural commodities shall be liberally construed to achieve these ends and shall be administered and enforced with a view to carrying out the above declaration of policy.
