

353F.051 CONTINUATION OF DISABILITY COVERAGE.

Subdivision 1. **Eligibility.** A terminated medical facility or other public employing unit employee who is totally and permanently disabled under Minnesota Statutes 1998, section 353.01, subdivision 19, and who had a medically documented preexisting condition of the disability before the termination of coverage, may apply for a disability benefit.

Subd. 2. **Calculation of benefits.** A person qualifying under subdivision 1 is entitled to receive a disability benefit calculated under Minnesota Statutes 1998, section 353.33, subdivision 3. The disability benefit must be augmented under Minnesota Statutes 1998, section 353.71, subdivision 2, from the date of termination to the date the disability benefit begins to accrue.

Subd. 3. **Applicability of general law.** Except as otherwise provided, Minnesota Statutes 1998, section 353.33, applies to a person who qualifies for disability under subdivision 1.
