

524.5-420 REPORTS; APPOINTMENT OF VISITOR; MONITORING; COURT ORDERS.

(a) A conservator shall report to the court for administration of the estate annually unless the court otherwise directs, upon resignation or removal, upon termination of the conservatorship, and at other times as the court directs. An order, after notice and hearing, allowing an intermediate report of a conservator adjudicates liabilities concerning the matters adequately disclosed in the accounting. An order, after notice and hearing, allowing a final report adjudicates all previously unsettled liabilities relating to the conservatorship.

(b) A report must state or contain a listing of the assets of the estate under the conservator's control and a listing of the receipts, disbursements, and distributions during the reporting period.

(c) A protected person or an interested person of record with the court may submit to the court a written statement disputing account statements regarding the administration of the estate that are contained in the report and may petition the court for any order that is in the best interests of the protected person and the estate or for other appropriate relief.

(d) The court may appoint a visitor to review a report or plan, interview the protected person or conservator, and make any other investigation the court directs. In connection with a report, the court may order a conservator to submit the assets of the estate to an appropriate examination to be made in a manner the court directs.

(e) The court shall establish a system for monitoring of conservatorships, including the filing and review of conservators' reports and plans. If an annual report is not filed within 60 days of the required date, the court shall issue an order to show cause.
