

136A.121 GRANTS.

Subdivision 1. [Repealed, 1989 c 293 s 85]

Subd. 2. **Eligibility for grants.** An applicant is eligible to be considered for a grant, regardless of the applicant's sex, creed, race, color, national origin, or ancestry, under sections 136A.095 to 136A.131 if the office finds that the applicant:

(1) is a resident of the state of Minnesota;

(2) is a graduate of a secondary school or its equivalent, or is 17 years of age or over, and has met all requirements for admission as a student to an eligible college or technical college of choice as defined in sections 136A.095 to 136A.131;

(3) has met the financial need criteria established in Minnesota Rules;

(4) is not in default, as defined by the office, of any federal or state student educational loan; and

(5) is not more than 30 days in arrears in court-ordered child support that is collected or enforced by the public authority responsible for child support enforcement or, if the applicant is more than 30 days in arrears in court-ordered child support that is collected or enforced by the public authority responsible for child support enforcement, but is complying with a written payment agreement under section 518A.69 or order for arrearages.

Subd. 3. **Allocation.** Grants must be awarded on a funds available basis to those applicants who meet the office's requirements.

Subd. 4. [Repealed, 1989 c 293 s 85]

Subd. 5. **Grant stipends.** The grant stipend shall be based on a sharing of responsibility for covering the recognized cost of attendance by the applicant, the applicant's family, and the government. The amount of a financial stipend must not exceed a grant applicant's recognized cost of attendance, as defined in subdivision 6, after deducting the following:

(1) the assigned student responsibility of at least 46 percent of the cost of attending the institution of the applicant's choosing;

(2) the assigned family responsibility as defined in section 136A.101; and

(3) the amount of a federal Pell grant award for which the grant applicant is eligible.

The minimum financial stipend is \$100 per academic year.

Subd. 6. **Cost of attendance.** (a) The recognized cost of attendance consists of allowances specified in law for living and miscellaneous expenses, and an allowance for tuition and fees equal to the lesser of the average tuition and fees charged by the institution, or the tuition and fee maximums established in law.

(b) For a student registering for less than full time, the office shall prorate the cost of attendance to the actual number of credits for which the student is enrolled.

(c) The recognized cost of attendance for a student who is confined to a Minnesota correctional institution shall consist of the tuition and fee component in paragraph (a), with no allowance for living and miscellaneous expenses.

(d) For the purpose of this subdivision, "fees" include only those fees that are mandatory and charged to full-time resident students attending the institution. Fees do not include charges for tools, equipment, computers, or other similar materials where the student retains ownership. Fees include charges for these materials if the institution retains ownership. Fees do not include optional or punitive fees.

Subd. 7. **Insufficient appropriation.** If the amount appropriated is determined by the office to be insufficient to make full awards to applicants under subdivision 5, awards must be reduced by:

(1) adding a surcharge to the applicant's assigned family responsibility, as defined in section 136A.101, subdivision 5a; and

(2) a percentage increase in the applicant's assigned student responsibility, as defined in subdivision 5.

The reduction under clauses (1) and (2) must be equal dollar amounts.

Subd. 7a. **Surplus appropriation.** If the amount appropriated is determined by the office to be more than sufficient to fund projected grant demand in the second year of the biennium, the office may increase the living and miscellaneous expense allowance in the second year of the biennium by up to an amount that retains sufficient appropriations to fund the projected grant demand. The adjustment may be made one or more times. In making the determination that there are more than sufficient funds, the office shall balance the need for sufficient resources to meet the projected demand for grants with the goal of fully allocating the appropriation for state grants. An increase in the living and miscellaneous expense allowance under this subdivision does not carry forward into a subsequent biennium.

Subd. 8. [Repealed, 1Sp1985 c 11 s 81]

Subd. 9. **Awards.** An undergraduate student who meets the office's requirements is eligible to apply for and receive a grant in any year of undergraduate study unless the student has obtained a baccalaureate degree or previously has been enrolled full time or the equivalent for eight semesters or the equivalent, excluding courses taken from a Minnesota school or postsecondary institution which is not participating in the state grant program and from which a student transferred no credit. A student who withdraws from enrollment for active military service, or for a major illness, while under the care of a medical professional, that substantially limits the student's ability to complete the term is entitled to an additional semester or the equivalent of grant eligibility. A student enrolled in a two-year program at a four-year institution is only eligible for the tuition and fee maximums established by law for two-year institutions.

[See Note.]

Subd. 9a. **Full-year grants.** Students may receive state grants for four consecutive quarters or three consecutive semesters during the course of a single fiscal year. In calculating a state grant for the fourth quarter or third semester, the office must use the same calculation as it would for any other term, except that the calculation must subtract any federal Pell grant for which a student would be eligible even if the student has exhausted the Pell grant for that fiscal year.

Subd. 9b. **Onetime grant for high school-to-college developmental transition program.**
(a) A student who enrolls in a program under section 135A.61 is eligible for a onetime grant to help pay expenses to attend the program. The amount of the grant must be determined according

to subdivision 5, except as modified by paragraph (b). The requirement in subdivision 9a that subtracts a federal Pell Grant award for which a student would be eligible, even if the student has exhausted the federal Pell Grant award, does not apply to a student who receives a grant under this subdivision in the award year in which the grant is received. The maximum grant under this subdivision must be reduced by the average amount a student would earn working in an on-campus work-study position for ten hours per week during a summer term. The office must determine an amount for student earnings in a summer term, using available data about earnings, before determining the amount awarded under this subdivision.

(b) For a student with an expected family contribution of zero, the maximum amount of the grant is the cost of attendance under subdivision 6.

(c) A grant under this subdivision counts as one of the nine semesters of eligibility under subdivision 9. A grant under this subdivision must not be awarded for the same term for which another grant is awarded under this section.

Subd. 10. [Repealed, 1Sp1993 c 2 art 2 s 26]

Subd. 11. **Renewal conditions.** Each grant is renewable, contingent on continued residency in Minnesota, satisfactory academic progress, recommendation of the eligible institution currently attended, and evidence of continued need.

Subd. 12. **Annual application.** To continue to receive a grant, the student must apply for renewal each year.

Subd. 12a. **Free Application for Federal Student Aid (FAFSA) compliance.** All eligible institutions must implement policies and procedures that ensure that applicants are aware that they must annually complete the FAFSA to be eligible for financial aid.

Subd. 13. **Deadline.** The deadline for the office to accept applications for state grants for a term is 30 days after the start of that term.

Subd. 14. [Repealed, 1Sp1985 c 11 s 81]

Subd. 15. [Repealed, 1989 c 293 s 85]

Subd. 16. **How applied; order.** Grants awarded under this section must be applied to educational costs in the following order: tuition, fees, books, supplies, and other expenses. Unpaid portions of the awards revert to the grant account.

Subd. 17. **Independent student information.** The office shall inform students in its financial aid publications about the definition of independent student status and appeals to the financial aid administrator relating to the declaration of the status.

Subd. 18. **Data.** (a) An eligible institution must provide to the office data on student enrollment and federal and state financial aid.

(b) An institution or its agent must provide to the office aggregate and distributional financial or other data as determined by the director that is directly related to the responsibilities of the office under this chapter and chapter 141. The director may only request aggregate and distributional data after establishing and consulting with a data advisory task force to determine the need, content, and detail of the information. Data provided by nonpublic institutions under this paragraph is considered nonpublic data under chapter 13.

Subd. 19. **Reporting.** By November 1 and February 15, the Office of Higher Education must provide, to the committees of the legislature with jurisdiction over higher education finance and policy, updated state grant spending projections taking into account the most current and projected enrollment and tuition and fee information, economic conditions, and other relevant factors. Before submitting state grant spending projections, the Office of Higher Education must meet and consult with representatives of public and private postsecondary institutions, the Department of Management and Budget, the Governor's Office, legislative staff, and financial aid administrators.
