

273.1383 1997 FLOOD LOSS REPLACEMENT AID.

Subdivision 1. **Flood net tax capacity loss.** In assessment years 1998, 1999, and 2000, the county assessor of each county listed in section 273.124, subdivision 14, paragraph (d), clause (2), shall compute a hypothetical county net tax capacity based upon market values for the current assessment year and the class rates that were in effect for assessment year 1997. The amount, if any, by which the assessment year 1997 total taxable net tax capacity exceeds the hypothetical taxable net tax capacity shall be known as the county's "flood net tax capacity loss" for the current assessment year. The county assessor of each county whose flood net tax capacity loss for the current year exceeds five percent of its assessment year 1997 total taxable net tax capacity shall certify its flood net tax capacity loss to the commissioner of revenue by August 1 of the assessment year.

Subd. 2. **Flood loss aid.** Each year, each county with a flood net tax capacity loss equal to or greater than five percent of its assessment year 1997 total taxable net tax capacity shall be entitled to flood loss aid equal to the flood net tax capacity loss times the county government's average local tax rate for taxes payable in 1998.

Subd. 3. **Duties of commissioner.** The commissioner of revenue shall determine each qualifying county's aid amount. If the sum of the aid amounts for all qualifying counties exceeds the appropriation limit, the commissioner shall proportionately reduce each county's aid amount so that the sum of county aid amounts is equal to the appropriation limit. The commissioner shall notify each county of its flood loss aid amount by August 15 of the assessment year. The commissioner shall make payments to each county on or before July 20 of the taxes payable year corresponding to the assessment year.

Subd. 4. **Appropriation.** An amount necessary to fund the aid amounts under this section is annually appropriated from the general fund to the commissioner of revenue in fiscal years 2000, 2001, and 2002, for calendar years 1999, 2000, and 2001. The maximum amount of the appropriation is limited to \$1,700,000 for fiscal year 2000 and \$1,500,000 per year for fiscal years 2001 and 2002. In addition, the amount of the appropriation under Laws 1997, Second Special Session chapter 2, section 9, that the commissioner determines will not be spent for the programs under that section is available to pay the aid amounts under this section.
