

609.668 EXPLOSIVE AND INCENDIARY DEVICES.

Subdivision 1. **Definitions.** For purposes of this section, the following terms have the meanings given them.

(a) "Explosive device" means a device so articulated that an ignition by fire, friction, concussion, chemical reaction, or detonation of any part of the device may cause such sudden generation of highly heated gases that the resultant gaseous pressures are capable of producing destructive effects. Explosive devices include, but are not limited to, bombs, grenades, rockets having a propellant charge of more than four ounces, mines, and fireworks modified for other than their intended purpose. The term includes devices that produce a chemical reaction that produces gas capable of bursting its container and producing destructive effects. The term does not include firearms ammunition.

(b) "Incendiary device" means a device so articulated that an ignition by fire, friction, concussion, detonation, or other method may produce destructive effects primarily through combustion rather than explosion. The term does not include a manufactured device or article in common use by the general public that is designed to produce combustion for a lawful purpose, including but not limited to matches, lighters, flares, or devices commercially manufactured primarily for the purpose of illumination, heating, or cooking. The term does not include firearms ammunition.

(c) "Crime of violence" has the meaning given in section 624.712, subdivision 5, and also includes a domestic assault conviction when committed within the last three years or while an order for protection is active against the person, whichever period is longer.

For purposes of this section, crime of violence includes crimes in other states or jurisdictions that would have been crimes of violence if they had been committed in this state;

(c) a person who is or has ever been confined or committed in Minnesota or elsewhere as a person who is mentally ill, developmentally disabled, or mentally ill and dangerous to the public, as defined in section 253B.02, to a treatment facility, unless the person possesses a certificate of a medical doctor or psychiatrist licensed in Minnesota, or other satisfactory proof, that the person is no longer suffering from this disability;

(d) a person who has been convicted in Minnesota or elsewhere for the unlawful use, possession, or sale of a controlled substance other than conviction for possession of a small amount of marijuana, as defined in section 152.01, subdivision 16, or who is or has ever been hospitalized or committed for treatment for the habitual use of a controlled substance or marijuana, as defined in sections 152.01 and 152.02, unless the person possesses a certificate of a medical doctor or psychiatrist licensed in Minnesota, or other satisfactory proof, that the person has not abused a controlled substance or marijuana during the previous two years;

(e) a person who has been confined or committed to a treatment facility in Minnesota or elsewhere as chemically dependent, as defined in section 253B.02, unless the person has completed treatment; and

(f) a peace officer who is informally admitted to a treatment facility under section 253B.04 for chemical dependency, unless the officer possesses a certificate from the head of the treatment facility discharging or provisionally discharging the officer from the treatment facility.

A person who in good faith issues a certificate to a person described in this subdivision to possess or use an incendiary or explosive device is not liable for damages resulting or arising from the actions or misconduct with an explosive or incendiary device committed by the individual who is the subject of the certificate.
