Subd. 2. **Person.** (a) "Person" includes any individual or group and any combination of individuals, groups, or individuals and groups acting as a unit.

(b) Person includes a firm, partnership, joint venture, limited liability company, association, cooperative, social club, fraternal organization, municipal or private corporation whether or not organized for profit, estate, trust, business trust, receiver, trustee, syndicate, the United States, and a state and its political subdivisions.

(c) Person includes, but is not limited to, directors and officers of corporations, governors and managers of a limited liability company, or members of partnerships who, either individually or jointly with others, have the control, supervision, or responsibility of filing returns and making payment of the amount of tax imposed by this chapter.

(d) Person includes any agent or consignee of any individual or organization listed in this subdivision.

Subd. 3. **Sale and purchase.** (a) "Sale" and "purchase" include, but are not limited to, each of the transactions listed in this subdivision.

(b) Sale and purchase include:

(1) any transfer of title or possession, or both, of tangible personal property, whether absolutely or conditionally, for a consideration in money or by exchange or barter; and

(c) Sale and purchase include the production, fabrication, printing, or processing of tangible personal property for a consideration for consumers who furnish either directly or indirectly the materials used in the production, fabrication, printing, or processing.

(4) dietary supplements; and

(5) all food sold through vending machines.

(e) A sale and a purchase includes the furnishing for a consideration of electricity, gas, water, or steam for use or consumption within this state.

(f) A sale and a purchase includes the transfer for a consideration of prewritten computer software whether delivered electronically, by load and leave, or otherwise.

(g) A sale and a purchase includes the furnishing for a consideration of the following services:

(1) the privilege of admission to places of amusement, recreational areas, or athletic events, and the making available of amusement devices, tanning facilities, reducing salons, steam baths, Turkish baths, health clubs, and spas or athletic facilities;

(2) lodging and related services by a hotel, rooming house, resort, campground, motel, or trailer camp, including furnishing the guest of the facility with access to telecommunication services, and the granting of any similar license to use real property in a specific facility, other than the renting or leasing of it for a continuous period of 30 days or more under an enforceable written agreement that may not be terminated without prior notice;

(3) nonresidential parking services, whether on a contractual, hourly, or other periodic basis, except for parking at a meter;

(4) the granting of membership in a club, association, or other organization if:

(i) the club, association, or other organization makes available for the use of its members sports and athletic facilities, without regard to whether a separate charge is assessed for use of the facilities; and

(ii) use of the sports and athletic facility is not made available to the general public on the same basis as it is made available to members.

Granting of membership means both onetime initiation fees and periodic membership dues. Sports and athletic facilities include golf courses; tennis, racquetball, handball, and squash courts; basketball and volleyball facilities; running tracks; exercise equipment; swimming pools; and other similar athletic or sports facilities;

(5) delivery of aggregate materials by a third party, excluding delivery of aggregate material used in road construction, and delivery of concrete block by a third party if the delivery would be subject to the sales tax if provided by the seller of the concrete block; and

(viii) the furnishing of lodging, board, and care services for animals in kennels and other similar arrangements, but excluding veterinary and horse boarding services.

In applying the provisions of this chapter, the terms "tangible personal property" and "retail sale" include taxable services listed in clause (6), items (i) to (vi) and (viii), and the provision of these taxable services, unless specifically provided otherwise. Services performed by an employee for an employer are not taxable. Services performed by a partnership or association for another partnership or association are not taxable if one of the entities owns or controls more than 80 percent of the voting power of the equity interest in the other entity. Services performed between members of an affiliated group of corporations are not taxable. For purposes of the preceding sentence, "affiliated group of corporations" means those entities that would be classified as members of an affiliated group as defined under United States Code, title 26, section 1504, disregarding the exclusions in section 1504(b).

For purposes of clause (5), "road construction" means construction of (1) public roads, (2) cartways, and (3) private roads in townships located outside of the seven-county metropolitan area up to the point of the emergency response location sign.

(h) A sale and a purchase includes the furnishing for a consideration of tangible personal property or taxable services by the United States or any of its agencies or instrumentalities, or the state of Minnesota, its agencies, instrumentalities, or political subdivisions.

(i) A sale and a purchase includes the furnishing for a consideration of telecommunications services, ancillary services associated with telecommunication services, cable television services, direct satellite services, and ring tones. Telecommunication services include, but are not limited to, the following services, as defined in section 297A.669: air-to-ground radiotelephone service, mobile telecommunication service, postpaid calling service, prepaid calling service, prepaid wireless calling service, and private communication services. The services in this paragraph are taxed to the extent allowed under federal law.

(j) A sale and a purchase includes the furnishing for a consideration of installation if the installation charges would be subject to the sales tax if the installation were provided by the seller of the item being installed.

(k) A sale and a purchase includes the rental of a vehicle by a motor vehicle dealer to a customer when (1) the vehicle is rented by the customer for a consideration, or (2) the motor vehicle dealer is reimbursed pursuant to a service contract as defined in section 59B.02, subdivision 11.

Subd. 4. **Retail sale.** (a) A "retail sale" means any sale, lease, or rental for any purpose, other than resale, sublease, or subrent of items by the purchaser in the normal course of business as defined in subdivision 21.

(b) A sale of property used by the owner only by leasing it to others or by holding it in an effort to lease it, and put to no use by the owner other than resale after the lease or effort to lease, is a sale of property for resale.

(d) A sale of building materials, supplies, and equipment to owners, contractors, subcontractors, or builders for the erection of buildings or the alteration, repair, or improvement of real property is a retail sale in whatever quantity sold, whether the sale is for purposes of resale in the form of real property or otherwise.

(e) A sale of carpeting, linoleum, or similar floor covering to a person who provides for installation of the floor covering is a retail sale and not a sale for resale since a sale of floor covering which includes installation is a contract for the improvement of real property.

(f) A sale of shrubbery, plants, sod, trees, and similar items to a person who provides for installation of the items is a retail sale and not a sale for resale since a sale of shrubbery, plants, sod, trees, and similar items that includes installation is a contract for the improvement of real property.

(g) A sale of tangible personal property that is awarded as prizes is a retail sale and is not considered a sale of property for resale.

(h) A sale of tangible personal property utilized or employed in the furnishing or providing of services under subdivision 3, paragraph (g), clause (1), including, but not limited to, property given as promotional items, is a retail sale and is not considered a sale of property for resale.

(l) In the case of a conditional sales contract, a retail sale occurs upon the transfer of title or possession of the tangible personal property.

(m) A sale of a bundled transaction in which one or more of the products included in the bundle is a taxable product is a retail sale, except that if one of the products is a telecommunication service, ancillary service, Internet access, or audio or video programming service, and the seller has maintained books and records identifying through reasonable and verifiable standards the portions of the price that are attributable to the distinct and separately identifiable products, then the products are not considered part of a bundled transaction. For purposes of this paragraph:

(1) the books and records maintained by the seller must be maintained in the regular course of business, and do not include books and records created and maintained by the seller primarily for tax purposes;

(2) books and records maintained in the regular course of business include, but are not limited to, financial statements, general ledgers, invoicing and billing systems and reports, and reports for regulatory tariffs and other regulatory matters; and

(3) books and records are maintained primarily for tax purposes when the books and records identify taxable and nontaxable portions of the price, but the seller maintains other books and records that identify different prices attributable to the distinct products included in the same bundled transaction.

Subd. 5. **Storage.** "Storage" includes keeping or retaining tangible personal property in Minnesota for any purpose except sale in the regular course of business.

Subd. 6. **Use.** (a) "Use" includes the exercise of a right or power incident to the ownership of any interest in tangible personal property, or services, purchased from a retailer, other than the sale of that property in the regular course of business.

(b) Use includes the consumption of printed materials in the creation of nontaxable advertising that is distributed, either directly or indirectly, within Minnesota.

Subd. 7. **Sales price.** (a) "Sales price" means the measure subject to sales tax, and means the total amount of consideration, including cash, credit, personal property, and services, for which personal property or services are sold, leased, or rented, valued in money, whether received in money or otherwise, without any deduction for the following:

- (1) the seller's cost of the property sold;
 - (2) the cost of materials used, labor or service cost, interest, losses, all costs of transportation to the seller, all taxes imposed on the seller, and any other expenses of the seller;
 - (3) charges by the seller for any services necessary to complete the sale, other than delivery and installation charges;
 - (4) delivery charges, except the percentage of the delivery charge allocated to delivery of tax exempt property, when the delivery charge is allocated by using either (i) a percentage based on the total sales price of the taxable property compared to the total sales price of all property in the shipment, or (ii) a percentage based on the total weight of the taxable property compared to the total weight of all property in the shipment; and
 - (5) installation charges.
- (b) Sales price does not include:
- (1) discounts, including cash, terms, or coupons, that are not reimbursed by a third party and that are allowed by the seller and taken by a purchaser on a sale;
 - (2) interest, financing, and carrying charges from credit extended on the sale of personal property or services, if the amount is separately stated on the invoice, bill of sale, or similar document given to the purchaser; and
 - (3) any taxes legally imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser.
- (c) Sales price includes consideration received by the seller from third parties if:
- (1) the seller actually receives consideration from a party other than the purchaser and the consideration is directly related to a price reduction or discount on the sale;
 - (2) the seller has an obligation to pass the price reduction or discount through to the purchaser;
 - (3) the amount of the consideration attributable to the sale is fixed and determinable by the seller at the time of the sale of the item to the purchaser; and
 - (4) one of the following criteria is met:
 - (i) the purchaser presents a coupon, certificate, or other documentation to the seller to claim a price reduction or discount when the coupon, certificate, or documentation is authorized, distributed, or granted by a third party with the understanding that the third party will reimburse any seller to whom the coupon, certificate, or documentation is presented;
 - (ii) the purchaser identifies himself or herself to the seller as a member of a group or organization entitled to a price reduction or discount. A "preferred customer" card that is available to any customer does not constitute membership in such a group; or
 - (iii) the price reduction or discount is identified as a third-party price reduction or discount on the invoice received by the purchaser or on a coupon, certificate, or other documentation presented by the purchaser.

If a person modifies or enhances computer software of which the person is not the author or creator, the person is deemed to be the author or creator only of such person's modifications or enhancements. "Prewritten computer software" or a prewritten portion of it that is modified or enhanced to any degree, if the modification or enhancement is designed and developed to the specifications of a specific purchaser, remains "prewritten computer software"; provided, however, that if there is a reasonable, separately stated charge or an invoice or other statement of the price given to the purchaser for such modification or enhancement, the modification or enhancement does not constitute "prewritten computer software."

A bundled transaction does not include the sale of any products in which the sales price varies, or is negotiable, based on the selection by the purchaser of the products included in the transaction.

(b) For purposes of this subdivision, "distinct and identifiable" products does not include:

(1) packaging and other materials, such as containers, boxes, sacks, bags, and bottles, wrapping, labels, tags, and instruction guides, that accompany the retail sale of the products and are incidental or immaterial to the retail sale. Examples of packaging that are incidental or immaterial include grocery sacks, shoe boxes, dry cleaning garment bags, and express delivery envelopes and boxes;

(c) For purposes of this subdivision, the term "one nonitemized price" does not include a price that is separately identified by product on binding sales or other supporting sales-related documentation made available to the customer in paper or electronic form including but not limited to an invoice, bill of sale, receipt, contract, service agreement, lease agreement, periodic notice of rates and services, rate card, or price list.

(d) A transaction that otherwise meets the definition of a bundled transaction is not a bundled transaction if it is:

(ii) the seller's purchase price or sales price of the taxable tangible personal property is 50 percent or less of the total purchase price or sales price of the bundled tangible personal property. Sellers must not use a combination of the purchase price and sales price of the tangible personal property when making the 50 percent determination for a transaction.

(e) For purposes of this subdivision, "purchase price" means the measure subject to use tax on purchases made by the seller, and "de minimis" means that the seller's purchase price or sales price of the taxable products is ten percent or less of the total purchase price or sales price of the bundled products. Sellers shall use either the purchase price or the sales price of the products to determine if the taxable products are de minimis. Sellers must not use a combination of the purchase price and sales price of the products to determine if the taxable products are de minimis. Sellers shall use the full term of a service contract to determine if the taxable products are de minimis.

For purposes of this subdivision, "fur" means any animal skin or part of an animal skin with hair, fleece, or fur fibers attached to it, either in its raw or processed state, but does not include animal skins that have been converted into leather or suede, or from which the hair, fleece, or fur fiber has been completely removed in processing the skins.

297A.63 USE TAXES IMPOSED; RATES.

Subdivision 1. **Use of tangible personal property or taxable services.** (a) For the privilege of using, storing, distributing, or consuming in Minnesota tangible personal property or taxable services purchased for use, storage, distribution, or consumption in this state, a use tax is imposed on a person in Minnesota. The tax is imposed on the purchase price of retail sales of the tangible

personal property or taxable services at the rate of tax imposed under section 297A.62. A person that purchases property from a Minnesota retailer and returns the tangible personal property to a point within Minnesota, except in the course of interstate commerce, after it was delivered outside of Minnesota, is subject to the use tax.

(b) No tax is imposed under paragraph (a) if the tax imposed by section 297A.62 was paid on the sales price of the tangible personal property or taxable services.

(c) No tax is imposed under paragraph (a) if the purchase meets the requirements for exemption under section 297A.67, subdivision 21.

(d) When a transaction otherwise meets the definition of a bundled transaction, but is not a bundled transaction under section 297A.61, subdivision 38, paragraph (d), and the seller's purchase price of the taxable product or taxable tangible personal property is equal to or greater than \$100, then use tax is imposed on the purchase price of the taxable product or taxable personal property. For purposes of this paragraph, "purchase price" means the measure subject to use tax on purchases made by the seller.

Subd. 2. Use of tangible personal property made from materials. (a) A use tax is imposed on a person who manufactures, fabricates, or assembles tangible personal property from materials, either within or outside this state and who uses, stores, distributes, or consumes the tangible personal property in Minnesota. The tax is imposed on the purchase price of retail sales of the materials contained in the tangible personal property at the rate of tax imposed under section 297A.62.

(b) No tax is imposed under paragraph (a) if the tax imposed by section 297A.62 was paid on the sales price of materials contained in the tangible personal property.

The rate of tax is 6.2 percent of the sales price. The tax applies whether or not the vehicle is licensed in the state.

Subd. 2. **Fee imposed.** (a) A fee equal to five percent of the sales price is imposed on leases or rentals of vehicles subject to the tax under subdivision 1. The lessor on the invoice to the customer may designate the fee as "a fee imposed by the State of Minnesota for the registration of rental cars."

(b) The provisions of this subdivision do not apply to the vehicles of a nonprofit corporation or similar entity, consisting of individual or group members who pay the organization for the use of a motor vehicle, if the organization:

(1) owns or leases a fleet of vehicles of the type subject to the tax under subdivision 1 that are available to its members for use, priced on the basis of intervals of one hour or less;

(2) parks its vehicles at unstaffed, self-service locations that are accessible at any time of the day;

(3) maintains its vehicles, insures its vehicles on behalf of its members, and purchases fuel for its fleet; and

(4) does not charge usage rates that decline on a per unit basis, whether specified based on distance or time.

Subd. 3. **Administration.** The retailer shall report and pay the tax imposed in subdivision 1 to the commissioner of revenue with the taxes imposed in this chapter. The tax imposed in subdivision 1 and the fee imposed in subdivision 2 are subject to the same interest, penalty, and other provisions provided for sales and use taxes under this chapter and chapter 289A. The audit, assessment, appeal, collection, enforcement, and administrative provisions of this chapter and chapters 270C and 289A, that apply to sales and use taxes, apply to the tax and fee.

Subd. 4. **Exemptions.** (a) The tax and the fee imposed by this section do not apply to a lease or rental of (1) a vehicle to be used by the lessee to provide a licensed taxi service; (2) a hearse or limousine used in connection with a burial or funeral service; or (3) a van designed or adapted primarily for transporting property rather than passengers. The tax and the fee imposed under this section do not apply when the lease or rental of a vehicle is exempt from the tax imposed under section 297A.62, subdivision 1.

(b) The lessor may elect not to charge the fee imposed in subdivision 2 if in the previous calendar year the lessor had no more than 20 vehicles available for lease that would have been subject to tax under this section, or no more than \$50,000 in gross receipts that would have been subject to tax under this section.

Subd. 5. **Payment of excess fees.** On the first sales tax return due following the end of a calendar year during which a lessor has imposed a fee under subdivision 2, the lessor shall report to the commissioner of revenue, in the form required by the commissioner, the amount of the fee collected during the previous year and the amount of motor vehicle registration taxes paid during the previous year by the lessor under chapter 168 on vehicles subject to the fee under this section. If the amount of the fees collected exceeds the amount of motor vehicle registration taxes paid, the lessor shall remit the excess to the commissioner of revenue at the time the report is submitted.

The resulting payment is in lieu of the sales tax that otherwise would be imposed by this chapter. The commissioner shall deposit the money transmitted as provided by section 297A.94 and the money must be treated as other proceeds of the sales tax. For purposes of this section, "gross receipts" means the proceeds of the sale of tickets before deduction of a commission or other compensation paid to the vendor or retailer for selling tickets.

Subd. 3. Retailer not maintaining place of business in this state. (a) To the extent allowed by the United States Constitution and the laws of the United States, a retailer making retail sales from outside this state to a destination within this state and not maintaining a place of business in this state shall collect sales and use taxes and remit them to the commissioner under section 297A.77, if the retailer engages in the regular or systematic soliciting of sales from potential customers in this state by:

This paragraph (a) must be construed without regard to the state from which distribution of the materials originated or in which they were prepared.

(b) The location within or without this state of independent vendors that provide products or services to the retailer in connection with its solicitation of customers within this state, including such products and services as creation of copy, printing, distribution, and recording, is not considered in determining whether the retailer is required to collect tax.

(c) A retailer not maintaining a place of business in this state is presumed, subject to rebuttal, to be engaged in regular solicitation within this state if it engages in any of the activities in paragraph (a) and:

(1) makes 100 or more retail sales from outside this state to destinations in this state during a period of 12 consecutive months; or

(2) makes ten or more retail sales totaling more than \$100,000 from outside this state to destinations in this state during a period of 12 consecutive months.

(2) one or both entities is a partnership, estate, or trust and any partner or beneficiary, and the partnership, estate, or trust and its partners or beneficiaries own directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the profits, capital, stock, or value of the other entity or both entities; or

(3) an individual stockholder and the members of the stockholder's family (as defined in section 318 of the Internal Revenue Code) owns directly, indirectly, beneficially, or constructively, in the aggregate, at least 50 percent of the value of both entities' outstanding stock.

(c) An entity is an affiliate under the provisions of this subdivision if the requirements of paragraphs (a) and (b) are met during any part of the 12-month period ending on the first day of the month before the month in which the sale was made.

Subd. 5. Withdrawal from streamlined sales and use tax agreement. If the state has withdrawn its membership or been expelled from the streamlined sales and use tax agreement, it shall not use a seller's registration with the central registration system and the collection of sales and use taxes in the state as a factor in determining whether the seller has nexus with that state for any tax at any time.

(1) all gross receipts are subject to the tax; and

(2) all retail sales for delivery in Minnesota are for storage, use, or other consumption in Minnesota.

(b) The burden of proving that a sale is not a taxable retail sale is on the seller. However, a seller is relieved of liability if:

(1) the seller obtains a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, at the time of the sale or within 90 days after the date of the sale; or

(2) if the seller has not obtained a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, within the time provided in clause (1), within 120 days after a request for substantiation by the commissioner, the seller either:

(i) obtains in good faith a fully completed exemption certificate or all the relevant information required by section 297A.72, subdivision 2, from the purchaser; or

(ii) proves by other means that the transaction was not subject to tax.

(c) Notwithstanding paragraph (b), relief from liability does not apply to a seller who:

(1) fraudulently fails to collect the tax; or

(2) solicits purchasers to participate in the unlawful claim of an exemption.

(d) A certified service provider, as defined in section 297A.995, subdivision 2, is relieved of liability under this section to the extent a seller who is its client is relieved of liability.

(e) A purchaser of tangible personal property or any items listed in section 297A.63 that are shipped or brought to Minnesota by the purchaser has the burden of proving that the property was not purchased from a retailer for storage, use, or consumption in Minnesota.

(f) If a seller claims that certain sales are exempt and does not provide the certificate, information, or proof required by paragraph (b), clause (2), within 120 days after the date of the commissioner's request for substantiation, then the exemptions claimed by the seller that required substantiation are disallowed.

297A.666 AMNESTY FOR REGISTRATION.

Subdivision 1. **Amnesty provisions.** Subject to the limitations of subdivision 2:

(1) this state shall provide amnesty for uncollected or unpaid sales or use tax to a seller who registers to pay or to collect and remit applicable sales or use tax on sales made to purchasers in this state in accordance with the terms of the streamlined sales and use tax agreement, provided that the seller was not so registered in this state in the 12-month period preceding the effective date of the state's participation in the agreement; and

(2) the amnesty shall preclude assessment for uncollected or unpaid sales or use tax together with penalty or interest for sales made during the period the seller was not registered

in this state, provided registration occurs within 12 months of the effective date of the state's participation in the agreement.

Subd. 2. **Limitations.** (a) The amnesty is not available to a seller with respect to any matter or matters for which the seller received notice of the commencement of an audit and the audit is not yet finally resolved, including any related administrative and judicial processes.

(b) The amnesty is not available for sales or use taxes already paid or remitted to this state or to taxes collected by the seller.

(c) The amnesty is fully effective, absent the seller's fraud or intentional misrepresentation of a material fact, as long as the seller continues registration and continues payment or collection and remittance of applicable sales or use taxes for a period of at least 36 months. The statute of limitations provisions of chapter 289A applicable to asserting a sales or use tax liability must be tolled during this 36-month period.

(d) The amnesty is applicable only to sales or use taxes due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in its capacity as a buyer.

297A.668 SOURCING OF SALE; SITUS IN THIS STATE.

Subdivision 1. **Applicability.** The provisions of this section apply regardless of the characterization of a product as tangible personal property, a digital good, or a service; but do not apply to telecommunications services or the sales of motor vehicles. These provisions only apply to determine a seller's obligation to pay or collect and remit a sales or use tax with respect to the seller's sale of a product. These provisions do not affect the obligation of a seller as purchaser to remit tax on the use of the product.

Subd. 2. **Sourcing rules.** (a) The retail sale, excluding lease or rental, of a product shall be sourced as required in paragraphs (b) through (f).

(b) When the product is received by the purchaser at a business location of the seller, the sale is sourced to that business location.

(c) When the product is not received by the purchaser at a business location of the seller, the sale is sourced to the location where receipt by the purchaser or the donee designated by the purchaser occurs, including the location indicated by instructions for delivery to the purchasers or the purchaser's donee, known to the seller.

(d) When paragraphs (b) and (c) do not apply, the sale is sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business, when use of this address does not constitute bad faith.

(e) When paragraphs (b), (c), and (d) do not apply, the sale is sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument if no other address is available, when use of this address does not constitute bad faith.

If an article of tangible personal property or an item listed in section 297A.63 has already been taxed by another state and any subdivision thereof for its sale, storage, use, or other consumption in an amount less than the tax imposed by this chapter, then as to the person who paid the tax in the other state or any subdivision thereof, section 297A.63 applies only at a rate measured by the difference between the rate imposed under section 297A.62 and the rate by which the previous tax was computed. Section 289A.40, subdivision 2, applies to an offset under this section.

Subd. 2. **Manner of allowing deduction for uncollectible debt.** (a) Uncollectible debt is allowed as a deduction in the manner provided in this subdivision.

(b) If the uncollectible debt arose with respect to a sale required to be included in gross receipts, subject to a tax imposed under chapter 297A, the entire amount of the debt remaining uncollected is allowed as a deduction.

(c) If the uncollectible debt arose with respect to a sale partly subject to the tax imposed under chapter 297A and partly exempt, the amount of the uncollectible debt allowed as a deduction is the amount derived by multiplying the uncollectible debt by the percentage that the taxable sale bears to the total sales.

(d) If the uncollectible debt arose with respect to two or more sales made at successive intervals, payments made before the date the debt became uncollectible must be applied first to the earliest sale upon which there is an unpaid balance, and to following sales in successive order.

(e) If the books and records of the taxpayer claiming the bad debt allowance support an allocation of the bad debts among the member states of the streamlined sales and use tax agreement, such an allocation shall be allowed.

The lessor shall collect the tax in full at the time the lease is executed or, if the tax is included in the lease and the lease is assigned, the tax is due from the original lessor at the time the lease is assigned. The total amount to be paid by the lessee under the lease agreement equals the agreed-upon value of the vehicle less manufacturer's rebates, the stated residual value of the leased vehicle, and the total value allowed for a vehicle owned by the lessee taken in trade by the lessor, plus the price of any taxable goods and services included in the lease and the rent charge as provided by Code of Federal Regulations, title 12, section 213.4, excluding any rent charge related to the capitalization of the tax.

(b) If the total amount paid by the lessee for use of the leased vehicle includes amounts that are not calculated at the time the lease is executed, the tax is imposed and must be collected by the lessor at the time the amounts are paid by the lessee. In the case of a lease which by its terms may be renewed, the sales tax is due and payable on the total amount to be paid during the initial term of the lease, and then for each subsequent renewal period on the total amount to be paid during the renewal period.

(c) If a lease is canceled or rescinded on or before 90 days of its execution or if a vehicle is returned to the manufacturer under section 325F.665, the lessor may file a claim for a refund of the total tax paid minus the amount of tax due for the period the vehicle is used by the lessee.

(d) If a lessee's obligation to make payments on a lease is canceled more than 90 days after its execution, a credit is allowed against sales tax or motor vehicles sales tax due on a subsequent lease or purchase of a motor vehicle if that lease or purchase is consummated within 30 days of the date the prior lease was canceled. The amount of the credit is equal to (1) the sales tax paid at the inception of the lease, multiplied by (2) the ratio of the number of full months remaining in the lease at the time of termination compared to the term of the lease used in calculating sales tax paid at the inception of the lease. The credit or any part of it cannot be assigned or transferred to another person.

Subd. 2. **Lease originating in another state.** When the lease of a motor vehicle as defined in section 297A.61, subdivision 4, paragraph (k), clause (2), originates in another state, the sales tax under subdivision 1 shall be calculated by the lessor on the total amount that is due under the lease agreement after the vehicle is required to be registered in Minnesota. If the total amount to be paid by the lessee under the lease agreement has already been subjected to tax by another state, a credit for taxes paid in the other state is allowed as provided in section 297A.80.

Subd. 3. **Motor vehicle lease sales tax revenue.** (a) For purposes of this subdivision, "net revenue" means an amount equal to:

(1) the revenues, including interest and penalties, collected under this section, during the fiscal year; less

(2) in fiscal year 2011, \$30,100,000; in fiscal year 2012, \$31,100,000; and in fiscal year 2013 and following fiscal years, \$32,000,000.

(b) On or before June 30 of each fiscal year, the commissioner of revenue shall estimate the amount of the revenues and subtraction under paragraph (a) for the current fiscal year.

(c) On or after July 1 of the subsequent fiscal year, the commissioner of management and budget shall transfer the net revenue as estimated in paragraph (b) from the general fund, as follows:

(1) 50 percent to the greater Minnesota transit account; and

(2) 50 percent to the county state-aid highway fund. Notwithstanding any other law to the contrary, the commissioner of transportation shall allocate the funds transferred under this clause to the counties in the metropolitan area, as defined in section 473.121, subdivision 4, excluding the counties of Hennepin and Ramsey, so that each county shall receive of such amount the percentage that its population, as defined in section 477A.011, subdivision 3, estimated or established by July 15 of the year prior to the current calendar year, bears to the total population of the counties receiving funds under this clause.

(d) For fiscal years 2010 and 2011, the amount under paragraph (a), clause (1), must be calculated using the following percentages of the total revenues:

(1) for fiscal year 2010, 83.75 percent; and

(2) for fiscal year 2011, 93.75 percent.

297A.8155 LIQUOR REPORTING REQUIREMENTS; PENALTY.

A person who sells liquor, as defined in section 295.75, subdivision 1, in Minnesota to a retailer that sells liquor, shall file with the commissioner an annual informational report, in the form and manner prescribed by the commissioner, indicating the name, address, and Minnesota business identification number of each retailer, and the total dollar amount of liquor sold to each retailer in the previous calendar year. The report must be filed on or before March 31 following the close of the calendar year. A person failing to file this report is subject to the penalty imposed under section 289A.60.

297A.82 AIRCRAFT; FLIGHT EQUIPMENT; PAYMENT OF TAXES; EXEMPTIONS.

Subdivision 1. **Requirements for registration.** An aircraft must not be registered or licensed in this state unless the applicant presents proof that the sales or use tax imposed by this chapter has been paid or that the transaction is exempt from the sales and use tax. The exemption for an occasional sale under section 297A.67, subdivision 23, or 297A.68, subdivision 25, does not apply to the sale or purchase of an aircraft.

Subd. 2. **Payment of tax to dealer.** If an aircraft is purchased from a dealer holding a valid sales and use tax permit under this chapter, the applicant shall present proof that the tax has been paid to the dealer.

Subd. 3. **Payment of tax.** If an aircraft is purchased from a person who is not the holder of a valid sales and use tax permit under this chapter, the purchaser shall pay the tax prior to registering or licensing the aircraft in this state.

Subd. 4. **Exemptions.** (a) The following transactions are exempt from the tax imposed in this chapter to the extent provided.

(b) The purchase or use of aircraft previously registered in Minnesota by a corporation or partnership is exempt if the transfer constitutes a transfer within the meaning of section 351 or 721 of the Internal Revenue Code.

(c) The sale to or purchase, storage, use, or consumption by a licensed aircraft dealer of an aircraft for which a commercial use permit has been issued pursuant to section 360.654 is exempt, if the aircraft is resold while the permit is in effect.

(d) Airflight equipment when sold to, or purchased, stored, used, or consumed by airline companies, as defined in section 270.071, subdivision 4, is exempt. For purposes of this subdivision, "airflight equipment" includes airplanes and parts necessary for the repair and maintenance of such airflight equipment, and flight simulators, but does not include airplanes with a gross weight of less than 30,000 pounds that are used on intermittent or irregularly timed flights.

(e) Sales of, and the storage, distribution, use, or consumption of aircraft, as defined in section 360.511 and approved by the Federal Aviation Administration, and which the seller delivers to a purchaser outside Minnesota or which, without intermediate use, is shipped or transported outside Minnesota by the purchaser are exempt, but only if the purchaser is not a resident of Minnesota and provided that the aircraft is not thereafter returned to a point within Minnesota, except in the course of interstate commerce or isolated and occasional use, and will be registered in another state or country upon its removal from Minnesota. This exemption applies even if the purchaser takes possession of the aircraft in Minnesota and uses the aircraft in the state exclusively for training purposes for a period not to exceed ten days prior to removing the aircraft from this state.

Subd. 5. Exempt purchase certificate. If the purchase of an aircraft is exempt under this chapter, the commissioner shall issue a certificate that no sales or use tax is due and owing in respect to the transaction.

Subd. 6. Sales and leases; tax treatment. (a) A sale of aircraft and parts for the repair of aircraft purchased by a nonprofit, incorporated flying club or association utilized solely by the corporation by leasing the aircraft to shareholders of the corporation is exempt as property purchased for resale. The leasing of the aircraft to the shareholders by the flying club or association is taxable as a retail sale.

(b) A lease of aircraft utilized by a lessee for leasing to others, whether or not the lessee also utilizes the aircraft for charter service or for flight instruction if no separate charge is made for aircraft rental, is exempt as a purchase for resale. However, a proportionate share of the lease payment reflecting use for flight instruction or charter service is taxable under section 297A.63.

Subd. 7. Agreement with commissioner of transportation. Notwithstanding subdivisions 1 to 4, the commissioner may enter into an agreement with the commissioner of transportation whereby, upon approval of both commissioners, the commissioner of transportation will collect the sales tax on aircraft from persons required to register or license aircraft in this state. For purposes of collecting the tax, the commissioner of transportation shall act as agent of the commissioner of revenue and shall be subject to all rules not inconsistent with the provisions of this chapter, that may be prescribed by the commissioner.

297A.83 APPLICATION FOR PERMIT.

Subdivision 1. Persons applying. (a) A retailer required to collect and remit sales taxes

under section 297A.66 shall file with the commissioner an application for a permit.

(b) A retailer making retail sales from outside this state to a destination within this state who is not required to obtain a permit under paragraph (a) may nevertheless voluntarily file an application for a permit.

(c) The commissioner may require any person or class of persons obligated to file a use tax return under section 289A.11, subdivision 3, to file an application for a permit.

Subd. 2. **Application requirements.** The application must be made on a form prescribed by the commissioner and indicate the name under which the applicant intends to transact business, the location of the applicant's place or places of business, and other information the commissioner may require. The application must be filed by the owner, if a natural person; by a member or partner, if the owner is an association or partnership; or by a person authorized to file the application, if the owner is a corporation.

Subd. 3. **Commissioner's discretion.** (a) The commissioner may decline to issue a permit to a retailer not maintaining a place of business in this state, or may cancel a permit previously issued to the retailer, if the commissioner believes that the tax can be collected more effectively from the persons using the property in this state. A refusal to issue or cancellation of a permit on such grounds does not affect the retailer's right to make retail sales from outside this state to destinations within this state.

(b) If the commissioner considers it necessary for the efficient administration of the tax to regard a salesperson, representative, trucker, peddler, or canvasser as the agent of the dealer, distributor, supervisor, employer, or other person under whom that person operates or from whom the person obtains the tangible personal property sold, whether making sales personally or in behalf of that dealer, distributor, supervisor, employer, or other person, the commissioner may regard the salesperson, representative, trucker, peddler, or canvasser as such agent, and may regard the dealer, distributor, supervisor, employer, or other person as a retailer for the purposes of collecting the tax.

297A.84 PERMITS ISSUED.

The commissioner shall issue a permit to each applicant who has complied with section 297A.83, and with section 297A.92 if security is required. A person is considered to have a permit if the person has a Minnesota tax identification number issued by the department that is currently active for taxes imposed by this chapter. A permit is valid until canceled or revoked. It is not assignable and is valid only for the person in whose name it is granted and for the transaction of business at the places designated on the permit.

History: 2000 c 418 art 1 s 28

297A.85 CANCELLATION OF PERMITS.

- (1) the permit holder has not filed a sales or use tax return for at least one year;
- (2) the permit holder has not reported any sales or use tax liability on the permit holder's returns for at least two years;
- (3) the permit holder requests cancellation of the permit; or

(4) the permit is subject to cancellation pursuant to section 270C.722, subdivision 2, paragraph (a).

297A.87 FLEA MARKETS, SHOWS, AND OTHER SELLING EVENTS.

Subdivision 1. **Events affected.** (a) This section applies to a flea market, craft show, antique show, coin show, stamp show, comic book show, convention exhibit area, or similar selling event.

(b) To be subject to this section, the operator of an event described in paragraph (a) must rent or lease space on the sale premises to the seller, charge the seller a registration or participation fee, or receive a percentage of sales or other consideration from a seller as a condition to participation by a seller in the event.

Subd. 2. **Seller's permit or alternate statement.** (a) The operator of an event under subdivision 1 shall obtain one of the following from a person who wishes to do business as a seller at the event:

(1) evidence that the person holds a valid seller's permit under section 297A.84;

(2) a written statement that the person is not offering for sale any item that is taxable under this chapter; or

(3) a written statement that this is the only selling event that the person will be participating in for that calendar year, that the person will be participating for three or fewer days, and that the person will make less than \$500 in total sales in the calendar year. The written statement shall include the person's name, address, and telephone number.

(b) The operator shall require the evidence or statement as a prerequisite to participating in the event as a seller.

Subd. 3. **Occasional sale provisions applicable under limited circumstances.** The isolated and occasional sale provision under section 297A.67, subdivision 23, applies, provided that the seller only participates for three or fewer days in one event per calendar year, makes \$500 or less in sales in the calendar year, and provides the written statement required in subdivision 2, paragraph (a), clause (3). The isolated and occasional sales provision under section 297A.68, subdivision 25, does not apply to a seller at an event under this section.

297A.89 DIRECT PAYMENT BY PURCHASERS PERMITTED.

Subdivision 1. **Commissioner may permit.** The commissioner may permit purchasers to pay taxes imposed by this chapter directly to the commissioner. Any taxes paid by purchasers under this section are considered use taxes.

Subd. 2. **Retailer does not collect.** The retailer shall not collect the tax from a purchaser who furnishes to the retailer a copy of a certificate issued by the commissioner authorizing the purchaser to pay any sales or use tax due on purchases made by the purchaser directly to the commissioner under subdivision 1.

History: 2000 c 418 art 1 s 32; 1Sp2001 c 5 art 12 s 76

297A.90 INTERSTATE MOTOR CARRIERS AS RETAILERS.

Subdivision 1. **Registration; records.** (a) A person who is engaged in interstate for-hire transportation of tangible personal property or passengers by motor vehicle may, under rules prescribed by the commissioner, register as a retailer and pay the taxes imposed by this chapter in accordance with this section. Any taxes paid under this section are use taxes.

(b) As used in this section, "person" means:

(1) one who possesses a certificate or permit or has completed a registration process that authorizes for-hire transportation of property or passengers from the United States Department of Transportation or the Department of Transportation;

(2) one who transports commodities defined as "exempt" in for-hire transportation in interstate commerce; or

(3) one who transports tangible personal property in interstate commerce, pursuant to contracts with persons described in clause (1) or (2).

Persons qualifying under clause (2) or (3) must maintain on a current basis the same type of mileage records that are required by persons specified in clause (1) by the United States Department of Transportation.

(c) Persons who in the course of their business are transporting solely their own goods in interstate commerce may also register as retailers under rules prescribed by the commissioner and pay the taxes imposed by this chapter in accordance with this section.

Subd. 2. **Payment of tax.** (a) Persons who are registered as retailers may make purchases in this state or import property into this state without payment of the sales or use taxes imposed by this chapter at the time of purchase or importation, if the purchases or importations come within the provisions of this section and are made in strict compliance with the rules of the commissioner.

(b) A person described in subdivision 1 may elect to pay directly to the commissioner any sales or use tax that may be due under this chapter for the acquisition of mobile transportation equipment and parts and accessories attached or to be attached to such equipment registered under section 168.187.

(c) The total cost of such equipment and parts and accessories attached or to be attached to such equipment must be multiplied by a fraction. The numerator of the fraction is the Minnesota mileage as reported on the current pro rata application provided for in section 168.187 and the denominator of the fraction is the total mileage reported on the current pro rata registration application. The amount so determined must be multiplied by the tax rate to obtain the tax due.

In computing the tax under this section "sales price" does not include the amount of any taxes imposed directly on the consumer that are separately stated on the invoice, bill of sale, or similar document given to the purchaser.

(d) A retailer covered by this section shall make a return and remit to the commissioner the tax due for the preceding calendar month in accordance with sections 289A.11 and 289A.20, subdivision 4.

Subd. 3. **Registration subsequent to payment of tax.** A person who has paid the tax under this chapter or chapter 297B and who meets the requirements of this section at the time of the sale, but was not registered under this section at the time of the sale, may register as a retailer, make a return, and file for a refund of the difference between the tax calculated under this chapter or chapter 297B and the tax calculated under subdivision 2.

Subd. 4. **Agreement with commissioner of public safety.** Notwithstanding subdivisions 1 to 3, the commissioner may enter into an agreement with the commissioner of public safety whereby, upon approval of both commissioners, the commissioner of public safety shall collect the sales tax on motor vehicles from persons defined in subdivision 1. For the purpose of collecting the tax, the commissioner of public safety shall act as the agent of the commissioner of revenue and shall be subject to all rules consistent with this chapter that may be prescribed by the commissioner.

297A.91 SEIZURE; COURT REVIEW.

Subdivision 1. **Seizure of property used in illegal transport.** (a) If the retailer does not have a sales or use tax permit and has been engaging in transporting personal property into the state without payment of the tax, the commissioner of revenue or the commissioner's agents may seize in the name of the state any truck, automobile, or means of transportation not owned or operated by a for-hire carrier, used in the illegal importation and transportation of any tangible personal property by a retailer or the retailer's agent or employee. The commissioner may demand the forfeiture and sale of the truck, automobile, or other means of transportation together with the property being transported illegally, unless the owner establishes to the satisfaction of the commissioner or the court that the owner had no notice or knowledge or reason to believe that the vehicle was used or intended to be used in any such violation.

(b) Within ten days after the seizure, the person making the seizure shall serve by certified mail an inventory of the vehicle and property seized on the person from whom the seizure was made, if known, and on any person known or believed to have any right, title, interest, or lien on the vehicle or property, at the last known address. The person making the seizure shall also file a copy of the inventory with the commissioner. The notice must include an explanation of the right to demand a judicial forfeiture determination.

Subd. 2. **Court review of forfeiture.** (a) Within 60 days after the date of service of the inventory, which is the date of mailing, the person from whom the vehicle and property were seized or any person claiming an interest in the vehicle or property may file a demand for a judicial determination of the question of whether the vehicle or property was lawfully subject to seizure and forfeiture.

(b) The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service or a copy of the complaint on the commissioner of revenue, and the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. If the value of the seized property or vehicle is \$7,500 or less, the claimant may file an action in conciliation court for its recovery. If the value of the seized property or vehicle is less than \$500, the claimant does not have to pay the conciliation court filing fee.

(c) The complaint must be captioned in the name of the claimant as plaintiff and the seized property or vehicle as defendant, and must state with specificity the grounds on which the claimant alleges the property or vehicle was improperly seized and the plaintiff's interest in the property or vehicle seized. No responsive pleading is required of the commissioner, and no court fees may be charged for the commissioner's appearance in the matter. The proceedings are governed by the Rules of Civil Procedure. Notwithstanding any law to the contrary, an action

for the return of property or a vehicle seized under this subdivision may not be maintained by or on behalf of any person who has been served with an inventory unless the person has complied with this subdivision. The court shall hear the action without a jury and shall determine the issues of fact and law involved. If a judgment of forfeiture is entered and is not stayed pending an appeal, the commissioner may have the forfeited vehicle and property sold at public auction as provided by law.

Subd. 3. **Treatment of seized property.** If no demand for judicial determination is made, the vehicle and property seized are considered forfeited to the state by operation of law and may be disposed of by the commissioner as if there were a judgment of forfeiture. The forfeiture and sale of the automobile, truck, or other means of transportation, and of the property being transported illegally in it, are a penalty for the violation of this chapter. After deducting the expense of keeping the vehicle and property, the fee for seizure, and the costs of the sale, the commissioner shall pay liens from the funds collected. The commissioner shall pay all liens, according to their priority, that are established as being bona fide and as existing without the lienor having any notice or knowledge that the vehicle or property was being used or was intended to be used for or in connection with any such violation. The commissioner shall pay the balance of the proceeds into the state treasury to be credited to the general fund. The state is not liable for any liens in excess of the proceeds from the sale after allowable deductions. A sale under this section frees the vehicle and property sold from all liens.

297A.92 SECURITY.

Subdivision 1. **Amount of security.** To ensure compliance with the taxes imposed by this chapter, the commissioner may require a retailer subject to this chapter to deposit security with the commissioner. The security must be in the form and amount the commissioner requires, but not more than twice the retailer's estimated average liability for the period for which the returns are required to be filed, or \$10,000, whichever is less. The amount of security may be increased or decreased by the commissioner, subject to the limitations in this section.

Subd. 2. **Auctions of security.** The commissioner may sell property deposited as security at public auction if necessary to recover the amount required to be collected, including any interest and penalties. Notice of the sale must be served upon the person who deposited the security. It must be served personally, or by mail as prescribed for an order of assessment under section 270C.33, subdivision 8. After a sale any surplus above the amount due not required as security under this section must be returned to the person who deposited the security.

Subd. 3. **Bond.** In lieu of security, the commissioner may require a retailer to file a bond. The bond must be issued by a surety company authorized to transact business in this state and approved by the commissioner of commerce as to solvency and responsibility.

297A.94 DEPOSIT OF REVENUES.

(a) Except as provided in this section, the commissioner shall deposit the revenues, including interest and penalties, derived from the taxes imposed by this chapter in the state treasury and credit them to the general fund.

(b) The commissioner shall deposit taxes in the Minnesota agricultural and economic account in the special revenue fund if:

(1) the taxes are derived from sales and use of property and services purchased for the construction and operation of an agricultural resource project; and

(2) the purchase was made on or after the date on which a conditional commitment was made for a loan guaranty for the project under section 41A.04, subdivision 3.

The commissioner of management and budget shall certify to the commissioner the date on which the project received the conditional commitment. The amount deposited in the loan guaranty account must be reduced by any refunds and by the costs incurred by the Department of Revenue to administer and enforce the assessment and collection of the taxes.

(c) The commissioner shall deposit the revenues, including interest and penalties, derived from the taxes imposed on sales and purchases included in section 297A.61, subdivision 3, paragraph (g), clauses (1) and (4), in the state treasury, and credit them as follows:

(1) first to the general obligation special tax bond debt service account in each fiscal year the amount required by section 16A.661, subdivision 3, paragraph (b); and

(2) after the requirements of clause (1) have been met, the balance to the general fund.

(d) The commissioner shall deposit the revenues, including interest and penalties, collected under section 297A.64, subdivision 5, in the state treasury and credit them to the general fund. By July 15 of each year the commissioner shall transfer to the highway user tax distribution fund an amount equal to the excess fees collected under section 297A.64, subdivision 5, for the previous calendar year.

(e) For fiscal year 2001, 97 percent; for fiscal years 2002 and 2003, 87 percent; and for fiscal year 2004 and thereafter, 72.43 percent of the revenues, including interest and penalties, transmitted to the commissioner under section 297A.65, must be deposited by the commissioner in the state treasury as follows:

(1) 50 percent of the receipts must be deposited in the heritage enhancement account in the game and fish fund, and may be spent only on activities that improve, enhance, or protect fish and wildlife resources, including conservation, restoration, and enhancement of land, water, and other natural resources of the state;

(2) 22.5 percent of the receipts must be deposited in the natural resources fund, and may be spent only for state parks and trails;

(3) 22.5 percent of the receipts must be deposited in the natural resources fund, and may be spent only on metropolitan park and trail grants;

(4) three percent of the receipts must be deposited in the natural resources fund, and may be spent only on local trail grants; and

(5) two percent of the receipts must be deposited in the natural resources fund, and may be spent only for the Minnesota Zoological Garden, the Como Park Zoo and Conservatory, and the Duluth Zoo.

(f) The revenue dedicated under paragraph (e) may not be used as a substitute for traditional sources of funding for the purposes specified, but the dedicated revenue shall supplement traditional sources of funding for those purposes. Land acquired with money deposited in the game and fish fund under paragraph (e) must be open to public hunting and fishing during the open season, except that in aquatic management areas or on lands where angling easements have

been acquired, fishing may be prohibited during certain times of the year and hunting may be prohibited. At least 87 percent of the money deposited in the game and fish fund for improvement, enhancement, or protection of fish and wildlife resources under paragraph (e) must be allocated for field operations.

(g) The revenues deposited under paragraphs (a) to (f) do not include the revenues, including interest and penalties, generated by the sales tax imposed under section 297A.62, subdivision 1a, which must be deposited as provided under the Minnesota Constitution, article XI, section 15.

297A.95 COORDINATION OF STATE AND LOCAL SALES TAX RATES.

In preparing and distributing a sales tax schedule for use within a local jurisdiction with a separate general sales tax, the state Department of Revenue shall coordinate the state and local sales tax so that a sale of \$1 reflects a tax equal to the combination of the state and local sales tax rates. The combined sales tax on other sales amounts must also reflect the coordinated rather than the separate effects of the state and local sales taxes. The schedule must be coordinated as long as the local sales tax is in effect. If the sales tax percentage is changed for either of the taxes, the schedule must be adjusted to reflect the change.

297A.99 LOCAL SALES TAXES.

Subdivision 1. **Authorization; scope.** (a) A political subdivision of this state may impose a general sales tax (1) under section 297A.992, (2) under section 297A.993, (3) if permitted by special law enacted prior to May 20, 2008, or (4) if the political subdivision enacted and imposed the tax before January 1, 1982, and its predecessor provision.

(b) This section governs the imposition of a general sales tax by the political subdivision. The provisions of this section preempt the provisions of any special law:

(1) enacted before June 2, 1997, or

(2) enacted on or after June 2, 1997, that does not explicitly exempt the special law provision from this section's rules by reference.

(c) This section does not apply to or preempt a sales tax on motor vehicles or a special excise tax on motor vehicles.

(d) Until after May 31, 2010, a political subdivision may not advertise, promote, expend funds, or hold a referendum to support imposing a local option sales tax unless it is for extension of an existing tax or the tax was authorized by a special law enacted prior to May 20, 2008.

Subd. 2. Local resolution before application for authority. Before the governing body of a political subdivision requests legislative approval of a special law for a local sales tax that is administered under this section, it shall adopt a resolution indicating its approval of the tax. The resolution must include, at a minimum, information on the proposed tax rate, how the revenues will be used, the total revenue that will be raised before the tax expires, and the estimated length of time that the tax will be in effect. This subdivision applies to local laws enacted after June 30, 1998.

Subd. 3. Requirements for adoption, use, termination. (a) Imposition of a local sales tax is subject to approval by voters of the political subdivision at a general election.

(b) The proceeds of the tax must be dedicated exclusively to payment of the cost of a specific capital improvement which is designated at least 90 days before the referendum on imposition of the tax is conducted.

(c) The tax must terminate after the improvement designated under paragraph (b) has been completed.

(d) After a sales tax imposed by a political subdivision has expired or been terminated, the political subdivision is prohibited from imposing a local sales tax for a period of one year. Notwithstanding subdivision 13, this paragraph applies to all local sales taxes in effect at the time of or imposed after May 26, 1999.

Subd. 4. Tax base. (a) The tax applies to sales taxable under this chapter that occur within the political subdivision.

(b) Taxable goods or services are subject to a political subdivision's sales tax, if they are sourced to the political subdivision pursuant to section 297A.668.

Subd. 5. Tax rate. (a) The tax rate is as specified in the special law authorization and as imposed by the political subdivision.

(b) The full political subdivision rate applies to any sales that are taxed at a state rate, and the political subdivision must not have more than one local sales tax rate or more than one local use tax rate. This paragraph does not apply to sales or use taxes imposed on electricity, piped natural or artificial gas, or other heating fuels delivered by the seller, or the retail sale or transfer of motor vehicles, aircraft, watercraft, modular homes, manufactured homes, or mobile homes.

Subd. 6. Use tax. A compensating use tax applies, at the same rate as the sales tax, on the use, storage, distribution, or consumption of tangible personal property or taxable services.

Subd. 7. Exemptions. (a) All goods or services that are otherwise exempt from taxation under this chapter are exempt from a political subdivision's tax.

(b) All mobile transportation equipment, and parts and accessories attached to or to be attached to the equipment are exempt, if purchased by a holder of a motor carrier direct pay permit under section 297A.90.

Subd. 8. **Credit for other local taxes.** If a person paid sales or use tax to another political subdivision of this state on an item subject to tax under this section, a credit applies against the tax imposed under this section. The credit equals the tax the person paid to the other political subdivision for the item.

Subd. 9. **Enforcement; collection; and administration.** (a) The commissioner of revenue shall collect the taxes subject to this section. The commissioner may collect the tax with the state sales and use tax. All taxes under this section are subject to the same penalties, interest, and enforcement provisions as apply to the state sales and use tax.

(b) A request for a refund of state sales tax paid in excess of the amount of tax legally due includes a request for a refund of the political subdivision taxes paid on the goods or services. The commissioner shall refund to the taxpayer the full amount of the political subdivision taxes paid on exempt sales or use.

(c) A political subdivision shall incur a legal debt to the state for refunds of local sales taxes made by the commissioner after a tax has terminated when the amount of the refunds exceeds the amount of local sales taxes collected for but not remitted to the political subdivision. The commissioner of revenue shall bill the political subdivision for this difference. The commissioner shall deposit the money in the state treasury and credit it to the general fund.

Subd. 10. **Use of zip code in determining location of sale.** The lowest combined tax rate imposed in the zip code area applies if the area includes more than one tax rate in any level of taxing jurisdictions. If a nine-digit zip code designation is not available for a street address or if a seller is unable to determine the nine-digit zip code designation of a purchaser after exercising due diligence to determine the designation, the seller may apply the rate for the five-digit zip code area. For the purposes of this subdivision, there is a rebuttable presumption that a seller has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the governing board that makes this designation from the street address and the five-digit zip code of the purchaser. Notwithstanding subdivision 13, this subdivision applies to all local sales taxes without regard to the date of authorization. This subdivision does not apply when the purchased product is received by the purchaser at the business location of the seller.

Subd. 11. **Revenues; cost of collection.** The commissioner shall remit the proceeds of the tax, less refunds and a proportionate share of the cost of collection, at least quarterly, to the political subdivision. The commissioner shall deduct from the proceeds remitted an amount that equals

(1) the direct and indirect costs of the department to administer, audit, and collect the political subdivision's tax, plus

(2) the political subdivision's proportionate share of the indirect cost of administering all taxes under this section, plus

(3) the cost of constructing and maintaining a zip code or geo-code database necessary for local sales tax collections under the Streamlined Sales and Use Tax Agreement in section 297A.995.

The initial cost of constructing a database under clause (3) shall be distributed among the cities with a local sales tax based on each city's population. The commissioner shall develop a method for distributing the cost of maintaining the database among the cities with a local sales tax based on the number of boundary changes for each city.

Subd. 12. Effective dates; notification. (a) A political subdivision may impose a tax under this section starting only on the first day of a calendar quarter. A political subdivision may repeal a tax under this section stopping only on the last day of a calendar quarter.

(b) The political subdivision shall notify the commissioner of revenue at least 90 days before imposing, changing the rate of, or repealing a tax under this section.

(c) The political subdivision shall change the rate of tax imposed under this section starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 60 days prior to the change.

(d) The political subdivision shall apply the rate change for sales tax imposed under this section to purchases from printed catalogs, wherein the purchaser computed the tax based upon local tax rates published in the catalog, starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 120 days prior to the change.

(e) The political subdivision shall apply local jurisdiction boundary changes to taxes imposed under this section starting only on the first day of a calendar quarter, and only after the commissioner has notified sellers at least 60 days prior to the change.

Subd. 12a. Notification of use tax. Any political subdivision imposing a local sales and use tax, which maintains an official Web site, must display on its main home page a link to a notice that residents and businesses in the political subdivision may owe a local use tax on purchases of goods and services made outside of the political subdivision limits. The notice must provide information, including a link to any relevant Department of Revenue Web site, on how the taxpayer may get information and forms necessary for calculating and paying the tax. If the political subdivision provides and bills for sewer, water, garbage collection, or other public utility services, the billing statement must also include at least once per year a notice that residents and businesses may owe a local use tax on purchases made outside of the political subdivision limits and provide information on how the taxpayer may get information and forms necessary for calculating and paying the tax.

Subd. 13. Application. This section applies to all local sales taxes that were authorized before, on, or after June 2, 1997.

297A.991 REPORTING OF SALES TAX ON MINNESOTA GOVERNMENTS.

Subdivision 1. Commissioner of revenue to report. For each fiscal year, the commissioner shall estimate the amount of revenues derived from imposing the tax under this chapter and chapter 297B on state agencies and political subdivisions. The commissioner shall report this amount to the commissioner of management and budget before the time for filing reports for the fiscal year with the United States Department of Commerce.

Subd. 2. Commissioner of management and budget to report. In reporting the sales tax and sales tax on motor vehicles collections to the United States Department of Commerce, the

commissioner of management and budget shall exclude the estimated amount from the sales and motor vehicle collections. Sales tax and sales tax on motor vehicles revenues received from political subdivisions must be reported as intergovernmental grants or similar intergovernmental revenue. The amount of the sales tax and sales tax on motor vehicles paid by state agencies must be reported as reduced state expenditures.

(b) The tax imposed under this section is not included in determining if the total tax on lodging in the city of Minneapolis exceeds the maximum allowed tax under Laws 1986, chapter 396, section 5, as amended by Laws 2001, First Special Session chapter 5, article 12, section 87, or in determining a tax that may be imposed under any other limitations.

Subd. 3. **Joint powers agreement.** Before imposing the taxes authorized in subdivision 2, an eligible county must declare by resolution of its county board to be part of the metropolitan transportation area and must enter into a joint powers agreement. The joint powers agreement:

The technical advisory group must be used solely for technical consultation purposes.

Subd. 5. Grant application and awards; Grant Evaluation and Ranking System (GEARS) Committee. (a) The joint powers board shall establish a grant application process and identify the amount of available funding for grant awards. Grant applications must be submitted in a form prescribed by the joint powers board. An applicant must provide, in addition to all other information required by the joint powers board, the estimated cost of the project, the amount of the grant sought, possible sources of funding in addition to the grant sought, and identification of any federal funds that will be utilized if the grant is awarded. (4) the chair of the Metropolitan Council Transportation Committee.

(d) Each city representative must be elected at a meeting of cities in the metropolitan transportation area, which must be convened for that purpose by the Association of Metropolitan Municipalities.

(e) The committee shall evaluate grant applications following objective criteria established by the joint powers board, and must provide to the joint powers board a selection list of transportation projects that includes a priority ranking.

(f) A grant award for a transit project located within the metropolitan area, as defined in section 473.121, subdivision 2, may be funded only after the Metropolitan Council reviews the project for consistency with the transit portion of the Metropolitan Council policy plan and one of the following occurs:

(1) the Metropolitan Council finds the project to be consistent;

(2) the Metropolitan Council initially finds the project to be inconsistent, but after a good faith effort to resolve the inconsistency through negotiations with the joint powers board, agrees that the grant award may be funded; or

(3) the Metropolitan Council finds the project to be inconsistent, and submits the consistency issue for final determination to a panel, which determines the project to be consistent. The panel is composed of a member appointed by the chair of the Metropolitan Council, a member appointed by the joint powers board, and a member agreed upon by both the chair and the joint powers board.

(g) Grants must be funded by the proceeds of the taxes imposed under this section, bonds, notes, or other obligations issued by the joint powers board under subdivision 7.

(h) Notwithstanding the provisions of this subdivision, in fiscal year 2009, of the initial revenue collected under this section, the joint powers board shall allocate at least \$30,783,000 to the Metropolitan Council for operating assistance for transit.

Subd. 6. **Allocation of grant awards.** (a) The board must allocate grant awards only for the following transit purposes:

(i) capital improvements to transit ways, including, but not limited to, commuter rail rolling stock, light rail vehicles, and transit way buses;

(ii) capital costs for park-and-ride facilities, as defined in section 174.256, subdivision 2;

(iii) feasibility studies, planning, alternatives analyses, environmental studies, engineering, property acquisition for transit way purposes, and construction of transit ways; and

(iv) operating assistance for transit ways.

(b) The joint powers board must annually award grants to each minimum guarantee county in an amount no less than the amount of sales tax revenue collected within that county.

(c) No more than 1.25 percent of the total awards may be annually allocated for planning, studies, design, construction, maintenance, and operation of pedestrian programs and bicycle programs and pathways.

Subd. 7. **Bonds.** (a) The joint powers board or any county, acting under a joint powers agreement as specified in this section, may, by resolution, authorize, issue, and sell its bonds, notes, or other obligations for the purpose of funding grants under subdivision 6. The joint powers board or county may also, by resolution, issue bonds to refund the bonds issued pursuant to this subdivision.

(b) The bonds of the joint powers board must be limited obligations, payable solely from or secured by taxes levied under this section.

(c) The bonds of any county may be limited obligations, payable solely from or secured by taxes levied under this section. A county may also pledge its full faith, credit, and taxing power as additional security for the bonds.

(d) Bonds may be issued in one or more series and sold without an election. The bonds shall be secured, bear the interest rate or rates or a variable rate, have the rank or priority, be executed in the manner, be payable in the manner, mature, and be subject to the defaults, redemptions, repurchases, tender options, or other terms, and shall be sold in such manner as the joint powers board, the regional railroad authority, or the county may determine.

(g) The joint powers board or any regional railroad authority wholly within the metropolitan transportation area also may authorize, issue, and sell its bonds, notes, or other obligations for the purposes, and in accordance with the procedures, set forth in section 398A.07 to fund grants as provided in subdivision 6. The bonds of any regional railroad authority may be limited obligations, payable solely from or secured by taxes levied under this section. A regional railroad authority may also pledge its taxing powers as additional security for the bonds.

Subd. 8. **Allocation of revenues.** After the deductions allowed in section 297A.99, subdivision 11, the commissioner of revenue shall remit the proceeds of the taxes imposed under this section on a monthly basis, as directed by the joint powers board under this section.

Subd. 9. **Administration, collection, enforcement.** Except as otherwise provided in this section, the provisions of section 297A.99, subdivisions 4 and 6 to 12a, govern the administration, collection, and enforcement of the tax authorized under this section.

Subd. 10. **Termination of taxes.** (a) The taxes imposed under section 297A.99, subdivision 1, by a county that withdraws from the joint powers agreement pursuant to subdivision 3, clause (3), shall terminate when the county has satisfied its portion, as defined in the joint powers agreement, of all outstanding bonds or obligations entered into while the county was a member of the agreement.

(b) If the joint powers agreement under subdivision 3 is terminated, the taxes imposed under section 297A.99, subdivision 1, at the time of the agreement termination will terminate when all outstanding bonds or obligations are satisfied. The auditors of the counties in which the taxes are imposed shall see to the administration of this paragraph.

Subd. 11. **Report.** The joint powers board shall report annually by February 1 to the house of representatives and senate committees having jurisdiction over transportation policy and finance concerning the revenues received and grants awarded.

Subd. 12. **Grant awards to Metropolitan Council.** Any grant award under this section made to the Metropolitan Council must supplement, and must not supplant, operating and capital assistance provided by the state.

297A.995 UNIFORM SALES AND USE TAX ADMINISTRATION ACT.

Subdivision 1. **Title.** This section may be cited as the Uniform Sales and Use Tax Administration Act.

Subd. 2. **Definitions.** As used in this section:

(a) "Agreement" means the Streamlined Sales and Use Tax Agreement.

(b) "Certified automated system" means software certified jointly by the states that are signatories to the agreement to calculate the tax imposed by each jurisdiction on a transaction, determine the amount of tax to remit to the appropriate state, and maintain a record of the transaction.

(c) "Certified service provider" means an agent certified jointly by the states that are signatories to the agreement to perform all of the seller's sales tax functions.

Subd. 3. **Legislative finding.** The legislature finds that this state should enter into an agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce.

Subd. 4. **Authority to enter agreement.** The commissioner of revenue is authorized and directed to enter into the agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the agreement, the commissioner is authorized to act jointly with other states that are members of the agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

The commissioner of revenue is further directed to negotiate the agreement with the express intention of ensuring uniform sales and use taxation as applied to like-kind transactions.

The commissioner is further authorized to take other actions reasonably required to implement the provisions set forth in this article. Other actions authorized by this section include, but are not limited to, the adoption of rules and regulations and the joint procurement, with other member states, of goods and services in furtherance of the cooperative agreement.

The following officials are authorized to represent this state before the other states that are signatories to the agreement:

- (1) the commissioner or the commissioner's designee;
- (2) the chair of the house of representatives committee with jurisdiction over taxes or the house chair's designee; and
- (3) the chair of the senate committee with jurisdiction over taxes or the senate chair's designee.

Subd. 5. Relationship to state law. No provision of the agreement authorized by this bill in whole or part invalidates or amends any provision of the law of this state. Adoption of the agreement by this state does not amend or modify any law of this state. Implementation of any condition of the agreement in this state, whether adopted before, at, or after membership of this state in the agreement, must be by the action of this state.

Subd. 6. Agreement requirements. The commissioner of revenue shall not enter into the agreement unless the agreement requires each state to abide by the following requirements:

(a) **Uniform state rate.** The agreement must set restrictions to achieve more uniform state rates through the following:

- (1) limiting the number of state rates;
- (2) eliminating maximums on the amount of state tax that is due on a transaction; and
- (3) eliminating thresholds on the application of state tax.

(b) **Uniform standards.** The agreement must establish uniform standards for the following:

- (1) the sourcing of transactions to taxing jurisdictions;
- (2) the administration of exempt sales;
- (3) the allowances a seller can take for bad debts; and
- (4) sales and use tax returns and remittances.

(c) **Uniform definitions.** The agreement must require states to develop and adopt uniform definitions of sales and use tax terms. The definitions must enable a state to preserve its ability to make policy choices not inconsistent with the uniform definitions.

(d) **Central registration.** The agreement must provide a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states.

(e) **No nexus attribution.** The agreement must provide that registration with the central registration system and the collection of sales and use taxes in the signatory states will not be used as a factor in determining whether the seller has nexus with a state for any tax.

(f) **Local sales and use taxes.** The agreement must provide for reduction of the burdens of complying with local sales and use taxes through the following:

- (1) restricting and eliminating variances between the state and local tax bases;

(2) requiring states to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes will not have to register or file returns with, remit funds to, or be subject to independent audits from local taxing jurisdictions;

(3) restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes; and

(4) providing notice of changes in local sales and use tax rates and of changes in the boundaries of local taxing jurisdictions.

(g) **Monetary allowances.** The agreement must outline any monetary allowances that are to be provided by the states to sellers or certified service providers.

(h) **State compliance.** The agreement must require each state to certify compliance with the terms of the agreement prior to joining and to maintain compliance, under the laws of the member state, with all provisions of the agreement while a member.

(i) **Consumer privacy.** The agreement must require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information.

(j) **Advisory councils.** The agreement must provide for the appointment of an advisory council of private sector representatives and an advisory council of nonmember state representatives to consult with in the administration of the agreement.

Subd. 7. **Cooperating sovereigns.** The agreement authorized by this bill is an accord among individual cooperating sovereigns in furtherance of their governmental functions. The agreement provides a mechanism among the member states to establish and maintain a cooperative, simplified system for the application and administration of sales and use taxes under the duly adopted law of each member state.

Subd. 8. **Limited binding and beneficial effect.** (a) The agreement authorized by this bill binds and inures only to the benefit of this state and the other member states. No person, other than a member state, is an intended beneficiary of the agreement. Any benefit to a person other than a state is established by the law of this state and the other member states and not by the terms of the agreement.

(b) Consistent with paragraph (a), no person shall have any cause of action or defense under the agreement or by virtue of this state's approval of the agreement. No person may challenge, in any action brought under any provision of law, any action or inaction by any department, agency, or other instrumentality of this state, or any political subdivision of this state, on the ground that the action or inaction is inconsistent with the agreement.

(c) No law of this state, or its application, may be declared invalid as to any person or circumstance on the ground that the provision or application is inconsistent with the agreement.

Subd. 9. **Seller and third-party liability.** (a) A certified service provider is the agent of a seller, with whom the certified service provider has contracted, for the collection and remittance of sales and use taxes. As the seller's agent, the certified service provider is liable for sales and use tax due each member state on all sales transactions it processes for the seller except as set out in this section.

A seller that contracts with a certified service provider is not liable to the state for sales or use tax due on transactions processed by the certified service provider unless the seller

misrepresented the type of items it sells or committed fraud. In the absence of probable cause to believe that the seller has committed fraud or made a material misrepresentation, the seller is not subject to audit on the transactions processed by the certified service provider. A seller is subject to audit for transactions not processed by the certified service provider. The member states acting jointly may perform a system check of the seller and review the seller's procedures to determine if the certified service provider's system is functioning properly and the extent to which the seller's transactions are being processed by the certified service provider.

(b) A person that provides a certified automated system is responsible for the proper functioning of that system and is liable to the state for underpayments of tax attributable to errors in the functioning of the certified automated system. A seller that uses a certified automated system remains responsible and is liable to the state for reporting and remitting tax.

(c) A seller that has a proprietary system for determining the amount of tax due on transactions and has signed an agreement establishing a performance standard for that system is liable for the failure of the system to meet the performance standard.

Subd. 10. Relief from certain liability. (a) Notwithstanding subdivision 9, sellers and certified service providers are relieved from liability to the state for having charged and collected the incorrect amount of sales or use tax resulting from the seller or certified service provider (1) relying on erroneous data provided by the commissioner in the database files on tax rates, boundaries, or taxing jurisdiction assignments, or (2) relying on erroneous data provided by the state in its taxability matrix concerning the taxability of products and services.

(b) Notwithstanding subdivision 9, sellers and certified service providers are relieved from liability to the state for having charged and collected the incorrect amount of sales or use tax resulting from the seller or certified service provider relying on the certification by the commissioner as to the accuracy of a certified automated system as to the taxability of product categories. The relief from liability provided by this paragraph does not apply when the sellers or certified service providers have incorrectly classified an item or transaction into a product category, unless the item or transaction within a product category was approved by the commissioner or approved jointly by the states that are signatories to the agreement. The sellers and certified service providers must revise a classification within ten days after receipt of notice from the commissioner that an item or transaction within a product category is incorrectly classified as to its taxability, or they are not relieved from liability for the incorrect classification following the notification.

(c) Notwithstanding subdivision 9, if there are not at least 30 days between the enactment of a new tax rate and the effective date of the new rate, sellers and certified service providers shall be relieved from liability for failing to collect tax at the new rate during the first 30 days of the rate change, beginning on the day after the date of enactment of the rate change, provided the seller or certified service provider continued to impose and collect the tax at the immediately preceding tax rate during this period. Relief from liability provided by this paragraph shall not apply if the failure to collect at the newly effective rate extends beyond 30 days after the enactment of the new rate. The relief provided by this paragraph shall not apply if the commissioner determines that the seller or certified service provider fraudulently failed to collect at the new rate or that the seller or certified service provider solicited purchasers based on the immediately preceding tax rate.

Subd. 11. Purchaser relief from certain liability. (a) Notwithstanding other provisions in the law, a purchaser is relieved from liability resulting from having paid the incorrect amount of sales or use tax if a purchaser, whether or not the commissioner gave the purchaser direct pay

authorization, or a purchaser's seller or certified service provider relied on erroneous data provided by this state in the database files on tax rates, boundaries, taxing jurisdiction assignments, or in the taxability matrix. After providing an address-based database for assigning taxing jurisdictions and their associated rates, no relief for errors resulting from the purchaser's reliance on a database using zip codes is allowed.

(b) With respect to reliance on the taxability matrix provided by this state in paragraph (a), relief is limited to erroneous classifications in the taxability matrix for items included within the classifications as "taxable," "exempt," "included in sales price," "excluded from sales price," "included in the definition," and "excluded from the definition."

(c) Notwithstanding other provisions in the law, if there are not at least 30 days between the enactment of a new tax rate and the effective date of the new rate, a purchaser shall be relieved from liability resulting from failing to pay the tax at the new rate during the first 30 days of the rate change, beginning on the day after the date of enactment of the rate change, whether or not the purchaser has been given direct pay authorization by the commissioner. Relief from liability provided by this paragraph shall not apply if the failure to pay at the newly effective rate extends beyond 30 days after the enactment of the new rate, and shall not apply to a purchaser that did not continue to pay the tax at the immediately preceding tax rate during the 30-day period. The relief provided by this paragraph shall not apply if the commissioner determines that the purchaser fraudulently failed to pay at the new rate.

Subd. 12. **Database files.** For purposes of this section, "database files on tax rates, boundaries, and taxing jurisdiction assignments" and the "taxability matrix" means those databases and the taxability matrix required under the agreement.
