

349.173 CONDUCT OF RAFFLES.

(a) Raffle tickets or certificates of participation at a minimum must list the three most expensive prizes to be awarded and include the location, date, and time of the selection of the winning entries. If additional prizes will be awarded, a complete list of additional prizes must be publicly posted at the event and copies of the complete prize list made available upon request. Raffles conducted under the exemptions in section 349.166 may use tickets that contain only the sequential number of the raffle ticket and no other information if the organization makes a list of prizes and a statement of other relevant information required by rule available to persons purchasing tickets and if tickets are only sold at the event and on the date when the tickets are drawn.

(b) Raffles must be conducted in a manner that ensures:

- (1) all entries in the raffle have an equal chance of selection;
- (2) entry in the raffle is not conditioned upon any other purchase, except that a certificate of participation may be a button with a nominal value of less than \$5;
- (3) the method of selection is conducted in a public forum;
- (4) the method of selection cannot be manipulated or based on the outcome of an event not under the control of the organization;
- (5) physical presence at the raffle is not a requirement to win; and
- (6) all sold and unsold tickets or certificates of participation are accounted for.

(c) Methods of selecting winning entries from a raffle other than prescribed in rule may be used with the prior written approval of the board.
