

**352.017 AUTHORIZED LEAVE OF ABSENCE SERVICE CREDIT PURCHASE PROCEDURE.**

Subdivision 1. **Application.** Except for leaves or breaks in service covered by section 352.27, this section applies to all plans specified in this chapter for any period of authorized leave of absence without pay that does not exceed one year and for which the employee obtains credit for allowable service by making payment as specified in this section to the applicable fund.

Subd. 2. **Purchase procedure.** (a) An employee covered by a plan specified in this chapter may purchase credit for allowable service in that plan for a period specified in subdivision 1 if the employee makes a payment as specified in paragraph (b) or (c), whichever applies. The employing unit, at its option, may pay the employer portion of the amount specified in paragraph (b) on behalf of its employees.

(b) If payment is received by the executive director within one year from the date the employee returned to work following the authorized leave, the payment amount is equal to the employee and employer contribution rates specified in law for the applicable plan at the end of the leave period multiplied by the employee's hourly rate of salary on the date of return from the leave of absence and by the days and months of the leave of absence for which the employee is eligible for allowable service credit. The payment must include compound interest at a monthly rate of 0.71 percent from the last day of the leave period until the last day of the month in which payment is received. If payment is received by the executive director after one year, the payment amount is the amount determined under section 356.551. Payment under this paragraph must be made before the date of termination from public employment covered under this chapter.

(c) If the employee terminates employment covered by this chapter during the leave or following the leave rather than returning to covered employment, payment must be received by the executive director within 30 days after the termination date. The payment amount is equal to the employee and employer contribution rates specified in law for the applicable plan on the day prior to the termination date, multiplied by the employee's hourly rate of salary on that date and by the days and months of the leave of absence prior to termination.
