

115.21 ANNEXATION, DETACHMENT, AND DISSOLUTION.

Subdivision 1. **Annexation.** An area adjacent to an existing district may be annexed thereto upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for annexation in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for annexation shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the area proposed for annexation together with the entire territory of the district. If the agency determines that the requisite conditions exist in the area proposed for annexation together with the territory of the district, it may make an order for annexation accordingly. All taxable property within the annexed area shall be subject to taxation for any existing bonded indebtedness or other indebtedness of the district for the cost of acquisition, construction, or improvement of any disposal system or other works or facilities beneficial to the annexed area to such extent as the agency may determine to be just and equitable, to be specified in the order for annexation. The proper officers shall levy further taxes on such property accordingly.

Subd. 2. **Detachment.** An area within a district may be detached therefrom upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for detachment in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for detachment shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the entire territory of the district. If the agency determines that the requisite conditions for inclusion in a district no longer exist in the area proposed for detachment, it may make an order for detachment accordingly. All taxable property within the detached area shall remain subject to taxation for any existing bonded indebtedness of the district to such extent as it would have been subject thereto if not detached, and shall also remain subject to taxation for any other existing indebtedness of the district incurred for any purpose beneficial to such area to such extent as the agency may determine to be just and equitable, to be specified in the order for detachment. The proper officers shall levy further taxes on such property accordingly.

Subd. 3. **Joint petition.** Different areas may be annexed to and detached from a district in a single proceeding upon a joint petition therefor and upon compliance with the provisions of subdivisions 1 and 2 with respect to the area affected so far as applicable.

Subd. 4. **Dissolution.** A district may be dissolved upon a petition to the agency stating the grounds for dissolution as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, and containing a proposal for distribution of the remaining funds of the district, if any, among the related governmental subdivisions. Except as otherwise provided, a proceeding for dissolution shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. If the commission determines that the conditions requisite for the creation of the district no longer exist therein, that all indebtedness of the district has been paid, and that all property of the district except funds has been disposed of, it may make an order dissolving the district and directing the distribution of its remaining funds, if any, among the related governmental subdivisions on such basis as the agency determines to be just and equitable, to be specified in the order. Certified

copies of the order for dissolution shall be transmitted and filed as provided for an order creating a district. The secretary of the agency shall also transmit a certified copy of the order to the treasurer of the district, who shall thereupon distribute the remaining funds of the district as directed by the order, and shall be responsible for such funds until so distributed.
