Subdivision 1. **Establishment.** Two or more independent school districts may enter into an agreement to establish a cooperative center to provide for vocational education and other educational services upon the vote of a majority of the full membership of each of the boards of the districts entering into the agreement. The agreement may also provide for membership by cities, counties, and other governmental units as defined in section 471.59. When a resolution approving this action has been adopted by the board of a district, the resolution shall be published once in a newspaper of general circulation in the district. If a petition for referendum on the question of the district entering into the agreement, containing signatures of qualified voters of the district equal to five percent of the number of voters at the last school district general election, is filed with the clerk of the board within 60 days after publication of the resolution, the board must not enter into the agreement until the question has been submitted to the voters of the district at a special election. This election must be conducted and canvassed in the same manner as school district general elections. If a majority of the total number of votes cast on the question within the district is in favor of the proposition, the board may enter into an agreement to establish the center for purposes described in this section.

A dissolution must be accomplished in accordance with any applicable provisions of the agreement establishing the center.
