Subd. 2. **Reexaminations.** An examination must be required before renewal of a license that has been suspended, or before the issuance of a license to a person whose license has been ineffective for a period of two years. No reexamination is required of an individual who has failed to renew an existing license because of absence from the state while on active duty with the armed services of the United States of America.

Subd. 3. **Examination frequency.** The commissioner must hold examinations at times and places the commissioner determines.

Subd. 4. **Period for application.** An applicant who obtains an acceptable score on an examination must file an application and obtain the license within two years of the date of successful completion of the examination or a second examination must be taken to qualify for the license.

Subd. 5. **Renewal; examination.** Except as provided in subdivision 2, no examination is required for the renewal of a license. However, a licensee who has been licensed in the state of Minnesota and who fails to renew the license for a period of two years must be required by the commissioner to again take an examination.

Subd. 6. **Examination eligibility; revocation.** No applicant may take an examination if a license as a real estate appraiser has been revoked in this or another state within two years of the date of the application.

Subd. 7. **Reciprocity.** This section may be waived by the commissioner for individuals of other jurisdictions if: (1) a written reciprocal licensing agreement is in effect between the

commissioner and the licensing officials of that jurisdiction, (2) the individual is licensed in that jurisdiction, and (3) the licensing requirements of that jurisdiction are substantially similar to the provisions of this chapter.

Subd. 8. **Fees.** The commissioner may assess an examination fee sufficient to recover the actual direct costs of holding the examination.
