116W.01 MINNESOTA SCIENCE AND TECHNOLOGY AUTHORITY ACT.

This chapter may be cited as the "Minnesota Science and Technology Authority Act."

History: 2010 c 347 art 1 s 11

116W.02 DEFINITIONS.

Subdivision 1. **Applicability.** For the purposes of this chapter, the terms in this section have the meanings given them.

Subd. 2. **Authority.** "Authority" means the Minnesota Science and Technology Authority.

Subd. 3. **Eligible recipient.** "Eligible recipient" means an entity primarily operating to create and retain jobs in the state's industrial base and maximize the economic growth of the state through:

- (1) high-technology research and development capabilities;
- (2) product and process innovation and commercialization;
- (3) high-technology manufacturing capabilities;
- (4) science and technology business environment; or
- (5) science and technology workforce preparation.

Subd. 4. **Advisory commission.** "Advisory commission" means the advisory commission under section 116W.051.

History: 2010 c 347 art 1 s 12

116W.03 MINNESOTA SCIENCE AND TECHNOLOGY AUTHORITY.

Subdivision 1. **Membership.** The Minnesota Science and Technology Authority consists of the commissioner of employment and economic development, the commissioner of management and budget, the commissioner of revenue, the commissioner of commerce, and the commissioner

of agriculture.

Subd. 2. **Chair; other officers.** The commissioner of employment and economic development shall serve as the chair and chief executive officer of the authority. The authority shall rotate the position of vice-chair annually among its members. The commissioner of employment and economic development shall convene the first meeting of the authority no later than July 1, 2010. In the absence of the chair or vice-chair at meetings of the authority members may elect a chair for the meeting, and may elect other officers as necessary from its members.

Subd. 3. **Delegation.** In addition to any powers to delegate that members of the authority have as commissioners, they may delegate to the chair, vice-chair, or executive director their responsibilities as members of the authority for reviewing and approving financing of eligible projects, projects that have been authorized by law, or programs specifically authorized by resolution of the authority.

Subd. 4. **Actions.** (a) A majority of the authority, excluding vacancies, constitutes a quorum to conduct its business, to exercise its powers, and for all other purposes.

(b) The authority may conduct its business by any technological means available, including teleconference calls or interactive video, that allows for an interaction between members. If a meeting is conducted under this paragraph, a specific location must be available for the public to attend the meeting and at least one member must be present at that location.

Subd. 5. **Executive director; staffing.** The authority shall employ an executive director in the unclassified service. The initial executive director must be the individual in the position of director of the Office of Science and Technology as of January 1, 2010, under Minnesota Statutes 2008, section 116J.657. The executive director is responsible for hiring staff necessary to assist the executive director to carry out the duties and responsibilities of the authority. The executive director shall perform duties that the authority may require in carrying out its responsibilities to manage and implement the funds and programs in this chapter, and comply with all state and federal program requirements, and state and federal securities and tax laws and regulations. The executive director shall assist the advisory board in fulfilling its duties under this chapter.

Subd. 6. **Administrative services.** The authority shall enter into agreements for administrative and professional services and technical support.

Subd. 7. **Expiration.** This section expires June 30, 2018. Section 15.059, subdivision 5, does not apply to the authority.

History: 2010 c 347 art 1 s 13; 2011 c 76 art 1 s 10

116W.035 INFORMATION TECHNOLOGY.

To the extent the projects or grants approved by the authority or other work of the authority impact state information systems, these information systems are subject to the jurisdiction of the Office of Enterprise Technology in chapter 16E, including, but not limited to:

- (1) evaluation and approval as specified in section 16E.03, subdivisions 3 and 4;
- (2) review to ensure compliance with security policies, guidelines, and standards as specified in section 16E.03, subdivision 7; and
- (3) assurance of compliance with accessibility standards developed under section 16E.03, subdivision 9.

History: 2010 c 392 art 1 s 13

116W.04 POWERS AND DUTIES.

Subdivision 1. **Duties.** The Science and Technology Authority shall:

(1) coordinate public and private efforts to procure federal funding for collaborative research and development projects of primary benefit to small-sized and medium-sized businesses;

(2) promote contractual relationships between Minnesota businesses that are recipients of federal grants and prime contractors, and Minnesota-based subcontractors;

(3) work with Minnesota nonprofit institutions including the University of Minnesota, Minnesota State Colleges and Universities, and the Mayo Clinic in promoting collaborative efforts to respond to federal funding opportunities;

(4) develop a framework for Minnesota companies to establish sole-source relationships with federal agencies;

(5) provide grants or other forms of financial assistance to eligible recipients for purposes of this chapter;

(6) coordinate workshops, assistance with business proposals, licensing, intellectual property protection, commercialization, and government auditing with the University of Minnesota and Minnesota State Colleges and Universities; and

(7) develop and implement a comprehensive science and technology economic development strategy for the state.

Subd. 2. **Technology matchmaking.** The authority must assist businesses in identifying qualified suppliers and vendors through a program to serve as a conduit for Minnesota-based companies to network with firms able to support their success. Firms outside Minnesota can participate in the technology matchmaking network if one of the participating companies is located in Minnesota.

Subd. 3. **Commercialization assistance.** The authority must provide commercialization assistance to Minnesota firms that have received a Phase I Small Business Innovation Research (SBIR) or a Phase I Small Business Technology Transfer (STTR) award and are submitting a Phase II proposal. Local service providers must assist the applicant with developing and reviewing the required commercialization plan prior to Phase II submission. The authority may provide SBIR Phase I proposal technical review.

Subd. 4. **Power to sue; enter contracts.** The authority may sue and be sued. The authority may make and enter into contracts, leases, and agreements necessary to perform its duties and exercise its powers.

Subd. 5. **Gifts; grants.** The authority may apply for, accept, and disburse gifts, grants, loans, or other property from the United States, the state, private sources, or any other source for any of its purposes. Money received by the authority under this subdivision must be deposited in the state treasury and is appropriated to the authority to carry out its duties.

Subd. 6. **Contract for services.** The authority may retain or contract for the services of accountants, financial advisors, and other consultants or agents needed to perform its duties and exercise its powers.

Subd. 7. **Fees.** The authority may set and collect fees for costs incurred by the authority, the Department of Employment and Economic Development, the Department of Management and Budget, the Department of Revenue, the Department of Commerce, the Department of Labor

and Industry, and the Department of Agriculture, including costs for personnel, professional, and administrative services.

Subd. 8. **Reports.** (a) The authority shall report by February 1 each year to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over finance and economic development on its progress to design, coordinate, and administer a strategic science and technology program for the state to promote the welfare of the people of the state, maximize the economic growth of the state, and create and retain jobs in the state's industrial base through enhancement of Minnesota's:

- (1) high-technology research and development capabilities;
- (2) product and process innovation and commercialization;
- (3) high-technology manufacturing capabilities;
- (4) science and technology business environment; and
- (5) science and technology workforce preparation.

(b) The report must include a complete operating and financial statement covering the authority's operations during the year, including amounts of income from all sources. Books and records of the authority are subject to audit by the legislative auditor in the manner prescribed for state agencies.

Subd. 9. **Consultative and technical services.** The authority may provide general consultative and technical services to assist eligible projects and enter into agreements or other transactions concerning the receipt or provision of those services.

Subd. 10. **Financial information.** Financial information, including credit reports, financial statements, and net worth calculations, received or prepared by the authority regarding financial assistance, is private data with regard to data on individuals as defined in section 13.02, subdivision 12, and nonpublic data with regard to data not on individuals as defined in section 13.02, subdivision 9.

Subd. 11. **General.** The authority shall have all powers necessary and appropriate to fulfill its responsibilities under this chapter.

History: 2010 c 347 art 1 s 14

116W.05 PROJECT FINANCIAL ASSISTANCE.

Subdivision 1. **Determination of financial assistance.** The authority shall assist eligible recipients in identifying grants or other sources of financial assistance available to finance projects and may assist eligible recipients in applying for and obtaining grants and other forms of assistance.

Subd. 2. **Financial feasibility review.** (a) The authority shall review the proposed financing for each project submitted to the authority to determine whether: (1) the proposed project and financing plan is an eligible use of the money; and (2) the proposal is in compliance with applicable state and federal tax and securities laws and regulations. Grants in excess of \$50,000 must be approved by the authority. Grants of \$50,000 or less may be authorized by the executive director. All grant approvals or disapprovals must be completed within 30 days of submission to the authority. Grants approved by the executive director must be reviewed by the authority each month.

(b) Unless a project is specifically authorized by law, the authority may reject the proposed financing for a project meeting the requirements in paragraph (a) if there are not sufficient funds available or if a majority of members believe the financing of the project would not be in the best interests of the state or would be detrimental to the authority's funds or programs. A determination to reject a proposed project must not be made in an arbitrary and capricious manner and must be supported by substantive evidence and documented by a resolution of the authority stating its findings.

History: 2010 c 347 art 1 s 15

116W.06 ADVISORY COMMISSION.

Subdivision 1. **Advisory commission membership.** A Science and Technology Initiative Advisory Commission of 18 members is established and is comprised of:

(1) two representatives of the University of Minnesota, selected by the president of the university, including a faculty member actively involved in science and technology research;

(2) two representatives of the Minnesota State Colleges and Universities, selected by the chancellor, including a faculty member actively involved in science and technology research;

(3) the chief executive officer of Mayo Clinic or a designee;

(4) six chief executive officers or designees from science-oriented or technology-oriented companies;

(5) four representatives from science-oriented and technology-oriented organizations;

(6) one representative of organized labor;

(7) a venture capital representative; and

(8) a representative of angel investors.

A member must have experience in science or technology in order to serve on the commission.

Members of the commission listed in clauses (4) to (8) shall be appointed by the authority.

Subd. 2. **Advisory commission duties.** The advisory commission must assist the authority in developing a comprehensive science and technology economic development plan to be presented to the chairs and ranking minority members of the legislative committees and divisions with jurisdiction over economic development and higher education by January 15, 2011. The plan must include recommendations in strategic areas for science and technology investments, recommendations on additional programs to support science and technology focused economic development activities in the state, selection of specific programs and grantees for support from program funds authorized by the advisory commission and ongoing assessment of the effectiveness of programmatic elements according to metrics to be developed by the authority in consultation with the advisory commission. The advisory commission may also advise and assist the authority in fulfilling its duties under section 116W.04.

Subd. 3. **Membership terms; vacancies; compensation.** The membership terms, removal of members, and filling of vacancies are as provided under section 15.059. The executive director may provide compensation to members if funds are available.

Subd. 4. **Expiration.** The advisory commission expires June 30, 2013.

Subd. 5. **Convening of meetings; staffing.** The executive director of the authority must

convene the first meeting of the commission by August 1, 2010. The executive director must provide administrative support and staff to the commission.

History: 2010 c 347 art 1 s 16

116W.20 MONEY OF THE AUTHORITY.

Subdivision 1. **Functions of commissioner of management and budget.** Except as otherwise provided in this section, money of the authority must be paid to the commissioner of management and budget as agent of the authority and the commissioner shall not commingle the money with other money. The money in the accounts of the authority must be paid out only on warrants drawn by the commissioner of management and budget on requisition of the executive director of the authority or of another officer or employee as the authority authorizes. Deposits of the authority's money must, if required by the commissioner or the authority, be secured by obligations of the United States or of the state of a market value equal at all times to the amount of the deposit and all banks and trust companies are authorized to give security for the deposits. All money paid to the commissioner as agent of the authority is appropriated to the authority. The commissioner must annually report to the committees of the legislature with responsibility for economic development and management and budget on the use of appropriations under this section.

Subd. 2. **System of accounts.** The commissioner of management and budget shall prescribe a system of accounts.

History: 2010 c 347 art 1 s 17

116W.21 NONLIABILITY.

Subdivision 1. **Nonliability of individuals.** No member of the authority, staff of the authority, or other person executing other agreements or contracts of the authority is liable personally or is subject to any personal liability or accountability by reason of their issuance, execution, delivery, or performance.

Subd. 2. **Nonliability of state.** The state is not liable on loans or other agreements or contracts of the authority issued or entered into under this chapter and the loans or other agreements or contracts of the authority are not a debt of the state. The loans or other agreements or contracts of the authority must contain on their face a statement to that effect.

History: 2010 c 347 art 1 s 18

116W.23 STATE PLEDGE AGAINST IMPAIRMENT OF CONTRACTS.

The state pledges and agrees with parties to any loans or other agreements or contracts of the authority that the state will not: (1) limit or alter the rights vested in the authority to fulfill the terms of any agreements made with the parties to any loans or other agreements or contracts of the authority; or (2) in any way impair the rights and remedies of the parties to any loans or other agreements or contracts of the authority. The authority may include this pledge and agreement of the state in any agreement with the parties in any loans or other agreements or contracts of the authority.

History: 2010 c 347 art 1 s 19

116W.24 RESERVES; FUNDS; ACCOUNTS.

The authority may establish reserves, funds, or accounts necessary to carry out the purposes of the authority or to comply with any agreement made by or any resolution passed by the authority.

116W.25 CITATION.

Sections 116W.26 to 116W.34 may be cited as the "Minnesota science and technology program."

History: *1Sp2011 c 7 art 9 s 1*

116W.26 DEFINITIONS.

Subdivision 1. **Applicability.** For the purposes of sections 116W.26 to 116W.34, the terms in this section have the meanings given them.

Subd. 2. **Authority.** "Authority" means the Minnesota Science and Technology Authority established under this chapter.

Subd. 3. **College or university.** "College or university" means an institution of postsecondary education, public or private, that grants undergraduate or postgraduate academic degrees, and conducts significant research or development activities in the areas of science and technology.

Subd. 4. **Commercialization.** "Commercialization" means any of the full spectrum of activities required for a new technology, product, or process to be developed from its basic research of conceptual stage through applied research or development to the marketplace including, without limitation, the steps leading up to and including licensure, sales, and services.

Subd. 5. **Commercialized research project.** "Commercialized research project" means research conducted within a college or university or nonprofit research institution or by a qualified science and technology company that has shown advanced commercial potential through license agreements, patents, or other forms of invention disclosure, and by which a qualified science and technology company has been or is being currently formed.

Subd. 6. **Fund.** "Fund" means the Minnesota science and technology fund.

Subd. 7. **Nonprofit research institution.** "Nonprofit research institution" means an entity with its principle place of business in Minnesota, that qualifies under section 501(c) of the Internal Revenue Code, and that conducts significant research or development activities in this state in the areas of science and technology.

Subd. 8. **Program.** "Program" means the Minnesota science and technology program.

Subd. 9. **Qualified science and technology company.** "Qualified science and technology company" means a corporation, limited liability company, S corporation, partnership, limited liability partnership, or sole proprietorship with fewer than 100 employees that is engaged in research, development, or production of science or technology in this state including, without limitation, research, development, or production directed toward developing or providing science and technology products, processes, or services for specific commercial or public purposes.

History: *1Sp2011 c 7 art 9 s 2*

116W.27 MINNESOTA SCIENCE AND TECHNOLOGY FUND.

A Minnesota science and technology fund is created in the state treasury. The fund is a direct-appropriated special revenue fund. Money of the authority must be paid to the commissioner of management and budget as agent of the authority and the commissioner shall not commingle the money with other money. The money in the fund must be paid out only on warrants drawn by the commissioner of management and budget on requisition of the executive director of the authority or designee.

History: *1Sp2011 c 7 art 9 s 3*

116W.28 MINNESOTA SCIENCE AND TECHNOLOGY FUND; AUTHORIZED USES.

The Minnesota science and technology fund may be used for the following to:

- (1) establish the commercialized research program authorized under section 116W.29;
 - (2) establish the federal research and development support program under section 116W.30;
 - (3) establish the industry technology and competitiveness program under section 116W.31;
- and
- (4) carry out the powers of the authority authorized under sections 116W.04 and 116W.32 that are in support of the programs in clauses (1) to (3).

History: *1Sp2011 c 7 art 9 s 4*

116W.29 COMMERCIALIZED RESEARCH PROGRAM.

(a) The authority may establish a commercialized research program. The purpose of the program is to accelerate the commercialization of science and technology products, processes, or services from colleges or universities, nonprofit research institutions, or qualified science and technology companies that lead to an increase in science and technology businesses and jobs. The program shall:

- (1) provide science and technology gap funding of up to \$250,000 per science and technology research project to assist in the commercialization and transfer of science and technology research projects from a college or university or nonprofit research institution to a qualified science and technology company; and
 - (2) provide funding of up to \$250,000 for early stage development for qualified science and technology companies to conduct commercialized research projects.
- (b) All activities under the commercialized research program must require:
- (1) written criteria set by the authority for the application, award, and use of the funds;
 - (2) matching funds by the participating qualified science and technology company, college or university, or nonprofit research institution;
 - (3) no more than 15 percent of the funds awarded by the authority may be used for overhead costs; and
 - (4) a report by the participating qualified science and technology company, college or university, or nonprofit research institution that provides documentation of the use of funds and outcomes of the award. The report must be submitted to the authority within one calendar year of the date of the award.

History: *1Sp2011 c 7 art 9 s 5*

116W.30 FEDERAL RESEARCH AND DEVELOPMENT SUPPORT PROGRAM.

The authority may establish a federal research and development support program. The purpose of the program is to increase and coordinate efforts to procure federal funding for research projects of primary benefit to qualified science and technology companies, colleges or universities, and nonprofit research institutions. The program shall:

- (1) develop and execute a strategy to identify specific federal agencies and programs that support the growth of science and technology industries in this state; and
- (2) provide grants to qualified science and technology companies:
 - (i) to assist in the development of federal Small Business Innovation (SBIR) or Small Business Technology Transfer (STTR) proposals; and
 - (ii) to match funds received through SBIR or STTR awards. No more than \$1,500,000 may be awarded in a year for matching grants under this clause.

History: *1Sp2011 c 7 art 9 s 6*

116W.31 INDUSTRY INNOVATION AND COMPETITIVENESS PROGRAM.

(a) The authority may establish an industry technology and competitiveness program. The purpose of the program is to advance the technological capacity and competitiveness of existing and emerging science and technology industries. The program shall:

- (1) provide matching funds to programs and organizations that assist entrepreneurs in starting and growing qualified science and technology companies including, but not limited to, matching funds for mentoring programs, consulting and technical services, and related activities;
- (2) fund initiatives that retain engineering, science, technology, and mathematical occupations in the state including, but not limited to, internships, mentoring, and support of industry and professional organizations; and
- (3) fund initiatives that support the growth of targeted industry clusters and the competitiveness of existing qualified science and technology companies in developing and marketing new products and services.

(b) All activities under the industry innovation and competitiveness program shall require:

- (1) written criteria set by the authority for the application, award, and use of the funds;
- (2) matching funds by the participating qualified science and technology company, college or university, or nonprofit research institution; and
- (3) a report by the participating qualified science and technology company, college or university, or nonprofit research institution providing documentation on the use of the funds and outcomes of the award. The report must be submitted to the authority within one calendar year from the date of the award.

History: *1Sp2011 c 7 art 9 s 7*

116W.32 MINNESOTA SCIENCE AND TECHNOLOGY AUTHORITY; POWERS UNDER FUND.

Subdivision 1. **General powers.** The authority shall have all of the powers necessary to carry out the purposes and provisions of sections 116W.26 to 116W.34, including, but not limited to, those provided under section 116W.04 and the following:

(1) The authority may make awards in the forms of grants or loans, and charge and receive a reasonable interest for the loans, or take an equity position in form of stock, a convertible note, or other securities in consideration of an award. Interests, revenues, or other proceeds received as a result of a transaction authorized by use of this fund shall be deposited to the corpus of the fund and used in the same manner as the corpus of the fund.

(2) In awarding money from the fund, priority shall be given to proposals from qualified science and technology companies that have demonstrable economic benefit to the state in terms of the formation of a new private sector business entity, the creation of jobs, or the attraction of federal and private funding.

(3) In awarding money from the fund, priority shall be given to proposals from colleges or universities and nonprofit research institutions that:

(i) promote collaboration between any combination of colleges or universities, nonprofit research institutions, and private industry;

(ii) enhance existing research superiority by attracting new research entities, research talent, or resources to the state; and

(iii) create new research superiority that attracts significant researchers and resources from outside the state.

(4) Subject to the limits in this clause, money within the fund may be used for reasonable administrative expenses by the authority including staffing and direct operational expenses, and professional fees for accounting, legal, and other technical services required to carry out the intent of the program and administration of the fund. Administrative expenses may not exceed five percent of the first \$5,000,000 in the fund and two percent of any amount in excess of \$5,000,000.

(5) Before making an award, the authority shall enter into a written agreement with the entity receiving the award that specifies the uses of the award.

(6) If the award recipient has not used the award received for the purposes intended, as of the date provided in the agreement, the recipient shall repay that amount and any interest applicable under the agreement to the authority. All repayments must be deposited to the corpus of the fund.

Subd. 2. **Rules.** The authority may adopt rules to implement the programs authorized under sections 116W.29 to 116W.31.

History: *1Sp2011 c 7 art 9 s 8*

116W.33 REPAYMENT.

An entity must repay all or a portion of the amount of any award, grant, loan, or financial assistance of any type paid by the authority under sections 116W.29 to 116W.32 if the entity relocates outside the state or ceases operation in Minnesota within four years from the date the authority provided the financial award. If the entity relocates outside of this state or ceases operation in Minnesota within three years of the financial award, the entity must repay 100 percent of the award. If the entity relocates or ceases operation in Minnesota after a period of three years but before four years from the date of the financial award, the entity must repay 75 percent of the financial award.

History: *1Sp2011 c 7 art 9 s 9*

116W.34 EXPIRATION.

Sections 116W.26 to 116W.33 expire on the expiration date of the authority under section 116W.03, subdivision 7. Any unused money in the fund shall be deposited in the general fund.

History: *1Sp2011 c 7 art 9 s 10*
