

18C.235 STORAGE, HANDLING, DISPOSAL, AND INCIDENT RESPONSE PLAN.

Subdivision 1. **Plan required.** A person who stores fertilizers, soil amendment, or plant amendment products in bulk must develop and maintain a contingency plan that describes the storage, handling, disposal, and incident handling practices.

Subd. 2. **Plan availability.** (a) The plan must be kept at a principal business site or location within this state and must be submitted to the commissioner upon request.

(b) The plan must be available for inspection by the commissioner.
