Subd. 5. **Tax as personal debt.** The tax imposed by this chapter, and interest and penalties imposed with respect to it, is a personal debt of the person required to file a return from the time the liability for it arises, regardless of when the time for payment of the liability occurs. In the case of the executor or administrator of the estate of a decedent and in the case of any fiduciary, the debt is that of the person in the person's official or fiduciary capacity only, unless the person has voluntarily distributed the assets held in that capacity without reserving sufficient assets to pay the tax, interest, and penalties. In that case, the person is personally liable for the deficiency.

Subd. 6. **Tax construction.** The tax imposed by this section is not a cost of doing business or an overhead expense under section 325D.01, subdivision 7.

Subd. 7. **Tax; sales by state.** The state of Minnesota or any of its agencies, instrumentalities, or governmental subdivisions is subject to the tax imposed by this chapter on all cigarettes or tobacco products sold, in the same manner as distributors, if such unit is engaged in the purchase and sale of cigarettes or tobacco products.

297F.07 SALES TO INDIAN TRIBES.

Subdivision 1. **Wholesalers.** A wholesaler may set aside the part of the wholesaler's cigarette and tobacco product stock necessary to make sales to the established governing body of an Indian tribe recognized by the United States Department of Interior without paying the tax required by this chapter. The amount of unstamped or untaxed stock that wholesalers may deliver to an Indian reservation is limited to amounts necessary to meet the personal consumption needs of qualified purchasers. The unstamped stock must be kept separate and apart from stamped stock. When shipping or delivering unstamped or untaxed stock to an Indian tribal organization, the wholesaler shall make a true duplicate invoice. The invoice must show the complete details of the sale or delivery. The wholesaler shall send the duplicate to the commissioner not later than the 18th day of the following calendar month. If the wholesaler fails to comply with this section, the commissioner shall revoke the permission granted to the wholesaler to keep a stock of unstamped goods.

Subd. 3. **Qualified purchasers.** A qualified purchaser of unstamped or untaxed stock means only an enrolled member of the Indian tribe which is offering the stock for sale.

Subd. 4. **Sales to nonqualified buyers.** A retailer who sells or otherwise disposes of unstamped or untaxed stock other than to a qualified purchaser shall collect from the buyer or transferee the tax imposed by section 297F.05, and remit the tax to the Department of Revenue at the same time and manner as required by section 297F.09. If the retailer fails to collect the tax from the buyer or transferee, or fails to remit the tax, the retailer is personally responsible for the tax and the commissioner may seize any product destined to be delivered to the retailer. The product so seized shall be considered contraband and be subject to the procedures outlined in section 297F.21, subdivision 3.

This section does not relieve the buyer or possessor of unstamped or untaxed stock from personal liability for the tax.

297F.08 CIGARETTE STAMPS.

Subdivision 1. **Stamp put on by distributor.** Except as otherwise provided in this chapter, payment of the tax imposed by this chapter must be evidenced by stamps affixed to each package. Before delivering, or causing to be delivered, a package to any person in this state, a distributor shall firmly affix to each package of cigarettes appropriate stamps in amounts equal to the tax on those cigarettes as provided in this chapter.

Subd. 2. **Tax due; cigarettes.** Notwithstanding any other provisions of this chapter, the tax due on the return is based upon actual stamps purchased during the reporting period.

Subd. 3. **Time of affixing stamp.** In all cases where cigarettes are shipped into this state by any licensed distributor from outside this state, the appropriate stamps must be affixed to packages at the time the package enters the state.

Subd. 4. **Stamps; design, printing.** The commissioner shall adopt the design of two stamps. One stamp must be designed for application to cigarette packages destined for retail sale on an Indian reservation which is a party to an agreement under section 270C.19, subdivision 2,

and only to those packages. A second stamp must be designed for all other cigarette packages subject to the provisions of this chapter. The commissioner shall arrange for the printing of stamps in such amounts and denominations as the commissioner deems necessary.

Subd. 5. **Deposit of proceeds.** The commissioner shall use the amounts appropriated by law to purchase stamps for resale. The commissioner shall charge the purchasers for the costs of the stamps along with the tax value plus shipping costs. The costs recovered along with shipping costs must be deposited into the general fund.

Subd. 6. **Section 16A.56 superseded.** The provisions of this chapter prescribing the powers and duties of the commissioner with relation to stamps supersede all the provisions of section 16A.56 in conflict.

Subd. 7. **Price of stamps.** The commissioner shall sell stamps to any person licensed as a distributor. The commissioner shall not sell stamps to any other person. The commissioner may prescribe the method of shipment of the stamps to the distributor as well as the quantities of stamps purchased.

Subd. 8. **Sale of stamps.** The commissioner may sell stamps on a credit basis under conditions prescribed by the commissioner. The commissioner shall sell the stamps at a price which includes the tax after giving effect to the discount provided in subdivision 7. The commissioner shall recover the actual costs of the stamps from the distributor. The commissioner shall annually establish the maximum amount of stamps that may be purchased each month.

Subd. 8a. **Revolving account.** A cigarette tax stamp revolving account is created. The commissioner shall use the amounts in this fund to purchase stamps for resale. The commissioner shall charge distributors for the tax value of the stamps they receive along with the commissioner's cost to purchase the stamps and ship them to the distributor. The stamp purchase and shipping costs recovered must be credited to the revolving account and are appropriated to the commissioner for the further purchases and shipping costs. The revolving account is initially funded by a \$40,000 transfer from the Department of Revenue.

Subd. 9. **Tax stamping machines.** The commissioner shall require any person licensed as a distributor to stamp packages with a tax stamping machine, approved by the commissioner, which shall be provided by the distributor. The commissioner shall also supervise and check the operation of the machines and shall provide for the payment of the tax on any package so stamped, subject to the discount provided in subdivision 7. If the commissioner finds that a stamping machine is not affixing a legible stamp on the package, the commissioner may order the distributor to immediately cease the stamping process until the machine is functioning properly.

Subd. 10. **Resale or transfer of stamps prohibited.** No distributor shall resell or transfer any stamps purchased by the distributor from the commissioner. A distributor may transfer another state's stamped cigarettes to another distributor for the purpose of resale in the other state. A distributor who has on hand any uncanceled stamps at the time of discontinuing the business of selling cigarettes may return them to the commissioner and receive a refund of the amount paid for the stamps. Stamps which have become mutilated or unfit for use, or are affixed to cigarettes being returned to the manufacturer, or are affixed to packages which, or the contents of which, have become damaged and unfit for sale, shall be replaced by the commissioner, upon application by the distributor owning the stamps or cigarettes if an investigation discloses that the stamps have not evidenced a taxable transaction, after compliance with rules or orders of the commissioner designed to prevent use of the stamps replaced.

Subd. 11. **Railroad or sleeping car company as a distributor.** The commissioner may authorize a railroad or sleeping car company licensed as a distributor to sell cigarettes on its cars without affixing stamps to the packages, provided that monthly reports and payments of the tax due subject to the discount in subdivision 7 must be made directly to the commissioner in the manner and under the terms provided for by the commissioner. Only one distributor's license need be obtained by each railroad or sleeping car company to permit it to sell cigarettes on any or all of its cars within the state.

Subd. 12. **Cigarettes in interstate commerce.** (a) A person may not transport or cause to be transported from this state cigarettes for sale in another state without first affixing to the cigarettes the stamp required by the state in which the cigarettes are to be sold or paying any other excise tax on the cigarettes imposed by the state in which the cigarettes are to be sold.

(b) A person may not affix to cigarettes the stamp required by another state or pay any other excise tax on the cigarettes imposed by another state if the other state prohibits stamps from being affixed to the cigarettes, prohibits the payment of any other excise tax on the cigarettes, or prohibits the sale of the cigarettes.

(c) Not later than 15 days after the end of each calendar quarter, a person who transports or causes to be transported from this state cigarettes for sale in another state shall submit to the commissioner a report identifying the quantity and style of each brand of the cigarettes transported or caused to be transported in the preceding calendar quarter, and the name and address of each recipient of the cigarettes. This reporting requirement only applies to cigarettes manufactured by companies that are not original or subsequent participating manufacturers in the Master Settlement Agreement with other states.

(d) For purposes of this section, "person" has the meaning given in section 297F.01, subdivision 12. Person does not include any common or contract carrier, or public warehouse that is not owned, in whole or in part, directly or indirectly by such person, and does not include a manufacturer that is an original or subsequent participating manufacturer in the Master Settlement Agreement with other states.

Subd. 13. **Bond.** The commissioner may require the furnishing of a corporate surety bond or a certified check in an amount suitable to guarantee payment of the tax stamps purchased by a distributor. The bond or certified check may be required when the commissioner determines that a distributor is (1) delinquent in the filing of any return required under this chapter, or (2) delinquent in the payment of any uncontested tax liability under this chapter. The distributor shall furnish the bond or certified check for a period of two years, after which, if the distributor has not been delinquent in the filing of any returns required under this chapter, or delinquent in the paying of any tax under this chapter, a bond or certified check is no longer required. The commissioner at any time may apply the bond or certified check to any unpaid taxes or fees, including interest and penalties, owed to the department by the distributor.

However, the penalty is not imposed if the amount remitted in June equals the lesser of:

- (1) 90 percent of the actual June liability; or

(d) All books, records, and other documents required by this chapter shall be preserved for a period of at least 3-1/2 years after the date of the documents or the date of the entries

appearing in the records, unless the commissioner in writing authorizes their destruction or disposal at an earlier date.

(e) To determine whether the distributor is in compliance with the provisions of this chapter, at any time during usual business hours the commissioner, or duly authorized agents or employees, may enter a place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the packages of cigarettes and the vending devices in that place of business. (d) To determine whether the distributor is in compliance with the provisions of this chapter, at any time during usual business hours the commissioner, or duly authorized agents or employees, may enter a place of business of a distributor, without a search warrant, and inspect the premises, the records required to be kept under this chapter, and the tobacco products in that place of business. If the commissioner, or an agent or employee of the commissioner, is denied free access or is hindered or interfered with in making the examination, the commissioner may revoke the distributor's license.

Subd. 3. Distributor to preserve copies of invoices. A person who sells cigarettes or tobacco products to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name and address, the purchaser's name and address, the date of sale, and all prices and discounts, and shall preserve legible copies of all such invoices for 3-1/2 years from the date of the sale.

297F.14 REFUNDS.

Subdivision 1. **General right to refund.** If cigarettes or tobacco products, upon which the tax imposed by this chapter has been reported and paid, are shipped or transported by the distributor to consumers to be consumed outside the state, or to retailers or subjobbers outside the state to be sold by those retailers or subjobbers outside the state, or are returned to the manufacturer by the distributor, or destroyed by the distributor, refund of the tax or credit may be made to the distributor.

Subd. 2. **Overpayment of tax.** An overpayment of the tax imposed under this chapter may be refunded to the taxpayer.

Subd. 3. **Credit against tax.** The commissioner may credit the amount determined under this section against taxes otherwise payable under this chapter by the taxpayer.

Subd. 4. **Bad debt.** For any reporting period, a taxpayer may offset against taxes payable under this chapter the amount of taxes previously paid under this chapter that is attributable to a bad debt. The taxes must have been included in a transaction the consideration for which was a debt owed to the taxpayer and which became uncollectible, but only in proportion to the portion of debt that became uncollectible. To qualify for offset under this subdivision, the debt must have qualified as a bad debt under section 166(a) of the Internal Revenue Code. The taxpayer may claim the offset within the time period prescribed in section 297F.17, subdivision 6. If the taxpayer is no longer liable for taxes imposed under this chapter, the commissioner shall refund to the taxpayer the amount of the taxes attributable to the bad debt. Any recovery of the tax claimed as a refund or credit must be reported to the commissioner on the tax return for the month in which the recovery is made. If the taxpayer is no longer required to file returns under this chapter, the taxpayer must reimburse the commissioner for tax recovered in the month following the recovery.

Subd. 5. **Source of refund; cigarettes.** The commissioner of management and budget shall pay the cigarette tax refund out of the general fund. Subd. 7. **Annual appropriation.** There is appropriated annually from the general fund to the commissioner of management and budget the amount necessary to make the refunds provided

by this section.

The inventory must contain the information that the commissioner requests and must be certified by an officer of the corporation.

Subd. 10. **Offset.** Upon audit, if a distributor's return reflects an overage resulting from an inventory counting error, the overage shall be offset against a shortage, if any, in the month immediately preceding the month of the overage. If any overage remains after that offset, the remainder may only be offset against a shortage, if any, in the month immediately following the month of the overage. If the commissioner determines that the overage is attributable to a mistake by the distributor other than an inventory counting error, the commissioner may permit the overage to be offset against a shortage in any month or months during the 12-month period immediately following the month when the overage was discovered upon audit.

297F.17 LIMITATIONS ON TIME FOR ASSESSMENT OF TAX.

Subdivision 1. **General rule.** Except as otherwise provided in this chapter, the amount of any tax due must be assessed within 3-1/2 years after a return is filed. The taxes are considered assessed within the meaning of this section when the commissioner has prepared a notice of tax assessment and mailed it to the person required to file a return to the post office address given in the return. The notice of tax assessment must be sent by mail to the post office address given in the return and the record of the mailing is presumptive evidence of the giving of such notice, and such records must be preserved by the commissioner.

Subd. 2. **Date of filing.** For purposes of this chapter, a return filed before the last day prescribed by law for its filing is considered filed on the last day.

Subd. 3. **False or fraudulent return or claim for refund; no return.** When a person required to file a return under this chapter files a false or fraudulent return or claim for refund, or fails to file a return, the tax may be assessed, and a proceeding in court for the collection of such tax may be begun at any time.

Subd. 4. **Omission over 25 percent.** If the person required to file the return omits from the return a dollar amount properly includable in it that is in excess of 25 percent of the dollar amount reported in the return, the tax may be assessed, or a proceeding in court for the collection of such tax may be begun, at any time within 6-1/2 years after the return was filed.

Subd. 5. **Time limit for refunds.** Unless otherwise provided in this chapter, a claim for a refund of an overpayment of tax must be filed within 3-1/2 years from the date prescribed for filing the return, plus any extension of time granted for filing the return, but only if filed within the extended time, or one year after the date of assessment, whichever period expires later.

Subd. 6. **Time limit for bad debt refund.** Claims for refund must be filed with the commissioner during the one-year period beginning with the timely filing of the taxpayer's federal income tax return containing the bad debt deduction that is being claimed. Claimants under this subdivision are subject to the notice requirements of section 289A.38, subdivision 7.

Subd. 7. **Consent to extend time.** If before the expiration of the time prescribed in this section for the assessment of the tax, the commissioner and the person filing the return consent in writing to an extension of time for the assessment of the tax, the tax may be assessed at any time prior to the expiration of the period agreed upon. The period so agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon.

Subd. 8. **Suspension of time; bankruptcy proceedings.** The time during which a tax must be assessed or collection proceedings commenced under this chapter is suspended during the period from the date of a filing of a petition in bankruptcy until 30 days after notice to the commissioner that the bankruptcy proceedings have been closed or dismissed, or that the automatic stay has been terminated or has expired.

The suspension of the statute of limitations under this subdivision applies to the person against whom the petition in bankruptcy is filed, and to all other persons who may be wholly or partially liable for the tax under this chapter.

Subd. 4. **Additional assessments.** When a taxpayer is liable for additional taxes because of a redetermination by the commissioner, or for any other reason, the additional taxes bear interest from the time the tax should have been paid, without regard to an extension allowed, until the date the tax is paid.

Subd. 5. **Erroneous refunds.** In the case of an erroneous refund, interest begins to accrue from the date the refund was paid unless the erroneous refund results from a mistake of the department, in which case no interest or penalty is imposed, unless the deficiency assessment

is not satisfied within 60 days of the order.

Subd. 6. **Interest on judgments.** Notwithstanding section 549.09, if judgment is entered in favor of the commissioner with regard to any tax under this chapter, the judgment bears interest at the rate given in section 270C.40 from the date the judgment is entered until the date of payment.

Subd. 7. **Interest on penalties.** (a) A penalty imposed under section 297F.19, subdivisions 2 to 7, bears interest from the date the return or payment was required to be filed or paid, including any extensions, to the date of payment of the penalty.

(b) A penalty not included in paragraph (a) bears interest only if it is not paid within ten days from the date of the notice. In that case interest is imposed from the date of notice to the date of payment.

Subd. 2. **Penalty for failure to pay tax.** If a tax imposed by this chapter is not paid within the time specified for payment, a penalty is added to the amount required to be shown as tax. The penalty is five percent of the tax not paid on or before the date specified for payment of the tax if the failure is for not more than 30 days, with an additional penalty of five percent of the amount of tax remaining unpaid during each additional 30 days or fraction of 30 days during which the failure continues, not exceeding 15 percent in the aggregate.

Subd. 3. **Penalty for failure to make and file return.** If a taxpayer fails to make and file a return within the time prescribed, including an extension, a penalty of five percent of the amount of tax not timely paid is added to the tax.

Subd. 5. **Penalty for intentional disregard of law or rules.** If part of an additional assessment is due to negligence or intentional disregard of the provisions of the applicable tax laws or rules of the commissioner, but without intent to defraud, there must be added to the tax an amount equal to ten percent of the additional assessment.

Subd. 6. **Penalty for repeated failures to file returns or pay taxes.** If there is a pattern by a person of repeated failures to timely file returns or timely pay taxes, and written notice is given that a penalty will be imposed if such failures continue, a penalty of 25 percent of the amount of the tax not timely paid as a result of each such subsequent failure is added to the tax. The penalty

can be abated under the abatement authority in section 270C.34.

Subd. 7. **Penalty for false or fraudulent return; evasion.** If a person files a false or fraudulent return, or attempts in any manner to evade or defeat a tax or payment of tax, there is imposed on the person a penalty equal to 50 percent of the tax due for the period to which the return related, less amounts paid by the person on the basis of the false or fraudulent return.

Subd. 8. **Payment of penalties.** The penalties imposed by this section are collected and paid in the same manner as taxes.

Subd. 9. **Penalties are additional.** The civil penalties imposed by this section are in addition to the criminal penalties imposed by this chapter.

297F.21 CONTRABAND.

Subdivision 1. **Contraband defined.** The following are declared to be contraband and therefore subject to civil and criminal penalties under this chapter:

(a) Cigarette packages which do not have stamps affixed to them as provided in this chapter, including but not limited to (i) packages with illegible stamps and packages with stamps that are not complete or whole even if the stamps are legible, and (ii) all devices for the vending of cigarettes in which packages as defined in item (i) are found, including all contents contained within the devices.

(b) A device for the vending of cigarettes and all packages of cigarettes, where the device does not afford at least partial visibility of contents. Where any package exposed to view does not carry the stamp required by this chapter, it shall be presumed that all packages contained in the device are unstamped and contraband.

(c) A device for the vending of cigarettes to which the commissioner or authorized agents have been denied access for the inspection of contents. In lieu of seizure, the commissioner or an agent may seal the device to prevent its use until inspection of contents is permitted.

(d) A device for the vending of cigarettes which does not carry the name and address of the owner, plainly marked and visible from the front of the machine.

(e) A device including, but not limited to, motor vehicles, trailers, snowmobiles, airplanes, and boats used with the knowledge of the owner or of a person operating with the consent of the owner for the storage or transportation of more than 5,000 cigarettes which are contraband under this subdivision. When cigarettes are being transported in the course of interstate commerce, or are in movement from either a public warehouse to a distributor upon orders from a manufacturer or distributor, or from one distributor to another, the cigarettes are not contraband, notwithstanding the provisions of clause (a).

(f) A device including, but not limited to, motor vehicles, trailers, snowmobiles, airplanes, and boats used with the knowledge of the owner, or of a person operating with the consent of the owner, for the storage or transportation of untaxed tobacco products intended for sale in Minnesota other than those in the possession of a licensed distributor on or before the due date for payment of the tax under section 297F.09, subdivision 2.

(g) Cigarette packages or tobacco products obtained from an unlicensed seller.

(h) Cigarette packages offered for sale or held as inventory in violation of section 297F.20, subdivision 7.

(i) Tobacco products on which the tax has not been paid by a licensed distributor.

(j) Any cigarette packages or tobacco products offered for sale or held as inventory for which there is not an invoice from a licensed seller as required under section 297F.13, subdivision 4.

(k) Cigarette packages which have been imported into the United States in violation of United States Code, title 26, section 5754. All cigarettes held in violation of that section shall be presumed to have entered the United States after December 31, 1999, in the absence of proof to the contrary.

(l) Cigarettes subject to forfeiture under section 299F.854, subdivision 5, and cigarette packaging and markings, including the cigarettes contained therein, which do not meet the requirements under section 299F.853, paragraph (a).

Subd. 2. **Seizure.** Cigarettes, tobacco products, or other property made contraband by subdivision 1 may be seized by the commissioner or authorized agents or by any sheriff or other police officer, with or without process, and are subject to forfeiture as provided in subdivision 3.

Subd. 3. **Inventory; judicial determination; appeal; disposition of seized property.** (a) Within ten days after the seizure of any alleged contraband, the person making the seizure shall serve by certified mail an inventory of the property seized on the person from whom the seizure was made, if known, and on any person known or believed to have any right, title, interest, or lien in the property, at the last known address, and file a copy with the commissioner. The notice must include an explanation of the right to demand a judicial forfeiture determination.

(b) Within 60 days after the date of service of the inventory, which is the date of mailing, the person from whom the property was seized or any person claiming an interest in the property may file a demand for a judicial determination of the question as to whether the property was lawfully subject to seizure and forfeiture. The demand must be in the form of a civil complaint and must be filed with the court administrator in the county in which the seizure occurred, together with proof of service of a copy of the complaint on the commissioner of revenue, and the standard filing fee for civil actions unless the petitioner has the right to sue in forma pauperis under section 563.01. If the value of the seized property is \$7,500 or less, the claimant may file an action in conciliation court for recovery of the property. If the value of the seized property is less than \$500, the claimant does not have to pay the conciliation court filing fee.

(c) The complaint must be captioned in the name of the claimant as plaintiff and the seized property as defendant, and must state with specificity the grounds on which the claimant alleges the property was improperly seized and the plaintiff's interest in the property seized. No responsive pleading is required of the commissioner, and no court fees may be charged for the commissioner's appearance in the matter. The proceedings are governed by the Rules of Civil Procedure. Notwithstanding any law to the contrary, an action for the return of property seized under this section may not be maintained by or on behalf of any person who has been served with an inventory unless the person has complied with this subdivision. The court shall decide whether the alleged contraband is contraband, as defined in subdivision 1. The court shall hear the action without a jury and shall try and determine the issues of fact and law involved.

(d) When a judgment of forfeiture is entered, unless the judgment is stayed pending an appeal, the commissioner:

(1) may authorize the forfeited property to be used for the purpose of enforcing a criminal provision of state or federal law;

(2) shall cause forfeited cigarette packages or tobacco products not used under clause (1) to be destroyed and products used under clause (1) to be destroyed upon the completion of use; and

(3) may cause the forfeited property, other than forfeited cigarette packages or tobacco products, to be sold at public auction as provided by law.

The person making a sale, after deducting the expense of keeping the property, the fee for seizure, and the costs of the sale, shall pay all liens according to their priority, which are established as being bona fide and as existing without the lienor having any notice or knowledge that the property was being used or was intended to be used for or in connection with the violation. The balance of the proceeds must be paid 75 percent to the Department of Revenue for deposit as a supplement to its operating fund or similar fund for official use, and 25 percent to the county attorney or other prosecuting agency that handled the court proceeding, if there is one, for deposit as a supplement to its operating fund or similar fund for prosecutorial purposes. If there is no prosecuting authority involved in the forfeiture, the 25 percent of the proceeds otherwise designated for the prosecuting authority must be deposited into the general fund.

(e) If no demand for judicial determination is made, the property seized is considered forfeited to the state by operation of law and may be disposed of by the commissioner as provided in the case of a judgment of forfeiture.

297F.24 FEE IN LIEU OF SETTLEMENT.

Subdivision 1. **Fee imposed.** (a) A fee is imposed upon the sale of nonsettlement cigarettes in this state, upon having nonsettlement cigarettes in possession in this state with intent to sell, upon any person engaged in business as a distributor, and upon the use or storage by consumers of nonsettlement cigarettes. The fee equals a rate of 1.75 cents per cigarette.

(b) The purpose of this fee is to:

(1) ensure that manufacturers of nonsettlement cigarettes pay fees to the state that are comparable to costs attributable to the use of the cigarettes;

(2) prevent manufacturers of nonsettlement cigarettes from undermining the state's policy of discouraging underage smoking by offering nonsettlement cigarettes at prices substantially below the cigarettes of other manufacturers; and

(3) fund such other purposes as the legislature determines appropriate.

Subd. 2. **Nonsettlement cigarettes.** For purposes of this section, a "nonsettlement cigarette" means a cigarette manufactured by a person other than a manufacturer that:

(1) is making annual payments to the state of Minnesota under a settlement of the lawsuit styled as State v. Philip Morris Inc., No. C1-94-8565 (Minnesota District Court, Second Judicial District), if the style of cigarettes is included in computation of the payments under the agreement; or

(2) has voluntarily entered into an agreement with the state of Minnesota, approved by the attorney general, agreeing to terms similar to those contained in the settlement agreement, identified in clause (1) including making annual payments to the state, with respect to its national sales of the style of cigarettes, equal to at least 75 percent of the payments that would apply if the manufacturer was one of the four original parties to the settlement agreement required to make annual payments to the state.

Subd. 3. **Collection and administration.** The commissioner shall administer the fee under this section in the same manner as the excise tax imposed under section 297F.05 and all of the provisions of this chapter apply as if the fee were a tax imposed under section 297F.05. The commissioner shall deposit the proceeds of the fee in the general fund.

297F.25 CIGARETTE SALES TAX.

Subdivision 1. **Imposition.** (a) A tax is imposed on distributors on the sale of cigarettes by a cigarette distributor to a retailer or cigarette subjobber for resale in this state. The tax is equal to 6.5 percent of the weighted average retail price and must be expressed in cents per pack rounded to the nearest one-tenth of a cent. The weighted average retail price must be determined annually, with new rates published by November 1, and effective for sales on or after January 1 of the following year. The weighted average retail price must be established by surveying cigarette retailers statewide in a manner and time determined by the commissioner. The commissioner shall make an inflation adjustment in accordance with the Consumer Price Index for all urban consumers inflation indicator as published in the most recent state budget forecast. The commissioner shall use the inflation factor for the calendar year in which the new tax rate takes effect. If the survey indicates that the average retail price of cigarettes has not increased relative to the average retail price in the previous year's survey, then the commissioner shall not make an inflation adjustment. The determination of the commissioner pursuant to this subdivision is not a "rule" and is not subject to the Administrative Procedure Act contained in chapter 14. For packs of cigarettes with other than 20 cigarettes, the tax must be adjusted proportionally.

(b) Notwithstanding paragraph (a), and in lieu of a survey of cigarette retailers, the tax calculation of the weighted average retail price for the sales of cigarettes from August 1, 2011, through December 31, 2011, shall be calculated by: (1) increasing the average retail price per pack of 20 cigarettes from the most recent survey by the percentage change in a weighted average of the presumed legal prices for cigarettes during the year after completion of that survey, as reported and published by the Department of Commerce under section 325D.371; (2) subtracting the sales tax included in the retail price; and (3) adjusting for expected inflation. The rate must be published by May 1 and is effective for sales after July 31. If the weighted average of the presumed legal prices indicates that the average retail price of cigarettes has not increased relative to the average retail price in the most recent survey, then no inflation adjustment must be made. For packs of cigarettes with other than 20 cigarettes, the tax must be adjusted proportionally.

Subd. 2. **Payment.** Each taxpayer must remit payments of the taxes to the commissioner on the same dates prescribed under section 297F.09, subdivision 1, for cigarette tax returns, including

the accelerated remittance of the June liability.

Subd. 3. **Return.** A taxpayer must file a return with the commissioner on the same dates prescribed under section 297F.09, subdivision 1, for cigarette tax returns. Notwithstanding any other provisions of this chapter, the tax due on the return is based upon actual stamps purchased during the reporting period.

Subd. 3a. **Consumer use tax; use tax return; cigarette consumer.** (a) On or before the 18th day of each calendar month, a consumer who, during the preceding calendar month, has acquired title to or possession of cigarettes for use or storage in this state, upon which the sales tax imposed by this section has not been paid, shall file a return with the commissioner showing the quantity of cigarettes so acquired or possessed. The return must be made in the form and manner prescribed by the commissioner, and must contain any other information required by the commissioner. The return must be accompanied by a remittance for the full unpaid sales tax liability shown by it.

(b) The tax imposed under paragraph (a) does not apply if (1) the consumer has acquired title to or possession of cigarettes for use or storage in this state in quantities of 200 or fewer in the month, and (2) the cigarettes were carried into this state by that consumer.

Subd. 4. **Form of return.** The return must contain the information and be in the form prescribed by the commissioner.

Subd. 5. **Tax as debt.** The tax that is required to be paid by the distributor is a debt from the retailer or cigarette subjobber to the distributor recoverable at law in the same manner as other debts. A cigarette retailer or subjobber must pay the tax imposed under subdivision 1 to the distributor before the 12th day of the month following the month in which the cigarettes were purchased from the distributor.

Subd. 6. **Sales tax stamp.** Payment of the tax imposed under section 297F.05 and by this section must be evidenced by a dual-purpose single stamp affixed to each package.

Subd. 7. **Administration.** The stamping, audit, assessment, interest, penalty, appeal, refund, and collection provisions applicable to the taxes imposed under this chapter apply to taxes imposed under this section.

Subd. 8. **Deposit of revenues.** Notwithstanding the provisions of section 297F.10, the commissioner shall deposit all revenues, including penalties and interest, derived from the tax imposed by this section, in the general fund.
