

514.46 LOGS SCALED TO OFFICER; WHERE HELD; FEES.

The officer serving such writ, if necessary to save the property from loss, shall have such logs or other timber scaled to the officer in any boom to which they may have arrived, but the officer shall not delay the driving thereof to their destination, if within the state. The boamage and scalage fees may be paid by the attaching officer, and the amount so paid returned as a part of the officer's charges. Whether paid before or after judgment, the amount of boamage and scalage shall be collected out of the property, as other costs and disbursements are collected.
