

115.445 NOTIFICATION REQUIREMENTS.

Before the Pollution Control Agency may issue a permit for a new wastewater treatment system that requires a national pollutant discharge elimination system permit or a state disposal system permit, and before construction of the system may begin, the following requirements must be met:

(1) the project proposer must provide notice to other political subdivisions as required by section 116.182, subdivision 3a, unless section 116.182, subdivision 3a, does not apply to the project; and

(2) the agency shall evaluate wastewater treatment alternatives to the proposed project that are included in the facilities plan, and any comments received on the facilities plan, considering environmental and cost factors, and shall make the information available to the public and may make written findings regarding its evaluation.
