Subd. 10. **Constitutionally dedicated funding accountability.** (a) The Legislative Coordinating Commission shall develop and maintain a user-friendly, public-oriented Web site

that informs, educates, and demonstrates to the public how the constitutionally dedicated funds in the arts and cultural heritage fund, outdoor heritage fund, clean water fund, parks and trails fund, and environment and natural resources trust fund are being expended to meet the requirements established for each fund in the state constitution. Information provided on the Web site must include, but is not limited to:

(1) information on all project proposals received by the Outdoor Heritage Council and the Legislative-Citizen Commission on Minnesota Resources;

(2) information on all projects receiving funding, including:

(i) the name of the project and a project description;

(ii) the name, telephone number, members of the board or equivalent governing body, and e-mail address of the funding recipient and, when applicable, the Web site address where the public can directly access detailed information on the recipient's receipt and use of money for the project;

(iii) the amount and source of funding, including the fiscal year of the appropriation;

(iv) the amount and source of any additional funding or leverage;

(v) the duration of the project;

(vi) the number of full-time equivalents funded under the project. For the purposes of this item, "full-time equivalent" means a position directly attributed to the receipt of money from one or more of the funds covered under this section, calculated as the total number of hours planned for the position divided by 2,088;

(vii) the direct expenses and administration costs of the project;

(viii) proposed measurable outcomes and the plan for measuring and evaluating the results;

(ix) for pass-through, noncompetitive grants, the entity acting as the fiscal agent or administering agency and a point of contact for additional information; and

In addition, an entity that awards competitive grants, including but not limited to a state agency or any statewide, regional, or local organization, must report whether an employee, decision maker, advisory group member, or other person involved in the grant process disclosed a conflict of interest or potential conflict of interest. If the entity reports that a conflict of interest or potential conflict of interest was disclosed, the entity must provide the Legislative Coordinating Commission with a contact person for additional information and the Legislative Coordinating Commission must post this information on the Web site. An entity that awards competitive grants must obtain and apply the conflict of interest policies developed by the commissioner of administration under section 16B.98, subdivision 3, unless the entity maintains and applies its own documented conflict of interest policies which are substantially similar to the commissioner of administration's policies;

(3) actual measured outcomes and evaluation of projects as required under sections 85.53, subdivision 2; 114D.50, subdivision 4; and 129D.17, subdivision 2;

(4) education about the areas and issues the projects address, including, when feasible, maps of where projects have been undertaken;

(5) all frameworks developed for future uses of each fund; and

(6) methods by which members of the public may apply for project funds under any of the constitutionally dedicated funds.

Information that could be used to identify, contact, or locate an individual minor shall be withheld from the information required for the Web site.

(b) As soon as practicable or by January 15 of the applicable fiscal year, whichever comes first, a state agency or other recipient of a direct appropriation from a fund covered under this section shall submit the information required under paragraph (a) and, when applicable, compile and submit the same information for any grant recipient or other subrecipient of funding. All information for proposed and funded projects, including the proposed measurable outcomes, must be made available on the Web site as soon as practicable. Information on the measured outcomes and evaluation must be posted as soon as it becomes available. The costs of these activities shall be paid out of the arts and cultural heritage fund, outdoor heritage fund, clean water fund, parks and trails fund, and the environment and natural resources trust fund proportionately. For purposes of this section, "measurable outcomes" means outcomes, indicators, or other performance measures that may be quantified or otherwise measured in order to measure the effectiveness of a project or program in meeting its intended goal or purpose.

(c) The Legislative Coordinating Commission shall be responsible for receiving all ten-year plans and 25-year frameworks for each of the constitutionally dedicated funds. To the extent practicable, staff for the commission shall provide assistance and oversight to these planning efforts and shall coordinate public access to hearings and public meetings for all planning efforts.
