Subd. 4. [Repealed, 1Sp1989 c 1 art 4 s 15]

Subd. 5. [Repealed, 1993 c 375 art 4 s 21]

Subd. 6. [Repealed, 1996 c 310 s 1]

Subd. 7. [Repealed, 1991 c 291 art 3 s 15]

Subd. 8. **City formula aid.** The formula aid for a city is equal to the sum of (1) its city jobs base, (2) its small city aid base, and (3) the need increase percentage multiplied by the average of its unmet need for the most recently available two years.

No city may have a formula aid amount less than zero. The need increase percentage must be the same for all cities.

The applicable need increase percentage must be calculated by the Department of Revenue so that the total of the aid under subdivision 9 equals the total amount available for aid under section 477A.03. Data used in calculating aids to cities under sections 477A.011 to 477A.013 shall be the most recently available data as of January 1 in the year in which the aid is calculated except that the data used to compute "net levy" in subdivision 9 is the data most recently available at the time of the aid computation.

Subd. 9. **City aid distribution.** (a) In calendar year 2013 and thereafter, each city shall receive an aid distribution equal to the sum of (1) the city formula aid under subdivision 8, and (2) its city aid base.

(b) For aids payable in 2013 and 2014 only, the total aid in the previous year for any city shall mean the amount of aid it was certified to receive for aids payable in 2012 under this section. For aids payable in 2015 and thereafter, the total aid in the previous year for any city means the amount of aid it was certified to receive under this section in the previous payable year.

(c) For aids payable in 2010 and thereafter, the total aid for any city shall not exceed the sum of (1) ten percent of the city's net levy for the year prior to the aid distribution plus (2) its total aid in the previous year. For aids payable in 2009 and thereafter, the total aid for any city with a population of 2,500 or more may not be less than its total aid under this section in the previous year minus the lesser of \$10 multiplied by its population, or ten percent of its net levy in the year prior to the aid distribution.

(d) For aids payable in 2010 and thereafter, the total aid for a city with a population less than 2,500 must not be less than the amount it was certified to receive in the previous year minus the lesser of \$10 multiplied by its population, or five percent of its 2003 certified aid amount. For aids payable in 2009 only, the total aid for a city with a population less than 2,500 must not be less than what it received under this section in the previous year unless its total aid in calendar year 2008 was aid under section 477A.011, subdivision 36, paragraph (s), in which case its minimum aid is zero.

(e) A city's aid loss under this section may not exceed \$300,000 in any year in which the total city aid appropriation under section 477A.03, subdivision 2a, is equal or greater than the

appropriation under that subdivision in the previous year, unless the city has an adjustment in its city net tax capacity under the process described in section 469.174, subdivision 28.

(f) If a city's net tax capacity used in calculating aid under this section has decreased in any year by more than 25 percent from its net tax capacity in the previous year due to property becoming tax-exempt Indian land, the city's maximum allowed aid increase under paragraph (c) shall be increased by an amount equal to (1) the city's tax rate in the year of the aid calculation, multiplied by (2) the amount of its net tax capacity decrease resulting from the property becoming tax exempt.

Subd. 10. Levy adjustments for aid decreases. Notwithstanding any local ordinance or charter provision, a city whose certified aid under subdivision 9 is less than the amount it received in the previous year under the same subdivision may increase its levy payable in the same year as the certified aid is paid by an amount equal to the aid decrease for that year.

Subd. 11. Aid payments in 2011 and 2012. Notwithstanding aids calculated or certified for 2011 under subdivision 9, for 2011 and 2012, each city shall receive an aid distribution under this section equal to the lesser of (1) the total amount of aid it received under this section in 2010 after the reductions under sections 477A.0133 and 477A.0134, and reduced by the amount of payments made under section 477A.011, subdivision 36, paragraphs (y) and (z), or (2) the amount it was certified to receive in 2011 under subdivision 9. In 2011 only, a city that qualifies for the aid base adjustment under section 477A.011, subdivision 36, paragraph (aa), shall receive the amount that it was certified to receive in 2011. In 2012, a city that qualifies for the aid base adjustment under section 477A.011, subdivision 36, paragraph (aa), shall receive the amount that it was certified to receive in 2011, minus the aid base adjustment provided under section 477A.011, subdivision 36, paragraph (aa).

Subd. 12. Aid payments in 2013. (a) Notwithstanding aids calculated for 2013 under subdivision 9, for 2013, each city with a population of 5,000 or more shall receive an aid distribution under this section equal to its aid distribution under this section in 2012.

(b) Notwithstanding aids calculated for 2013 under subdivision 9, each city with a population under 5,000 shall receive an aid distribution under this section equal to any additional city aid base authorized in calendar year 2013 under section 477A.011, subdivision 36, paragraph (z), plus the greater of (1) its aid distribution under this section in 2012 or (2) its amount that it is calculated to receive under subdivision 9.
