As a part of the examination provided for by section 6.48, of the accounts of the several counties within a game preserve, area, or project established under section 84A.01, 84A.20, or 84A.31, the state auditor shall segregate the audit of the accounts reflecting the receipt and disbursement of money collected or disbursed under this chapter or from the sale of tax-forfeited lands held by the state under section 84A.07, 84A.26, or 84A.36. The auditor shall also include in the reports required by section 6.48 summary statements as of December 31 before the examination that set forth the proportionate amount of principal and interest due from the state to the individual county and any money due the state from the county remaining unpaid under this chapter, or from the sale of any tax-forfeited lands referred to in this section, and other information required by the commissioner of management and budget. On receiving a report, the commissioner of management and budget shall determine the net amount due to the county for the period covered by the report and shall draw a warrant upon the state treasury payable out of the consolidated fund for that amount. It must be paid to and received by the county as payment in full of all amounts due for the period stated on the warrants from the state under any provision of this chapter.

Money to pay the warrants is appropriated to the counties entitled to payment from the consolidated fund in the state treasury.
